Culver Town Board Passes Annexing Ordinances

The Culver Town Board at their regular scheduled meeting, Monday evening, Oct. 21, passed five ordinances, which will add considerable area to the corporate area of the Town of Culver, if enacted.

The legal description of each area to be annexed will be found in separate ordinances published elsewhere in this issue of The Citizen.

A rough description of the five areas are as follows: Ordinance No. 170 takes in the lots on the west side of Ohio Street between Mill Street and the extended street in Barneses's Addition. Ordinance No. 171 takes in the land between West Madison Street and Cass street extending west to New 17. Ordinance No. 172 takes in the lots between Cass and Houghton Ave. and extending west for approximately 440 feet. Ordinance No. 173 takes in that area north of Houghton Ave. and lying on the east side of School Street, running east approximately 1,320 feet and then south to the present corporate line, then east for approximately 506 feet and then north approximately 410 feet and then west to School street.

Ordinance No. 174 takes in the area north of Academy Road lying west of Old 17 over to the west side of the Von Ehr Addition to a depth of approximately 150 feet. Ordinance 175 pertains to the area lying north of Academy road and on the east side of Old 17, north to State Road 10 and east for approximately 550 feet and then taking a south easterly course to the Pennsylvania Railroad and south to Academy Road and then west to Old 17. These are the rough descriptions of the five areas to be annexed. Detailed descriptions are found in the legal notices.

The areas to be annexed have been the subject of discussion for some time. It has been stated that all the homes located in the areas to be annexed are served by the Town of Culver in such matters as water and sewage, police and fire protection and they should be in the corporate limits. In a statement issued by the president of the Culver Town Board, Bernard Busart, will be found the benefits for those whose property is annexed and for Culver as a whole.

EARL RHODES SUFFERS HEART ATTACK

Earl Rhodes of Columbia City suffered a heart seizure at the Park 'N Shop Monday evening, Oct. 21, and was rushed by the Easterday-Bonnie ambulance to Parkview Hospital in Plymouth where his condition is reported to be as good as can be expected.

Mr. Rhodes is a brother of Charles Rhodes, owner of the Culver Park 'N Shop grocery supermarket where Earl Rhodes often helps his brother in various phases of the food dispensing industry.

FRANK HENDERSON AFFILIATED WITH CULVER CLOTHIERS

Frank Henderson is now an employee of the Culver Clothiers, our local men's clothing store, and replaces David Hester who has taken up Florida residence.

For a number of years, Frank was known to his many Culver friends and business acquaintances as the operator of the Carpet Cleaners.

World Community Day November 1 At Grace Church

Local observance of the 20th nation-wide World Community Day will be held at Culver's Grace United Church with a coffee beginning at 9 a.m. on Friday, Nov. 1, when rolls and coffee will be served at a charge of 25 cents.

The theme for this year is "Nation Building In The U.N." and the special speaker will be Mrs. Elmo Niccum, of Syracuse, Ind., the World Community Day chairman for the Indiana council of United Church Women.

Stress for World Community Day projects is centered this year on layettes or friendship packets. An offering will be taken which will go to make possible a new project entitled "A Summer At The Center." The Center referred to is a building across the street from the United Nations, which has been built to serve persons coming to U. N. seminars, and which now has been offered to the National Council for programming.

The first big effort there will be during the Summer of 1964 when selected women from every state and some of the foreign countries will be brought to New York for a two-week training session to learn about world affairs and to observe the United Nations in action. These women then will be expected to go back in their own areas and conduct similar training sessions.

Mrs. Irvin L. Overmyer is the chairman of the local committee and serving with her are Miss Bess Easterday, Mrs. Paul E. Winn, and Mrs. Warren Sorenson.

The public is cordially invited to attend this observance sponsored by the Culver-Union Township Council of Churches.

Lions Halloween Parade Scheduled For October 31

The Culver Lions Club is completing plans for their annual "treat" to the children of the community, the annual Halloween Parade. This year's affair promises an evening of fun and merriment for all participants with 24 placings and prizes to be awarded with emphasis on originality of costume.

All participants are to assemble in the 100-block of West Washington Street, between the NPSOD Building and Standard Oil Station, before 6 p.m., as judging will precede the parade.

The parade route is as follows: From assembly spot West to Ohio Street; South on Ohio to Jefferson; East on Jefferson to Main; North on Main to D-K corner; West to Community Building.

Following the parade, judges will award the prizes and then the merry-makers will unmask for games and contests especially arranged in three age groups.

To conclude this Halloween evening of fun and frolic, refreshments will be served to all of the paraders.

Bernard Busart Is The New Town Board President

Bernard Busart, town trustee from the second ward, was elected president of the Culver Town Board at a special meeting of that body on Monday night, Oct. 14. Mr. Busart replaces former town board president, A. R. McKesson, who resigned the position because of poor health. Mr. McKesson remains a member of the board, however.

New Member Of Culver High School Faculty

JOHN D. BOTTORFF

Culver High School was very fortunate indeed to acquire the services of John D. Bottorff who has replaced Joseph Zellers as teacher of social studies in the local school.

Mr. Bottorff is a graduate of Cortland High School and was graduated from Franklin College, Franklin, Ind., in 1959. While at Franklin College Mr. Bottorff was President of Phi Delta Theta Fraternity, president of the Inter-Fraternity Council, and a member of the Blue Key National Honor Society.

Mr. Bottorff has quite an athletic background as is borne out by the fact that he was captain of the Franklin College baseball team, a member of the basketball team, and winner of the Wil P. Nelp outstanding athlete award for 1959. Mr. Bottorff has been head basketball, baseball, and track coach at Reelsville High School in Putnam County, Ind., for the years 1961-1963.

That Mr. Bottorff is well qualified to teach political theory is pointed up by the fact that he is state president of the Young Democrats of Indiana for the term 1963-1965. Mr. Bottorff will not only teach social studies, but he will also coach ninth grade and "B" team basketball, and junior high track.

CMA Hootenanny To Be Musical Treat October 25

A Harvest Moon Hootenanny will be held on the fountain terrace of Eugene C. Eppley Auditorium at Culver Military Academy, Friday, Oct. 25, at 8 p.m. The Band and the Blue Notes will lead the Hootenanny.

Song sheets will be distributed to all present. Everyone is asked to bring his own flashlight for reading the song sheets.

Employees, faculty and the general public are invited to attend the songfest. Col. Edward T. Payson, who is arranging the Hootenanny, urges those attending to bring blankets to ward off the autumn coolness and folding chairs to place on the lawn in front of the Auditorium. In case of bad weather, the Hootenanny will be held in the Auditorium.

GUESTS TO BE HONORED AT SCOTTISH RITE REUNION

The Scottish Rite Reunion will be held in South Bend during the week of Oct. 20 will honor all Master and Senior Councilors of the Order of DeMolay, and DeMolay Dads in the Valley of South Bend Jurisdiction as well as many outstanding Masons who have contributed to the success of the DeMolay program.

Aubbeenaubee Patrons Object To Building Plan

In Tuesday evening's meeting of the Board of School Trustees of Culver Community Schools, a group of patrons from Aubbeenaubee Township presented reasons for uniting the seventh and eighth grades of the entire school corporation at Aubbeenaubee School in the fall of 1964. Their appearance before the School Board was based on their objection to the School Board's plans to add sufficient rooms at Culver to accommodate all North Bend and Union Township pupils plus the high school pupils from Aubbeenaubee Township.

