## Mrs. Ethel Zechial Dies Following Brief Illness

Mrs. Ethel C. Zechial, 79, 114 N. Ohio St., Culver, passed away at 5:20 a.m. Tuesday, Jan. 9, at the Parkview Hospital following an illness of one week.

She was born Oct. 24, 1888 in Culver to David H. and Flora Oyler Smith. She lived in Culver prior to her marriage in 1911 to the Rev. Edward E. Zechial, D.D., who preceded her in death Sept. 19, 1958. Following his ministry in Ohio, they returned to Culver in 1955 where she has since resided. She was a member of Culver Grace United Church of Christ.

Mrs. Zechial spent her life in serving to the best of her ability, the work of her husband who was a minister of the gospel. Her friends and acquaintances were aware of the great help she was to him in this capacity.

Surviving are one daughter, Mrs. Roberta Z. Sulzburger, San Francisco, Cal.; her mother, Mrs. Flora Smith, Culver; and one step-brother, Rex Mawhorter, Lemon Grove, Cal.

Funeral services will be at 2:00 p.m. Friday at the Culver Grace United Church of Christ with Rev. Harry W. Bredeweg, D.D., conference minister of Indiana-Kentucky Conference of the United Church of Christ officiating. Burial will be in the Culver Masonic Cemetery. Friends may call at the Eustead-Bonine Funeral Home until noon Friday.

## Accident Causes Brief Water Shutoff

Residents of Culver were without water for several hours last Friday night when a car spun out of control West on Jefferson Street, knocking over the water hydrant and also the postal mail box located there.

The water and street departments had a long miserable night repairing the damage and members of the departments, Nelson Wynn, Alvin Triplett, Ray Houghton, and Verl McFeely, wish to thank Katie and Bob May for contributing sandwiches and coffee, and Leon Bennett who volunteered his services.

## Town Board News

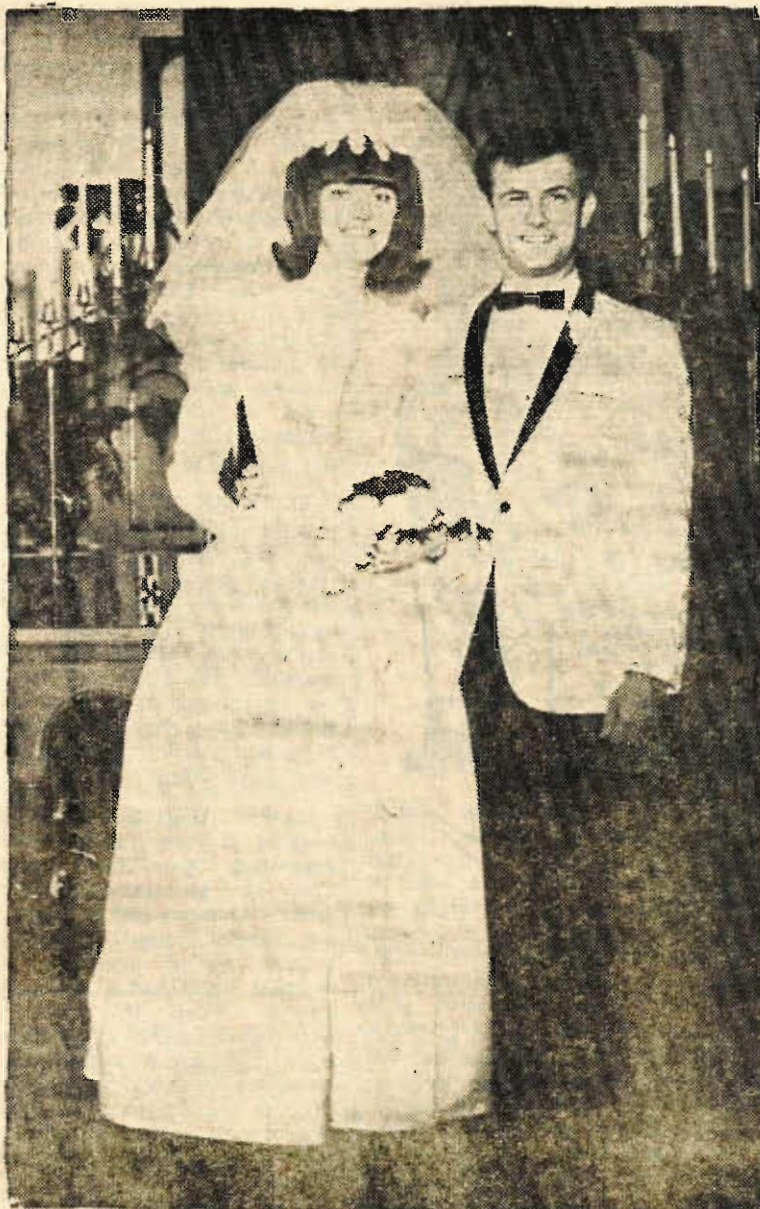

Mr. Donald Osborn, president of the Culver Town Board, has stated that all the town employees will remain in their respective jobs for the present time. The Board is now in the process of reviewing the jobs and departments and no changes will be made until they have finished their survey.

