Fabulous Hoosier Bait Firm At Garrett Makes Lures In 500 Shapes and Sizes
[Final Installment]

ONE DAY in 1920 the mailman delivered a bizarre but dramatic package to the young, struggling Creek Chub Bait Co. in Garrett, DeKalb County, Indiana.

The package, volunteered by a helpful Minnesotan whose name has been lost, contained a jar of fingerling pike pickled in alcohol, and a note that said in essence: "DUPLICATE THIS MINNOW and you'll have a killer lure!"

Creek Chub's three founders — Henry Dills, George Schulthess, and Carl Heinzerling — first examined the odd, unsolicited gift with amused smiles.

Then their inventive minds clicked into gear and one said, "Hmmm — if he's right this could be just what we need."

TRUER WORDS were never spoken. Born of a whittled cedar plug with a natural wriggle, the new Hoosier firm had achieved fair success in a decade.

But the three lures then made — the original Wiggler, the Injured Minnow, and an artificial Crawdad — were all bass baits. Moreover, they'd been widely copied by imitative competitors.

"What they wanted and needed," said Harry Heinzerling, Carl's son and Creek Chub's present sales manager and secretary-treasurer, "was a lure that would catch all game fish."

A YEAR LATER, from the jar of pickled pike and months of tinkering and tests, emerged Creek Chub's fabulous Pikie Minnow.

From the first, the Pikie was a quick click. Shortly later a jointed model with a snappier wriggle was added.

In the years since, more than 50 million Pikies have flowed out of Garrett into tackle boxes everywhere. Rare is the bait caster who hasn't used one . . . with good results.

FEW LURES have better withstood the tests of time and capricious shifts of fishermen's fancies. Today the Pikie is still Creek Chub's bellwether — and the backbone of the firm.

More remarkably, the Pikie of today is virtually the same as 1921's — except that it's now made of tough plastic instead of cedar.

And it still catches trophy lunkers. Example: In the 1958 Field & Stream contest, five of the top 10 muskies were caught with Pikies. (A jointed Pikie (Continued on Page 15))

Culver School Faculty List Is Announced

Five New Names Among Teachers

For the general information of the public the following listed names constitute the sum total of personnel employed in the Culver-Union Township School for the academic year 1961-62.

Patrons will note that among the listed teachers there are five new names; however, Gene Crossley, the new athletic coach, has been in the community all summer and in effect is not new to the community.

Bernard Stukenborg, the new physics and mathematics teacher, is a graduate of West High School and St. Joseph College. Mr. Stukenborg taught at North Judson last year. He and his wife, the former Margaret Schmidt, have purchased a home just north of Road 10, east of Culver.

Mrs. Gail Little, a new fifth grade teacher, is a graduate of Wittenberg College in Ohio and has taught in the Baltimore, Md., schools at the grade level.

Richard Hambrock, the new director of music, is a graduate of Valparaiso University and has seven years teaching experience, with his last five years service in Boone Grove Schools in Porter County.

Mrs. Carole Gast is a graduate of Winamac High School and Indiana University, and has previously taught home economics in the schools of White Pigeon, Mich.

Mrs. Little's husband is a new teacher at the Academy. Mr. Hambrock and family will live on Lakeview Street; and Mrs. Gast and her husband are living at 222 Summit Street — all this means that the five new teachers are residents of the Culver community.

Holdover Faculty Members

Other members of the 1961-1962 faculty of Culver-Union Township Public Schools are: Arthur Alexander, Gertrude Allen, Shirley Tucker Amond, Ruth Barton, Margaret Carter, Kenneth Cole, James R. Cox, Julia Cripe, Carol Freeman, William Graham, Mary Esther Henning, Ruth Johnson, Shelton Kaiser, Alice Keller, Reed Kepler, Latham Lawson, Mildred Lindvall, Mary Frances Mahan, Dorothy Manis, Alice McLane, Lulu Melton, James Moore, Violet Overmyer, Florence Page, Miles R. Robinson, Bertha May Rust, Ruth Shanks, Virginia Smith, Fred Steibacher, and Larry Weaver.

Mrs. Ruth Warner will again serve in the capacity of school secretary-treasurer.

School Cafeteria Employees

The four ladies who will function in the school cafeteria this year are Mrs. Anna Waite, Mrs. Marguerite Sperry, Mrs. Nada Henning, and Mrs. Mildred Barshes.

The four school custodians are Edward Kowatch, Albert Sytsma, Vern McKee, and Mrs. Rossie Moore.

School Bus Drivers

The drivers of Union Township school buses are: Oscar Booker, Mike Fitterling, Henry Hinkle, Winfred Hansen, Robert Kepler, Dewey Overmyer, Norman Ringler, Edward Kowatch, and Albert Sytsma. The two new names in the list of bus drivers are Fitterling and Hansen, who will be assigned each to one of the four township-owned buses.

North Bend School

In all probability there should be added to this personnel list the names of the four former teachers from North Bend School because Donald Taylor, the North Bend Township Trustee, intends to transfer some 120 to 130 students to the Culver Public Schools. If or when this happens, the agreement provides that the four North Bend teachers will be used to teach in the Culver Public Schools. Definite announcement concerning this will be made in next week's Citizen.

"You Can't Take It With You" At CMA's Eppley Theatre Tonight

—Photo by Bob Bayer

THIS IS ONE OF THE MANY COMEDY SCENES in "You Can't Take It With You," the Pulitzer Prize play by the late George S. Kaufman and Moss Hart which is being repeated tonight at the Eppley Auditorium for summer school students, commencement visitors, and the public. Admission to this rare treat is free. The young and talented actors shown are **DAN DORMAN** and **CAROL MARKLEY**. Director of theatre at Culver Military Academy is **William J. Martin**, truly a genius in his field.

Horse Show At Dude Ranch Set For Next Sunday

Promises To Be Biggest Show Yet!

The Lightning Dude Ranch, located near Bass Lake on State Road 10 in Starke County, will hold its 14th annual Horse Show on Sunday, Aug. 20.

The day's events get under way at 10 a.m. with the opening parade scheduled to start at 12:30 p.m. to be followed by a full afternoon of contests.

The grand opening parade will include many members of saddle clubs in Northern Indiana. Boys and girls riding for the Lightning Dude Ranch come from a five-state area.

Four boys, age 12, 13, 14, and 15, rode their horses from Lafayette, a distance of over 75 miles, in three days' time to be there for this outstanding Horse Show being held just 10 miles west of Culver.

Cash prizes will be awarded to winners of the many contests, including the horseman riding the longest distance to the show, the oldest rider, etc.

Refreshments will be available on the Ranch grounds.

Next to the Churches a newspaper is a town's most valuable asset. — Roger Babson.

First Winner Of Indianapolis "500" Mile Race Was Lake Maxinkuckee Visitor Exactly 50 Years Ago

DID YOU CATCH THIS NOSTALGIC "Do You Remember 'Way Back When?' 1911 item in The Culver Citizen a couple of weeks ago?

"**RAY HARROUN**, the winning driver in the 500-mile auto race at Indianapolis on Memorial Day, is occupying the Moniger cottage on Long Point, Lake Maxinkuckee, with his family and has a fine Marmon car with him."

A HALF-CENTURY AGO IN 1911 the picture at the top shows the way the racing cars looked as they made the exciting first turn during the first "500" which Harroun won at an average speed of 74.59 mph. Recent winners have exceeded 138 mph.

IN THIS YEAR'S 50TH ANNIVERSARY PRE-RACE CEREMONIES at Tony Hulman's great Indianapolis Motor Speedway, Ray Harroun again drove his 1911 Indianapolis-made "32" Marmon Wasp, shown above. The Hoosier Memorial Day classic has since grown to be the world's largest sports spectacle. (Photographs courtesy of the Culver-based monthly magazine, Indiana Business and Industry).

Summer Schools Of Academy Will Graduate 239

Commencement Is Under Way

Diplomas will be awarded 239 graduates of The Culver Summer Schools during commencement exercises here today (Wednesday) through Saturday, Aug. 16-19.

Ceremonies during which diplomas will be presented are Friday evening and Saturday morning.

Leading up to the commencement exercises will be a host of activities including a three-act play by the Summer Drama School, various military exhibitions, two garrison parades, a formal Commencement Ball, and a band concert.

Complete Program Follows

Diplomas will be given to 83 graduates of the Woodcraft Camp at 6:30 p.m. Friday, Aug. 18.

Saturday morning, the final formation of this 60th session of The Summer Schools, 140 will be graduated by the Naval School and 16 will receive diplomas from the School of Horsemanship.

To graduate from the Naval or Horsemanship Schools, a boy must have completed a three-year course in either naval skills or horsemanship. The Woodcraft Camp requires that a boy be in camp at least two summers and have completed a list of activities to obtain a "Gold C" Award.