Vernie Bowen, acting as the spokesman for the group, presented a written report of the group's point of view on the matter. The following account presents quoted portions of the report as read by Mr. Bowen:

"We, as representatives of the patrons and taxpayers of Aubbeenaubee Township, are here this evening in the interest of the patrons and taxpayers of the entire Culver Community School Corporation. We, from its very origin, believed enough in the educational soundness of this organization that an organized all out effort was put forth to help bring it to a reality. We are just as willing to put forth the same amount of effort to maintain its unity and advance its efficiency. We are here as your friends. But sometimes friends find themselves in disagreement. But friendship need not be broken because of disagreement. Each must understand and evaluate the ideas and suggestions of the other. We are not here to condemn. We are not here to argue nor to ask favors. We only beg of you a little of your time to hear our comments and consider our recommendations. We know that you have been giving generously of your time in the performance of the duties of one of the most important and worthy jobs of any community. We also know that everywhere you go you meet people, who are full of criticism but empty of reason and helpful suggestions. Every person dealing with the public must learn to weigh criticism and suggestions in terms of benefit to the majority, and to examine the number of fault finders to see if they be large in number or whether they be the same ones a large number of times.

According to the gentlemen's agreement, before consolidation of the three townships, all efforts to use existing buildings in the best and most efficient manner were to be extended. To leave six to eight class rooms vacant at the Aubbeenaubee School and build an equal number at the Culver School certainly would be no indication that efforts were being made to fulfill this agreement. It was further agreed or understood that efforts would be extended toward the construction of a new high school building at such time in the future as would seem practical, such building to be of a size and type and be located, so as to accommodate the educational needs of the 9th, 10th, 11th, and 12th grades of

Basketball Open House Date Has Been Changed

The Basketball Open House, which was scheduled for Thursday evening, Oct. 31, has been postponed until Tuesday, Nov. 7, at 7:30 p.m. in the Culver High School Gym. The reason for the postponement is because of the conflicting dates of the Lions Club Halloween celebration and the open house falling on the same evening. Further announcement on the open house will be made by Coach Gene Crosley.

Tuesday Services For C. VanVactor, Killed At Age 68

Services were held yesterday, Oct. 22, for Clifford VanVactor, age 68, of Route 2, Argos, who was killed at 3:25 p.m. Saturday, Oct. 19, by a falling tree after saving two of his great-grandchildren from the tree's path.

Rev. James Burroughs and Rev. Vernon Lallement were in charge of the services held in the Johnson Funeral Home in Plymouth and interment was made in the New Oak Hill Cemetery.

The accident happened when VanVactor and his son, Joseph, were cutting down dead trees in the yard at the home of the former's grandson, William J. VanVactor, four miles south of Plymouth on U.S. 31.

As one of the trees was being felled, VanVactor apparently noticed two of his great-grandchildren playing in the path of the falling tree and ran to get them out of the way. Deputy Sheriff Harold King said VanVactor was struck by several large limbs of the tree. Killed instantly, he suffered a broken neck and crushed chest. The children's toys were found under the limbs.

VanVactor, operator of Van's Transfer from 1932 until his retirement in 1960, was born April 12, 1895, in Plymouth.

A lifetime resident of the Plymouth area he was a member of the First Methodist Church. In 1941 he was married at Plymouth to Ruth K. Miller, who survives.

Also surviving are: two sons, Joseph of Plymouth and Robert of Orange Vale, Calif.; two daughters, Mrs. Norman Banghart of Warsaw and Mrs. James Warnock of Riverside, Calif.; a stepdaughter, Mrs. Frank Gregory, South Bend; two brothers, James of Elkhart and Earl of Plymouth; a sister, Mrs. Mary Stockman, Plymouth; 16 grandchildren; and nine great-grandchildren.

Rev. L. E. May Is Sunday Guest Speaker At CMA

The Rev. Lynde E. May, III, associate rector of Christ Episcopal Church, Shaker Heights, Ohio, will deliver a guest sermon to 850 students at Culver Military Academy on Sunday, Oct. 27.

The 10:30 a.m. services are conducted by the Rev. Allen P. Bray, III, Academy chaplain. The Shaker Heights minister will give one of a series of sermons delivered at Culver during the academic year by clergymen of all faiths.

Educated at Trinity College, Hartford, Conn., and Berkeley Divinity School, the Rev. Mr. May was associated with churches in Redding Ridge, Conn., New York City, and Yonkers, N.Y., prior to the outbreak of the Korean conflict in 1950. A U.S. Navy chaplain who saw three years active duty in the American and European theaters during World War II, he was recalled to duty and served in the Navy from 1950 until 1962. In the summer of 1962 he was graduated from the Institute Pastoral Care at Massachusetts General Hospital.

The Rev. and Mrs. May have three children, one of whom is rector of St. Mark's Church, Warren, R. I.

Culver Republican Chairman Presents Town Candidates

"Culver town elections are keenly contested and the forthcoming Nov. 5 election should be no exception," Wilber Taylor, Republican committee chairman, stated this week as he urged voters of the community to objectively study the qualifications of the candidates and to participate in the important local election.

"Our committee believes the Republican slate for the Culver Town Board of Trustees and the office of Clerk-Treasurer to be an excellent one," Taylor pointed out as he outlined plans for the Republican campaign.

Trustee candidates include: Walter Johnson, 101 College Ave., 1st Ward; Wilfred C. Craft, 216 South Ohio Street, 2nd Ward; and Theodore L. Ervin, Oak Lodge, 3rd Ward. Mrs. Channcey (Ruth) Lennen, 922 Lake Shore Drive, is the GOP candidate for Town Clerk-Treasurer.

"Walt" Johnson, a native of Fulton County, has been a Culver businessman for the past 43 years. He has served community interests as a leader in civic, fraternal and church work. He has served on the township advisory board and the cemetery board. He is past master of the Masonic Lodge and served on the board of the Grace United Church of Christ for 17 years.

W. C. Craft, a member of the staff at Culver Military Academy extending back over 40 years, is president of the congregation of the Grace United Church of Christ. He has served on the board of Zoning Appeals and has been active in civic organizations.

Ted Ervin, a former Culver high school teacher, has been a member of the Studebaker staff for the past 15 years where he is a design-engineer. He is a member of the board of directors of the Society of Engineers and Draftsmen; the Maxinkuckee Fish and Game Club; and the Culver Methodist Church where he teaches in the Sunday School. A graduate of Ball State Teachers College, he served as an ensign in the U. S. Navy for three years.

Ruth Lennen, candidate for clerk-treasurer, is a life long resident of this community. A graduate of Culver high school, she attended the DePauw University School of Music. Following teaching at Morris, Ill. public schools, she toured with a Lyceum Company for six years before returning to Culver. She was a member of the South Bend Symphony for several years and for 17 years she was organist-choir director for the Culver Methodist Church. She has a wide background in business and professional activities.

Wilber Taylor heads the Republican Town Committee. Jean Price is vice-chairman and precinct committeemen include: Roy Price, Don Osborn and Homer Kemple.

ELECTED VICE-ARCHON OF PHI BETA PI AT WASHINGTON UNIVERSITY

Thomas Ott has been elected vice-archon of Phi Beta Pi, medical social fraternity at Washington University School of Medicine, St. Louis. Ott, a junior, is the son of Mr. and Mrs. Robert W. Ott, 404 S. Main, Culver.

He attended Culver High School and is a graduate of Southern Methodist University.

Duo-Planists To Present Concert In Kalamazoo

Martha Braden Jones, talented young granddaughter of Mr. and Mrs. Frank Brooke of Culver, was presented in a piano recital Sunday afternoon, Oct. 20, in the Corcoran Gallery of Art in Washington, D.C.