There have been many people who desire more information on the proposed new water system and the Town Board will be happy to answer all questions on this subject at the next Town Board meeting Monday, Jan. 15.

## Couple Married In Donaldson Church

Goze — Aman

The Emmanuel Lutheran Church in Donaldson, Ind., was the scene of candlelight ceremony on Friday, Jan. 5 at 7:00 p.m. uniting Miss Gloria Jean Goze and Richard Lee Aman in marriage. Mr. and Mrs. Victor Goze, R. R. 3, Plymouth, are the parents of the bride and the bridegroom's parents are Mr. and Mrs. John Aman of Plymouth.

The Reverend James S. McGee performed the double ring ceremony in a church decorated with aisle candles and baskets of red and white carnations. The organist was Miss Charlene Drake.

The bride who was given in marriage by her father, chose a gown of silk organza over pearl taffeta with long pointed sleeves. Motifs of Chantilly lace decorated the front and back of the sweetheart neckline and a panel of the same lace motifs accented with organza bows extended over the floor-length bell skirt. Petals of Chantilly lace and pearls held her butterfly fingertip veil. She carried a colonial bouquet of white carnations and red roses.

Attending the bride as maid of honor was Miss Rosemary Personette of Koontz Lake, Walkerton, who wore a floor-length dress of red chiffon velvet with the new 'mini' bodice and sheath skirt which was highlighted by a large matching satin bow with long streamers. The 'mini' jacket had a jeweled neckline and long sleeves and matching braid encircled the edge of the jacket. A matching floral plateau held the bouffant face veil.

Bridesmaids were Miss Jeannie Morrison of Plymouth and Mrs. Dennis Swanson of Elkhart. Their gowns were identical to the maid of honor. The bride's attendants each carried a white fur muff ornamented with red roses.

Attending the groom as best man was Bill Andrews of Plymouth. Groomsmen were Mike Fall and Doug Shipley of Plymouth and ushers were Joe Gar-

rison of Plymouth, cousin of the bride; Ronald Goze with the U.S. Navy, brother of the bride; and Joe Sharpe of Warsaw, brother-in-law of the groom.

The reception was held at the Grovertown Conservation Club. The guests were registered by Miss Debbie Dipert. A three-tiered, five layered cake which was baked and decorated by Mrs. Rupert of Plymouth, was served by Mrs. Goze of Grovertown, Mrs. Pete Goche of Warren, Ohio, Mrs. Glen Dipert of Chicago, Mrs. Don Biers of Chicago, Mrs. Joe Sharpe of Warsaw, and Miss Barbara Rudich of Plymouth.

The bride's going away ensemble consisted of a white boned knit dress with black accessories and red rose corsage.

The bride graduated from Oregon Davis High School and The Fascination Beauty College of Ft. Wayne. She is employed by the Silhouette Beauty Salon in Culver. The groom graduated from Plymouth High School and is employed by the McCord Co.

The couple will be at home after Jan. 20 at LaPorte St. in Plymouth, Ind.

## BLOOD MOBIL TO BE IN ARGOS TUESDAY

The Marshall County Red Cross mobile will be in Argos Tuesday, Jan. 16 at the American Legion Hall, 120 N. First St. between the hours of 12:00 and 6:00 p.m.

The Red Cross is behind in it's quota and assistance from the people of the Culver area would be appreciated. It seems that recent illnesses have greatly depleted the supply on hand.

Since the bloodmobile will not collect in Culver until June 1, it is possible to volunteer at Argos. There are only 60 days required between contributions.

The Marshall County Red Cross wish to make blood available to everyone who needs it but must maintain their quota to achieve this.

## Richard D. Wells To Speak At JC Dinner Here

David Ulrich, chairman, announced today that the keynote speaker for the 1968 Distinguished Service Award Dinner to be given by the Culver Junior Chamber of Commerce, will be Richard D. Wells, State Superintendent of Public Instruction.

Wells, 35 years old, moved to Indianapolis from Valparaiso following his election in 1966. He formerly was a teacher in the Gary Emerson High School.

In a recent article, Dr. James B. Conant stated that, "I believe more progress has been made (Department of Instruction) in the last nine months than during the previous nine year." Dr. Conant in 1964 indicated that the Indiana Department of Instruction was among the poorest in the nation.

Latham Lawson, president of the Culver Jaycees, commented that this is the third annual award dinner honoring a Culver individual who has contributed outstanding effort toward the betterment of the community.

The activity will be held in the Culver Inn on Friday, Jan. 26 at 6:30 p.m., with Eddie Amond acting as Master of Ceremonies.

## Has Leading Roles In Comedy At Eppley Auditorium January 15th

Playing the young lovers are David Jones as Claudio and Kathleen Klein as Hero, pictured above.

The National Players, a favorite with audiences here since 1960, will present two performances of Shakespeare's "Much Ado About Nothing," on Monday, Jan. 15.