The commencement program gets under way at 8:15 p.m. today when the Summer Drama School presents the prize-winning play, "You Can't Take It With You." The play is a tribute to its author, the late George S. Kaufman, who died recently.

Mothers Club Will Meet

Thursday morning's schedule includes a meeting of the Culver Mothers Club at 9 a.m., and a horse show at 9:45 a.m. followed by athletic events.

Milford H. Myhre, Academy organist and carillonist, will give a special carillon recital at 4 p.m. followed by a garrison parade at 4:45 p.m.

The final Woodcraft Camp Council Fire is at 8:15 p.m. and Col. Edward T. Payson will direct the band in its final concert of the summer at 8:30 p.m.

Woodcraft Track Meet

Friday's program begins with a meeting of the Culver Fathers Club at 9 a.m. There is a Woodcraft Camp track meet at 9:30 a.m., and a series of exhibitions by the Naval School, the summer cavalry, the Navy drill team, and the Lancers, honor organization of the Black Horse Troop, will begin at 10:15 a.m.

The final garrison parade is at 4:15 p.m. and Woodcraft Camp graduation exercises are at 6:30 p.m.

Commencement Ball Friday

The formal Commencement Ball will be held beginning at 9 p.m. Friday, with music by Ted Weems and His Orchestra.

Graduation exercises for the Naval and Horsemanship Schools are 8 a.m. Saturday. Awards will be presented and the 1961 session of the Summer Schools will close with the singing of "Auld Lang Syne."

PUBLIC INVITED TO CMA SUMMER SCHOOL BAND CONCERT THURSDAY EVE

The public is invited to attend the final concert by the Culver Summer School Band at 8:30 p.m. Thursday, Aug. 17.

The concert will be held in the Eugene C. Eppley Auditorium and will include favorites of the summer series of programs presented by the 100-piece band.

Col. Edward Payson, director of the band and chairman of the Music Department at Culver, will add several new transcriptions from classical works. Colonel Payson has also arranged "Blue Danube" for the trumpet trio of William Baker, William Tanner, and Philip Holland.

My Neighbors

"All the romance is going out of canoeing."

North Bend School Will Not Open This Fall

Some Pupils Will Come To Culver

(From the Aug. 9 issue of The Starke County News of Knox)

North Bend Township school will not reopen this year, according to North Bend Township Trustee, Donald Taylor.

Students will instead be absorbed into the Knox, Culver, and Monterey school systems.

Trustee Taylor is mailing letters today to the parents of students in his township notifying them of the change and asking that if they choose not to attend the Culver school system that they notify him at once.

Mr. Taylor said every effort will be made to see that the student can attend the school of his choice.

The decision to close the North Bend school will have several effects on the residents of the township.

End Of Controversy?

First, it would seem that the school controversy there will be dissolved since those favoring the Culver school system may attend that school and those favoring the Knox school system may attend at Knox.

This seems to be an ideal way to settle the weighty problem.

Secondly, a savings in the tax rate of some 80 cents per hundred dollar valuation is seen in the North Bend school budget if the school is closed. Last year North Bend allowed \$2.05 for the school budget. This year the proposed budget has dropped to only \$1.25.

Anna Kendall, Burr Oak Native, Dies At 85

Catherine Anna Kendall, age 85, died suddenly of a heart attack early Sunday morning, Aug. 13, at the home of her nephew, Annis Crum, on Behmer Road, Route 2, Culver.

The daughter of the late John and Annette Clem Crum, one of the pioneer families of the Burr Oak Plats neighborhood, Mrs. Kendall was born in Union Township on Feb. 7, 1876 and spent her entire life northwest of Burr Oak.

Surviving with her nephew are a brother, Sam Crum of Terre Haute, and several other nephews and nieces. She was a member of the Union Church of the Brethren.

Services were held at 2 p.m. Tuesday, Aug. 15, at the Easterday Funeral Home with the Rev. Eldon Morehouse, pastor of the Union Church of the Brethren, officiating and burial was made at the Burr Oak Cemetery.

Mr. and Mrs. Lester Carson of Fort Lauderdale, Fla., arrived yesterday to spend their vacation with Mrs. Carson's mother, Mrs. Clarence Kline, and family. They will also visit other relatives in South Bend.

Episcopal Bishop Preaches At CMA

THE RT. REV. WILBURN C. CAMPBELL

Guest preacher at the Memorial Chapel at the Academy last Sunday morning was the Rt. Rev. Wilburn C. Campbell, Episcopal bishop of West Virginia, who is the spiritual leader of some 19,000 Episcopalians in the 90 parishes and missions of that state. It was a real privilege to have Bishop Campbell in our community.

Lake Patrol Report Recent Law Violations

James I. Brown, 15, 1940 East Shore Drive, Culver, lost control of his car on a gravel road Aug. 8 resulting in an accident which completely demolished the automobile. Deputy Marshal Veri McFeely and Lake Patrolman Jim Cox investigated the accident and issued a reckless driving citation. Brown appeared before Justice of Peace Clyde Shively and paid a fine and costs of \$18.75.

Also arrested by Patrolman Cox were Paul N. Sandusky, 24, Culver, who was cited for exceeding the speed limit on Main Street Aug. 12 and Thomas V. Ayers, 17, 8952 Branton Ave., Highland Park, Ind., for speeding on West Shore Drive and Main Street, Aug. 13. Both appeared in Justice of Peace court and paid fines and costs of \$18.75 each.

Leota Lockwood, Age 76, Dies In Nursing Home

Miss Leota Lockwood, 76, Route 3, Argos, died at 9 a.m. Saturday, Aug. 12, in the Landis Nursing Home, Argos. She had made her home with her sister, Mrs. Nora Crow, until April when she fractured her hip.

Born Oct. 13, 1884 in the Santa Anna neighborhood she spent her lifetime in that community. Her parents were Seymour and Cornelia Lockwood.

She helped to rear two nieces in her home, Mrs. Ethel Wagoner of Argos and Mrs. Sylvia Butler of Culver. She was a charter member of the Santa Anna Methodist Church and a member of the WSCS of the church.

Surviving are a sister, Mrs. William (Nora) Crow, Route 3, Argos, and eight nieces and nephews.

Services were held Tuesday, Aug. 15, at the Grossman Funeral Home in Argos with the Rev. W. Ray Kuhn, pastor of the Popular Grove Methodist Church, officiating. Interment was made in the Jordan Cemetery, southwest of Argos.

Miss Erika Esser Will Join Time Magazine Editorial Staff Sept. 6

Miss Erika Esser, daughter of the Rupert Essers of 324 South Shore Drive and Logansport, will join the editorial staff of Time magazine in New York City on Sept. 6.

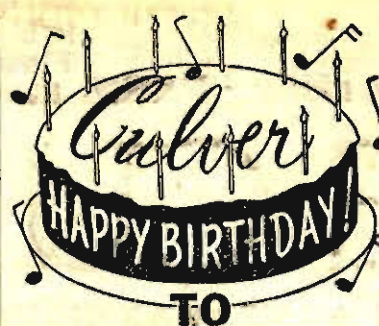

Erika, who reminds one of Actress Elizabeth Taylor, is a recent Kappa Kappa Gamma graduate of DePauw University. She confirmed her Time assignment in the presence of Nancy Todd, also a DePauw Kappa, at the John Burkhardt's Maxinkuckee Yacht Club cocktail party last Saturday.

Previously, The Citizen had reported that Erika's sister, Ruth Ria, now happily married and living in Phoenix, Ariz., was joining Time's staff.

MRS. DESSIE BLANCHARD RETURNS FROM HOSPITAL

Mrs. Dessie Blanchard, 715 Obispo St., Culver, returned home Tuesday, Aug. 8, from the South Bend Osteopathic Hospital where she underwent an emergency appendectomy on July 23.

She is getting along very satisfactorily.

Services Held Saturday For Lorraine B. Deck

Funeral services were held Saturday, Aug. 12, at the Culver Bible Church for Lorraine B. Deck, age 71, 301 Davis St., Culver, who died Aug. 9 after a month's illness. Rev. Maynard G. Tittle officiated with burial in the Culver Masonic Cemetery.

Lorraine was an employee of the Pennsylvania Railroad Company for 30 years and a member of the Culver Bible Church.

Pallbearers were Joe Boetsma, Leon Pollock, Marion May, Walter Bruneker, William Reimenschneider, and Roy Fritz.

The Easterday Funeral Home was in charge of arrangements.

The Citizen regrets that Mr. Deck's first name was incorrectly given as Lawrence in last week's paper.

Women's Guild of Grace Church Holds August Meeting Thursday

The president, Mrs. Peter Onesti, opened the August meeting of the Women's Guild of Grace Church Thursday with a poem, "The World Is One Neighborhood" and Rev. Harold Hohman led the group in prayer.