Mrs. Jones of Arlington, Va., is the daughter of Mr. and Mrs. Frederick R. Braden, 304 Fletcher St., Kalamazoo, Mich. Her mother is the former Laura Brooke of Culver. Mrs. Jones attended Elementary School in Kalamazoo and was graduated from Western Michigan University High School. She studied with Frances Clark, former head of the Kalamazoo College piano department, and later joined Miss Clark at the New School for Music Study at Princeton, N.J.

Mrs. Jones and her husband, Sanford, who appear as duo-pianists, will open a series of three Saturday Youth Concerts at Kalamazoo on Saturday, Oct. 26, at 2 p.m. in the Central High School Auditorium.

Kalamazoo school officials have described the purpose of the concerts as an attempt to provide a variety of musical experiences for young people and to help develop concert habits and interest among them.

Mr. and Mrs. Jones operate a private kindergarten in Arlington.

How The Culver Annexation Will Help You

The annexation of outlying residential areas of Culver, as proposed in the ordinances advertised in this issue of the Culver Citizen, will have the following benefits, according to Town Board Member, Bernard Busart.

(1) An approximate 12 per cent tax saving is anticipated.

(2) More widespread street maintenance, snow removal and ice control.

(3) Improved street lighting in both old and new areas of the town's extended corporation.

According to Clerk-Treasurer Ruth Overmyer this will also mean an increase of revenue to Culver from all State Funds that are distributed on a population basis.

The town officials point out that in most municipal annexations the cost of extending sewer and water services must be supported by increased taxation. However, in Culver 95 per cent of the area to be annexed already have these services.

Culver's population (which has continuously decreased through the 1940, 1950 and 1960 Federal censuses) will gain from 1,558 in 1960 to an estimated 1,700, and an increase of nearly 50 home properties.

There is also a possibility that lower insurance rates will result by adding these properties to the corporation.

Mrs. John W. Oldham Entertains Tri Kappa At Regular Meeting
The regular monthly meeting of the Epsilon Nu Chapter of Tri Kappa was held Monday evening, Oct. 21, at the home of Mrs. John W. Oldham on Faculty Row.

It was announced that the new custom made book shelves, for the Children's Corner of the Culver Public Library, are now in use. Charles Ferrier of Lake Shore Drive constructed and installed these shelves. A sum of over \$300 was donated by the local Chapter of Tri Kappa for this project.

The Citizen urges Culver residents to visit our library and see this fine new acquisition.

Plans were made for several of the local officers of Tri Kappa, to attend the Province 10 Work Shop at LaGrange, Ind., on Tuesday, Oct. 29. Those planning to attend are Mrs. Melvin A. Estey, president; Mrs. Samuel M. Medbourn, vice-president; Mrs. Donald A. Davis, assistant treasurer; and Mrs. C. Glenn Coolman, past president.

After the business meeting adjourned, a social hour followed. Delicious refreshments of hot mulled cider, coffee and home-made doughnuts were enjoyed.

Assisting hostesses were Mrs. Donald A. Davis and Mrs. Donald Muehlhausen.

The next regular meeting of Tri Kappa will be a Thanksgiving Dinner meeting at The Culver Inn on Monday, Nov. 18. Donations of canned foods will be brought by members to fill Thanksgiving baskets for needy families in the Culver area.

Entertains Ace Of Clubs

Mrs. Charles Ferrier entertained in her home Monday evening for the members of the Ace of Clubs and a guest, Mrs. Margaret McDonald of Burr Oak. A dessert course was served following which pinocle was played at three tables. Prizes went to Mrs. Raymond Ives, Mrs. Gordon Cuttice, and Mrs. McDonald.

Mr. and Mrs. Clarence Kline attended the annual Lake family dinner at the home of Mr. and Mrs. Russell White at South Bend last Saturday.

Junior Woman's Club To Observe Local Girl Scout Birthday

The Maxinkuckee Junior Woman's Club will meet at 6:30 p.m. Monday, Oct. 28, at the Lions Den and feature a Girl Scout Birthday Party in observance of the birthday of the local Girl Scout program.

Youth Co-operation Chairman, Mrs. Warren Curtis, is in charge of the program with Mrs. Roy Nicodemus assisting. Girl Scouts will present a program explaining some of the requirements necessary to receive badges and awards.

Hostess Chairman is Mrs. James McComb, assisted by Mrs. Bernard Busart, Mrs. John Hoessel, and Mrs. Latham Lawson.

Young people of the Culver area will again participate in the trick-or-treat for UNICEF Halloween Program on Wednesday evening, Oct. 30, from 6 to 8 p.m. with headquarters in the Culver Library Basement.

As the majority of these children who participate are in grade school, it would help very much if the citizens of Culver would turn on their porch lights to help brighten their way.

Anyone who is not contacted and would like to donate to UNICEF, please call Mrs. Roy Nicodemus at VI 2-3588.

Winding, Janis Signed For CMA Theater Series

Modern jazz trombonist Kai Winding and classical pianist Byron Janis complete the bookings for 1963-64 Concert-Theater Series at Culver Military Academy.

Winding, former Stan Kenton sideman, will appear in the Eugene C. Eppley Auditorium in an 8:15 p.m. program Monday, Nov. 4 and Janis one of the best known young American pianists, has been booked Feb. 16 by Culver's Director of Theater William J. Martin.

This year's program is the fourth renewal of the series that brings outstanding artists of all types to Culver for performances before the student body, faculty, and general public. Nine other events are on this year's program.

Winding will appear at Culver with his septet, which features a chorus of four trombones. One of the leading night club and jazz concert performers, Winding helped give the Kenton band the "trombone sound" in the years when that orchestra included such famous personnel as trumpeter Maynard Ferguson, arranger Pete Rugolo, bassist Eddie Sauter, drummer Shelley Manne and singer June Christy, all of whom have since struck out on their own in the music world.

Winding played with the band of saxophonist Charlie Ventura before forming his own all-star combination. He recorded what are now modern jazz classics with another Kenton alumnus, J. J. Johnson, and since that time has appeared wherever the nation's top jazzmen are performing in addition to being a top recording artist in the modern jazz field.

Janis, who has appeared with many of the nation's large symphony orchestras, was a guest star this week on the Bell Telephone Hour television show.

USS SHANGRI LA — Edward R. Miller, postal clerk first class, USN, son of Mr. and Mrs. William Miller of Route 2, Culver, is serving aboard the attack aircraft carrier USS Shangri La, operating out of Mayport, Fla.

Shangri La is currently deployed in the Mediterranean for seven months of training exercises.

American Legion To Hold Feather Party Thursday

The Culver American Legion will hold a "Feather Party" tomorrow (Thursday) evening, Oct. 24 at the American Legion Hut located west of Culver on State Road 10. The party will be for Legionnaires, their wives and guests. A potluck supper will be enjoyed at 6:30 p.m. Those who attend are asked to bring their own table service, Rolls, coffee, and butter will be provided.

Following the supper "Feather Party" bingo will serve as the entertainment for the evening. Prizes of turkeys, chickens, ducks and other items will be given away. A 75¢ donation per person is asked, for those to enjoy the entire evening.

The committee for the affair consists of Dr. and Mrs. Troy Babcock, Dr. and Mrs. D. W. Bieker, Colonel and Mrs. Edward Payson and Captain and Mrs. Melville Short.

Every minute of anger is 60 seconds of lost happiness.