The regular performance of the play will be given at 8:15 p.m. in the Eugene C. Eppley Auditorium for subscribers to the Concert-Theater Series, Academy students and faculty, and the general public. Earlier at 1 p.m., public school students from Marshall County will attend a matinee under the Academy's Program for Education in the Performing Arts.

PEPA is in its seventh season and is one of only a few programs in the nation in which an independent school is sharing its cultural program with other area

schools. The program is aimed at juniors and seniors and some sophomores and is supported on grants from the E.M. Morris Foundation, Inc. of South Bend and The Culver Educational Foundation.

The National Players has established itself as one of the nation's leading repertory companies and has been a particular favorite with school audiences here and throughout the nation. It is the longest running touring company in the U.S. and is beginning its twentieth season with a combined audience of two million behind it.

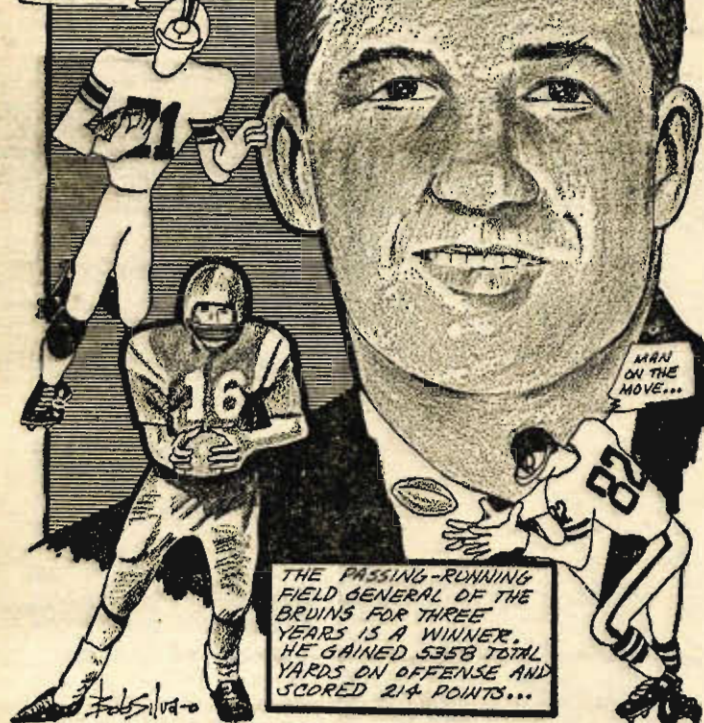

"Much Ado About Nothing" is the first of Shakespeare's comedies with a plot woven around a pair of quarreling lovers in constant verbal duel.

you have a team in Green Bay that is proud and rich that wants to get prouder and richer. They will be tough for anyone Sunday.

IN TWO MORE WEEKS, THE football season will be over. Both the AFL and the NFL have their all star games to play and then it is over. When televising of football began in early August, everyone was glad to see it come, but with the great coverage it receives, the bulk of the people will be a little relieved when it is over. Watching a good football game is always exciting, but to many the heavy saturation is just a little too much.

COMING TO OUR AREA IN the next week is the third annual Bi-County Tourney as the high school teams of St. Joseph and Marshall counties will converge on LaVill's gym for this great high school event. Seven teams will be out to dethrone the reigning champs Bremen, and the Lions of course, will be trying to retain the championship. The meet should be a great one as the teams basically this years seem to have a lot of balance with no outstanding ball clubs as has been the case in the previous years.

NONE OF THE TEAMS IS blessed with an outstanding record. LaVill has the most returning players from last year, but has had trouble in several of their games this season. They also have one of the best scoring machine in Herbster, a big center who can do it all. Bremen, the defending champ, lost heavily from last year's squad but again have a good ball team.

GLENN HAS SEVERAL RETURNING players, but lost almost everything they had in size. They are an unpredictable hot and cold team and if they are hot, they're going to score and if not, that's something else. North Liberty had to start from almost scratch this year, but have come up with a different style ball club from year's past and have a team that has proven they can win some big games, but also have lost to some opponents most figured they would defeat.

ARGOS HAS SIZE UNDER the basket and some good scoring punch, but has been an up and down team as well. Culver has a very small team and not an outstanding shooter on the squad. They depend on defense and getting the good shot, but aren't much of a team to catch up if behind due to the lack of the exposure offense.

NEW CARLISLE IS A strange case. They have two fine scorers in the Noelbrothers, but have yet to win as they have had their troubles at one point or another. They have been in most of their games all the way, and are ripe for that taste of victory. Triton has been disappointing after having some real strong teams. They aren't a bad ball club, but victory has eluded them several times when most figured they should have won.

THE DRAWINGS FOR THE tourney will be held this Saturday morning. Play begins next Wednesday night with two first round games each Wednesday and Thursday. These will be starting at 7:00 p.m. EST or 6:00 p.m. for the ones on slow time. Saturday afternoon will pit the Wednesday winners in one game and the Thursday winners in the other with the finals following the B Team tourney finals that night.