Dollar Day was observed as usual in August. Birthday greetings were sung to Miss Florence Page, Miss Osie Stahl, and Mrs. Larry Lindvall.

It was reported that Mrs. Dickson is in the hospital and Mrs. Robert Rust is not fully recovered from her illness.

Miss Page, chairman of the Christian Social Action Department told about the church library that is open to all readers by signing the card from the book and placing it in the box.

The book, "Twelve Baskets Full," by Margaret Applegarth was presented to the Guild in the form of a skit by Mrs. Edward Easterday, Miss Verda Romig, Mrs. Emma Swigart, Mrs. Austin Romig, and Mrs. H. H. Tallman. Mrs. Easterday gave the Bible reading, Mark 6:31-44 and closed the meeting with prayer.

The songs, "Help Some Body Today" and "O, Master, Let Me Walk With You," carried out the theme of the book review.

Refreshments were served to 36 members and one guest, Mrs. Lillie Buswell.

The committee was composed of Mrs. Edward Easterday, Mrs. Lulu Henderson, Mrs. Emma Swigart, Mrs. Val Herrmann, Mrs. H. H. Tallman, Mrs. Austin Romig, and Miss Verda Romig.

Zion Gospel Chapel
Missionary Society Meets

The Zion Gospel Chapel Missionary Society met Wednesday evening, Aug. 9 with Mrs. Manson Leap. The meeting opened with all singing, "More About Jesus" and "Take The Name Of Jesus With You." Prayer followed by Mrs. Marion Kline.

The lesson and devotions were given by Mrs. Mae Kline, who had as her topic "Priscilla, a servant of the Church." Mrs. Kline gave the story, meditation, and closed with prayer.

A poem "Nearing The End Of Time," was read and the song, "Sweet Hour of Prayer," was sung after which Mrs. Amanda Wentzel dismissed the worship service with prayer.

The president, Mrs. Manson Leap, conducted the business meeting which opened with the reading of the minutes. Roll call was a Scripture verse with the word "servant" in it which was answered by 14 members, and Miss Patsy Leap, Mrs. Avis Davis, and five children were guests. It will be decided next month where the supply work will be sent for Christmas.

The Society will be studying this year "All the women of the Bible" with one of the members giving a lesson each month as their name appears in the program booklet.

The entertainment consisted of revealing Sunshine Friends and drawing new ones. The hostess then served refreshments.

The Society will meet with Mrs. Doris Overmyer for the September meeting.

Mr. and Mrs. Peter DeTroy, 504 East Shore Drive, are the parents of a son born Aug. 14 at the Osteopathic Hospital in South Bend.

Tri Kappa's Second Benefit Bridge Is Notable Success

The Culver chapter of Tri Kappa Sorority had its second benefit bridge party on Wednesday, Aug. 9, at the homes of its members, Mrs. Kenneth K. Kramling, Mrs. John F. Edgell, and Mrs. Melvyn A. Estey.

Mrs. Walter J. Muehlhausen was general chairman, assisted by Mrs. George Ogden, Mrs. J. R. Mars, and Mrs. Richard McClure. Personalized prizes were awarded to the high score at each table.

Delicious refreshments were served throughout the afternoon. Many out-of-town Tri Kappas from Tipton, Attica, Wabash, Logansport, Plymouth, and Elwood chapters helped to make the bridge party a big success.

Tri Kappa also wishes to thank the public for their most generous support. All proceeds are used for local charitable and scholastic projects.

Mrs. C. Glenn Coolman is president of the local chapter.

O.E.S. Annual Inspection Held Tuesday At Bourbon

Grand inspection of Emily Jane Culver Chapter No. 484, Argos Chapter No. 265, and Bourbon Chapter No. 28 O.E.S. was held Tuesday evening, Aug. 15, at the Masonic Temple at Bourbon.

A lovely dinner was served preceding the meeting in the Temple club rooms by the ladies of Bourbon Chapter.

Mrs. James Cox, Culver worthy matron, presided over the baby dedication and the closing ceremony. Bourbon Chapter had charge of the opening and Argos presented the initiatory work to two candidates.

Distinguished guests present were Mrs. Helen B. Gore, worthy grand matron; Bradley J. Swift, worthy grand patron; and Mrs. Mary Meyers, district deputy of District 20.

**Dr. Ronn N. Minne Is Woodcraft
Camp's Director of Instruction**

AT INDIANA UNIVERSITY CONFERENCE — Dr. Ronn N. Minne of Culver Military Academy and a group of high school principals talk with Dean Smith Higgins, left, of the Indiana University Extension Division at the annual meeting of the Indiana Association of Junior and Senior High School Principals at Bloomington on Aug. 10. Left to right: Milo Eiche, Eastwood High School, Indianapolis; Dr. Minne; and Gene L. Schwick, North Central High School, Indianapolis.

DR. RONN N. MINNE was born in Los Alamos, New Mex., and prepared for college at Menominee (Mich.) High School. He received a bachelor of science degree with a major in chemistry from Northwestern University in 1950. Dr. Minne was awarded his master's degree from Northwestern University a year later and in 1960 received his doctorate from Harvard University. Dr. Minne studied under a DuPont postgraduate teaching fellowship and also received a National Science Foundation cooperative fellowship.

Came Here In 1954
He joined the Culver faculty in 1954 as an assistant instructor in science. He was elevated to an associate instructor in 1955 and was made a master instructor upon his return from Harvard in 1960. He also served nine summers with the faculty of The Culver Summer Schools and currently is director of instruction for the Woodcraft Camp.

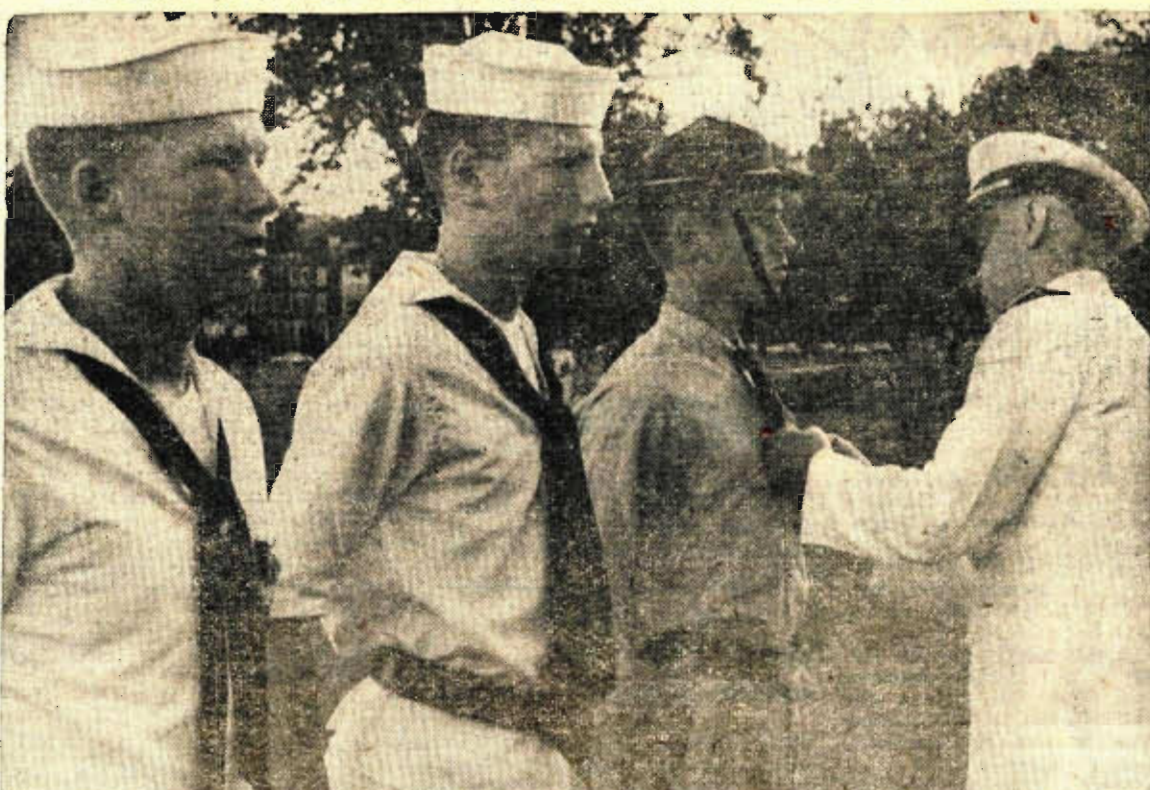

From 1943 to 1946, Dr. Minne served with the U. S. Army Engineers in the European Theater, holding the rank of captain.

**New Books At
The Culver
Public Library**

"How to Guide Your Child's Education" by Robert E. Wilson. Parents are interested in guiding their children's education but how familiar are they with the complex questions of public education? Dr. Wilson, an experienced teacher, school superintendent, and parent here offers a precise but non-technical guide in answer to those questions about the schools from kindergarten to college most frequently asked by interested parents.

