## Babson Discusses Business Education

### Students Must Be College Material

I am writing this column in Florida overlooking a beautiful garden of snapdragons. The stalks are about three feet high and the blossoms seven inches above the stalks. They are in eight different colors. Yet they have the same soil, the same water, and the same sunshine.

#### What An Agricultural Expert Tells Me

I had lunch today with a government expert of the Agricultural Department. I asked him what caused the difference in the size and color of these snapdragons. He said that the care which they received from my gardener made some difference; but that fundamentally it was a question of inheritance.

We agreed that the different stalks of the snapdragons might be compared with young people going to school. For some time while at school they may not show their different tendencies. However, one child may be smarter than another, just as one stalk appears to grow more than another. He stated that life is basic, whether in the tiny snapdragon seed, or in the "seed" entering the mother's womb and fertilized by the father. The basic elements, whether of a plant or of a human being, are known as DNA and RNA, which are abbreviations for the life-giving chemicals.

#### What About DNA and RNA?

I then asked this agricultural expert if the law of inheritance applies equally to snapdragons and high school graduates seeking further education, and he replied that the same laws of inheritance do apply. This probably means that a large percentage of young people should not go to college, as in such cases it is a waste of good time.

Applying the DNA and RNA forces to college work is very important. Assuming that too many young people go to college anyway, they should give specific consideration to what line of education they are adapted for. This is very largely neglected today both by the colleges and by the parents.

#### What About Government Scholarships?

I believe in scholarships to help deserving young people who know what they are fitted for and who are earnestly seeking that goal, whether it is science, medicine, law, or some trade. I do not object to carpenters, electricians, or bricklayers getting the high wages they do. Admiral Rickover, who forced the Navy to become interested in atomic submarines, is reported to have said that educational experts and good teachers should be paid more than most Congressmen now serving in Washington.

He claims that education of young people is now "topsy-turvy" and that our voters should recognize this sad fact. Certainly, scholarships are now given out too freely. The young person's aptitudes should be considered carefully and the scholarships should be given only for the education of the student in the direction for which he or she is fitted.

#### Scholarships And Politics

Unless the above scholarship policy is followed, Government aid to education may do more harm than good. This applies to the building of fancy schools, and government aid to colleges. There are too many "brass hats" amongst college professors, as there are in the Navy and Army. This scholarship program would

## Jaycee Board of Directors Meet

The Jaycee board of directors met on Wednesday evening, March 6, at the State Exchange Bank Auditorium, with president Sanford Snyder presiding. The fund raising committee presented nine fund raising projects to the board. The "ear on the ice" raffle project was discarded because of the lateness of the winter season.

The board made plans for a community survey project to be carried out in the future. General discussion on this will be made at the regular meeting of the Jaycees on March 14.

Ronald McKee, 1st vice-president resigned the position for personal reasons and Norman Witt was appointed to fill the vacancy. Charles Edgington was appointed chairman of the membership committee. Latham Lawson was elected to the post of parliamentarian. A letter of invitation from the Epsilon Nu chapter of Kappa Kappa Kappa Inc. to attend the sorority's art exhibit at the Eugene C. Eppler Art Gallery, Culver Military Academy was read to the board.

#### SIGNS OF SPRING

Mrs. Lester Kimmel, Route 1, Culver, reported to The Citizen this morning that she saw a dandelion in bloom in the yard at her home last night. After an unusually cold winter the first signs of spring are certainly most welcome.

children whose parents are anxious to have their youngsters get college diplomas, irrespective of their adaptability. They could still be sent to private schools and colleges to graduate and go into some business or profession for which they are not fitted. This is done today; and should always be possible.

#### Instinct And Experience

Two final questions for us all to consider are these: (1) For our children, does success depend more on education or upon natural instinct and experience? (2) Are they naturally lazy or are they ambitious?

One final thought: Parents can take out insurance which will greatly help their children get the equivalent of a scholarship whether or not the college or the

## Junior Ham Supper Set For Next Saturday

It's March again, by the calendar, and that means that it's time for the traditional Ham Supper which is sponsored each year by the Junior Class of Culver High School. This much-anticipated event is scheduled this year for next Saturday, March 16, with the serving hours set from 5:30 to 7:30 p.m. in the Community Building.

The meal, complete with beverage and dessert, will cost \$1.25 for adults, and children's portions, 75 cents.

Tickets for the event may be purchased from any member of the Junior Class or they are also available at the door.

Members of the Junior Class, many of the High School Faculty, and parents of the class members annually combine their efforts in this fund raising project, with the proceeds going into the class treasury to finance the senior class trip the following year.

So, mark this date on your calendar and come enjoy a delicious meal and visit with your friends and neighbors. You will, at the same time, be supporting the Junior Class of your local school.

## Grand Opening At House of Maple March 15 and 16

A grand opening will be held Friday and Saturday, March 15 and 16, at the House of Maple, which recently moved to a new location at 116 N. Michigan St., in Plymouth.

Mr. Ed Cook, manager, announces free gifts and valuable door prizes during the two-day grand opening and also special reduced prices.

Miss Plymouth, Barbara Cussen, will be present on Friday evening and Saturday to greet the customers, and the store will be open from 9 a.m. to 9 p.m. on both days.

## Concert To Be Presented At C.M.A. Sunday

"The World of Carl Sandburg," a concert performance of the poetry and songs of one of America's best known writers, will be presented by faculty and students of Culver Military Academy at 2 p.m. Sunday, March 17.

There is no admission charge and the public is invited to attend. The performance will be given in the Eugene C. Eppler Auditorium.

Featured in the cast will be faculty members Arthur Hughes, Harvey Firari, and Cathy Martin, with folk singing by Cadets James Craig, Robert Marsh, and Reeve Little, William J. Martin, director of theater, has staged the production which is sponsored by the Seven Arts Committee of the Women's Faculty Association.

"The World of Carl Sandburg" originally was presented two years ago with Bette Davis and Gary Merrill as stars. The performance enjoyed considerable success on the road and for a limited engagement in New York. Contributing to a unified theater presentation are the many volumes of Sandburg's poetry, his autobiography, and the biography of Lincoln.

On Monday Mrs. Martin talked long-distance with Sandburg at his home in Flat Rock, N. C. She has never met the author, but had a question on the interpretation of a speech which she felt only he could answer. Mr. Sandburg was quite flattered to be called, wished the cast good luck, and said he wished he could be there; then he proceeded to read, over the telephone, the entire poem which was puzzling Mrs.

## Archduke Otto Of Austria At Academy Today

### ARCHDUKE OTTO

Hope for European nations already engulfed by Communism will be expressed in a talk to be given by Archduke Otto of Austria-Hungary at Culver Military Academy on Wed., March 13.

The archduke is heir to the ancient throne of the Hapsburgs and long an ardent foe of all forms of totalitarianism. The public is invited to hear his talk, to be given at 8 p.m. in the Little Theater of the Eugene C. Eppler Auditorium under the sponsorship of the Men's Faculty Association.

The archduke received his early education in Switzerland, Spain, and Luxembourg. In 1929 he entered the University of Louvain in Belgium as a student of political and social sciences. He made his doctorate "summa cum laude" in 1934 after having worked also at the Agrarian Institute of the University of Berlin, and in Paris.

With the end of his studies, Archduke Otto began in earnest his interest in the public affairs of both Austria and Hungary. Supported by the Monarchist movements in both countries, he became known for his staunch opposition to Hitlerism. When the German dictator invaded and took over Austria in 1938, a warrant was at once issued for Archduke Otto's arrest and he was tried in absentia and condemned to death by a Nazi court.

At the beginning of World War II, Archduke Otto was in Paris and from there worked closely in collaboration with the allied government for the liberation of Austria. In March 1940 he made his first visit to the United States, calling on President Roosevelt and other American leaders in behalf of his country.

After the collapse of France, he returned to America, where he stayed during a large part of the war, working intensively in the cause of liberation of his homeland. With the invasion of the Continent in 1944, he returned to Europe and later to Austria. Early in 1946 he was forced to leave Austria on the demand of the Soviet Union because of his hostility to Communism.

Since World War II, Archduke Otto has continued to keep up his political work to free Austria and Hungary from totalitarian domination. He has made numerous broadcasts in Europe beamed at the Kremlin satellites. His articles on political subjects are published in leading papers of Austria and occasion much comment. This action has aroused the ire of Communist leaders. His name was prominently mentioned during the trial of Hungary's Cardinal Mindszenty and since then he has been time and time again denounced by Russian and other communist papers as "one of the most dangerously hostile forces in Europe."

Archduke Otto has pursued a career of political writing for many years, his articles appearing in leading newspapers of Belgium, Spain, France, and Western Germany as well as South America and the United States. His weekly articles are syndicated by King Features.

## School Board To Unite High Schools In 1964-65 Term

The Board of School Trustees of Culver Community Schools, in a meeting on Tuesday evening, March 12, approved by majority vote to unite the high schools of the school corporation at the beginning of the 1964-1965 school term. The decision was reached following a detailed discussion of the enrollments to be expected for the 1963-64 and 1964-65 terms.

Robert Reichard, Ralph Hunneshagen, and Vernie Bowen, who had served as members of the School Reorganization Advisory Committee in Aubbeenaubee Township, presented to the School Board the desire of the patrons of Aubbeenaubee School that the unification of the high schools be postponed for one more year.

Following the discussion with the Aubbeenaubee group, Superintendent Frank McLane presented the projection of enrollments for the next school year. It was pointed out that the probable enrollment for Grades 1-12 at Culver School next fall would exceed 1,020 pupils. The present enrollment is approximately 880. The data indicated an increase of enrollment in Grades 1-6 of about 65 pupils. Since fifth grade enrollment will reach at least 115, it will be necessary to have four rooms for that grade in the 1963-64 term. Since rooms capable of handling elementary pupils in the Culver building are being utilized at present, it will be necessary to engage in emergency measures to take care of the added elementary group next year.

The enrollments anticipated in Grades 7-12 at Culver for next fall will reach a total of over 460, which would represent an increase of approximately 80 pupils in these grades. This total will be increased again in the fall of 1964.