TICKET INFORMATION FOR the various schools is slightly varied, but each school will have a good supply to choose from. It is expected that a small amount of session tickets will be available for the first two rounds, but this is something that can't be depended upon. Tickets for the entire tourney will be \$1.00 for the four sessions and good action should be enjoyed by the fans each session.

Remember that Highway safety is a life and death matter.

## Rabbits Fewer In Indiana

Hoosier rabbits are fewer in number this winter, according to the Indiana Department of Natural Resources, and therefore hunters are having to work harder to fill their game bag.

The rabbit harvest on most State Fish and Game Areas is running 40% to 70% below the same time a year ago. The one exception is Glendale Fish and Game Area, in Daviess County, where the yield is about the same as last year.

Much Indiana corn has not yet been picked and cover also is heavy in parts of Indiana, it is explained by the Division of Fish and Game of the Department of Natural Resources. This is helping to hold down the rabbit kill. Reports from other states indicate similar rabbit population decline throughout the Midwest.

Midsummer roadside counts conducted by Department wildlife biologists showed numbers down almost 37% from the summer of 1966, with fewer young rabbits recorded. Average weights for rabbits trapped alive in October on the Pigeon River State Fish and Game Area showed them 4.4 ounces heavier than the previous year. Both studies indicate unusually low production during midsummer and late summer.

Lack of good summer production means considerably less for the Hoosier hunter, since about 80% of his usual bag are young rabbits of that year.

Low rabbit populations have been recorded several times in Indiana in the last 25 years. However, the fantastic rate of rabbit reproduction usually restores the supply in two or three years. Each female rabbit may give birth to 20 to 35 young in a single summer and young which are born early in the spring can produce one or two litters by autumn.

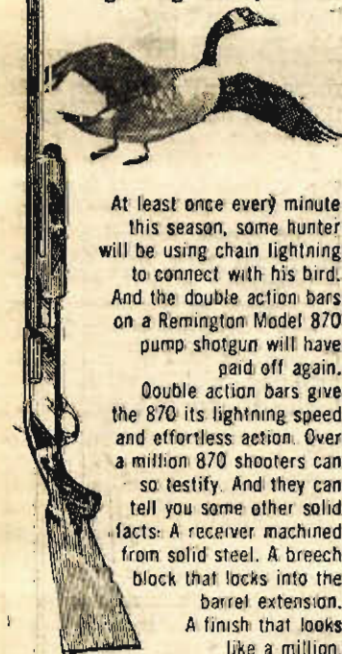

Poor rabbit habitat can reduce this reproduction and also slow recovery. January is a good time to look over the heavy cover and see how well it is holding up. Where changes or additional cover are needed, the Wildlife Management Section of the Division of Fish and Game has both the planting materials to

produce good cover and the wildlife biologists to recommend where and how to plant.

## LITERATURE GROUP TO MEET THURSDAY

The Literature Group of the Culver City Club will meet Thursday, Jan. 18 at 8:00 p.m. in the home of Mrs. Al Poppe. The program will be a book review by Mrs. Hershel Reector. Hostesses will be: Mrs. Peter Onesti, chairman, Mrs. Ward McGaffey, and Mrs. Shelton Kaiser.

## Double action bars give the REMINGTON MODEL 870 PUMP SHOTGUN its lightning-fast operation

At least once every minute this season, some hunter will be using chain lightning to connect with his bird. And the double action bars on a Remington Model 870 pump shotgun will have paid off again.

Double action bars give the 870 its lightning speed and effortless action. Over a million 870 shooters can so testify. And they can tell you some other solid facts: A receiver machined from solid steel. A breech block that locks into the barrel extension. A finish that looks like a million.

official team play for the football season which started with training camps last July. That makes it about seven months of this grueling sport which we associated with the fall season. Green Bay will be out to make it two in a row in the Super Bowl playoff game between the National Football League champion and the American Football League champions. Oakland is the AFL's representative, and a team that has had a very successful season and seems to be strong on every aspect of the game.

AS FAR AS CHOOSING A winner, nobody goes against Green Bay, but this Oakland team seems to have enough horses to rally make it a game and possible pull that upset that is always possible. Oakland's rise to the top has seen a thing of beauty as they put a new quarterback, Daryle Lamonica, in charge of the offense and let him go. Along with a couple of other personal changes, the story of success has been their fine job of getting things accomplished right. A strong defense and a very good offensive has made all this possible.

WHEN YOU ARE PLAYING the Packers you are playing the greatest at doing right. Although age is against the Packers, it hasn't showed up in the big games as they are still able to come up with that great performance or set of plays when it is needed. Their ability to get the job done with their veteran team that is sprinkled with reserves due to injuries, is a thing of beauty. Combine with this the desire and money involved, and

## CULVER COMMUNITY SCHOOL BOARD

The Board of School Trustees of the Culver Community Schools Corporation awarded the bid for two buses to the Ray Wicker Ford Sales, Culver, at their regular meeting this week.

The bid of Wicker Ford Sales, Culver, for chassis, \$3,560.55, was accepted and the bid of \$4,058.21 for Wayne body, Schoolcraft, Inc., Indianapolis, was accepted.