Cast in an informal question and answer style this book discusses current educational theories, practices, and daily operations. In short, it explains why schools do what they do, with the objective of satisfying a common parental ambition to guide their children through a rewarding educational experience.

Receive Gold Tuxis Awards From Admiral Bays

GOLD TUXIS AWARDS went to two of the higher ranking officers of the Culver Military Academy Summer Schools during a recent Sunday parade. Rear Admiral John W. Bays, director of the C.S.S., is shown pinning the Gold Tuxis on Trooper Thomas C. Fisher. Others who received the highest Tuxis award were Thomas Lang, Company 5, and Steve Peterson, Band. Lang, who later was named as regimental commander, has since been awarded a star for his Gold Tuxis. Lang and Fisher were among the high ranking officers named in that day's promotion list announced by Col. Edward Stephenson, commandant.

The immense physical, financial, and geographic size of school districts has separated the parent from his child's teacher and learning situation. In an effort to narrow this gap, the first section of the book is devoted to answering questions about the organization, administration, and general operations of school systems.

The remaining portion of the book answers questions most often raised about the child's involvement in educational processes.

Why Are So Many Industries Moving South?

"Old Fogies" Run Local C of C's

By ROGER W. BABSON
No. 1 U. S. Economist

BABSON PARK, Mass.—Many cities wonder why new factories do not start in their area, and why so many are moving South.

One trouble is that old industries are dying faster than the area can get new ones.

In my estimation, all of the Northeastern states are high labor suffering from costs due to rampant unionism; high state taxes; overpopulation; too great a distance from raw materials; leftists who want to spend before they earn; workers who don't want to work and don't respect their employers; state and local officials unfriendly to industry; and lack of a desire to help newcomers.

Southern States Solve Problem

Already six states in the South have solved their problem, but all needed to amend their state constitutions.

These have been drawn to protect the holders of tax-exempt bonds within their states.

Times have changed, — and we now must choose between giving a monopoly to present holders of tax-exempts or aiding the unemployed. Also, owing to the new Congressional mortgage legislation, we have the U. S. Government guaranteeing 40-year mortgages at 5% interest!

Non-Taxable Revenue Bonds

We all are acquainted with non-taxable Revenue Bonds for building highways.

The holder of such bonds is dependent upon the toll receipts for his interest.

If enough people use the new highway full interest is paid, but not otherwise.

At first leading investment bankers objected to such Revenue Bonds; but finally they accepted them and the bonds sold freely. Of the hundreds of millions worth of bonds issued, only one (that put out by West Virginia) has defaulted.

Now certain cities in the South are issuing such Revenue Bonds to provide funds for new industries.

They are tax-exempt and must be voted by a majority of the citizens. These bonds have been freely accepted by Northern investors.

Need Money For Education

Many of our cities are now taxing their citizens heavily to provide education for their children. But as soon as the more intelligent of these children graduate from high school, they are obliged to leave their native city and go to a more progressive city in a more progressive state.

Hence there has been little population growth for many Northeastern cities. They need new factories, and the issuance of Industrial Revenue Bonds seems the best answer.

The biggest such Industrial Revenue Bond we know about is for \$25 million issued by the little city of Cherokee, Alabama.

Armour Goes South!

The money received from these bonds will be used to build a huge fertilizer plant to be leased by Armour & Company. The bonds give both the community and the company a highly advantageous contract. Armour has agreed to pay off the bonds at 4% interest over a period of 25 years. Both interest and principal will come entirely from Armour's lease payment.

Yields 9 3/4% Interest!

Investors who buy the bonds find themselves with a highly desirable tax-exempt 4 3/4% bond. If you are in the 50% bracket you get the equivalent of a 9.5% taxable yield.

(Cherokee has no problems because: (1) The bond issue is covered by strong legal restrictions, (2) the plant will employ 300 workers.

The second largest municipal bonding program we have heard about is a \$9 million project for General Tire in Kentucky.

Ranking third is a \$7 million bond issue for Borg-Warner Corporation in Arkansas.

This is the only method which I now see for cities in the Northeastern U.S. to get new factories to provide employment for their

Brazil, South America, Presents A Fountain To Brazil, Indiana

—Photo by Bob Bayer

PETER and AXEL SCHULTZ-WENK at CMA

Recently the Woodcraft Camp at the Academy was honored with the visit of Mrs. Craig Phillips, sister of former Governor George N. Craig of Indiana. She was here to pay a visit to Peter and Axel Schultz-Wenk, both of whom are in the Woodcraft Camp. Mrs. Phillips became interested in the Schultz-Wenk family through a friend who made it possible for presenting Brazil, Indiana, with a fountain from the country of Brazil.

As the story goes, the friend of Mrs. Phillips visited Brazil several times. On a return trip he mentioned Brazil, Indiana. This started the wheels turning and a fountain was presented to Brazil, Indiana, where it stands, at the present time in the town square. It is a beautiful fountain and people who have seen it say it is magnificent.

Peter, Div. 5, and Axel, Div. 6, are from Sao Paulo, Brazil, South America, and each is enjoying the summer activities. To quote from the boys, "This is a wonderful place to come!"

people and proper schools for their children.

Remember that today, when locating new factories, the owners are looking for localities where the executives and their wives will be glad to live.

C of C "Old Fogies"

New England cities which are some distance from raw materials must provide some offsetting advantages. They must have friendly Chambers of Commerce which are not controlled by "old fogies."

The C of C secretary should be an experienced man, preferably from one of the fast-growing Southern cities which have already issued Industrial Revenue Bonds.

New England has many natural advantages; but it must wake up to the new conditions facing us.

The same applies to many cities of the Central West which now depend upon farming.

The ads tell us we aren't really up to date unless we have a second car, a second TV, a second vacuum cleaner, even a second house. And obviously we're going to need a second mortgage, too.

— Changing Times.

Just a reminder to phone in your personal and society items for next week's Citizen. Please call Viking 2-3377 or deliver them in person.

Final Curtain At Summer Theatre Ends 12-Year Era

"Flower Drum Song" Is Finale

"The Flower Drum Song," a beautiful musical by the famed team of Rodgers and Hammerstein, closes the Maxinkuckee Playhouse this Saturday, Aug. 19. The production brings to a close the 12th and last season of summer theater for the organization.

Unsurpassed Attendance

Last week's attendance together with the advance sale for this week shows that an unsurpassed number of persons in the area are taking advantage of the opportunity to see the show and to say "thank you" to the Playhouse for their many years of fine entertainment. Some tickets are still available but persons interested in attending should call immediately.

"The Flower Drum Song" tells the story of a young Chinese boy and his struggle to find real happiness in a good marriage. Bob Glaze from Culver sings and acts the leading role around whom the story revolves. Cast with him are two Playhouse regulars, Ernestine Hill as the Chinese girl, and Marie Mastruserio as the American.

Donna Dawson Has Role

John Hess plays the father and Donna Donnelly acts and sings the role of Madame Liang, the aunt. Donna Dawson, another Culverite, has the role of the young sister and her presentation of the song, "The Other Generation," is one of the high points in the second act.

Dick Von Hoene as Sammy, Vaughn McBride as Frankie, David Stearns as Lui Ma, and Dan Weaver as Dr. Li all play important parts in the huge cast. Diane Turner and Paul Rutledge are featured along with the other resident company members.

Bill Akin has designed the sets and Brent Bradford serves as stage manager for the production.

The Playhouse will close its doors after the Saturday night performance. The property is being put up for sale but the theater costumes, props, etc. will all be retained.

TOMMYE LOU GLAZE TO STAR IN "OKLAHOMA" AT WAGON WHEEL PLAYHOUSE

Followers of Culver's Tommye Lou Glaze — and they are countless — are looking forward to her singing of the leading role in "Oklahoma" at the Wagon Wheel Playhouse in Warsaw from Aug. 20 through Sept. 4. Mail or telephone reservations for tickets are being accepted by Herbert Peirce, manager, U. S. 30 East, Warsaw, Ind.

The newspaper is the only medium that works 24 hours a day to bring the advertiser's name to the public.

Yacht Club News

By MARGARET CLYNE

Our beautiful Lake Maxinkuckee put its best wave forward last weekend. All Summer we've been plagued with miserable Saturdays or dripping Sundays, but August 12 and 13 will go down in the 1961 yearbook as nearly perfect.

Visiting skippers from six yacht clubs — Cedar Lake, Grand Rapids, Indianapolis, Nagawicka, Pistakee, and Springfield — sailed the first race of the Invitational Regatta Saturday morning on sparkling water with a light breeze.

Saturday afternoon, the 35 boats (20 visitors) battled an 18 m.p.h. wind and whitecapped waves. Sunday morning was so calm that the skippers tacked this way and that to catch a vagrant puff, but the wind did liven up a bit in the last lap of the race. How's that for variety in sailing weather?