Mr. and Mrs. John W. Robinson of West Lafayette, Ind., are the parents of an eight-pound, twelve-ounce daughter born Tuesday, Oct. 22. Mrs. E. B. Stapan of Culver is the paternal grandmother, and Mr. and Mrs. E. J. Curtis, Route 2, Culver, are the maternal grandparents.

UNBELIEVABLE — An unidentified caller telephoned the Zionsville police station and in an apologetic voice said, "I don't know whether you'll believe me or not but there are a couple of airplane wings at the side of U.S. 421 near Eagle Village." Zionsville town marshal, Maynard Moore, thought the call might be from a prankster but he decided to investigate. He went to the spot and there, sure enough, were two airplane wings. He had them hauled to the Zionsville fire station. Eventually they were claimed by Berkley J. Peck of Indianapolis, who explained that he had made a forced landing in his small plane in a nearby field. There he had dismantled it and was hauling it on a truck to Indianapolis when a high wind blew the wings off the truck. He left them by the road intending to return for them later.

The Chicago Motor Club says that both the driver and the passengers in his car always should leave the automobile from the sidewalk side. Opening your car door in the face of traffic could cause a passing car to hit you or your car, or to have an accident when it swerves to avoid your open door.

During the past two meetings of Troop 148 we have been planning the menu for our campout. The troop also has been discussing the transportation problem and it was finally settled.

Patrol leaders elected were: Patrol 1, Kathy Welsh, and Sandy Baker, assistant, Patrol 2, Vickie McKinney and Patsy Behnke, assistant.

Mrs. Helber brought refreshments.

By Jan Price

The Girl Scouts of Troop 143 had a cookout on Oct. 21. We had sloppy joes, potato chips, and snow on the mountains. We enjoyed it very much. Kathy Mitzell and Jan Price brought cookies for everyone.

Are You Prepared For College?

By Eva Norris

Most college-bound students are faced with hoards of questions about preparations for college. Which college do I want to attend? How much influence do my high school grades have on college entrance? What is the significance of College Boards, SAT, and Achievements? What subject will be most beneficial? What about extracurricular activities, do they help? Do letters of recommendation help? These questions are only a few of the more common asked by high school students. By gazing over these questions let's hope their answers will be enlightening and provoke thinking in a more positive direction.

For many high school students, choosing their college is either a guessing game or some prejudiced feeling instilled by parents or friends. But this does not need to be so, it only takes a few honest answers and some clear thinking to arrive at a positive answer. Begin by asking yourself these questions:

1. What geographical conditions do I want? Be sure to consider mileage and ease of transportation.
2. What can I afford to spend per year for college tuition and living costs?
3. Do I want to go to a coeducational school only?
4. Do I want to attend a church-related school only?
5. Do I want to attend a small school rather than a large university? Or vice-versa?
6. What colleges offer the courses I wish to take.
7. Do I plan to go to professional or technical training? Be sure if you are going into technical training that the schools for advanced training in your specialty are fully accredited.

Not long ago the most eligible student applicant was the star athlete. An athlete with an exceptional record was almost sure to be accepted at any college. However, today, the attitude has

changed from brawn to brains. Today the students with superior scholastic achievements and class rank is the prized applicant. Now the big question is just HOW MUCH influence do high school grades have on college entrance.

One of the first things the college admissions director notices is your marks, then your marks in relationship with the rest of the class. In general, you must be in the top 10% of your class to be at first glance a prime applicant for an Ivy League college; in the top third to be a likely candidate for most private colleges. Remember, admission is highly competitive; a secondary student must do his best academically at all times. Don't despair if your grades are now below par; raise them. This will show to an admissions director that your scholastic record trend is upward.

It is most generally recommended that anyone interested in college take the College Boards. College Boards are examinations devised by the College Entrance Examination Board (CEEB). Most colleges require that you take the CEEB examinations. These tests are to help determine your knowledge by their standards. There are two types of CEEB examinations, the Scholastic Aptitude Tests (SAT), and the Achievement Tests. The SAT measures the student's verbal and mathematical aptitudes; and the Achievement Tests examine your grasp of content of specific subjects. Most colleges rely most heavily on SAT results. A high score will improve your chances for admission.

Those who plan to go on to college should have careful guidance in selecting their electives from the ninth grade on. Too many students wait until their senior year to decide that they will go to college, only to discover that they have not taken the necessary subjects for college entrance. Remember, choose the subjects which will benefit you most in your future college work.

What influence do extracurricular activities have on admissions?

Most colleges do not consider an imposing record of extracurricular work enough compensation for a poor academic average. However, most colleges do feel that extracurricular activities do have an effect on admissions. Colleges are not interested in the quantity but the quality of activities. Extracurricular activities are important in gaining admission to the extent that they provide another area by which one can obtain a better knowledge of the person and his character.

Are letters of recommendation just a formal proceeding or are they actually beneficial? Letters of recommendation can help or hinder a person seeking admission. Most colleges will not accept an applicant whose principal recommends against his acceptance, regardless of scholastic abilities or other qualifications. The one letter of recommendation which is carefully read is that submitted by the principal or guidance director of your school. Other letters unless they contain valuable information about the personality and character are quite useless.

For all future college applicants, after reviewing all that has been said, ask yourself this question: Am I prepared for College?

Spaghetti and More Spaghetti

By Barbara Mikesell

"Boy if I ate anymore spaghetti I think I'd burst!"

This is just one of several comments heard from persons who attended the Spaghetti Supper Saturday night, Oct. 5. The supper was held in the school gymnasium from 5:30 p.m. till 7:30 p.m. The supper was sponsored by the National Honor Society and Student Council, the purpose being to raise money to buy scholastic awards. The supper drew quite a large crowd, and from what has been said and ate, all were delighted with the re-

Famous Klaudt Indian Family To Make Knox Appearance October 30

REV. AND MRS. R. H. KLAUDT AND FAMILY

Pictured above are the Klaudt Indian Family, Arickara Indians from Ft. Berthold Indian Reservation of North Dakota, who have just celebrated their 33rd year in full-time music evangelism through the entire United States, Canada, Cuba, and Mexico. They travel 125,000 miles each year to meet engagements for 365 days a year and 10-12 programs a week in churches, schools, auditoriums, radio, and television.

The family consists of Rev. and Mrs. R. H. Klaudt and the four boys, Vernon, Melvin, Raymond and Kenneth and Vernon's wife, Betty. They feature quartets, trios, solos, duets, and several instruments such as piano, electric organ, bass violin, trombone, and tenor and alto saxophone. As to songs they feature the old hymns, negro spirituals, gospel songs, and new popular sacred numbers.

This talented and well-educated Indian family will appear in Knox, Ind., at the Ruth Palmer School on Wednesday, Oct. 30, at 8 p.m.

suits of Mr. Cole and Mr. Miller's spaghetti.

The Hi-Y Club held a meeting on Monday, Oct. 7. The purpose of the meeting was to discuss the initiation of new members. The first initiation will be held Friday, Oct. 11. Everyone beware! It seems that all new members will be required to wear an onion around their necks. Whenever an upperclassman asks a new member to repeat the Hi-Y motto, the

new members must willingly obey. If he does not know the motto or cannot repeat it, he must take a great big juicy bite out of the onion. Please fellows, don't forget a bottle of Listerine. It will make things more pleasant for the rest of us.

The Hi-Y is also planning a formal initiation and a hayride, although the dates have not been set.

Receive Letters Of Commendation

Two seniors at Culver High School have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMSQT) given last spring. Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Mr. Kenneth Cole, the school's principal, has announced that the Commended students are Lucy M. Osborn and Gregory P. Yapp.