The analysis of projected enrollments indicated that the classroom facilities at both Culver and Aubbeenaubee will have to be utilized to a maximum degree by the start of the 1964-1965 school term. The School Board decided to plan a general community meeting before the end of the present school term to explain the emergency measures which will be necessary in order to house the total enrollment until an adequate high school building can be provided.

## Mrs. Bertha Zechiel's Sister, Age 84, Dies In South Bend Home

Mrs. Olga Krause, 84, sister of Mrs. Bertha Zechiel of Culver, died Sunday morning, March 10 at her South Bend home after an illness of several months.

Surviving with Mrs. Zechiel are another sister, Mrs. Laura Seehase of Chicago and a brother, Otto Fechner, of Gary. Mrs. Krause's husband, Robert, and a daughter preceded her in death.

Services were held at 2 p.m. Tuesday at St. Paul's Lutheran Church in South Bend with the Orvis Funeral Home in charge of arrangements.

## NEW HOURS FOR LICENSE BUREAU BEGIN APRIL 1

As of Monday, April 1, the new hours of the Marshall County License Bureau at Plymouth will be 8:30 a.m. to 4:30 p.m. on Monday, Tuesday, Wednesday, and Friday.

On Thursday and Saturday, the hours will be 8:30 a.m. to 12 noon, according to Rosemary Bergman, manager of the Indiana Auto License Branch.

FIRE DEPARTMENT calls should be made to Viking 2-2121. Note this number near your home phone.

TRI KAPPA PECANS on sale at The Citizen's front counter. Please help the sorority raise money for charitable purposes. Only \$1.75 a pound for shelled whole pecans and \$1.50 for halves.

## Tri Kappa Works For Benefit Of Mental Health

Kappa Kappa Kappa, Inc., would like to report to the community that \$100 of the donations received at the Mental Health Silver Coffees in the Fall of 1962 has been turned over to the Four-County Mental Health Clinic at Warsaw to be used as they see fit. This clinic serves Marshall, Whitley, Kosciusko and Wabash Counties, each of which contributes toward its annual budget.

However, in its present stage of development, this budget is not sufficient to take care of the many needs of the comparatively new clinic, and it is, therefore, grateful for any assistance from outside sources.

The balance of \$66 realized from the Mental Health Coffees last Fall has been placed in a revolving fund set up by Tri Kappa to help Marshall County outgoing patients of Beatty Memorial Hospital at Westville to re-establish themselves after release.

A continuing need at Beatty is for old clothing in good condition, books and magazines for all ages, discarded records, clocks, radios, and practically anything no longer in use but repairable. Anyone having such items to dispose of, which are not already earmarked for some other need, please call Mrs. James Piersol, Mrs. John Edgell or Mrs. Joseph D. Howard.

### GUY RUSSELL FLOENZIER BREAKS LEFT WRIST

Guy Russell Floenzier, rural resident living northeast of Burr Oak, had the misfortune of breaking his left wrist in three places about 9 a.m. Monday morning.

Working in a woods, Floenzier was driving a large tractor, the front wheel of which hit a rut causing the steering wheel to fly around, thus hitting his wrist and inflicting three clean breaks. He was treated at a doctor's office and released to his home. It is hoped that the swelling will go down enough to allow the cast to be put on today.

### GIRL SCOUT TROOP 148 TO SELL LIGHT BULBS

Girl Scout Troop 148 is conducting a light bulb sale to raise money to purchase needed equipment for future camping trips. The girls, leaders, and adult advisors will canvass in Culver Saturday afternoon, March 16, and will canvass the Academy after school on Friday.

The bulbs come in an eight-pack, consisting of 4-100 watt, 2-75 watt, and 2-60 watt bulbs selling for \$2 a pack.

Each troop is allowed only one fund-raising project, in addition to the cookie sale. This bulb sale is the project of Girl Scout Troop 148.

Anyone who is missed during the canvassing may purchase bulbs at the Wallace Helber residence on Harding Court.

**NO PROFIT HERE** — The Indianapolis Chapter of the Indiana Motor Truck Association is supposed to be a non-profit organization. However, Bill Atterberry of Federal Express, retiring president discovered the group's treasury to have a balance of \$200 at the end of 1962. He solved the problem by donating \$100 each to the Indianapolis PAL Club and the Indiana Rose Bowl Fund.

## Two Cadets Win Scholarships To North Carolina

Charles Frederick Crawford, son of Mrs. Margaret A. Crawford of 1020 Woodside Drive, Flint, Mich., and Michael James Crosswell, son of Colonel and Mrs. H. A. Crosswell of Wiesbaden, Germany, have been awarded Morehead Scholarships to the University of North Carolina.

The announcement and the presentation of the awards was made personally by John Motley Morehead, chairman of the John Motley Morehead Foundation and founder of the scholarship fund.

Crawford and Crosswell are students at Culver Military Academy. They are two of 53 boys to receive the valued scholarships this year. The scholarships are worth \$6,800 to non-North Carolina residents for four years of study.

As a student, Crawford's activities include cadet captain, second lieutenant of the 4-gun drill, honor committee, Cadet Club, and varsity crew. Crawford is interested in a business career.

Crosswell's activities include, sports editor of the school paper, cadet captain, chairman of the honor committee, Cadet Club, vice president of the junior and senior classes, drill team executive officer, member of the choir, Edward Taylor Tilley Memorial Sabre, Association of the U.S. Army Medal, and National Merit semi-finalist. His plans for the future are studying mathematics and entering the U.S. Air Force and teaching.

The Morehead Scholarships were first awarded in 1951. They are awarded on the basis of outstanding merit reflected in academic ability and attainment, character, leadership, ambition, unselfish service and physical vigor, without consideration of need.

### RURAL YOUTH MEETING TO BE HELD MARCH 20

Marshall County Rural Youth will meet at the Methodist Church Educational Building in Plymouth on Wednesday, March 20. Mixers will be held at 7:30 p.m. followed by the meeting at 8:00 p.m.

All Rural Youth and guests should plan to attend and bring their parents as this is Family Night. The educational feature for the evening will be a talk on, "Juvenile Delinquency," by Mrs. Theda Grant, County Probation Officer. A brief question and answer period will follow.

Refreshments will be served and dancing will conclude the evening's activities.

## The Citizen Recalls Flood Of 50 Years Ago

With the severe winter experienced this season, the worst ever recorded by many weather bureaus and also surpassing those remembered by many old-timers, every living thing is anxiously awaiting the arrival of Spring.

The severe floods — preceded by heavy rains, melting snows, and winter tornadoes — experienced in many areas last week, has reminded The Citizen that such was the case 50 years ago and formed the setting for the disastrous 1913 Logansport and Peru floods. Many of Culver's older citizens will vividly remember this event because they participated in the rescue work and furnished clothing and foodstuffs.

The Citizen of Thursday, March 27, 1913, yellowed now with a half-century of age, records two disastrous storms which scourged the Central Valley the week before. On Friday 75 lives were lost in the south and middle-western states. On Sunday night a tornado swept over Nebraska, Iowa, Illinois, and Indiana, killing 140 persons in Omaha, injuring many more, and doing untold damage in that city. Terre Haute was in the direct path of this Easter Sunday tragedy which brought a death toll of 24, 250 injured, and 300 homes wholly or partially wrecked. Chicago counted six dead, 100 injured, and a property loss of \$20,000,000.

"A 48-hour downpour throughout Indiana and Ohio put a large portion of these states under water. Coming nearer home, Logansport is experiencing the worst flood in its history. The Wabash and El Rivers are over their banks and water stands five feet deep all over the business section."

"About 1 a.m. Wednesday a special (train) came up to Culver to procure four of the big ten-oared cutters of the Academy and to get what bread could be spared by dealers and bakers. James Barnes, accompanied by 40 cadets to man the cutters, returned on this special. That afternoon another special (train) took away 10 of Captain Morris' boats and another Academy cutter with cadets to relieve those who went down in the night."

The Citizen of April 3, 1913, gives the following list of Culver men who went to Logansport and worked so heroically in that flooded area: L. G. Fisher, Art Castleman, C. E. Behmer, Frank Jones, Mart Jones, Phil McLane, Ed Washburn, Edgar Shaw, Ed Bradley, A. M. Roberts, Roy Warner, Bill Riggins, Ernest Cromley, Platt Dickson, Ches Pettis, Archie Blanchard, Purchis Blanchard, Roy Swigart, Art Swigart, Charles Patesel, Lon Patesel, Lester Labounty, Jim McConnell, Charlie Hayes, Harley Pontius, J. R. Saine, Roy Cromley, John Wolf, and Earl Poore. Pictures add to the flood stories which relate some of the experiences some of these men probably recall to this very day.

The women also played a valiant part in this struggle to save lives. They immediately set to work in their kitchens to provide

anything and everything that could bring immediate relief to the hungry flood victims. The noon train from Culver to Logansport on Friday carried a number of baskets and boxes of provisions. The Culver women did not rest on their laurels of one day, but made up another consignment of provisions and supplies and in connection with a contribution from the Academy, dispatched it on the Friday night train. The Culver City Club and the Pocahontas Tribe got together a quantity of clothes and food to add to the shipment.

"Peru, contrary to the impressions gained from the newspapers, did not suffer as heavily in a financial way as Logansport. While the water was deeper and affected relatively a much larger portion of the city, the current ran in some streets at 17 miles a hour, washing out crossings and macadam and breaking great quantities of plate glass in the stores. Only a few small houses in Peru were moved from their foundations. There is an ample supply of provisions and clothing

in Peru to last until the stores can be restocked, but money is needed. In Logansport the people are still being fed from the stocks of the relief committee, as every grocery either lost its stock or was sold out. A large number of Culverites visited Logansport during and after the flood."

Typewriter ribbons and adding machine tape at The Citizen.

### Engagements

Rodgers-Reinhold

**MISS PHYLLIS L. RODGERS**  
Mr. and Mrs. Curtis Rodgers of Route 3, Plymouth, announce the engagement and approaching marriage of their daughter, Phyllis L. Rodgers, to Robert L. Reinhold, son of Mr. and Mrs. Earl Reinhold, Route 1, Culver.

The wedding will be a social event of June 23 and will be held in Plymouth.

The bride-elect is a graduate of West Township High School and is employed at The State Exchange Bank in Culver.

The prospective bridegroom is a graduate of Aubbeenaubbee High School, and does livestock hauling and farming.