Award Luncheon At Inn

The award luncheon for the skippers, their crews, and their families was held at The Culver Inn. Last year's winner, Ron Schleomer, Pistakee, Y. C., McHenry, Ill., was in first place again. Jeff Erwin, Nagawicka, Delafield, Wis., won second place trophy and our Tom Heckel placed third. Fourth place went to Wayne Dudley, Cedar Lake Y. C., Crown Point, Ind., and M.Y.C.'s Ken Bateson was fifth.

Tad Louderback was the mastermind behind the smooth running Invitational this year and he had a lot of help with the letter writing, arrangements for the visitor's lodging, trophy luncheon, and taking care of the visitors' boats.

M. Y. C. owes much to Culver Military Academy for being so cooperative about letting the visiting sailors use the boat hoist and furnishing space for parking their boat trailers. When the weather got a little rough on Saturday afternoon, the Academy rushed a boatload of young sailors to the starting buoy, in case the visitors needed extra crew. They even loaned a sail to one desperate out-of-town sailor who brought his boat hundreds of miles — and left his sail locked up at home!

Burkharts Entertain Members

Everyone was invited to the John Burkhardt's beautiful new home on the South Shore for cocktails Saturday evening, and about 200 guests enjoyed their lavish hospitality (including Mrs. Burkhardt's famous meatballs!) Mr. and Mrs. Robert Evans and Jack Burkhardt helped their parents greet the guests on the spacious patio overlooking the Lake.

The refreshment table on the patio was centered with a long, graceful arrangement of vivid gladioli — a lovely contrast to the white and stone. The home is planned with a minimum of decoration for gracious summer living and the large white and cream living room is most effectively accented with two large paintings and a huge graceful fish — an unusual amber pressed glass plaque picked up in San Francisco by the Burkhardts on their way home from Honolulu.

The JUNIOR FLEET will be busy next week — weather permitting, there will be an extra make-up race — so back to your Wheaties, kids!

MISS NANCY E. ERVIN RECIPIENT OF BALL STATE SCHOLARSHIP

Five hundred and sixty-seven who will attend Ball State Teachers College during the 1961-62 college year will have part of their college expenses paid by 14 scholarship funds maintained by the college.

Each year the college is authorized to grant at least two state scholarships to students from each of Indiana's counties. The other scholarships are made possible through funds contributed to the college by various agencies.

John Klem, coordinator of scholarships, aids and student employment, said, "In addition to the scholarships awarded by the college, many of our students are given scholarship aid through organizations or agencies in their home communities. We, of course, are happy that so many people actively help students attend college."

Miss Nancy Eileen Ervin of Culver is the recipient of a college administered state scholarship.

WAGON WHEEL PLAYHOUSE OF WARSAW SCHEDULE OF MUSICAL HITS

Aug. 6 through Aug. 19 — "The Student Prince."

Aug. 20 through Sept. 4 — "Oklahoma" starring Tommye Lou Glaze (Miss Indiana) of Culver. Season closes with this big hit.

CITIZEN SALES BOOMED THIS PAST WEEK

For some unknown reason newsstand sales of The Culver Citizen this past week soared to more than 100 extra copies. Most dealers had to replenish their regular supply before Saturday noon to carry them until today.

Visitors to Culver judge it largely by the people they meet here. What do you do to make Culver more attractive to visitors and newcomers?

Regular Army Captains Are Assigned To Academy's ROTC Staff

JESSE D. LO RE

STANLEY M. PROUTY JR.

Two regular U. S. Army captains have joined the ROTC staff at Culver Military Academy.

They are Capt. Jesse D. Lo Re, who is returning from duty in Germany, and Capt. Stanley M. Prouty Jr., who has just completed a tour of duty in the Far East.

Both have been assigned to Culver and will serve as instructors in the ROTC department under Lt. Col. Roy R. Van Dusen Jr., USA, professor of military science.

Capt. Lo Re was born in Tampa, Fla., and prepared for college at Thomas Jefferson High School. He holds a bachelor of science degree from Florida Southern College at Lakeland. In college he was a cadet colonel, and served as captain of the honor guard and the pistol team. He also became a member of Lambda Chi Alpha Fraternity.

During his three-year tour of duty in Germany, Capt. Lo Re served as company executive officer and battalion motor officer in a tank battalion.

Five Children In Family

Capt. and Mrs. Lo Re and their five children will reside at 103 S. Ohio St., Culver, during the time he is assigned to the Academy.

Capt. Prouty was born in Philadelphia, Pa., but made his home in El Paso, Texas, before being assigned to Culver. He studied at

Union High School at Tombstone, Ariz., and New Hanover High School at Wilmington, Mass., before graduating from the U. S. Military Academy in 1950.

To Reside In Burr Oak

An artillery officer, Capt. Prouty has experience in the guided missile program. He served in Okinawa, Korea, and Japan as part of his tour of duty in the Far East. Capt. and Mrs. Prouty and their two children will reside in Burr Oak during his present assignment.

Betty Kose Is Local Star At Summer Theatre

MISS BETTY KOSE

Holding down a full time job in a restaurant and appearing every night on stage is no mean endeavor but Betty Kose, daughter of Mr. and Mrs. William W. Kose of 908 S. Plymouth St., Culver, is doing a wonderful job and having a fine time in the process.

Makes Fast Change
All summer Betty has been working at the Three Sisters Restaurant but last week and this she leaves the job and makes a dash for the Maxinkuckee Playhouse where at 9:03 she appears on stage in a major singing role. The applause at the end of the show indicates that she is most successful in the transition.

Betty is a 1960 graduate of Culver High School where she sang in the junior class play and worked as editor of the yearbook. Last summer she appeared in the C.M.A. production of "Oklahoma" and for several years she has been most active in the Rainbow Girls organization.

Majoring In Education
This fall Betty will return to Ball State Teachers College where she is majoring in elementary education. Music has always been a major activity with this young actress and besides studying voice she has played the saxophone for eight years playing with organized bands for eight years, and choir work for four years.

In the part of Helen Caho in "Flower Drum Song" Betty is assigned one of the most beautiful songs in the show, "Love Look Away," which tells of her unfulfilled love for the young Chinese boy. Next Saturday night Betty will be singing her role for the last time. It will also be the final production for the Maxinkuckee Playhouse in Culver.

MIDWEST OUTDOORS

Boating and fishing are among the safest sports and your family can enjoy summer and fall, providing you keep your eyes open and mind a few simple safety precautions.

On Federal waters (such as the Mississippi and Lake Michigan) you must carry a life-saving device for every person on board. Either a life vest or buoyant cushion with handles will satisfy this requirement. Even where they're not required, you'll feel a lot better if you've got one of these along for each of your guests.

Also, if there are enclosed spaces (such as a deck forward) on your boat, you must carry a fire extinguisher and a whistle, together with a rudimentary knowledge of whistle signals.

A few other simple devices will make you jump for joy at having them along, if you ever run into the slightest hitch in your well-laid plans for an outing on the water. These include a compass, bilge pump, paddle, tool kit, first aid kit, gasoline can, flashlight, and an anchor.

If this is your first season for water skiing—as it is for many boatmen this year—you can get a lot more fun out of this exhilarating sport by taking a few tips from an internationally-known showman, Tommy Bartlett.

Bartlett, whose shows have thrilled millions at water shows throughout the nation, shows you how easy it is to water ski the right way, in a booklet that's available free at all Mercury outboard motor dealers.

Betty has added an extra radiance to an already glowing production and season for the theater.

TRAFFIC SUBSIDY — Heavily traveled Hoosier roads pay for the upkeep of lesser traveled Indiana highways and byways. Government surveys here have proved that highways with heavy truck and car traffic can earn as much as 587 per cent of the annual costs of amortization plus regular annual maintenance and administrative charges. Federal and state taxes are usually more than necessary to maintain the "high income" roads and are then available for less busy roads.

All kinds of office supplies on sale at The Citizen.

**Do You Remember
'Way Back When?**

**Highlights of Culver News
of 10, 20, 30, 40, and 50
Years Ago This Week**

AUGUST 15, 1951 —

More than 225 Midshipmen, Woodcrafters, and Troopers will receive certificates of graduation Aug. 18 at the 50th commencement of the Academy Summer Schools.

Vickie Morrison, 10-month-old daughter of Mr. and Mrs. Joe Morrison, suffered a head injury Aug. 14. While playing on the lawn at the Culver Public Library she fell from the terrace to the sidewalk. She was treated in the office of Dr. R. L. Witham and rushed to Riley Hospital at Indianapolis for further observation and examination.

Funeral services were held today at the Easterday Funeral Home for Mrs. Isabelle Asper, widow of Samuel Asper, who died Aug. 13 at the home of Howard Warner.