John M. Stalnaker, president of the National Merit Scholarship Corporation, stated: "About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the qualifying test. Although they did not reach the status of Semifinalists in the current Merit Program, they are so capable that we wish to call attention in this way to their achievement and academic promise."

"The Semifinalists and Commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these bright youngsters."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMSQT. The Semifinalist group is composed of the highest-scoring students in each state and in U. S. territories. Some 13,000 Semifinalists take a second examination to establish further their eligibility to receive Merit Scholarships.

"We earnestly hope that the Commended students will continue their education," Mr. Stalnaker continued. "By doing so they will benefit both themselves and the nation."

"The Letters of Commendation provide tangible recognition of their high ability. We urge the students honored today to make every effort to attend college, and to develop to the fullest their promise of achievement."

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names, home addresses, and test scores of all Commended students to the two colleges they indicated as their preferred choices at the time they took the qualifying test. Other special services are also

performed by NMSC in an effort to increase the scholarship opportunities of Commended students and Semifinalists.

The Commended students were among the high school juniors in approximately 16,500 schools who took the NMSQT last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the ninth annual Merit Program.

This year's program will conclude about April 3, 1964, with the naming of students who will receive four-year Merit Scholarships to the colleges of their choice.

The Commended students and the Semifinalists who do not win Merit Scholarships are considered for certain other scholarships that are offered through the facilities of the National Merit Scholarship Corporation.

The annual Merit Scholarship competition is open to all high schools in the United States and its territories. There are more than 4,000 Merit Scholars currently enrolled in about 400 colleges and universities. Nearly 7,500 Merit Scholars have been appointed to date.

Scholarship awards are made from the resources of the National Merit Scholarship Corporation and through sponsoring business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

Class News

At the last senior class meeting, the class limited their different choices for the class motto, flower, and color to three choices for each one. These selections are to be discussed among the class members and at the next meeting, the class will vote on the three different choices for each one.

All of the members of the junior class are anxiously awaiting the presentation of the junior play "Mother Is A Freshman." The play will be presented Nov. 1, and the juniors are extending a hearty invitation to the community. Tickets to the play can be purchased from any junior class member or at the door.

In spite of the dry weather and the warnings not to burn leaves, the sophomores are still busy making and distributing posters for their annual leaf raking project. If anyone is interested in

having their yards raked, please contact the high school office or Ron Babcock. If it is any consolation, the sophomores are hauling the leaves away instead of burning them.

The freshman class has elected their class cheerleaders. This year's cheerleaders will be Cheryl Zink and Brenda McAllister.

The eighth grade has also elected the 1963-64 yell leaders. Lyn Mackey and Linda Fisher have received the task of leading the eighth grade team to victory. The seventh grade will elect their cheerleaders Friday, Oct. 18.

Grade School News

In Mrs. Keyser's first grade everyone can say his numbers from 1-20 without any trouble. The class was treated to cupcakes for Mickey McFarland's birthday, Oct. 7. This class has several very interesting things which they are studying. One is a mole that Borden Smith brought to school. They are interested in his front feet and long snout. They also have a tadpole which they are watching turn into a bullfrog. The whole class has been catching flies for it, but it doesn't seem to appreciate their efforts.

Miss Page's second grade has been working hard on their reading and they are now ready to start a new unit. It is about "Good Times" and tells about the fun the children have together on Garden Street.

This week in Mrs. Allen's second grade the children found some interesting nuts in their hula. They saw several clusters of hazel nuts and had enough chestnuts to have a "tasting" party. They also have a new thermometer. They are going to learn to read it by keeping a weather chart for a few weeks.

Mrs. Henning's third grade class was treated twice this week to candy bars for birthdays. The first was on Oct. 10 for Judy Nelson's birthday and the second time on Oct. 13 for Carol Overmyer's birthday. In spelling they had a review test and 14 pupils made perfect scores.

Several students in Mrs. Fisher's third grade class have brought things to class. Some of them have brought pretty ears of Indian corn, which were placed around the room, and others have found bird's nests and brought them. All the class enjoys the lovely weather we are having because they can play outside.

Mrs. Keller's fourth grade had a review spelling test and the following people spelled all their words correctly: Denise Crocker, Pamela Hartz, Douglas George, Sandra Lewis, Wisetta Minix, Ronald Humes, Martin Napierkowski, Susan Napier, Amy Rietter, Tim Overmyer, Bruce Snyder, and Jack Walter. For science Ronald Humes demonstrated pulleys and how they work. Also James Yocom used glass and sandpaper in a demonstration about friction.

In Mr. Horban's fourth grade class there were only four perfect spellers: Bradley Bennett, Janie Garrison, Carol Dehue, and Shirley Kyssek. In science Mark Uebel gave an interesting experiment showing the value of pulleys.

Kenneth Baker, Matthew Garrison, and Brenda Lindvall, in Mrs. Abel's fifth grade, celebrated their birthdays last week. Since Halloween is not far away, a committee of students is planning a mural to decorate the room, and other committees are planning a party. Mrs. Abel's class is using the overhead projector and the slide projector to illustrate lessons. Patty Thomas brought a garter snake to class and Michael Van Horn brought garden spiders.

On Friday, Oct. 18, at 1 p.m., Mr. Frettinger's fifth grade class and Mr. Shirrell's class had a spelling bees. Mr. Frettinger's class won the first one and Mr. Shirrell's the second.

Friday afternoon there was a

ball game between the fifth and sixth grades. The fifth grade was beaten by five points.

Mr. Vondra's fifth grade class is longing about making good reports. During the second six-weeks they will put this knowledge to work when they make reports for social studies. Michael Bocock, Karen Dehne, Robert England, Cynthia Marshall, Deborah Martin, Betty Napier, Douglas Prouty, Nancy Reichley, and Jan Shock received perfect scores on their six-weeks spelling test.

Mr. Overstreet's fifth grade pupils have been busy with their six-weeks tests and work book completion. In a few days they will start on some new material.

In the sixth grade there was a spell down covering the first six lessons. The girls won: Linda Snapp in section C, Jan Price in section A, and Margaret Ruhnaw in section B. So far 14 students have not missed a word in spelling. In science they have been studying about weather, and they have made a barometer to use in their studies. The study of the Middle East has proved to be very interesting. The way of life is so different that it is hard to realize that the people of those countries have little of what we take for granted.

"The Communists tell the Russian people that America is the worst place in the world, that half of us are starving to death. In the very next breath they are bragging that in the next couple of years they will catch up with our standard of living." — Firman W. Ward, Farmingdale (N.J.) Howell Booster.

"Trudge, trudge, trudge!" "Work, work, work!" Won't we ever get a vacation? Cheer up! Look on the bright side! Only 224 days, 7 hours, 40 minutes, and 30 seconds until summer vacation!!

Some of our braves and maidens seem to have their seasons mixed up. They seem to have some crazy idea that spring is here already! Love is bustin' out all over. One of our sophomore maidens has joined the "going steady" club. Who is the lucky guy and doll? Congratulations Lori Bohm and Stan Roberts! Speaking of going steady, what's this we hear about Jim Boswell and a certain freshman girl? For more information ask Suzanne Overmyer. I wonder why we've seen so much of Rick Ervin lately? Now what could the attraction be? It couldn't be a senior girl by the name of Pam Phelps could it? It seems a certain junior girl has had men literally "falling at her doorstep" lately! Really Carolyn Snyder, we have heard of "stringing" boys along, but isn't this a little ridiculous!

Extra! Extra! Dick McCracken can now be called "daddy". Yep! His rabbit had nine little ones! Congratulations Dick!