In a report of construction progress, it was pointed out that the severe weather of the past few days had precluded any work on the new high school. The diesel motors for the mechanical room were delivered to the new building during the past week.

Problems as they concern the organization as it pertains to the new K-8 school plan for 1968-69, were discussed with Shelton Kaiser, principal of Culver Elementary School. Mr. Kaiser will lead the new unit.

In other business the Board approved the Vocational Agriculture Committee, announced recently by the school administration upon the recommendation of Stephen Brown, Vocational agriculture instructor.

The school corporation Finance Committee, composed of Board members, was organized with Walter Johnson, President, and Everett Dowd, Secretary.

The school calendar for the year, 1968-69, was discussed and preliminary dates were suggested. The calendar will be on the agenda for the January 19th meeting of the Board.

The State January Distribution Check amounted to \$59,438.50, and was received on January 4, 1968, it was reported; the request of Shelton Kaiser to attend a Guidance Conference, Butler University, January 12, was approved.

## Golden Key Club Holds Installation Of New Officers

Installation of officers for the Golden Key Home Demonstration Club was held in the home of Mrs. Joseph Currens for devotions.

Mrs. Lyman Craft, 1966 president, was the installing officer during the impressive candlelight ceremony. A large white taper was lit to represent the Home Demonstration agent. Mrs. James McKinney, incoming president, lit her red taper, symbol of strength, vitality, and power and placed it into golden centerpieces. Other new officers continued this with Mrs. Charles Wynn receiving a green taper of vice-president, symbol of growth and life in the organization; Mrs. Walter Von Ehr lit a blue taper for office of secretary, denoting

loyalty of friends and associates; Mrs. Robert Cultice, treasurer, lit a violet taper as a symbol of great wealth; and Mrs. Joseph Currens an aqua taper for the office of reporter.

Thanks was extended to the outgoing officers for their services and the new officers were welcomed.

Mrs. James McKinney, president, held a discussion of matters for the coming year. New committees were established with Mrs. Robert Cultice, good cheer chairman; Mrs. Walter Von Ehr, Mrs. Lyman Craft, and Mrs. John Plant were named to the activity committee. Mrs. Warren Bickel and Mrs. Russell Ulery were charged with ways and means; and Mrs. Charles Wynn and Mrs. Joseph Currens comprise the telephone committee.

A fun auction was held with Christmas decorations brought in by club members. Refreshments and a gift exchange were enjoyed by all.

## Culver Extension Homemakers Club Meets

The first meeting of the new year of the Culver Extension Homemaker's Club, formerly the Culver Home Demonstration Club, was held on Friday, Jan. 5 at the Burr Oak Church of God. After the program, books were given out and a "gripe" session was held before the regular meeting.

The president, Mrs. D. Hatten opened the meeting with the pledges to the American and Christian flags; followed by the club creed. Mrs. Eva Heiser gave the devotions relating to the New Year. Roll call was answered by 23 members.

The song of the month "The More We Get Together," led by

Mrs. Richard Behmer, was sung in unison, after which the birthday song was sung to Mrs. D. Hatten and Mrs. Ferris Zechiel; the Anniversary song to Mrs. Ora Overmyer.

During the lesson, "Freezer to Oven Meals," Mrs. Larry Zechiel prepared a most delicious Beef Stroganoff. As it was cooking, she gave the members some good tips on preparing foods for the freezer.

The business segment of the meeting was reported on and dis-

cussed.

An Art Appreciation Course which will be given for interested women will be shown on TV for 5 consecutive weeks beginning the latter part of January.

A social hour followed with refreshments served by the hostesses, Mrs. Al Poppe, Mrs. Eva Heiser, and Mrs. Dorothy Heiser. The tables were beautifully decorated in a "wintertime" theme.

You Have A Job Too!

The start of the new year has meant the start of something else for many towns. A basically new town board is in some respects rare for a town, but the November elections did make many drastic changes and new boards have been seated all over Northern Indiana.

A new town board can be faced with problems and usually are in one respect or another. It may be a big project that requires the financing of thousands of dollars over a long period of time, or it may not be so major, but simply to make some changes to continue the progress of a town in more ordinary situations.

The basic fundamentals of running a town are similar year in and year out. No board is nuts about raising taxes for anything if not necessary. A good many procedures will continue the same as in the past because it is proven the most economical way to do them. Others take imagination and new ideas.

Almost every town board, whether new or old, have made promises to the people while seeking office. Usually these promises are within reason, but not always something that can be done overnight. However, these boards, whether new, old, one party or split, have one thing in common every term . . . they are selected as your representatives.

You elected this board by

your votes. Maybe everyone you personally voted for wasn't seated in office, but you, the public, did place these people in charge of your town. You have a continued duty to assist these people.

You have heard the old saying, "Two heads are better than one," well in this case of running a town, many heads are better than a few in many respects. Whether your board is comprised of three, five or what ever number it may be, it is small compared to the people who they represent. This is where you can help.