Mr. and Mrs. Fred Adams are the proud parents of a son, Jeffry Prather, born Aug. 12 at Parkview Hospital.

Guy B. Davis pulled his threshing rig in for the last time Aug. 13 after 36 continuous years of threshing and like many others, has exchanged his outfit for a combine.

Ruth Neidlinger was the winning caller at the Marshall County Square Dance Festival held Aug. 9 at Lincoln High School gymnasium in Plymouth and will compete at Hammond Aug. 25.

AUGUST 13, 1941 —

L. L. Scott escaped injury Aug. 6 when his car was struck by a passenger train at the Erie Railroad crossing at Delong.

The final band concert of the summer series will be presented by the Culver High School band Aug. 16 at the side of the Methodist Church. The occasion will mark the first appearance of the band in its complete new outfits, the caps having arrived recently.

The Culver Public Library was closed Aug. 11 to allow workmen to start redecorating the interior of the reading room.

The Culver Softball League's three entries in the sectional tournament have been eliminated, Phillips "66" bowing to Sinclair Oil of Plymouth, 8 to 1, in the first round, and Poplar Grove, after drawing a bye, had to bump up against the No. 1 choice of the tournament, Warsaw Elks, and lost 20 to 4. Shell took a 11 to 2 walloping from the Elks.

AUGUST 13, 1931 —

Henry Stahl, 54, died of typhoid fever in a hospital at Billings, Mont., Aug. 11 after an illness of three weeks.

Over 100 members of the T.O.O.F. Lodge of Marion, Marshall, Starke, and Fulton Counties were present at a meeting here Aug. 9 when the third degree was conferred on a class of four candidates.

**4 BIG
SHOWS**

SEPTEMBER 2, 1961
5:00 and 8:00 P.M.

SEPTEMBER 3, 1961
12:30 and 3:30 P.M.

ANDY AND SOME DANDIES—will be on the Coliseum show bill at the Indiana State Fair, September 2 and 3. This means **ANDY GRIFFITH**, star of his own TV show, songstress **Anita Bryant**, emcee **Johnny Matson**, and "The Unpredictable" **Wiene Brothers**. Dates for the State Fair are August 30—September 7.

The National boys' and junior tennis tournaments started this week on the tennis courts at the Academy with 140 entries participating from all sections of the country.

Mrs. Lee Beehler was painfully injured last week when she fell from a boat, twisted her arm, and pulled the arm out of the socket.

The Culver High School band will play at the Marshall County Odd Fellows picnic at Warren Bridge near Ora next Sunday.

Mr. and Mrs. Robert Porter celebrated their 10th wedding anniversary Aug. 10.

AUGUST 17, 1921 —

A daughter was born to Mr. and Mrs. Ora Glass Aug. 12.

Gov. Warren T. McCray will come to Culver Aug. 22 to take part in the carnival and military circus to be given for the benefit of the disabled former soldiers and sailors of Indiana by the cadets of the Culver Summer Schools. The exhibition will take place on the Culver Military Academy grounds.

Yesterday afternoon the Academy was host to the North Side branch of the Chicago Medical Society which brought more than 300 people to Culver on the society's annual outing.

A birthday dinner was held recently in the home of Daniel Fry of Delong in celebration of his 75th birthday.

AUGUST 17, 1911 —

Bert Reector and Jim Perry motored to Marion Aug. 14 to remain there while the Black Horse Troop are there taking part in the reproduction of the battle of Mississinewa.

Mrs. Anna Stahl has returned from a 10-weeks' visit with her son, Henry, at Billings, Montana.

George Nearpass, Culver's pioneer editor, has moved his printing plant from Croton, Ohio, to Frazeyburg, Ohio, a town on the

Panhandle Railroad, 40 miles from Columbus, where he has begun publication of the news. His 17 columns of ads show that he has the backing of the businessmen.

A reception for Prof. I. S. Hahn, superintendent of Culver Schools, and Mrs. Hahn was given Aug. 13 when friends gathered for a farewell tribute at the Reformed Church.

The Shillings, J. H. Speyers, S. C. Medhourns, and the Dillons spent Sunday at Bass Lake, traveling by buggies.

George and Dick Burkett landed 19 fine black bass Sunday morning just off the Palmer House pier.

SHAME ON DOBBIN — War- rick County Sheriff Bob Shelton was asked to search for a "hit and run" horse. Earnest J. Meredith reported that as he was driving along Ind. 261 south of Boonville, and stopped when he saw a horse starting to cross the highway. But

the horse didn't stop, Meredith said, and it ran into the side of his car causing an estimated \$100 damage and then galloped away. Sheriff Shelton said it appeared to him the horse was "guilty of leaving the scene of an accident."

MIXED UP MOTHER — A Clay County woman, Mrs. Cleon Schafer of Clay City, reports that two baby kittens born in her chicken house were adopted by an old hen who took them into her nest and mothered them.

UN-FREE-WHEELING

Meanwhile, Back Home In Indiana

Have you asked your Culver or Lake Maxinkuckee neighbor lately how he thinks the Administration's doing?

The chances are that he — like millions of other loyal Americans — will talk about what the Government is doing about the foreign situation.

Well, we don't like the frigid war any more than the next fellow. But the sad fact is that while we're moaning about Moscow, the Administration is hammering together a 10-program domestic welfare-state plan that would annihilate our basic American liberties.

Each of these programs includes a plan to increase centralism — the Central Government control of the vital elements of our economy.

Here's what the 10 programs would do:

1. Control factory location.
2. Control wages in local intrastate business.
3. Control local school systems.
4. Control production and distribution of power.
5. Control city development.
6. Control the employment market.
7. Control hospitals . . . and ultimately medicine.
8. Control the farmers.
9. Control the market place.
10. Control of capital accumulation through tax tinkering.

Or, to put in it two words: CONTROL US!

OUT OF SEASON — The summer season had just started when K. C. Flock went into a Corydon hardware store and said he was in the market for a snow shovel. Flock told the slightly bewildered proprietor he wasn't kidding. He explained he had found a snow shovel the lightest and best tool for cleaning his poultry house.

A Hymn To The Welfare
State We're Headed For
Editor, CITIZEN:

In Cambridge, England, an unidentified Cambridge University medical society student wrote a parody on the 23rd Psalm.

We believe it merits quotation in your fine paper:

THE GOVERNMENT is my shepherd, therefore I need not work.

It alloweth me to lie down on a good job.

It leadeth me beside still factories.

It destroyeth my initiative.

It leadeth me in the path of a parasite for polities sake.

Yea, though I walk through the valley of laziness and deficit-spending, I will fear no evil, for the Government is with me.

It prepareth an economic Utopia for me, by appropriating the earnings of my own grandchildren.

It filleth my head with false security.

My inefficiency runneth over.

Surely the Government should care for me all the days of my life.

And I dwell in a fool's paradise forever.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

In what is undoubtedly the most comprehensive survey ever undertaken of Main Street sentiments on taxation problems, the National Federation of Independent Business has completed and sent to the White House, Congressional Committee's, Treasury Dept. and other governmental agencies a 249 page report.

The district chairmen of the Federation were asked to vote on the ten parts of the President's proposed tax program, and invited to make additional comments.

C. W. Harder

Approximately 1,000 of the total number of district chairmen replied. Each of them are engaged in independent business or professional practice covering the entire field of commercial activity from manufacturing, wholesaling, retailing and services. The returns from 50 states and the District of Columbia were about in ratio to their populations.

54.9% expressed favor of the proposed tax incentive program which would provide for a different method of depreciation write-offs to encourage business to expand.

Yet only 22.3% were in favor of the proposal to levy a withholding tax against interest and dividends, and only 18.4% favored the repeal of the provision that now permits the first \$50 in income from dividends and interest to be tax free, and the additional credit of 4% on dividend income in excess of \$50.

© National Federation of Independent Business

In volunteered comments, there is expressed considerable and often quite bitter resentment over U. S. policy on foreign matters. 71.9% voted for the proposal to compel U. S. firms with foreign plants to pay U. S. taxes on the undistributed earnings of these plants. And likewise, by a majority of 57.6% the president's proposal that such tax be deferred on U. S. plants operating in so-called "under-developed" countries was voted down.