**Mrs. A. Adams Entertains Members Of S.K. Club**

Mrs. A. Adams entertained in her home Friday evening for the members of the S.K. Club and two guests, Miss Cecelclere Brown and Miss Elizabeth Mancaster.

The St. Patrick's Day theme was carried out in table decorations and the delicious dessert course that was served preceding the bridge games. Prizes were won by Miss Muncaster, Miss Brown, and Mrs. Robert Riewoldt.

**Susan Medbourn** has completed her airline hostess training with the Allegheny Air Lines and is now stationed at Newark, N. J. The Allegheny Air Lines serves the Eastern Seaboard and as far west as Cleveland, Ohio.

**MISS RUTH ANN STONE**  
Mr. and Mrs. Edward Sharp, Route 4, Marion, Ind., announce the engagement of their daughter Ruth Ann, to Larry Lee Zechiel, son of Mr. and Mrs. Ferris Zechiel, Route 1, Culver.

Miss Sharp is a graduate of Sweetser High School and employed by Peter Eckrich and Sons, South Bend. Mr. Zechiel is a graduate of Culver High School and engaged in farming.

A June 23 wedding is being planned.

**Stone-Troike Engagement Honored With Party**

Major and Mrs. Lewis J. Stone entertained their many Culver friends and out-of-town guests in their East Shore Drive home at a delightful cocktail-buffet supper Saturday evening from 5 to 7 o'clock in honor of the engagement of their son, Wallace, and Miss Judith Troike.

Other out-of-town guests attending, with the honored couple, were Mr. and Mrs. Delwin E. Libby, parents of the bride-elect, LaPorte; Mr. and Mrs. Ambrose of Knox, sister of Miss Troike; Mr. and Mrs. Conrad Krenz of Chicago; Mr. and Mrs. Joe E. Stone and son, Michael, of Elgin, Ill.; Miss Mary Nisbet and Miss Mariene Wahlston, graduate nurses at Michael Reese School of Nursing in Chicago; and Miss Mary Curry, a Culver student at Indiana University in Bloomington.

**Tri Kappa Sorority To Meet March 18**

The regular monthly meeting of Tri Kappa Sorority will be held at 8 p.m. on Monday, March 18.

at the home of Mrs. James Pier-sol, 303 W. Madison St.  
Assisting hostesses are Mrs. Frank M. Bryant and Mrs. Robert Bauman.

**Music and Art Group To Meet With Mrs. Forrest Curtis**

Members of the Music and Art Group of the Culver City Club will meet at 2 p.m. on Thursday, March 21, in the home of Mrs. Forrest Curtis.

Mrs. Carl Smith will give the program which will be entitled, "Handicraft For Homemakers." Assisting hostesses will be Mrs. Donald Davis, chairman, Mrs. Le-Roy Davis, Mrs. Joseph Clyne, and Mrs. Troy Babcock.

**Literature Group To Meet**

Mrs. William Allen will open her home for the March meeting of the Literature group of Culver City Club at 8 p.m. on Thursday, March 21. Assisting hostesses will be Mrs. Sam Allen, chairman, Mrs. Frank McLane, Mrs. Paul Humbert, and Mrs. Harry Edging-ton.

A Bible selection will be given by Mrs. McLane, following which Mrs. N. M. Scruggs will be in charge of the program on, "Li-brary Film Service."

### New Arrivals

Mr. and Mr. Ronald Garber, North Main St., Culver, announce the birth of a daughter on Thurs-day, March 7, at Parkview Hospi-tal in Plymouth. The baby weighed nine pounds, two ounces, and has been named Sharon.

Every minute of anger is 60 seconds of lost happiness.

Mr. and Mrs. Samuel M. Med-bourn and Mrs. Harry Medbourn of East Shore Drive have return-ed from Ft. Lauderdale, Fla. Mrs. Harry Medbourn has spent the past six weeks in Ft. Lauderdale.

The Medbourn family has en-joyed a two weeks' visit with their

son, Samuel, who returned home on leave after an absence of 14 months while serving on Okinawa in the South Pacific. He returned to Camp Pendleton, near San Diego, on Sunday, March 10.

**Culver City Club Entertains County Officers**  
 The general meeting of Culver City Club was held Thursday evening in the bank auditorium when county officers were guests of honor, including Mrs. Conda Martin of Bourbon, Marshall County president; Mrs. Ladoit Sevens, Bourbon, county secretary; Mrs. James Young, Bourbon, the county treasurer; Mrs. Robert Shoemaker, Argos, county 1st vice president; and Mrs. George Eley, Argos, county trustee.

Mrs. C. R. Graham of Bourbon, past president of the Indiana Federation, was also an honored guest.

Mrs. Glenn Coolman gave the opening thought and Mrs. Earl Dean Overmyer, president of the local club, opened the meeting, introduced the guests, and conducted the business.

Mrs. Paul Humbert, program chairman, introduced Mrs. William Martin who gave a most interesting program on "The Art of Make-Up in the Theater," using Miss Suzanne Overmyer as her model.

Following the program refreshments were served by the hostesses who were Mrs. N. M. Scruggs, Mrs. Albert Linhart, Mrs. Shelton Kaiser, Mrs. C. L. Haney, Mrs. Paul Snyder, Sr., Mrs. Charles McMinna, and Mrs. Oscar Wesson.

Mrs. Oscar Wesson Hospital Auxiliary Unit 9 Junior Woman's Club  
 Unit 9 of the Marshall County Hospital Auxiliary met recently in the home of Mrs. Oscar Wesson with seven members attending.

Mrs. Lawrence Lindvall, president, conducted the meeting and the afternoon was spent making tray favors for Parkview Hospital and doing other work for the hospital.

Mrs. Harold Hohman closed the meeting with a prayer.

The next meeting of Unit 9 will be held at 1:30 p.m. Monday, April 8, in the Wesson home.

—S-S-S—

Mrs. Hugo Anderson Presents Program At Junior Woman's Club  
 The Maxinkuckee Junior Woman's Club met on Monday evening at the home of Mrs. Roy Nicodemus. President Mrs. William Snyder welcomed Mrs. Richard Dehne as a new member, and Mrs. Latham Lawson as a guest for the evening.

It was announced that Mrs. Roger Thews has been selected as the club's candidate for the Indiana Junior "Phyllis Curtis" award. This is an annual contest for determining the outstanding Junior clubwoman in the state.

An invitation was read from

the Argos Junior Civic League to attend their meeting on April 10, at the Argos Methodist Church.

Mrs. Snyder introduced Mrs. Hugo Anderson who presented a program entitled, "Let's Make A Hat." In her delightful talk on the care, selection, and designing of millinery, Mrs. Anderson called the hat, "The Frosting On

The Cake," proving her point with attractive descriptions. "It's your 'Attitude' that counts," was the expression used while she showed some of her creations, stating that the hat is meant to complement milady's outfit and personality.

During the remainder of the evening, the members rejuvenated old hats, tried on new ones, and

modeled various hat forms, trying to decide just which type of hat to wear this spring!

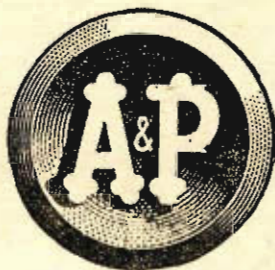

The closing thought was given by Mrs. James McCombs. Refreshments carrying out the St. Patrick's motif, were served by the hostess, assisted by Mrs. John Hoessel and Mrs. Ted Strang.

MISS PEGGY FLEMING

Mr. and Mrs. Gerald C. Fleming, 196 Carhart St., Marion, Ohio, announce the engagement of their daughter, Peggy, to Paul Overmyer, son of Mr. and Mrs. Albert F. Overmyer of Culver.

Miss Fleming, a 1960 graduate of Marion Harding High School, is employed by the B. F. Goodrich Company of Marion in the accounting department.

Mr. Overmyer is a graduate of Culver High School and of Purdue University. He is a mechanical engineer with the B. F. Goodrich Company in Akron, Ohio.

An early fall wedding is being planned.

§-§-§

## W.S.C.S. Schedule

March 14 Meeting

The March meeting of the W.S.C.S. of the Culver Methodist Church will be held at 7:30 p.m. Thursday, March 14, at Fellowship Hall.

Mrs. William J. MacQuillan will be the chairman of the program which will be on the theme, "Community Centers." There will be a discussion of Campbell Friendship House at Gary and Bethlehem Center at Spartansburg, S. C., and slide pictures will be shown.

Hostess chairman will be Mrs. J. D. Newman and other hostesses will be Mrs. Glenn Overmyer, Mrs. J. W. Oldham, Mrs. James Piersol, Mrs. Arthur Reed, Mrs. Ann Waite, Mrs. Thomas K. Walker, Mrs. Arthur Warner, Mrs. Robert Riewoldt, Mrs. James Sperry, Mrs. Harry J. Baker, Mrs. Donald Mikesell, and Mrs. Lula Melton.

## Hibbard E.U.B. Church

Enjoys Fellowship Night

The Hibbard Evangelical United Brethren Church held Fellowship Night Sunday evening, March 10, with a record attendance. Eighty-five members and friends spent an enjoyable evening.

Raymond Lowry welcomed the group after which there was congregational singing, lead by Vance Albert, choirmaster. Jack Quivey read the scripture from the 96th Psalm. The devotional part of the meeting was closed with a prayer by Mrs. E. W. Carter.

Rev. L. J. McKinley, pastor, then showed a film "From Seed Time To Harvest," followed by prayer by Rev. McKinley.

Several ladies, including Mrs. Richard Overmyer, Mrs. James Jones, Mrs. Arnold Lowry, and Mrs. Charles Wynn presented a skit entitled, "It Pays To Be Intelligent."

To conclude the evening refreshments of pie, coffee, and orange drinks were served by a committee composed of Mrs. Howard Shock, Mrs. Vern McKee and Mrs. Jack Quivey, during the fellowship hour in the church social rooms. Everyone reported a most enjoyable evening.

§-§-§

Mrs. Emerson Cabell left early Saturday morning for Canton, Ohio to visit her twin brother, Pearl Leonard, who is critically ill.

March 8, 1917 — Riots and strikes in St. Petersburg marked the beginning of the Russian Revolution.