Everyone gets ideas about a lot of things and maybe the idea you have may be the one that can help your town even though your board has never considered this situation. You have an elected representative from your particular ward. Let them in on your thoughts, it may be well worthwhile. They are put in office to represent you and whether you have a complaint or suggestion, they should be glad to hear you out. They in turn can offer this to the board for consideration.

You, as a taxpayer and citizen, have a right to be heard and this is your means of being heard. You have a job to do as well as the town board, but it is up to you to do this job through them as you are both interested in one thing . . . your town.

Voice Of The People

Mr. and Mrs. Charles Dickerson of Culver, have received the following letter from The Piney Woods Country Life School, a school for negro boys and girls in Mississippi. The Mrs. Charles Shuler mentioned in the letter has been a friend of the Dickersons for years.

Dear Friends,

Mrs. Charles Shuler, Jr., of Scottsdale, Arizona, has sent us a gift of 200 shares of stock in honor of you, to help in the work of Piney Woods School.

I am sure you are fully aware of the circumstances which led to this honor and gift. It was a most interesting story of your lives and we appreciate her sharing it with us. We hope the holidays have had rewarding experiences for you and that you

and yours will find many rich blessings during 1968.

Sincerely,  
Laurence C. Jones

## DEATHS

**Mrs. Virginia G. Wade**  
Mrs. Virginia G. Wade, 74, of 215 Court, Culver, Ind., passed away at 7:15 p.m. Thursday, January 4 at a hospital in Westville, Ind.

She was born October 30, 1893 at Evanston, Ill. to Henderson and Florence Anderson Miller. She resided in Culver for many years. She was a member of the Shiloh Baptist Church of Indianapolis, Ind.

She was married to Charles Wade September 4, 1947 who preceded her in death February 1, 1954.

Surviving is one son, Raymond Miller of Los Angeles, California; one sister, Mrs. Elsie Byrd, Culver, Ind.; one brother, Earl Miller Washington D. C. and one grandson, Michael Miller now stationed in Vietnam.

Funeral services were held at 2:00 p.m. Sunday, January 7, 1968 at the Easterday-Bonine

Funeral Home at Culver. Rev. A. E. Givens, pastor of the Culver E.U.B. Church officiated.

Burial was in the Culver Masonic Cemetery.

**John P. Faber**

John P. Faber, 79, former Burr Oak resident, died last Tuesday at the Rest Haven Nursing Home, Palos Heights, Ill. Survivors include two sons, Peter Faber, Lansing, Ill.; and John A. Faber, Miami, Fla., a former Plymouth resident.

Services were conducted at 11 a.m., Friday at Botma Funeral Home, Lansing, Ill., with burial at Oak Hill Cemetery, Plymouth.

**Noble McGaffey**

Word was received Saturday the death of Garrett Noble McGaffey, Saturday, Jan. 6 at Long Beach, California.

Mr. McGaffey, a former resident of Culver, was born on January 1, 1905, to George and Ella McGaffey, and lived here several years.

His survived by his wife Ella; a daughter, Mrs. Donald (Jeanne) Yoder of Auburn, Ind.; a brother, Ward McGaffey of Culver; four grandchildren; three stepchildren and six step-grandchildren.

Funeral services were held on Wednesday at the Dilday Funeral Home in Long Beach. The Masonic Lodge had charge of the services.

**IN MEMORIAM**

In memory of Ira Cromley, a bequest has been given to the heart fund by Mr. O.D. Campbell and Mr. and Mrs. Jack Campbell.

**IN MEMORIAM**

In memory of Ira Cromley, a gift has been given to the Culver EUB Church toward the support of Mr. and Mrs. Roy Olson in Thailand by Mr. and Mrs. Ray Green, Mr. and Mrs. Charlie Green, Mrs. Todd McCoy and Mrs. Robert Noonan.

**AMERICAN LEGION AUXILIARY MEETS**

Mrs. Orville Phelps opened her home to members of the American Legion Auxiliary on January 3.

The business meeting which was conducted by Alice McCarthy, was opened by a prayer by the chaplain, Agnes Cabell. A report was given on the Christmas-cheer plates that were distributed locally before Christmas and future projects for the coming year were discussed. Refreshments were served by the hostesses.

The next meeting will be held Feb. 7 at the home of Ellen Poppe.

See You In Church Sunday

**WE WOULD LIKE YOU TO MEET . . .**

Ask any woman why she knits, quilts, makes aprons, smocks, pillows, upholsters her chairs or raises numerous house plants. She may say it is just something to pass the time or perhaps it is a way to have these things at a sensible price. Any one of these hobbies is time consuming in itself, but suppose one person did all these things?

We became curious when we saw hand-made quilts containing thousands of tiny stitches displayed at "The Little House." After all, it must take a great deal of time to complete a quilt. But then we saw sweaters made by the same lady, smocked pillows and aprons. That did it; we simply had to meet this woman so we arranged to call on her. Actually we almost expected to see a small factory in operation, but Mrs. Harold Baker of 436 Liberty Street really does it all herself.

Mrs. Baker and her effervescent poodle, Kayo, met us at the door and we had only to look around to be thoroughly convinced that this woman must have the most nimble fingers in town.