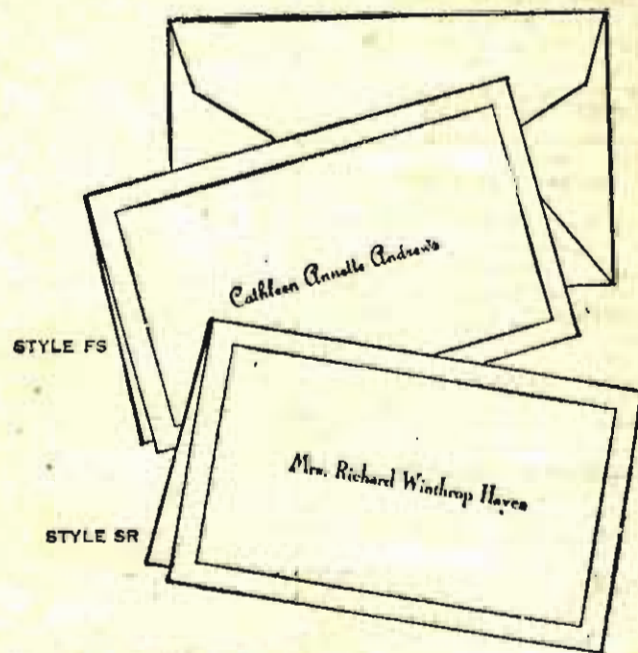

While 54.2% voted against the president's proposal to change the ruling on capital gains from the sale of depreciable property by having the profit computed on such a sale on the actual original price rather than the depreciated value, 93.4% are in favor of the President's recommendations to tax cooperatives.

Although by time survey was tabulated, Congress had already voted a one year extension of present corporation and excise tax rates, only 39.3% favored such a move.

Of the ten tax proposals, half were favored, the other half not favored.

While the Federation is not committed on these votes, as it requires a vote by the full national membership of the organization, it is quite probable that these district chairmen, closely in touch with the independent business sentiments in all parts of the country, voted in much the same way a full membership ballot would turn out. But one thing seems obvious. There will not be much employment supplying expansion of the nation's fast independent business complex until there are substantial reforms in the crazy-quilt tax laws.

FIRST CHURCH OF CHRIST SCIENTIST

423 S. Michigan St., Plymouth
Sunday School 10:30 a.m.
Morning Worship 10:30 a.m.
Brotherhood will be a theme dealt with at Christian Science services Sunday in the Lesson-Sermon on "Mind."

Paul's exhortation to the Colossians (3) will be included in the Scriptural readings:

"Lie not one to another, seeing that ye have put off the old man with his deeds; And have put on the new man, which is renewed in knowledge after the image of him that created him: Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "With one Father, even God, the whole family of man would be brethren; and with the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (pp.469,470).

JEHOVAH'S WITNESSES TO ATTEND DISTRICT ASSEMBLY IN WISCONSIN

Revision of meetings of Jehovah's Witnesses at the Plymouth Kingdom Hall this coming week was announced Monday by Stanley Spangler.

About 15 of Jehovah's Witnesses from the Plymouth congregation will be leaving this week for Milwaukee, Wis. to attend a district assembly August 22-27. In revealing the plans of the group, Mr. Spangler pointed out that a limited program of meetings will be held in the Kingdom Hall at South Fifth and Sycamore Streets, since so many will be away for this Christian assembly.

"This assembly in Milwaukee is sponsored by the world headquarters of the witnesses in Brooklyn, N. Y.," Mr. Spangler said. "The theme will be 'United Worshipers' District Assembly of Jehovah's Witnesses. "We are confident that the Scriptural program will bring about an even closer unity among Jehovah's Witnesses," Spangler added.

"We aren't going for our personal benefit alone," Spangler added. "We hope to come back prepared to discuss the convention with anyone who would like to know what happened."

The six-day gathering in Milwaukee's Arena and Auditorium will be climaxed by Watchtower president N. H. Knorr's featured address on Sunday, August 27, "When All Nations Unite Under God's Kingdom." Vice President J. W. Franz will also be among the convention's featured speakers.

MRS. LYDIA MYERS IMPROVING FROM SECOND SURGERY

Mrs. Lydia Myers, LaPaz, a former well known Culver resident for many years, has returned to her own home from her daughter's home after undergoing surgery for the second time recently in Osteopathic Hospital in South Bend.

Mrs. Myers would appreciate hearing from her Culver friends and neighbors at her present address at Route 2, North Liberty.

I wish to thank all those who
were so thoughtful in sending
getwell cards and flowers, and for
their prayers while I was in the
hospital and since my return
home. All these kind expressions
were deeply appreciated.

DESSIE BLANCHARD

33tfn

The gratitude in our hearts can
never be fully expressed, but we
want our friends, relatives, and
neighbors to know how much
their kind words and expressions
of sympathy have meant during
our recent time of sorrow, the
death of our beloved husband and
father, Lorraine B. Deck.

THE FAMILY

VINTAGE JOKE — Watching a
Sunday night television program
recently Ned Gorrell, publisher of
the Pulaski County Journal, heard
a comedian tell a joke which he
thought he had heard before. A
few days later the editor found in
a filing cabinet the manuscript of
an address he had delivered in a
neighboring town on June 9, 1924.
It included in only slightly dif-
ferent form the joke told by the
TV comedian. "But what's a lapse
of 37 years to stage comedians,"
observed Gorrell.

WHAT A STRIKE — Bob Lip-
man, proprietor of a sport shop
in Angola, stood in front of his
store with rod and reel demon-
strating his technique. He made
a cast and his line wound around
the outside rear view mirror of an
intercity bus just as the bus pulled
out. Lipman, rod in hand, pursued
the bus down the street a block
before the bus driver noticed him
and stopped so that he could re-
cover his line and plug.

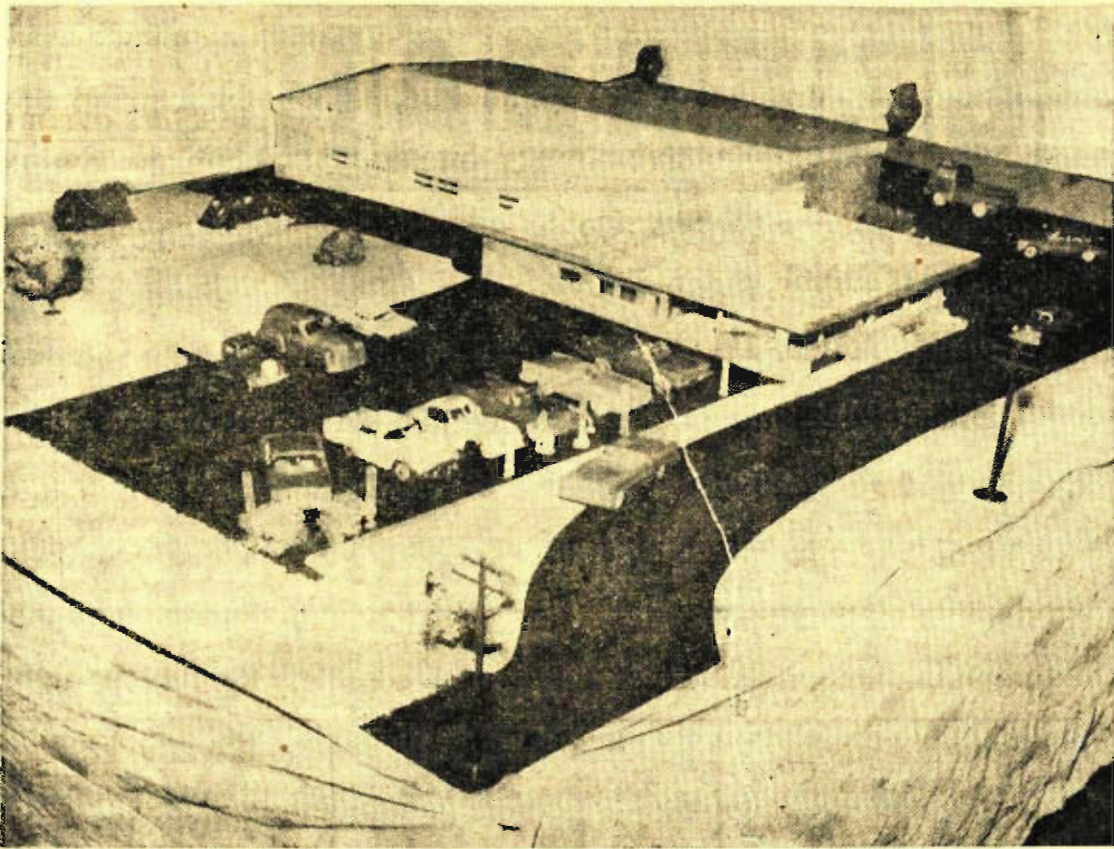

WHIZ!

"IT'S ON
THE WAY"

Scale Model Of Gates & Calhoun's New Building

The above is a scale model of the new home of Gates & Calhoun Chevrolet, Inc., now under construction on U. S. 31 just north of Argos.

A model of the garage building being constructed by Gates & Calhoun Chevrolet, Inc. on a four acre plot at the north edge of Argos is on display in the showroom of the present garage on North Michigan street.

The main part of the structure which will house the service department and body shop is a 70' x 120' Butler steel building with a brick veneer front. The service department will be equipped with two twin post hoists and the newest type of lubricating equipment. With this equipment all oils and lubricants are pumped direct into the cars, thus giving full protection from dirt.