Ugh! Oo! Oh! Ick! No, this time it isn't the first year home economics class; it's just the Hi-Y initiates and their onions. Taste good fellows?

Flash! The Culver High boys have a new female idol (wonder who she is?). For more information ask Bob Carter.

Crash! Bang! Boom! You guessed it, some of our Indians have passed their driving tests (we'll never know how!) Joining the driver's club are Wanda Warren (sure you've got plenty of gas?), Jim Boswell, and Pat Ogden. Say, Pat, I think your mother would appreciate it if you left the chrome on the car!

"Have you seen him yet?" "No! What's he like?" "Wow! He's a doll!" "O.K. That's all I wanted to know, I'm signing up for World History!"

Linda Sparling showed the new teacher to the cafeteria. It seems she said her locker was right there. Now Linda, we all know your locker is on the top floor (with the exception of the new teacher that is).

By the way, does anyone know why the varsity cheerleaders have suddenly become so fond of each other?

Bob Eustis, can't you think of a better reason to wear a white shirt and tie to school, except that your great, great, great, great grandfather's fourth cousin's daughter's birthday was Monday?

It seems the chemistry lab is certainly an exciting place. Now Linda Sparling you don't have to get that excited! Who's excited? Pat Ogden just walked in with her sweater on wrong side out! This got Paul Liette so flustered that he tried to make himself invisible by pouring acid all over himself! Speaking of acid, Dave Lemar learned his first lesson in chemistry the other day — yes, Dave, acid does make holes in clothes, books, papers, and people! We leave you with this parting thought on the chemistry lab. You used to be taking a chance when you skipped school but with this year's chemistry class, you're taking an even bigger chance when you attend.

Well, kids, there are now only 224 days and six hours! Then ... FREEDOM!

On Tuesday, Oct. 8, Culver's cross-country runners participated in a three-way meet with Argos and LaPaz. Phil Hoskins of Argos won the meet with a time of 10:16. Tom Yocom placed second in the meet with a time of 10:26. Other Culver runners who placed were George Wright placing second for Culver and third in the meet, followed by Paul Hatten who came in sixth in the meet. Other place winners were Danny Haenes, Doug Lindvall, Ron Babcock, and Ned Davis. The

meeted with Argos having 35 points, Culver with 36 points, and LaPaz gaining 56 points.

On Thursday, Oct. 10, Culver again ran against Knox in a close meet. Culver came through winning by a one point margin. The winning time was 11:02 set by a Knox runner. Tom Yocom was the first man for Culver and the second place winner in the meet. George Wright came in second for Culver placing third in the meet, followed by Paul Hatten who placed fifth. Other Culver runners who placed were Doug Lindvall, Phil Scruggs, Danny Haenes, and Ron Babcock. The final score was Culver 27 and Knox 28.

On Tuesday, Oct. 15, Culver ran a meet against a tough Culver Military Academy team. The CMA harriers won the meet by a score of 15 to 49. A CMA runner came in first with a time of 9:27. Tom Yocom placed first for Culver and yet, was only able to come in seventh in the meet. Following Tom were George Wright and Paul Hatten.

This ends the season for the cross-country team except for the sectional on Friday, Oct. 18. The Culver harriers are to be congratulated on a fine season's record of 13 wins and 7 losses.

National Honor Society Installs New Members

Friday, Oct. 11, was the date of the initiation of new members into the National Honor Society. Membership in this organization is the highest honor that a high school student may receive. To become a member, candidates must be accepted in all of four requirements. The first requirement that must be met is Scholarship. If the candidate has an eligible grade average, he is then considered in his Character, Leadership, and Service. Nineteen new members met these requirements this year and were installed at the initiation.

The ceremony was conducted by Sam Lowry, the president of the Society. Four Senior members presented speeches telling the four different ideals of the organization. After the ideals were heard, Mr. Cole gave the National Honor Society pledge to the candidates and officially made them members in the Culver Chapter.

After the initiation was over, Mr. Cole presented several academic awards. There were five recipients of Senior Award Sweaters this year. These honored students were Lucy Osborn, Betty Ricciardi, Susie Gardner, Paul White, and Sam Lowry. Mr. Cole also gave Betty Ricciardi a certificate stating that she had been chosen as a National Merit Scholarship Semi-Finalist. Lucy Osborn and Greg Yapp also received commendations on their outstanding scholastic ability as was proven by their Merit Scholarship Test scores.

Dear Agnus

By Linda Shock and Jan Scruggs

Dear Agnus, My problem is a good one for anyone to figure out. What do you do when the guy you like is going steady with a couple of girls? I need a little help.

LEFT OUT

Dear Left Out, Your dream guy is obviously all for playing the field. Try your womanly wiles full power. If this does nothing to settle him, that field is big enough for both of you.

AGNUS

Dear Agnus, I am going steady with a boy from C.M.A. and a boy from C.H.S. What should I do about the Winter Formal? The boy in town is not in Hi-Y. Please, I am so mixed up! CONFUSED

Dear Confused, First of all, it would depend on which of the two you personally prefer. After all, you could spend one hour with one boy under very difficult circumstances, and enjoy yourself a lot more than if you spent three hours with another boy under what we would consider the perfect circumstances. I do believe, however, it would be best to invite the boy from C.H.S. to the Winter Formal. If you asked the cadet he would have to leave by 11 or 12 p.m. at the latest. You would have to provide the transportation including an adult chaperone. As you can see it could prove less strained with a Culver boy as your date.

AGNUS Thanks for your letters this week C.H.S.'ers. I wonder ... Don't the braves have any problems? Keep the letters coming. I'll see you next week.

Club News

By Pam Fish and Molly Norris

As you were walking down the halls last Friday you probably smelled the fragrant aroma of onions. Don't be alarmed, this was only the initiation of the Hi-Y. The wearing of onions is a part of the initiation the students have to perform in order to be admitted into the club. The tasks performed, however, are not permitted to be harmful in any way to the student. We welcome you new members. Next Monday Mrs. Mullens will speak on "World Affairs" at the joint Sunshine and Hi-Y meeting.

The Ideal Ladies for the Sunshine girls were chosen this week. These ladies will be honored at a party later on in the year. The Sunshine Girls will send cards and gifts to these ladies on holidays and special occasions. The way each girl chooses her ideal lady is different, but in most instances this chosen lady is the one whom the girl admires the most. Sunshine dues are also being collected.

Thirteen Sophomores and six Juniors were initiated into the National Honor Society on Oct. 11, 1963, before the student body. The members of this society must retain at least a "B" average. Congratulations to these students. A special congratulations to our five senior honor sweater winners: Paul White, Sam Lowry, Susie Gardner, Lucy Osborn and Betty Ricciardi. The mentioned students have a and must retain a grade point average of 9.56 or higher out of a possible 11 points to keep their sweater.

Many People Miss Out On Social Security Payments

There are many people missing out on their social security benefits because of misunderstanding. "These people do not understand the earnings provisions of the Social Security Act, and they just are not taking time out to get the facts from their district office," stated Mr. Cornelius R. Schafer, district manager of social security in South Bend, Ind.

Mr. Schafer said that hardly a day goes by when one of his staff does not come in contact with someone who has lost some payments because he misunderstood or was misinformed. The best way to avoid losing your benefits is to talk to a social security representative. "After all," Mr. Schafer said, "when you have trouble with an electrical appliance or with your car, you certainly want to go to a place where you can get expert service, and there is no better place to get information about your social security payments than at your social security district office."