JUDITH MARY TROIKE

Mr. and Mrs. Delwin E. Libby of LaPorte announce the engagement of their daughter, Judith Mary Troike, to Wallace C. Stone, son of Maj. and Mrs. Lewis J. Stone of Culver.

Miss Troike graduated from North Judson High School in 1958 and from Michael Reese School of Nursing in Chicago in 1961. She is employed as a supervisor at Michael Reese, Kaplan Pavilion in Chicago. Mr. Stone is a 1954 graduate of Culver Military Academy and attended Indiana University at Bloomington. He is presently associated with Woolworth Company in Chicago.

The wedding will take place April 27 at the Culver Military Academy Memorial Chapel.

§-§-§

## A.N.A. To Host

High School Girls

Culver High School junior and senior girls will be the guests of District 15 of A.N.A. on Thursday evening, March 14, at 7:30 o'clock in The State Exchange Bank Auditorium.

Of special interest to those prospective students of the nurses' training program will be the appearance of two student nurses who will talk on different aspects of the nursing profession.

All local registered nurses are most cordially urged to attend this meeting.

Refreshments will be served to conclude the evening.

§-§-§

## American Legion Auxiliary

Meeting Held Wednesday

The regular March meeting of the American Legion Auxiliary was held Wednesday, March 6, at the home of Mrs. Roy Cromley. There were 11 members present with Mrs. Ora Reed presiding.

Several members will deliver Sunshine boxes to Mrs. Dessie Blanchard and Mrs. Thomas Walker, who have been ill. A potluck dinner will be taken to the home of Mrs. Alvin Baker as soon as the weather is a little better. The mystery package went to Mrs. Mildred Miller.

Delicious refreshments were served by the hostesses, Mrs. Cromley and Mrs. Ruth Simpson. The next meeting will be held at the Legion Home on Wednesday, April 3.

COMMUNITY  
HOME  
SCHOOL

"SP — IR — IT." That seemed to be the motto for the Culver fans at the sectional tourney. Speaking of the tourney, we all want to congratulate the team for doing such a great job. We came within nine seconds of doing what no one outside Culver High School believed we could do! Congratulations to team and fans!

Everyone seemed to have a good time between the games Saturday, including Tom Schmidt. Yes, we heard that Tom had his arms full of girls — 10 to be exact! Besides getting a banana split from them, he also received a few addresses and walked a couple of Smith girls to the gym that evening. (One on each arm!) How is that possible, you ask? Simple when the girls are twins! Must be nice!

Since we have already congratulated our basketball team, we would now like to say thanks to another great team, our team of great cheerleaders. We were very proud of them at the sectional, especially our three senior cheerleaders who will be taking a little of this spirit with them into college.

"Ouch! What was that?" "Oh, that was Linda Nelson pulling some of your hair for her collection of different colored hair." We realize that everyone must have a hobby, but really, Linda, this is ridiculous!

Now for a brief lesson in date etiquette. Any girl who wants to take a first-hand lesson in how to impress and win the confidence of her date report to Cheryl Dillon, she is an excellent teacher. You start off by fighting over the french fries, then dropping one, catsup and all, into his lap. After succeeding in spotting his suit, you proceed to spill your milk on the seat. Needless to say, results are guaranteed! (You might ask Larry Brockey if he agrees!)

Some of the couples seen at Junior Record Hop last Friday were Pat Kline and Larry Miller, Bev Barshes and Bob White, Linda Behmer and Jerry Nelson, Bob Dickson and Carmen Greter, Charlene Lucas and Judy Kimmel. . . . Oops! What's this? Oh, it's only two Phi Delta girls who are being true blue to their braves while they are far away in

college. Chuck Reed, one of those Phi Deltis, came home last weekend to visit his fair maiden, Barb Overmyer also had a visit from one of our former braves, Jim Carter.

The Culver braves and maidens are doing quite a bit of traveling this month. The juniors journeyed to Indianapolis last Thursday, the seniors are going on their annual trip to Chicago, March 14, and the seniors in hand are heading for Valparaiso University this weekend to hear an opera. Nothing like a trip to keep life interesting!

What's this, a bunch of cowboys among our Indians? No, it is only some brave braves walking a little stranger than usual due to stiff muscles from track practice.

Hurry, Hurry! Get the mop! Ned's done it again. When are you going to learn, Ned Davis, that you can't turn those chemistry faucets on when the hose is plugged? We all suggest that you refrain from playing with the water hoses from now on, Ned. It will be much drier for all of us, especially your chemistry neighbors.

We're all glad to see a former "down-and-out" brave back with us. Welcome back, Ron Porter.

Oops! This March wind has just blown out the smoke signals so, see you at the Junior Ham Supper!

## Basketball Season Draws To A Close

Once again basketball season draws to a close. Our team did a fine job this year and we are all very proud of their hard work and effort.

The final statistics for the entire basketball season are as follows: Offensive Average, 55.1; Defensive Average, 58.3; Field Goals, 499 (opponents, 509) Free throws, 270 (opponents, 326); the total points scored were 1,268 (opponents, 1,344). Thad Overmyer had a total of 264 rebounds and Rick Ervin followed close behind with a total of 249 rebounds. The field goal percentage trophy will go to Jim Boswell who has an average of 42 per cent. The free throw percentage trophy will go to Sam Lowry who has an average of 73 per cent. Paul White is runner-up for this trophy with 72 per cent. Thad Overmyer has a final point total of 277; Rick Ervin has 252; and Sam Lowry has 259.

Rick Ervin scored 42 points during the sectional tourney. Thad Overmyer scored 41 and Sam Lowry scored 32. The defensive average for the tourney was 48 and the offensive average was 54.

Track season has officially started and the boys are busy getting in shape for the first track meet. A practice meet was held Wednesday with C.M.A.

## Classes Take Trips

By Vickie Lutz

Seniors: The seniors have just received word that they will visit the Continental Illinois Trust and Savings Bank of Chicago on March 14. They are all very excited about visiting this huge bank. The class will leave the school at 7 a.m. Thursday, and will return about 8 o'clock that evening.

Juniors: The juniors visited the Indiana legislature in Indianapolis, March 7. There was a record hop March 8, sponsored by the junior class. The juniors are busy making plans for the Ham Supper, March 16. They hope you all will come.

# THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

## "Am I Average?"

By Lucy Osborn, Kathy Easterday, and Eva Norris

"Am I average?" — is a question which has been obsessing the minds of C.H.S. faculty members. To keep our teachers from developing anxieties, we have conducted a thorough survey for their benefit. This survey will reveal some of the normalities and peculiarities of our teaching staff.

The "normal" woman teacher of C.H.S. is "over 21," has brown eyes, is unmarried, and has naturally straight hair. Since life begins at 40, evidently most of our male instructors have not yet begun to live; their average age is 35. All of them are married and most of them have from one to five children, with the exception of Mr. Zellers who is too young to be married. After all, he's only four score and seven years minus three score and three years old.

Our teaching staff is well educated, all of them having their bachelor's degree and several their masters. Many of them went to schools within the State of Indiana; however, our teachers are alumni from schools all over the United States. The majority have taught in another school from one to 20 years. We found that our faculty works hard, having only one free period a day, and usually sponsoring one to three organizations.

If you happen to closely examine the mouth of an average C.H.S. teacher, you will find he has 21 per cent fewer cavities — he uses Crest. Since Mrs. Kline is so active, she can't brush after every meal so she uses Gleem (as a result she has 21 per cent more cavities!)

Our school chemist, Mr. Kepler, uses a toothpaste with quite an unusual name . . . Vince. Maybe this is a result of many hours of research in his lab.

When asked the question, "Are you in favor of an 11-month school term?", the response most frequently given was NO! However, our teachers do not feel that education is over-stressed. As to the specific rights of students, the teachers feel that we are entitled to have the best available facilities and instruction.

Unlike their strong opinion against mothers working unnecessarily our teachers are indifferent to our best-dressed First Lady.

In conclusion we sincerely hope that this survey has answered all the questions which might hinder the capabilities of our faculty.

## Juniors Take Merit Tests

Twenty-two students at Culver High School took the 1963 Merit Scholarship Qualifying Test, Kenneth L. Cole, principal announced today.

The test was administered at the school at 9 a.m., Tuesday, March 5. All students who wish to be considered for Merit Scholarships to be awarded in 1964 took the test at that time.

The qualifying test is a three-hour examination of educational development. The test is the first step in the ninth annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, associations, unions, and individuals.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. In 1962, 1,041 Merit Scholarships were awarded; 632 were provided by 151 sponsors and 409 by the Merit Corporation. There are 3,400 Merit Scholars attending 403 colleges in the current academic year.

The test scores of students who are examined in March will be reported to their schools before May 15. The scores are used by class advisors in many high schools to help students make decisions about college attendance and field of study. Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in the areas measured by the test.

Some 13,000 Semifinalists, the highest scorers in each state, will be named early next fall. Names of Semifinalists are published in a booklet which is distributed to all colleges and to other sources of financial aid for undergraduates. Further, their names and test scores are sent to the colleges they express an interest in attending as their first or second choices. The order of preference is not shown.

An additional 35,000 students, selected on a national basis, receive Letters of Commendation for their high performances on the qualifying test. These stu-

dents are considered for special awards made through the Merit Corporation, and their names and test scores are also sent to their first and second-choice colleges.

Each Semifinalist will be asked to take a second examination. Those who repeat their high performance will become Finalists in the Merit Program. Winners of Merit Scholarships will be selected from the Finalist group on the basis of school records and recommendations, test scores, extra-curricular activities, leadership ability, and accomplishments outside the classroom. Each Finalist is awarded a Certificate of Merit attesting to his outstanding performance.

The scholarship stipends are based on financial need. The minimum award is \$100 and the maximum is \$1,500. The average stipend awarded to freshman Merit Scholars in 1962 was \$845. Each scholarship constitutes a form of educational insurance, since the stipend may be increased at any time if the student's financial situation changes during the four-year term of the scholarship.

Supplementary grants are usually made to the colleges that the scholars attend.

Confucius say: "Man who stop advertising to save money is like man who stop clock to save time."

# Faculty Comments On The Sectional

By LINDA NELSON

"It was just great!"