As we listened in amazement, we learned that she has been quilting for about 15 years and

has been and has in that time made 11 quilts. She also has 12 hand-knitted sweaters in her own wardrobe and has lost count of sweaters, mittens, socks and caps she has created for her own grandchildren.

Two chairs in her living room have been upholstered by her and we are not exaggerating when we say they looked quite professional.

Smocked pillows and a beautiful afghan on the sofa were examples of her work. She has also contributed aprons and other articles for the Grace Church Bazaar.

Mrs. Baker does not devote all her time to handicrafts, however, as she is an active member of the Crescent Class and Women's Guild of the Grace Church, The Eastern Star, and the Culver Home Demonstration Club.

During the summer months she adds gardening to her busy days.

We still don't know how she can accomplish all this but she says that she feels more productive if her hands are busy when she sits down.

One thing is certain, however. Mrs. Baker is one of the most happy and contented women we have been privileged to meet.

### BOOK REVIEW

#### "Forever The Song"

By Milford E. Anness

Among many noble stories of the American red man none outshines the valiant effort of Tecumseh, great Shawnee chieftain, to build a confederation of Indian tribes to stem the tide of the white man's advance across the American continent. It is one of the truest accounts of human bravery, courage, vision, hope and struggle for possession of a homeland the world has seen.

More than a sequel, **FOREVER THE SONG** presents a true,

glowing account of the Indian as he surrendered to superior culture, his self-respect gone, his spirit crushed, his will to live ground into the moss and leaf-covered floor of the vast forest he knew and loved so intensely.

Great as was the man Tecumseh, his story includes other fascinating characters. The chief surrounded himself with brave young men whom he taught to share his vision and his determination to prevail or perish. Among a half dozen able lieutenants were Shabbona, portrayed here in the person of Metamoris, a noble young Delaware chieftain, and Young Jim Bluejacket, a Shawnee protege. From these two, Tecumseh expected and received much.

This is a sentimental story of Metamoris and the three female loves of his life, two Indian maidens, Wynoma and Miantonomah, and one courageous white girl, Elizabeth Gwinnup Meyers.

The book is historically accurate, climaxing in the battle of the Thames where General William Henry Harrison defeated the British and Indians, and Tecumseh was killed, October 5, 1813. Here three significant results were forthcoming: American ascendancy over England in the Western Hemisphere was assured; the Indian cause in North America was irretrievably lost; and Tecumseh, the greatest Indian leader, was removed from the scene of life.

Milford E. Anness is a lawyer, former judge and legislator, politician, writer, and historian. A lifelong Hoosier, he received both his A.B. and LL.B. degrees from Indiana University, where he majored in journalism and government. He served in the South Pacific Theater, 1943-45, and is the father of one daughter and five sons.

### MUSIC AND ART GROUP

#### TO MEET JAN. 18

The Music and Art Group of the Culver City Club will hold their meeting Thursday, Jan. 18 at 2:00 p.m. in the home of Mrs. Wallace Helber. Mrs. Gordon Roberts will be in charge of the musical program. Mrs. Daniel Bieker will be chairman of the hostesses, aided by Mrs. Walter Strait, Mrs. Wilber Taylor, and Mrs. Judd Stinchcomb.

## Show Antiques At Culver City Club Meeting

An especially interesting program on "Antiques and Their Value", was presented by Mrs. Evert Hoessel and Miss Stahl at the Culver City Club Thursday evening, Jan. 4, in the bank lounge.

Mrs. Hoessel gave the history of lamps from early whale oil burning lamps through kerosene. She showed early Colonial Betty lamps as well as several lamps in her collection and demonstrated how oil lamps could be converted to electricity. She also displayed a fat-burning lamp of metal which was found in an Egyptian tomb.

Miss Stahl brought several heirloom shawls, some of which had been woven by her grandfather. She gave the history of shawls of other countries.

At the conclusion of the program, each member showed a family antique and told of its history.

Mrs. Earl D. Overmyer was chairman of the hostess committee, assisted by Mrs. Don A. Davis, Mrs. Harold Hohman, Mrs. George Ogden, Mrs. Charles Tribolet, Miss Margaret Swanson and Mrs. E. E. Zechiel.

## NO COMPETITION

Destruction of the free press is a tyrant's way of getting his lies believed.

## Commodity Program

Signups for participation in the 1968 feed grain and wheat programs will take place concurrently during February and March of 1968, according to Darwin Roahrig, Chairman, Marshall County Agricultural Stabilization and Conservation Committee. The applications filed show the farmer's program intentions.

The feed grain program for 1968 provides diversion and price-support payments as well as price-support loans to program participants; feed grain diversion payments will be available to all participants in 1968. The 1968 wheat program benefits include price-support loans and marketing certificates to bring returns up to full parity on the part of the wheat crop allocated for domestic use; no diversion payment is available for wheat.

The Chairman said that, when the signups start, farmers will be reminded in plenty of time to file program applications before a stated deadline. Normally, such signups continue for about 6 weeks.