Many people of retirement age are unaware that they may be eligible for some social security benefits for the year even though they are still working. The amount of the payment would depend, of course, on the total yearly earnings.

A person who is eligible for social security can earn up to \$1200 in the year without losing any of his social security payments. For every \$2 of earnings between \$1200 and \$1700, only \$1 in benefit payments would be withheld. Over \$1700, \$1 in benefits would be withheld for each \$1 in earnings over that amount.

In addition, a person can get social security payments for any month in which he neither earns over \$100 as an employee, nor renders substantial services as a self-employed individual.

Find out how your earnings affect your social security payments. Don't take a chance on losing money. Visit your South Bend, Ind. social security district office at 335 N. Lafayette, or telephone CE 3-7147. A social security booklet, OASH-23, entitled, "If You Work While You Get Social Security Payments" is also available, and will be sent to you on request.

MRS. N. SCRUGGS, CULVER LIBRARIAN, TO ATTEND CONVENTION

Mrs. Norman Scruggs, Librarian of the Culver Public Library, will attend the Kentucky-Indiana Bi-State Library Convention in Louisville on Wednesday, Thursday, Friday and Saturday of next week, Oct. 30 through Nov. 2.

The Culver Public Library will be open only from 4 to 9 p.m. while Mrs. Scruggs is away and patrons are asked to please use the Library book return during the daytime.

Of special interest at the convention will be a talk by the President of the Southeast Library Association entitled "Books in Library Building Planning."

James E. Bryan, Past-President of the American Library Association, will discuss a problem of vital concern to all librarians: "The Student-Library Crisis." / focal point of this year's American Library Association Convention, the subject deals with the challenge presented by overwhelming student demands in libraries throughout the country.

Margaret Rufsvoid, Director of Indiana University's Division of Library Science, will be one of the speakers on the subject of "Library Education on the Graduate and Undergraduate Levels."

Participants in the convention will include public, school, college and university librarians and library trustees from both Indiana and Kentucky.

HIDDEN OIL — The average automobile contains two gallons of oil which most motorists don't know about. But, don't count on the oil to keep your motor in shape — the oil is in the tires, reports the Indiana Motor Truck Association. A typical synthetic rubber tire contains about 25 part of oil per 100 parts of rubber.

POWERHOUSE on the bench

A football team is only as good as its reserve strength. An abundance of "power in a pinch" is what makes an unbeatable team. The same is true of your electric service. Indiana's five Investor-Owned Electric Companies have enough generating capacity to supply all present needs and still have plenty of power "on the bench."

1-1/2 MILLION KILOWATTS OF RESERVE POWER

In the last 10 years Indiana's electric power requirements have doubled and Indiana is still on the grow. The five Investor-Owned Electric companies' 1962-64 budget of \$292,000,000 for construction of additional electric facilities is your assurance of dependable reserve of low cost electric power, both now and in the future.

Aubbeenaubbee Patrons Object To Building Plan

(Continued from Page 1)

the entire corporation. But this cannot be done if the bonding power of this Corporation is used needlessly to add to or adapt the old and worn-out Culver High School building. We, at Aubbeenaubbee, were willing and agreed to send our children from a new, modern building, to the old building at Culver, and abide by its condition until such time that a new building could be financed and built. There was much discussion on the part of the board and the administrators as to the best way to provide adequate room for the Senior High School students from Aubbeenaubbee Township and both the Elementary and Senior High School Students from North Bend Township. After considering several plans for this, there evolved a unanimous agreement that this could best be done by housing the seventh and eighth grade pupils of all three townships at the Aubbeenaubbee building. There are many advantages in favor of such an arrangement, both economical and educational as well as social.

It is an accepted fact that even with the 7th and 8th grades housed at Aubbeenaubbee there may need to be some temporary and some permanent housing arrangements made. But to house them at Culver would require another five or six additional class rooms. These would not be needed after a new High School

building was built. The cost of these rooms figured at a bare minimum would be at least \$200,000. It would seem that it would be quite difficult to justify such an unnecessary expenditure to the taxpayers and to the State Tax Board.

The increased cost of transporting the 7th and 8th grades to Aubbeenaubbee would be the cost of making a round trip morning and evening with one additional bus. Divide this cost into the extra building cost and you can see that it would pay the added transportation for approximately 80 years.

The distance between Culver and Aubbeenaubbee would not be considered by the State as an objectionable problem in using the facilities available at Aubbeenaubbee. There are many Corporations using this same exchange student system. Mentone to Talmu, Fulton to Grass Creek, etc. They have found that once the system is begun, there are relatively few problems arising.

Educationally the separating of a junior high from the senior high has been found to be a very sound and profitable change. It is known that whenever a senior high and junior high activity conflicts, the junior high gives way. When in their own building this problem would not exist. Most teachers are adaptable to certain age levels. There are not too many who do as well with both the senior and junior high levels. It is sound educational practice to place those teachers who are adapted to one level in that level alone. The using of the Aubbeenaubbee building will make this possible.

The junior high fine arts program and physical education would profit very much from this use of the Aubbeenaubbee building. Aubbeenaubbee has a fine gymnasium and playground, very adequate shop and home economics rooms, and adequate science and music facilities, for students of a junior high level, which would not have to be shared with a senior high as they would have to be if housed at Culver. Now would it seem practical and sensible not to use these facilities?

In support of the foregoing views, we would like to submit for your very earnest and sincere consideration the following suggestions:

(1) That the original idea, which was very thoroughly and favorably discussed by the board, of housing the entire 7th and 8th grades of the Culver Community School Corporation at Aubbeenaubbee, be adopted by this board.

(2) That only such immediate building be done at Culver as is necessary to accommodate the Senior High School students from all three townships, and the first six grades from Union and North Bend Townships.

(3) That a careful survey be made by a competent and impartial survey team of school planners such as furnished by Indiana and Purdue Universities or Ball State Teachers College. That this team work with and through the cooperation of our Superintendent and the principals from both schools, endeavoring to ascertain the building needs, both immediate and future to adequately provide for the type of education needed.

(4) That after such survey has been made and results known an architect then be engaged to make the necessary building plans. The job of an architect is to plan buildings to meet the educational needs of the community and not to ascertain these needs.

(5) That in order to promote a closer unity in the formulation of school policies, plans, etc., affecting both schools that such be done together by the Superintendent and the principals and assistant principals of both schools.

In closing we again wish to urge your reconsideration of this matter of the Junior High School for next year and this matter of adding to the Culver School building. We feel that your good judgment should prevail over the whims of a few who have never accepted the corporation in the first place, and over a few who are misinformed as to the advantages of using to its fullest extent the building at Aubbeenaubbee, and over the few who are misinformed as to the type and quality of both the school and building we have."

The delegation from Aubbeenaubbee included Mr. Bowen, Robert Reichard, Willis Cripe, Paul Davidson, Ralph Hunnesbagen, Oscar Lahman, Jack Croy, Charles Widman, and Guy Stayton.

Following the presentation of the written report by Mr. Bowen, a lengthy discussion followed. Donald Taylor, Board member, expressed the belief that the estimated use of three busses to transport 75 high school pupils from Aubbeenaubbee to Culver and 180 to 190 junior high pupils to Aubbeenaubbee was much too small. He pointed out that the School Board had felt it would take two busses for the high school pupils and four busses for the seventh and eighth graders. Mr. Taylor also raised a question regarding the report's assertions that the objections to sending seventh and eighth graders had been made by the whims of a few who had never accepted the corporation in the first place. He stated that some of the most loyal supporters of the consolidation in North Bend Township are reluctant to have the junior high school pupils from that area be sent to Aubbeenaubbee Schools.