Although this was just one student's comment on the Sectional Tourney, most other opinions are very much in harmony with it. With the spirit and pride of CHS at its greatest height all year, we asked a variety of people to give their comments about the Sectional Tourney.

Lonnie Darocsi: It was great! — of course! Culver's the best!

Tom Yocom: Plymouth only won in one sense, and that was by two points on the scoreboard.

Miss Shanks: Mrs. Senour at the Warana Restaurant told me the Culver boys and coach were well behaved while they were there and that the Culver community should be very proud of them.

Corky Overmyer: I thought the boys did very well . . . that is the closest game I have ever seen!

Layne Zechiel: The team finished up this basketball season with good team work.

Don Shepard: The boys played good ball, the best I have seen all year.

Terry Lewis: A real exciting game. The pep block really looked neat too!

Richard Warner: My compliments to the team! If they would have had more time, Culver would be playing in the Regional instead of Plymouth.

Claudia DePoy: The boys showed us a real exciting game; they did their best. The pep block was really peppy!

Charles Gollnick: I am really proud of the boys. They did their best.

Marge McGaffey: GOOD WORK TEAM!

Mr. Stukenborg: I did not attend, but I am sure the school was well represented by both players and fans.

Pam Phelps: It was just great!

Sharon McGaffey: There aren't any words to describe how wonderful our team played!

Linda Behmer: It gave the seniors a memorable ending for the basketball season, one we can be proud of.

Cathy Carrothers: They did a great job! Lady Luck was just sitting on the other side of the fence.

Barbara Overmyer: We have all right to be proud of our team!

Sam Lowry: It was pretty good, until the last nine seconds in the championship game.

Mr. Cole: I was very proud and happy for our boys. I would have liked very much for them to have won the Sectional though — they deserved it.

Larry Miller: I was proud of the team and the student body for their wonderful display of sportsmanship.

B. J. Lawrance: I can't tell you how proud I was of the performance of the team and the pep block displayed.

Mrs. Kline: I was happy that this team had the chance to come within two points of the Sectional crown; second, proud of the display of enthusiasm of the student body.

Stu Lowry: I think they did a real good job and should have won the Sectional.

Miss Overmyer: I am very, very proud of them.

Jerry Nelson: Plymouth just got all the breaks and all the luck.

Dave Lemar: I would like to report the condition of the TV set after Jim Wilson said Plymouth would beat Culver easily!

Rick Ervin: That little blond guy in the stripes picked one heck of a time to be taking a nap.

Rex Crump: I was proud of our Injuns!

Bob Albert: Only one thing

great to watch our boys fight!

Janice Neidlinger: I am happy to know that although we did lose in number, we won in spirit, which in many cases outweigh a defeat.

Sharon Norris: Even though we did not win, it was a glorious way to end the season!

Betty McFarland: I am sure proud to say I go to Culver!

Paul White: I think Culver had more spirit than any other school. I am disappointed that we didn't win the Sectional, but I know every boy did his best.

Donna Rogers: I am proud of the team, and the "ole school spirit" which the fans showed.

Mr. Cox: The best effort shown in the Sectional Tourney play since 1953. The 1953 Culver team was ranked in the A P Poll 10th in the state. A real inspirational climax that should send our next year's team off to a rousing start!

Bonnie Saft: They put everything they had into the game. Next year there will be a new Sectional champ, Culver!

Janet Heiser: Our team played some good games, and our pep block backed them up.

Joan Dillon: I'm so proud our team went as far as they did. We Culver people may not think the best team won, but we're proudly prejudiced!

Mr. Lawson: Our student body and team reflected nothing but pride on our school.

Mr. Kepler: I was pleased with our team's showing.

Jim Lewis: They did real well, with the refs as obstacles.

Frank Keiser: It was a bitter fight to the end!

Mr. Miller: I enjoyed the Sectional Tourney very much. The players did a fine job and deserve commendation. The students did a fine job showing school spirit and supporting their team.

Cheryl Dillon: I was so very proud of our team, as well as student body! They both surprised a lot of people who attended the tourney, and I think it made a most fitting climax for our basketball season.

These are just a few of the comments that can be heard floating around CHS. What is yours? We think all can be summarized into one word . . . WONDERFUL!

## Our Very Busy Music Department

By Pat Ogden

The sixth, seventh, and eighth grade band students were recently tested on the condition of their instruments, scales, tone quality, and rhythm. This report was sent home to the parents of the respective students.

The seventh grade is analyzing "The Magic Flute," a musical play. They are singing folk songs and had fun singing the famous "Orchestra Song."

The boys in the eighth grade General Music have just finished a fine "jug band" project. All the boys enjoyed blowing on the jugs to the tune of "Twinkle, Twinkle Little Star." They also listened to the stereo recording of the

10-2n

The girls in eighth grade General Music are preparing to learn various dance steps in the weeks to come. The choirs have been making much progress on the music for the March 24 and April 26 concerts.

A special stage band has been selected and will highlight the March 24 Spring Band Concert to be held in the Community Building at 3 p.m. The flute section of the band is also being featured with band accompaniment. The public is strongly urged to attend this program of all types of music. Even a selection entitled "The Bubble Machine" will be featured.

### EDITORIAL

Co-Editors — Charlene Lucas and Cheryl Dillon

For those who were unable to attend the Sectional Tourney, it is only fair to mention the tremendous backing that was given the team by the Pep Club. Although the cheering block was composed of many people other than Pep Club members, the activities were all planned by the club's officers and committees.

At the Saturday games a pep block of about 175 students dressed in white blouses or shirts was the dominant part of the Culver cheering section. Thirteen boys in maroon letter sweaters formed a "C" in the center of the section. Needless to say, these students formed probably the most impressive cheering block that Culver has ever had and one of the most, if not the most, impressive of the entire tourney.

Culver's pep block, as well as team, surprised many tourney spectators. The block not only looked sharp, but gave one of the best performances of all the schools. It was particularly noticeable that even when the team was behind the support continued loud and strong — a statement that cannot be made by many of the other schools.

Students and adults alike from other schools and communities complimented the Culver block on their appearance and spirit. The faculty of our own school was also very proud of the backing given the team. These comments speak very well for Culver Pep Club members and the other students who participated at the tourney. In view of these results, the students should have more incentive to give better and more continuous service throughout next year's basketball season.

Most of our comforts grow up between our crosses.

### A Talk With Suzy

By Carolee Easterday

This week instead of interviewing one of our teachers, I'm going to direct a few loaded questions to one of our sophomore students, Suzy Spencer.

When I asked her for her personal statistics, she claimed that she was 5 feet 2 inches tall, had blond hair and blue eyes, and wore a size 6½ shoe and a size 7 dress. After trying to evade the issue, she revealed that she tips the scales at 115 pounds.

Like all high school girls she has her own little quirks. She bites her nails and stutters when she is nervous, and she blushes very easily. She quickly defended herself by interjecting that if Mr. Crosley can blush, she can too! Her pet peeve is teachers who give tests without warning, and her pet expression is "Oh, succotash!" She has two stuffed dogs which she sleeps with ONLY when she has her hair up on rollers! When I gave her a quizzical look and threatened to take her to a psychiatrist, she explained herself. She claims that by putting her dogs under her neck, her head doesn't rest so heavily against the bed. (Take heed, girls; it's a good idea.)

Her favorite sports are swimming, volley ball, and playing basketball — correction: TRYING to play basketball! Her favorite teachers are Mrs. Smith and Mr. Crosley. If she could have one wish, she would wish for more self-confidence.

I asked Suzy a few more thought provoking questions just to see how serious our high school girls really are.

One question was whether she believed in going steady. She believes that students should not go steady until they are at least seniors. She believes that the years in high school should be carefree. She does not think a student should be tied down.

She thinks that it is all right to allow a boy to kiss you on the first date if it is not a blind date. In this school a boy doesn't ask a girl for a date until they have known each other for a long time and he knows that she likes him.

She does not object to teen-age marriages as long as they have both graduated from high school and the boy has a good job with a promising future.

She does not think the woman should wear the pants in the family. In the same breath she objected to the husband having complete rule. She thinks the husband and wife should meet half way.

Suzy doesn't think too much about national or international issues. The only question of this type that she answered was whether she thought Khrushchev would "bury us." She answered that with an emphatic "Not!"

As you can see, exuberant Suzy lives a life similar to the lives of most of the girls in our school. She makes the most of youth, yet she has time for serious thought.

### Future Careers Discussed

By John Behmer and Terry Lewis

The Sunshine Society met Tuesday, March 5, for a regular meeting. Janice Neidlinger, president, led a brief discussion on the State Sunshine Convention and the Ideal Ladies' Party which will both be on the calendar next month.

The theme of the meeting was "Key to the Future." A panel consisting of Barbara Rosebaum, Charlene Lucas, Janice Neidlinger, and Carolee Easterday discussed careers for the future. A brief report given by Charlene Lucas stressed the importance of looking into the field in which interests and abilities lie. The panel then led a question and answer period, and many of the senior girls told of their plans for the future.

The trouble with the ladder to success is that there's no one to hold it for you. — The Press, Vista, Calif.

## Do You Remember 'Way Back When?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

### MARCH 11, 1953 —

Work on the relocation of State Road 10, north of Culver, has been suspended pending further investigation by "the new highway commission to be appointed."

Maurice A. Curtis has been appointed Grand Lodge Trustee for IOOF.

The second annual Marshall County automobile show will open at Centennial Auditorium in Plymouth on Friday, March 13.

Elmer O. Irwin, 61, Route 1, Argos, died Saturday after a two-years' illness.

A total of \$1,006.02 was contributed by Union Township in the recent March of Dimes campaign.

Services were held Monday at the Delong Methodist Church for Raymond M. Ditmore, 56, who died Friday night at his home a mile west of Delong.

Culver will be represented for the first time this year at the Hoosier Boys' State with the selection of Gary Bennett as Culver's delegate and John Middleton as alternate.

### MARCH 17, 1943 —

The drive for funds to support the Union Township War Appeals Charities will be launched March 23 and will be conducted by the Civilian Defense organization both of town and country.

Mrs. Ida May Calhoun, age 69, wife of Robert Calhoun, died at her home in Culver Saturday after an illness of four days.