The second story of the main building will have a parts storage room and a customer waiting lounge.

The show room and office section is 50' x 72' and is to be constructed of glass, brick, and cedar

beams and decking. The entire building contains 12,000 square feet of space.

Visitors are welcome to see the model, the roof of which may be removed showing the entire layout of the building.

The general construction contract is with the Drews Corporation of South Bend, with sub-contracts let to the following local firms: Argos Lumber Company, materials; DePue and Tracy, carpenters; DeMont and Dinsmore, masonry; Argos Plumbing and Heating, heat and plumbing; Wilmer Harley, electrical; Hooker and Son, grading and fill. All work for the new garage is to be done by local firms, except for the steel and blueprints.

The general contract is under the supervision of H. T. Gulliksen of South Bend with the model and building design by Donald Calhoun, Jr.

BEHMER GUERNSEY COW MAKES HIGH RECORD

PETERBOROUGH, N. H. — A registered Guernsey cow, Behmer Homestead O Lois, owned by J. Richard Behmer, Culver, Ind., area has completed an official production record, according to the American Guernsey Cattle Club here.

This record was for 9,740 pounds of milk and 523 pounds of fat. "Lois," is a six-year-old and was milked two times daily for 305 days while on test. This official production record was supervised by Purdue University.

Mr. and Mrs. Frederick C. Albershardt of Indianapolis visited East Shore friends Monday evening on their way home from Detroit in a new air-conditioned Cadillac.

"Hoosier At Large"

(Continued from Page 1) took the fifth-place lake trout and Creek Chub's Darter got the No. 1. smallmouth bass).

ANOTHER UNUSUAL thing about Creek Chub is that it's still a "family" firm almost 50 years after its founding.

Until late last year, three sons of the three founders were Creek Chub's key executives.

After Henry Dills died in 1927, his son, Gordon, became president — serving until his death in November two years ago.

Howard Schulthess, George's son, is currently vice-president, and Harry Heinzerling has been with the firm since Carl's death in 1950.

"But Schulthess and I may be the last of the family line in active management," Heinzerling said sadly. "George has no sons — and my three seem destined for other careers."

UNLIKE MOST TACKLE companies, Creek Chub is strictly a bait maker. Their line includes more than a score of lures in about 500 sizes, shapes, and finishes.

CREEK CHUB has now moved from its mellow old quarters to a fine one-floor plant. The new shop has since absorbed a second small factory at nearby Ashley.

Heinzerling plans to display some cherished mementoes, — a few of the founders' original experimental plugs that have survived the years.

"We may also exhibit some of the chewed, battle-scarred Pikies contented customers have sent us — along with a collection of letters from VIP users like Herbert Hoover, Lady Beaverbrook, Bert Lahr, and others."

When our chat ended and I arose reluctantly to leave, Harry grinned and graciously handed me a few familiar red, green, and

Wednesday, August 16, 1961

white boxes — Pikies and other plugs for the old tackle box.

I WAS GRATEFUL, but the gifts weren't really necessary. Just visiting this historic Hoosier bait firm was welcome soothing balm for a fisherman's soul!

BENEDICT'S BOAR MAKES PERFORMANCE AT LANDRACE TEST STATION

Lebanon, Ind. — New swine performance records were established in the National Landrace Test Station here this year, Supervisor Frank Wakefield has announced.

An average daily gain of 2.53 pounds was made by a boar entered by Eugene G. Benedict, Culver, Ind., while an entry by Dowden & Son, Conrad, Iowa, reached 200 pounds weight at 120 days of age, or just four months.

The average feed efficiency for the entire Station was 2.65 lbs., the lowest in the 7-year history of the testing plant. An entry by Ward Renner, Anderson, Ind., had the best record by making a pound gain on 2.45 pounds of feed.

Twenty-six purebred swine breeders in seven states entered 105 animals in the Test Station program this year. The annual Station sale of tested and meat certified boars will be held Saturday, Aug. 19, at 7:30 o'clock.

SOMETHING TO REMEMBER WHEN ORDERING PRINTING

Before you place your order with another printer remember that The Culver Press, Inc. also gives you or your organization the extra dividend of extensive FREE publicity in its newspaper, The Culver Citizen.

Local Winners At Argos 4-H Fair Listed

Union Township boys and girls who distinguished themselves with honors at the recent 4-H Fair at Argos include Doug Kosterman, grand champion in electric I; Tom Grothaus and Steve Utery in electric III; Pat Wesson, electric V.

Other champions are Sharon Norris, foods; Mary Norris, food preservation; and Linda Gibbons, handicraft, embroidery.

Other Winners

Doug Lindvall's registered Jersey was named grand champion and also senior champion. John Rehmer's registered guernsey was named junior yearling champion.

Jack Lucas's registered Black Poland boar, Ronnie Babcock's registered Chester White gilt, and Paul White's barrow were among the winners.

Also Andrea Siple's Dorset yearling ewe, Pat Overmyer's Angus steer, and Ronnie Babcock's Hereford steer were winners.

Bank Buys Champion Steer

The State Exchange Bank purchased the reserve champion steer owned by Joe Dennie of Green Township for 41 cents per pound at a total price of \$352.60.

Paul Beaver of Culver was one of the auctioneers at the livestock auction and clerks were Mr. and Mrs. Deane E. Walker, Kenneth Williams, Earl Mattix, Ron McKee, and Charlotte Jung, all of the State Exchange Bank.

Four Swimming Records At CMA Set This Summer

Four records in a swimming program designed for safety have been surpassed at The Culver Summer Schools.

For the seventh consecutive year, all 603 boys enrolled in the Culver Woodcraft Camp have swum a minimum of 250 yards. The 100 per cent achievement was accomplished a week earlier than in previous summers under the direction of Carl F. Duning, Cincinnati, director of Woodcraft swimming for 16 years.

Duning's Great Record

In addition, 483 boys have swum a half-mile, 19 more than a previous high in 1959. Duning has taught 413 boys to swim a mile, 93 more than the record year of 1957, and 81 boys have passed Junior Red Cross Life Saving, 14 more than the record established last year.

Praised By Col. Estey

"I am certain the swimming achievements of our boys are better than those of any other summer camp except strictly swimming camps," said Col. Melvyn A. Estey, director of Culver's Woodcraft Camp. "Duning's goal in teaching these young boys to swim is safety rather than speed."

Boys who broke the four records are in the 9 1/2 to 12-year-old age bracket.

CULVER BOWLING ASSOCIATION MEETING

The Culver Bowling Association, in conjunction with the Monday and Tuesday Night Leagues, will hold its fall meeting on Monday, August 21, 1961 at the Lions Den at 7:30.

All officers of the Association and captains of bowling teams are urgently requested to attend this organizational meeting for the coming season.

Anyone desiring to enter a team for the coming season and/or anyone interested in bowling please attend this meeting.

Fishing Derby Held Sunday

Several hundred youngsters and a large number of parents were present for the first annual Fishing Derby sponsored by the Maxinkuckee Fish and Game Club at the hatchery ponds two miles west of Culver on State Road 10 Sunday afternoon.

C. W. Brooks M.C.

The number of participants far exceeded the expectations of the club officials. "We certainly appreciate the response and are very proud that no accidents occurred during the afternoon," C. W. Brooks, master-of-ceremonies, said.

There was plenty of activity in the contests when Brooks said "Throw your hooks into the water."

The classes were divided according to age groups.

Following are the main winners:

Three Grand Prizes

Class A — 9 to 12 years — Gary Davis, largest bass; L. Blocker, largest pan fish; L. Milton, most fish.

Class B — 6 to 9 years — Gary Butler, largest fish; J. Shock, largest pan fish; C. Moore, most fish.

Class C — Under 6 years —

Jeff Jones, largest bass; Jackie Sanders, largest pan fish; Roy Schrimsher, most fish.

400 Fish In 15 Minutes

Each group fished for 15 minutes and approximately 400 fish were caught.

Nearly \$500 worth of prizes were donated by 80 individuals and businessmen of the area.

Free refreshments were provided by several area firms. Over 30 cases of cold drinks were consumed.

The special police emergency unit from Plymouth provided reassurance and the loud speaking system.

A list of contributors will be given next week.

By DAVID KELLY, Scribe

At the Board of Review last Monday Scouts advanced in rank as follows: Dean Smith, Star; David Kelly, First Class; Steve Bocock, Second Class; Tom Bocock, Second Class; Cortland Overmyer, Second Class; and David Crabb, Tenderfoot.

Also awarded were merit badges to David Kelly for swimming and music and Greg Dawson for home repairs, fishing, and swimming.

At next week's meeting Scouts will study First Aid.

Those enjoying a cookout at the home of Mr. and Mrs. Donovan Overmyer and sons last Wednesday evening were Mr. and Mrs. Eugene Thomas and sons and Mrs. Trula McKee.