Present at the meeting were Don Davis, Wayne Mattox, James McAllister, and Earl Dean Overmyer of Union Township. Mr. Mattox asked how many North Bend pupils would be involved in the transportation of seventh and eighth graders. Mr. McLane indicated that there are approximately forty seventh and eighth graders living in North Bend Township.

Donald Davis, commenting on the great amount of time in which many Culver pupils are involved in after-school activities, raised a question as to whether there would be some possibility of minimizing the after-school program if seventh and eighth graders were sent to Aubbeenaubbee. Mr. McLane pointed out that such a plan would seem to require that seventh and eighth grade athletic practices would have to be carried on during the time of the school day at Aubbeenaubbee School. Otherwise many pupils who would have long distances to travel would be eliminated from such participation.

A question was raised by James McAllister about expected cost of new rooms which the School Board might plan to add at Culver. His inquiry was made because of the estimated expenditure of \$200,000 given in Mr. Bowen's report. Board members and Mr. McLane indicated that they had thought a new cafeteria and a minimum of four classrooms would cost about \$150,000. This was considered the minimum need if the present junior high school remained at Culver. Mr. McAllister also expressed his belief that the use of an outside survey group as proposed by Mr. Bowen would be a waste of money.

"Dear God..."

When Grandmother was a girl, prayer was no stranger to her. She learned early to turn her thoughts to God and to ask Him for courage and for guidance.

The country was younger then. Men were still probing physical horizons in search of a better life for their families. Their quest took them to the sea in ships, or along the danger-filled trails to the West. Sometimes the women shared their peril. Other times, they stayed at home and waited, and that was even harder. But whichever their course, they prayed.

Our horizons are different today, and our lives filled with less danger. But we need prayer just as much — if not more — than we did in Grandmother's day.

Remember that prayer is our greatest source of strength. If the habit of prayer has become unfamiliar to you, start rediscovering it by attending church services regularly.

FRESH, SWEET APPLE CIDER

A 13-7 football victory over arch-rival St. John's Military Academy capped one of the biggest events of the year last weekend at Culver Military Academy.

Playing before several thousand parents, alumni, and guests attending the 1963 Fall Festival-Homecoming Weekend, Coach Russ Oliver's Eagles won their third game in five starts at the expense of the Delafield, Wis., eleven. Although the game was threatened by bad, cloudy weather early in the day, the sun broke through several times during the game as Culver grabbed an early lead and held on despite a last ditch effort by the Johnnies.

The favorite going into the game, Culver moved out in front in the first quarter as if it meant to roll up a one-sided victory. The Eagles capitalized on a break when St. John's fumbled a punt on its own 11-yard line. On first down, Charlie Rosenberg swept right end and scored. Then Rosenberg kicked the extra point to make it 7-0.

In the second quarter, with quarterback John Baker unleashing his passing arm, the Cadets moved out in front 13-0 on a 41-yard aerial to end Butch Pretorius. Although Baker hit Pretorius for 80 yards with a total of four passes, Culver was not to score again and spent the remaining half of the game holding off St. John's. A third period touchdown by the Johnnies put the visitors within striking distance at 13-7, and Culver finally stopped a late fourth period drive with a pass interception on the Cadets' three yard line in the final minute.

The Academy eleven host Lafayette Central Catholic, which rolled up 79 points in its game Saturday, in a 2 p.m. contest this Saturday.

In other sports, the Academy cross country team defeated Culver High School, 15-19, by winning the first six places in a meet held last week on the Academy golf course. Top runner Joe O'Flaherty won the event with a time of 9:27.5 and five other cadet runners followed him across the finish line before Culver High School's Tom Yocom broke the streak in seventh place. Yocom's time was 10:14.

ATTEND ICE SHOW

AT FORT WAYNE

Members of the S.K. Bridge Club were in Fort Wayne on Saturday where they saw the presentation of "Holiday On Ice" at the Memorial Coliseum and enjoyed dinner at the Golden Dragon Restaurant. Those attending were Mrs. Russell Barnes of Plymouth, Miss Verda Romie, Miss Boss Easterday, Mrs. A. Adams, Mrs. Earl Eckman, Mrs. Robert Riewoldt, Miss Thelma Smith, and Mrs. Charles Ferrier.

On Saturday and Sunday, Oct. 19 and 20, 13 members of Troop 290 attended the overnight held at Keith Faulkner's woods. All gear was packed in on the Scouts' backs for a distance of at least 1 1/2 miles.

Twenty-one Scouts were present at the Oct. 21 meeting. "Skin the Snake" was the pre-opening game and the Panther Patrol conducted the opening ceremony. After the advancement instruction period several games were enjoyed — "Crab Ball," "Wheelbarrow Race" and "Guardian Patrol Leader." The meeting was closed with the Scout Benediction.

First Aid classes are being held every Tuesday at 7 p.m., so that the Scouts may pass their Second and First Class First Aid and the First Aid Merit Badge.

On Thursday, Oct. 24, members of the Green Bar will leave for a four-day trip to Southern Indiana, which will include camping and cave exploring.

Upcoming activities: Wednesday, Oct. 30 — UNICEF participation, 6-8 p.m. On Saturday, Nov. 2 — A "Deer Roast and Fun Day"

at Myers Lake Scout Reservation, 1:30-4:30 p.m. Saturday and Sunday, Nov. 30 and Dec. 1 — Overnight campout at Tippecanoe River State Park.

Next Monday each patrol is to bring a board with many match-size holes in it and also a hand axe. A "Scavenger Hunt" will be held during this meeting.

Dean Smith is our Troop's candidate for participation in the "Report to the Nation" activities which will be held during Scout Week. We are all hoping that Dean will be chosen.

We are looking for boys between the ages of 11 and 18 years of age, that are interested in fun, adventure, camping, and new fields of interest, to join our Troop and the Boy Scouting program. Troop meetings are held every Monday at 7 p.m. at the Methodist Church. Come and join us next Monday!

Cub Scout News

Cub Scouts of Pack 290 will meet in the Fellowship Hall of the Methodist Church on Tuesday, Oct. 29, at 7:00 p.m.

The big event of the meeting will be the Bobcat ceremony, when all new boys will be taken into the Pack. It is necessary that all parents of new boys attend this meeting with their sons.

Awards will be given to other boys who have earned them. Boys who gained recognition at

the September pack meeting were David Wolverton, Mike McFarland, wolf badge; David Wolverton, Mike McFarland, gold arrow under wolf; Larry Babcock, Gary Strang, Mike McFarland, David Wolverton, silver arrow under wolf; Bill Herrmann, four silver arrow under wolf; Steve Neff, bear badge; Jim Hoesel, gold arrow under bear; and Doug Prouty, silver arrow under bear.

Den one carried home the game trophy at the September Pack meeting and will add a gimmick to it. All dens should try to increase their attendance at pack meetings and take the attendance banner from den 8.

"One Gift Works Many Wonders"

GIVE THE UNITED WAY

Everybody benefits when you give the UNITED WAY

With one gift the United Way, you're a friend in need to many . . . the ill, the aged, the handicapped, children and young people, and others of your less fortunate neighbors. Give now!

• • •

By giving the United Way, you not only help your neighbor, you help yourself. You benefit because your gift aids many local health and welfare agencies, and helps to make your community a safer, happier place to live.

• • •

You'll be asked to give only once, so give with an open heart and a generous hand. You'll be richly rewarded with the joy of giving and the satisfaction of knowing that your gift brings help and hope to many. Give the United Way.