Scrap metal was the price of admission to a matinee held Saturday at the El Rancho Theatre and owner Evert Hoessel was well pleased with the large amount brought in.

Talent galore is ready for the Red Cross Victory Stunt Night scheduled for Monday night in the Community Building.

Capt. William E. Friend Jr. of St. Louis and formerly of Culver, son of Mr. and Mrs. William E. Friend, has been reported missing in action since March 4.

Oliver Clyde Lichtenberger, age 61, died at the home of his sister, Mrs. Hattie McKinney, in Elkhart Tuesday morning following an illness of eight weeks.

### MARCH 15, 1933 —

The Culver State Exchange Bank resumed its usual hum of business this morning upon receipt of a telegram from Luther F. Symons, Indiana Bank Commissioner, authorized under a Class "A" rating, which ended the eight-day banking holiday.

Milton Shaw, 14-year-old son of Mr. and Mrs. Edgar Shaw, died Monday at the Rochester hospital with a ruptured appendix.

Michigan State Agriculture College has picked the Gold Medal Holstein Sire of the C. W. Newman and Son's herd, Creamelle, Inka Prince Frederica, for its college herd.

Work has been started in tearing down one of the landmarks of the town, the Paramount Hotel, to make room for a \$3,000 super service station to be built by Homer Kemple.

Mrs. Anna C. Stahl, 83, died Monday morning.

From October of last year, 159 persons were accommodated at the Culver jail according to Marshal Charles Buffington, their host.

### MARCH 14, 1923 —

At a mass meeting Monday night, it was decided that Union Township would have a community house to be erected on the lot opposite the school house.

## My Neighbors

On Saturday night there will be instituted in the Masonic Temple a chapter of the Order of Eastern Star. Thirty names are on the application, six more than are necessary.

Culver was defeated 35 to 8 by South Bend at the Fort Wayne regional basketball meet.

The gale of the storm Sunday night wrecked the big chicken house on the Bruce Ogden farm located west of town.

### MARCH 20, 1913 —

The rotted field of ice broke away from the south end of the Lake Friday and, driven by a strong wind, drifted to the north end where it crumbled against the shore and disappeared. Last year the ice did not go off until April 6.

Ira Sparks and Miss Verna Geiselman were married Sunday.

The candy and cake sale managed by the high school girls to raise money to pay the balance due on the printing of the High School Annual exceeded anticipations.

A year ago today a blizzard prevailed and enough snow fell to make good sleighing.

The Medbourn Ice Company bought a team of heavy draft horses last Monday from William Hartman. They weigh about 1,400 pounds each and the price was \$480. They will be used for ice delivery in Logansport.

The Star Theater was opened Monday night by Crabb & Warner. Three reels are run at each performance.

Lawrence Houghton is building a four-room cottage on Aurora Borealis Heights.

The Town Board has purchased a new and larger hose cart at a cost of \$100. It will carry 800 feet of hose.

Samuel Kleckner, a farmer of Tippecanoe, committed suicide on Saturday by hanging himself from the beam of a building adjacent to his home. He was about 62 years of age.

A dispatch from Washington says that Congress has enacted a law prohibiting the shooting of wild ducks anywhere and at any time.

T. O. "Harry" Saine left Monday for California to take charge of an irrigating plant on a 700-acre ranch near Los Angeles owned by Major Bates and others.

John Osborn moved into town this week. Min Hatten will work his farm this year.

Two tracts of land near Hibbard were sold last week. One tract, owned by Thomas Mlea, was sold to Glenn Snapp, and the other, owned by Peter Listenberger, was sold to L. H. Snapp. The Snapps are from Idaville and are now moving to their new farms.

**IT HELPS** — A girl from Rising Sun who's attending Stetson University in Deland, Fla., has written her home town newspaper, The Ohio County News, that she finds it an asset to be from Rising Sun. "Everybody remembers the name of the town," wrote the coed, Ann Whitlock.

## A Look At CAP

By THOMAS K. WALKER JR.

Are you a pilot or do you do a considerable amount of flying in private aircraft? If you fit into one of these categories you have probably thought several times of what might happen if the plane you were in was forced down. This has crossed the mind of anyone who has placed one foot into any type of aircraft. But almost always, everyone feels that the accidents will happen to the other fellow. Well, where is that other fellow when it happens to you?

If you are forced down and in need of assistance, would it not be a comforting thought to know that a well-organized and highly trained corps of pilots, observers, and ground personnel are searching for you? In a matter of hours, and sometimes minutes, after planes have been forced down, the Civil Air Patrol is on the job. Planes are in the air scanning the ground, teams on the ground are searching out information about you, and support units of communications, weather, and ground personnel controlling the mission, all have one purpose, to find you.

Last year CAP flew over 20,000 hours in search and rescue and emergency work. No one can count the thousands and thousands of hours spent in the training of personnel to carry out the mission. The CAP flew more hours in this type of work than any other agency of the government.

The pilots, like the other members of the CAP team, are volunteers. They get no pay. The USAF "flips the bill" for the fuel and lubricants used on emergency missions. The planes and other equipment used by these men and women of mercy are their own.

**NOSE FOR NEWS** — A Delphi Journal correspondent saw two Delphi policemen walk rapidly down an alley and enter the rear door of a restaurant. Sensing a news story the correspondent tagged along and learned the officers were making inquiry to find out how many slices of toast the restaurant's toaster would make at one time, presumably to settle an argument.

The morning rush hours in large cities where thousands travel the same routes to work each day are somewhat disturbing to many. Whether travel is by commuter train, by bus or automobile, or by some other means of transportation, there always seem to be too many people going in the same direction at the same time. Consequently, elbowing, pushing, crowding, frayed nerves, and exploding tempers seem to be the order of the day.

One morning the writer paused for a moment at a point where hundreds leave their transportation and hurry off to their respective places of business. As he observed the people rearranging themselves and regaining their composure, he also noticed, and was pleasantly surprised at, the frequency with which friends would leave each other with a genuine smile and the happy phrase, "Have a good day!"

As he pondered this later, he realized how full of meaning such a declaration was. It was as though every individual were endeavoring to encourage his friend to forget the mad rush just behind him and to embark happily upon the duties of the day, thoroughly expectant of good.

In today's busy world, in which the thought predominates that men need to compete for everything, even for their places in public transportation or on the public highways, a clash of thoughts and acts often appears unavoidable. In such cases the pleasant reminder, "Have a good day!" is a fitting climax to such an experience. On the other hand, if one were to begin his day with that thought, he would no doubt avoid the experience of hurry altogether.

Many individuals, before setting out for work or doing whatever it is their lot to do, begin their day by strengthening themselves spiritually with the truths of God and man which they find in the Bible. This is particularly true of students of Christian Science, who find much promise in such statements as this one (Ps. 118:24): "This is the day which the Lord hath made; we will rejoice and be glad in it."

Mary Baker Eddy discovered Christian Science and founded it on the spiritual teachings of the Bible. For example, in "Science and Health with Key to the Scriptures," she gives the spiritual definition of the word "day," part of which reads as follows (p. 584): "The irradiance of Life; light, the spiritual idea of Truth and Love." Then she adds, "The objects of time and sense disappear in the illumination of spiritual understanding, and Mind measures time according to the good that is unfolded."

To "have a good day," then, in the light of Christian Science, one must separate from the mass of human affairs the duties with which one is directly concerned. Then by applying the spiritual understanding that man is the reflection of God, one sees that these duties are really the un-

foldment of God's plan and are measured and controlled by Him and that one has God-given intelligence and ability to perform these duties with a high degree of success. For all the avenues and incidents leading up to and following one's opportunity to be engaged in these duties hint God's plan and must be filled with the right thought of place, the assurance of protection, and the evidence of divine control.

Therefore to "have a good day" stems from right thinking, and as a result of the activity for good that this promotes in one's life, one learns to look upon every day as the unfoldment of the Lord's day, blessed with the opportunity to "rejoice and be glad." — The Christian Science Monitor.

## Girl Scout News

By PAM THOMPSON

Girl Scout Troop 143 held their regular meeting Tuesday, March 5, at St. Mary's of the Lake Catholic Church.

To begin the meeting we sang songs and repeated the Girl Scout Laws. Then Mrs. Scott assigned girls to demonstrate the different types of knots at the next meeting.

We then played games and had refreshments after which the meeting was closed.

By KATHY TASCH, Scribe

Troop 52 of the Girl Scouts held their meeting at the home of Mrs. Robert Porter. Sandy Baker attended our meeting. The current project of puppets was worked on. Delicious refreshments were served. The meeting ended with the singing of "Taps."

**SWITCH NEEDED HERE**

Mrs. Mary Carrothers, owner of Mary's Beauty Shop in Burr Oak and Miss Sandra Grove attended the Midwest Trade Show in Chicago on Saturday, March 2, through March 5, at the Sherman Hotel.

Miss Mary Curry, daughter of General and Mrs. M. L. Curry, East Shore Drive, spent the past weekend with her parents and together they attended the cocktail-buffet engagement supper honoring Wallace Stone and Miss Judith Troike. Mary is a junior at Indiana University and is majoring in Fine Art. Mrs. Curry left Tuesday for Lexington, Va., where she will attend the wedding on Saturday of her niece, Miss Kathryn Letcher, daughter of General and Mrs. John Letcher. Mrs. Curry will be away a week.

The many friends of Mrs. Albert S. Howell of East Shore Drive were delighted to see "Aunt Nora," as she is so affectionately known, along with her devoted niece, Mrs. Dorothy Thomas, Wauconda, Ill., last Saturday evening at the engagement party

in the Lewis Stone home honoring the engagement of Wallace Stone and Miss Judith Troike. Mrs. Thomas has been with her aunt, Mrs. Howell, these many weeks of her convalescence following her hospital stay at Billings Hospital in Chicago.

The Jack Andersons of East Shore Drive are especially busy these days since their dog is the mother of a litter of 10 puppies. The new arrivals are a mixture of collie, boxer, and a couple of other breeds.

# REMCs will help City People profit from a Billion Dollar Business in 1963!

Few people think of REMCs as benefiting anyone but rural people. Yet, sales figures show that rural electricity has resulted in a billion dollar business annually—for people in cities and towns of the United States.

Indiana farm families bought more than 90,000 home appliances last year, and over half of them were major items. They purchased additional millions of dollars worth of electric motors, milkers and milk

coolers . . . as well as wire, fuses and other electrical equipment.

Cash registers on Main Street have rung more often, and for bigger sales, since America's first REMC was organized in Boone County, Indiana. Orders have multiplied for manufacturers, who in turn employed more people who live in town. That's why we say—REMC electric power is good for everyone.

As rural people increase their use of electricity, new jobs are created and new income put into circulation.

## LETTERS TO THE EDITOR

Wants Penpal  
Yah Lateef Salami  
A.U.D. Grammar School  
P.O. Box 47  
Ikare, Nigeria  
8:31:63

Editor CITIZEN:  
I am very glad to write you these few words. Hope everybody is in good condition over there.  
My principal aim of writing this letter to you is that I want you to send some penpal to me. I have interest on your people, both boys and girls, men and women to be my friends.  
So I think that when I write you, you will please help me to publish my name in your town. I will be very glad if you can do this favour for me.  
I am a student at Ansar-Ul-Deen Grammar School, P.O. Box 47, Ikare, and I am 15 years of age. I am now in form one. I will be expecting your reply of this letter.  
Thank you very much.  
Your Brothers in law  
YAH LATEEF SALAMI

## Burr Oak

By Mrs. Floyd Carrothers  
Phone Viking 2-2028

The E.U.B. Ladies Aid will meet with Mrs. Betty Overmyer. The local E.U.B. Conference is set for March 22, 7:30 p.m. at the Hibbard Church.

The Circle Party will be held in the E.U.B. Annex Friday evening, March 15.

Mrs. Harry Sheppard visited Wednesday afternoon with Mrs. Harry Leffert, Route 2, Culver.

Mrs. Arthur Woolington received a letter from Mrs. Donald Totten announcing the birth of their new son, Jeffery Eric, on March 3. He weighed 8 pounds, 10 ounces. Reverend and Mrs. Totten have another son, Doug, two years old. Reverend Totten was minister of the E.U.B. Church and they lived in Burr Oak before moving to Evert, Mich., where they now reside.

Sunday guests of Mr. and Mrs. Arthur Prosser, Russell, Laurel, and Velda were Mr. and Mrs. Tom Jones and Dennis of Grovertown. Mr. and Mrs. Charles Garrett and Tami Rae of Gary, and Miss Betty Prosser of Berwyn, Ill.

There were 26 in attendance at the Fellowship program and lunch Friday evening at E.U.B. Church. Mrs. Bert Cramer Jr. had charge of the program. Miss Cathy Carrothers played several selections on the electric organ. Songs were sung accompanied by Miss Rose Cramer at the piano. A film was shown by Steve Utery. Reverend McKinley gave a short talk and closed with prayer. Refreshments were served in the Annex.

Recent guests of Mr. and Mrs. Chester Davis were Mr. and Mrs. Donald Overmyer and daughter, Vickie, and Mr. and Mrs. Howard Overmyer and family, all of Fort Wayne.

Harry Kirk and O. Pegg of Chicago called on Mr. and Mrs. Wallace King and Sharon Sunday afternoon.

Sunday guests of Mrs. Rossie Moore were her son, Robert Bennett, of LaPorte, and Bill Anderson of Fish Lake.

Mrs. Bert Cramer Sr. was hostess to her Bunco Club Thursday evening in her home. Present were Mrs. Evelyn Christenson, Mrs. Irene Ronk, Mrs. Jane Broeker, Mrs. Laurena Samuelson, Mrs. Ann Broeker, Mrs. Fredi Urhank, and Miss Darlene Christenson. Prizes were won by Mrs. Ronk, Mrs. Cramer, and Miss Christenson. Refreshments were served.

Miss Hazel Jones of South Bend spent the weekend with Eugene Jones.

Weekend guests of Mrs. Marie Schipplock were the Misses Mary Edle and Marian Schipplock of South Bend and Hermena Schipplock of Plymouth.

Mrs. Maggie Woolington of Route 3, Plymouth and Mrs. Alfred Himes of Plymouth were Saturday afternoon guests of Mrs. Bert Cramer, Sr.

Sunday dinner guests of Mr. and Mrs. Lloyd Maxson, Bud, and Doris were Mr. and Mrs. Ray Kuchel of Route 2, Culver.

Mr. and Mrs. Arthur Woolington and sons, Dennis, Jim, and Allen, and Mr. and Mrs. Wayne Bishop and grandsons, Gary and Mark Rogers, visited Sunday evening with Mr. and Mrs. Charles Whipple at Star City.

Mr. and Mrs. Ray Kuchel attended the 25th wedding anni-

Mr. and Mrs. Jacob Kuchel, Sunday afternoon in their home at Grovertown.

Mr. and Mrs. Wallace King and daughter Sharon visited Sunday afternoon with Mr. and Mrs. Gene Palmer at South Bend.

None of us can ever forget the prayerful words: "Give us this day our daily bread." To millions around the world those immortal words are a reality—a painful need! There are other needs too... shelter... clothing... educational and technical facilities to assist those who want to be able to help themselves. The churches of America send aid to the needy overseas throughout the year. When your church appeals to you to help on Sunday, March 24, give generously. Make ONE GREAT HOUR OF SHARING your hour to offer a friendly hand to those overseas who desperately need your help!

**GIFT SUGGESTION**—The editor of The North Vernon Sun, Richard Mayer, Jr., suggests to toy manufacturers there is a desperate need for a toy that will automatically put itself away when the kid is through playing with it.

Watch out for school children especially if they're driving.

### FIRST CHURCH OF CHRIST SCIENTIST

423 S. Michigan St., Plymouth  
Sunday School 10:30 a.m.  
Morning Worship 10:30 a.m.

The deep, spiritual nature of  
real "Substance" will be the sub-  
ject at Christian Science services  
this Sunday.

Bible readings will include  
these verses from I Corinthians  
(2:9, 10): "As it is written, Eye  
hath not seen, nor ear heard,  
neither have entered into the  
heart of man, the things which  
God hath prepared for them that  
love him. But God hath revealed  
them unto us by his Spirit: for  
the Spirit searcheth all things,  
yea, the deep things of God."

Other Scriptural selections will  
bring out what Christ Jesus  
taught about substance, and will  
be accompanied by this passage  
from "Science and Health with  
Key to the Scriptures" by Mary

The Culver Citizen — Culver, Indiana — March 13, 1963 — Page 13

Baker Eddy (p. 313): "Jesus of  
Nazareth was the most scientific  
man that ever trod the globe. He  
plunged beneath the material sur-  
face of things, and found the spir-  
itual cause."

### TEMPLE OF FAITH MISSION

Rev. R. R. Cross, Pastor  
Located west of State Road 35  
on State Road 10 to California  
Township School and one mile  
north.

Sunday School 9:30 a.m.

Morning Worship 10:30 a.m.  
Youth Fellowship 7:15 p.m.  
Evening Worship 8:00 p.m.  
Prayer Meeting 8:00 Wed.

### SEVENTH DAY ADVENTIST

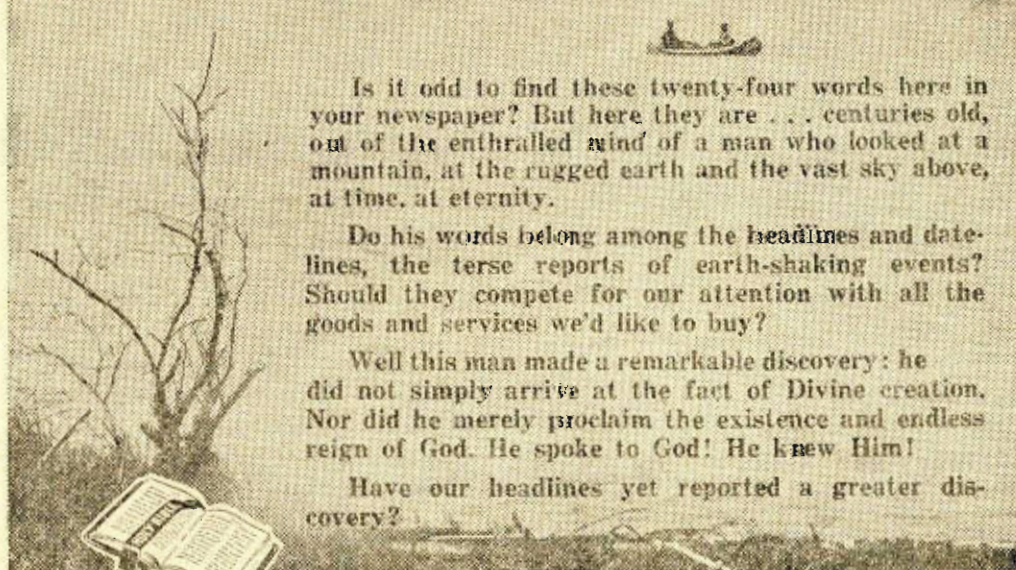

M. G. Johnson, Pastor  
Worship Service 9:30 a.m.  
Sabbath School 10:30 a.m.

Trust in your fellow man is a  
noble virtue — except when he's  
driving. The Institute for Safer  
Living advises never take a fellow  
driver's actions for granted.  
Sooner or later he may act like  
an average human being and do  
the unexpected.

Before the mountains were brought forth  
Or ever Thou hadst formed  
The earth and the world,  
Even from everlasting to everlasting,  
Thou art God!

(Psalm 90:2)

Is it odd to find these twenty-four words here in  
your newspaper? But here they are . . . centuries old,  
out of the enthralled mind of a man who looked at a  
mountain, at the rugged earth and the vast sky above,  
at time, at eternity.

Do his words belong among the headlines and date-  
lines, the terse reports of earth-shaking events?  
Should they compete for our attention with all the  
goods and services we'd like to buy?

Well this man made a remarkable discovery: he  
did not simply arrive at the fact of Divine creation.  
Nor did he merely proclaim the existence and endless  
reign of God. He spoke to God! He knew Him!

Have our headlines yet reported a greater dis-  
covery?

### USE BEST OAT VARIETIES

The best recent all around performance records of oat varieties available to Indiana farmers have been established by Newton, Putnam 61, Clintland 60 and Goodfield, according to M. L. Swearingin, Purdue University extension agronomist.

Farmers who like oats of the Clinton breeding should sow Clintland 60, the best Purdue-developed mid-season oats of this strain in yielding ability and disease resistance.

Newton is similar to Clintland 60 in disease resistance and can stand high temperatures better during the finishing period than other varieties. In 1960-62 county demonstrations Newton out-yielded all other varieties. In a bad crown rust year Newton might suffer because it has lower resistance than the other varieties.

On highly fertile soils where lodging is a problem Goodfield is recommended because of its superior straw strength.

Putnam 61 is six days earlier than the other Purdue recommended varieties and should replace the older Putnam. Putnam 61 has the most total disease resistance of any adapted spring oat variety.

Newton and Putnam 61 are moderately resistant to the yellow dwarf virus disease, which is severe some years, whereas Goodfield and Clintland 60 are susceptible.

High quality certified seed of these varieties is extensively available. Recent directories of certified seed producers are available from county extension agents. A recent three-year survey showed farmers who sowed quality certified seed rather than bin-run seed oats gained almost six bushels an acre in yield.

### NEW FEEDER PIG CIRCULAR

Feeder pig production in Indiana is a profitable, growing enterprise, according to Purdue University extension specialists Ken MacDonald and Richard Hollandbeck. They add that the demand for top quality Indiana feeder pigs far exceeds the supply.

Much of Indiana is especially well adapted to feeder pig production, especially where the land is capable of growing good legume-grass pasture. Average to small-sized farms with minimum corn production can increase their volume of business with feeder pigs.

According to the specialists, efficiency, which affects profits in feeder pig production, depends upon good breeding, feeding, management, disease control and marketing.

In a publication, Extension Circular 502, "Producing Feeder Pigs," Hollandbeck points out some of the proved practices that will help improve feeder pig production.

A copy of this circular may be obtained without charge by Indiana residents by writing the Agricultural Publications Office, AES Building, Purdue University, Lafayette, Ind. A post card is sufficient.

## Central States News Views

**PLOWING ICE**, this towboat of Cargo Carriers, Inc., was one of the last to move from the upper Mississippi River before winter's big freeze stopped traffic on this part of America's central waterway.

**HAIR-RAISING** experience for Robin Lenhard of Elyria, Ohio, is having her pigtails combed out in preparation for a mature coiffure more becoming to a six-year-old.

**FALLING STAR** of a road show that tours U.S. and Canada is an Iowa girl named "Sioux City Sue." The mule gained top billing with this dive into tank of water.

**BIG BITE**—The adage, "Never bite off more than you can chew," is good for fish as well as humans, says The Steuben Republican. It tells of two Fort Wayne men, Nelson Miller and Harold Abbott, who were trolling on Lake James when they noticed a disturbance in the water a short distance from their boat. They went to the spot, lowered a landing net and dipped out two fish, a pike and a bass. The pike, weighing about four pounds, had the bass in its mouth and was trying to swallow it. The bass weighed about a pound and a half. It was about half as long as the pike and nearly as large around. It was too much of a mouthful for the pike.

## Tom Walker and Cadet Group Get Trip To Paris

Thomas K. Walker, son of Mr. and Mrs. Thomas Walker, Route 2, Culver, will spend his spring vacation with 24 other Culver Military Academy students on a 10-day visit to Paris, France.

The tour is being arranged through the Academy history department and is similar to educational trips made by Culver students to Greece during spring vacations the past two years. This year's trip to Paris will be supervised by Charles S. McMinn, instructor in history at Culver for 36 years.

The 25-cadet contingent will leave Chicago's O'Hare Field by jet on the evening of Friday, March 22, and arrive in Paris late the next morning. They will be guests at the Hotel Grand until they leave Paris for Chicago on Sunday, March 31.

During the nine-day stay in Paris cadets will visit Monmartre, Louvre Palace, Luxembourg Palace, Notre Dame Cathedral, the Sobonne, Champs Elysees, Arch of Triumph, Napoleon's Tomb, Versailles, Museum of Modern Art, Louvre Museum, Barbizon, Fountainbleau, Chartres, and other places of historical interest.

## Monterey

By Mrs. Dollie Posthuma

The Silver Shoe Saddle Club will sponsor a dance Saturday evening, March 16, at the American Legion Home in Monterey. The public is invited. Music will be furnished by a band called "Two Hits And A Miss."

The Boys 4-H Industrial Club will meet Monday evening, March 18, at the school cafeteria at 7:30 p.m.

The P.T.A. will sponsor a carry-in supper for the high school athletes on Wednesday, March 20, beginning at 7:30 p.m. in the school cafeteria. Each family is asked to bring a covered dish and their own table service.

Mr. and Mrs. Don Good and family were Sunday guests of Mrs. Anna Sparks at San Pierre.

Jerry Keller of Williamsport was a guest over the weekend of his mother, Mrs. Mildred Keller. Mr. and Mrs. Henry Scheibelhut of Mishawaka were Sunday guests of Mrs. Mary Bauer.

Mr. and Mrs. Harold Hoover, Leon and Karla were guests over

# WATCH FOR

# TURNING CARS

"Watch For Turning Cars" is the theme of the March school safety poster distributed to more than 33,000 grade school classrooms by the Chicago Motor Club. Adults as well as children should heed this message. When crossing at a corner pedestrians should stop, look carefully for turning cars, and then look both left and right for passing cars. A car's flashing turn signal or a driver's extended arm are two ways of noticing whether a car will be turning. Be alert for turning cars *before* you step off the curb.

the weekend of Mr. and Mrs. Ralph Kistler at Ligonier. Returning home they visited Mr. and Mrs. Dean Goshert and Mrs. Maude Hoover at Yellow Creek Lake near Burket, Ind.

Miss Carol Taiclet of Indianapolis spent a few days recently with her parents, Mr. and Mrs. Louis Taiclet. Mr. and Mrs. Taiclet attended the Elevator Service Co. annual dinner meeting Monday at Wabash.

Mr. and Mrs. James Decker and family and Mr. and Mrs. Sylvester Gottlieb and family of South Bend were Sunday guests in the home of Mr. and Mrs. John

Kowatch and William Decker.

Mr. and Mrs. Fred Bauer and family of North Judson, Mr. and Mrs. Sam Strang and family of Culver, Mr. and Mrs. John Woodward of Lafayette and Marsha and Gerald Reutebuch of Pulaski visited Sunday in the home of Mr. and Mrs. Fred Bauer.

Ellen Scott of Park Forrest is spending this week with her grandparents, Mr. and Mrs. Nolan Shaffer, while her mother, Mrs. Jim Scott, is in the hospital with a new baby.

**FIRE DEPARTMENT** calls should be made to Viking 2-2111.

By DAVID KELLY, Troop Scribe

Fifteen Boy Scouts attended the Chicago Boat Show held Saturday, March 9. A good time was had by those attending.

The March 11 meeting of Troop 290 was held at the Methodist Church Fellowship Hall with 29 Scouts present. The pre-opening game was "Guardian Patrol Leader" with the Beaver Patrol winning. Patrol demonstrations were given and then "Hopping the Gauntlet" was played. Patrol corners was then held. A Tenderfoot Investiture ceremony was held with Robert Crow and Perry Smith being inducted into the Troop. "Trail Signs" contest was played with the Wolf and Panther Patrols receiving top honors. A Board of Review was also held during the meeting with the following Scouts passing their Second Class rank: Tony Mattox, Tom Osborn, Terry Powers, Carl Strang and Ken Tash. The meeting was closed with the playing of Taps.

The Beaver Patrol won "Honor Patrol" competition for the month of February. Congratulations!

A overnight will be held at the Tippecanoe River State Park on Saturday and Sunday, March 16 and 17. We will meet at the Methodist Church at 9 a.m. on Saturday. Be sure you bring the proper personal gear and a full canteen of water. Your meal fee will be due at this time.

Summer Camp and the 2-week Canoe Trip applications and reservation fees are still being taken. Be sure you attend camp!

Next week the important Troop Charter Roll Call and Uniform Inspection will be held. Make sure you are there so that you will be counted! All dues must be paid up. Have your uniform looking "sharp" for this important event!

NOTE: The Menominee District Scout-O-Rama to be held at the Plymouth National Guard Armory will be Saturday, May 11!

#### MARIZETTA ROBINSON PLEDGED TO ALPHA LAMBDA DELTA AT IU.

Marizetta Robinson, 222 Mar-mont St., Culver, was among 134 students pledged to Alpha Lambda Delta, national scholastic honorary for freshman women at Indiana University.

Candidates must have a 3.5 (B-plus) or better average.

Miss Robinson is the daughter of Mrs. Elias Stapan of Culver.

Lance/Corporal Samuel M. Medbourn left Sunday, March 10, for Camp Pendleton, near San Diego, Calif., after spending the past two weeks here with his parents, Mr. and Mrs. S. M. Medbourn, and other relatives and friends. Sam, a member of the United States Marine Corps, served on Okinawa in the South Pacific, and has been away from Culver for 14 months.

Mr. and Mrs. John E. Taylor left Sunday evening for Millington, Tenn., where the former is stationed at Memphis with the United States Navy. The Culver visitors spent the past two weeks with Mr. Taylor's parents, Mr. and Mrs. Jack Taylor, and other friends and relatives. They reside at 9035 Armour Road, Millington, Tenn.

## SCHOOL MENU

By Carolyn Reynolds and Ann Waite

(Beginning Monday, March 18)

Monday: Baked sausage, sweet potatoes, succotash, carrot sticks, apple sauce, bread, butter, and milk.

Tuesday: Baked beans with hot dogs, potato chips, cole slaw, Jello with fruit, bread, butter, and milk.

Wednesday: Hamburger and spaghetti, green beans, pear with cottage cheese, brownie, bread, butter, and milk.

Thursday: Oven fried chicken, parsley potatoes, cranberry salad, peas, cookie, bread, butter, and milk.

Friday: Macaroni and cheese, spinach, deviled egg, peanut butter sandwich, apple ring, and milk.

Major and Mrs. Lewis J. Stone returned to their Culver home last Wednesday after enjoying a two-months' vacation in Florida. They spent six weeks in Miami and two weeks in St. Petersburg. Mr. Kunz of Chicago was a favorite fishing pal of Major Stone.