# Glory Is God's

"He that glorieth, let him glory in the Lord."

— Jeremiah 9:24

We live in an age of wondrous things. We are reaching for the moon and the stars. Our heroes are men who walk in space and orbit the earth. We reap fame and riches upon the individual who makes a spectacular achievement to the thing we call "progress."

It is only fitting that noteworthy accomplishments be recognized and be rewarded. Yet, we should never fail to recognize the singular merits of a worthwhile life.

There is, in service to God and to humanity, an offering to the glory of God. There is, in the achievement of a Christian life, a singular and important fulfillment.

## Double action bars give the REMINGTON MODEL 870 PUMP SHOTGUN its lightning-fast operation

At least once every minute this season, some hunter will be using chain lightning to connect with his bird. And the double action bars on a Remington Model 870 pump shotgun will have paid off again.

Double action bars give the 870 its lightning speed and effortless action. Over a million 870 shooters can so testify. And they can tell you some other solid facts: A receiver machined from solid steel. A breech block that locks into the barrel extension. A finish that looks like a million.

## Legal Notices

### NOTICE OF HEARING BEFORE PUBLIC SERVICE COMMISSION

Notice is hereby given to the  
citizens, tax payers and water  
users of the Town of Culver, In-  
diana, that said Town did on De-  
cember 26, 1967, file with the  
Public Service Commission of  
Indiana a Petition for approval  
of the issuance of bonds desig-  
nated as "Waterworks Revenue  
Bond of 1968" for the purpose of  
procuring funds to be used in  
paying the cost of construction  
of certain additions, extensions  
and improvements to the water-  
works owned and operated by  
said Town. Said bonds have been  
authorized by Ordinance No. 202  
adopted by the Board of Trustees  
of said Town on December 22,  
1967, under the provisions of  
Chapter 155 of the Acts of the  
1929, as amended, and will not  
constitute an indebtedness of the  
Town in its corporate capacity,  
but will be payable solely out of  
the revenues of the municipally  
owned waterworks of the Town.  
Notice is future given that in  
said Petition the Town of Culver  
requests the Public Service Com-  
mission of Indiana to authorize  
it to increase the water rates now  
in effect in said Town in accord-  
ance with Ordinance No. 203  
adopted by the Board of Trustees  
on December 22, 1967.

Said Petition wil be heard by  
the Public Service Commission in  
the office of the Commission, 907  
State Office Building, Indian-  
apolis, Indiana, on January 29,  
1968, at the hour of 9:30 o'clock  
a.m. (Eastern Standard Time)  
and all parties interested may  
appear and be heard.  
DATED this 9th day of January,  
1968.

## PAPERS NOW GO 'TODDER'

GROUND-UP NEWSPAPERS and molasses make a novel and nutritious cattle feed, report scientists at The Pennsylvania State University. The finding could help alleviate the expected food deficit that now threatens the world by making available a cheap and nutritious cattle feed that would not compete with man's own food needs.

CARTOONS AND COCKTAILS are giving University of Wisconsin psychologists added knowledge of human behavior. The psychologists have developed a method of using humor and alcohol to reveal personality traits. What people think is funny reveals certain "dimensions" of personality, the researchers say. And alcohol? They said that people develop certain inhibitions to help them act in ways that seem to them socially acceptable, and that alcohol serves to release these inhibitions.

PORTABLE rail welding equipment will be used in Australia for the first time ever when it is used to weld rails into 1440-foot lengths for a special 265-mile railroad, reports Chemetron Corporation, Chicago. The railroad will carry ore trains from Mt. Whaleback in the Mt. Newman range to the coast city of Port Hedland. A consortium of companies is developing the vast iron-ore reserves of Mt. Newman. Exploration work to date has proved the presence of 345 million tons of plus 64 per cent hematite, and geologists have inferred a total potential of better than 1 billion tons of high grade ore for Mt. Whaleback, making it one of the largest single deposits of hematite in the world.

THE POLYNESIAN ISLANDS are being settled via computer by a University of Minnesota geographer. He is testing the theory that over a period of centuries the Polynesians settled their sprawling Pacific Kingdom by accident. The geographer is trying to duplicate the migration to all the island groups (in an area that stretches from New Zealand to the Hawaiian Islands to the Easter Islands) solely through drift voyages of small craft lost at sea.

A CONVERTED 16-inch naval gun is being used by the Space Research Institute of McGill University to fire projectors into the upper atmosphere. The gun, which has proved both reliable and inexpensive, replaces the costly and inefficient first stage of rocket systems with relatively cheap gun power. For orbital shots, a small single-or multi-stage booster is added to the projectile.

## Questions Explain Indiana Selective Service Program

Set out below, according to Colonel Robert K. Custer, State Director of the Indiana Selective Service System, are questions most frequently asked of the Selective Service System along with appropriate answers.

**Question:** Last year I attended college only part-time will attend full-time during my junior year which commences next September. Will I qualify for a student deferment?

**Answer:** Ordinarily, a registrant who attended college on a part-time basis last year would not qualify for deferment in Class II - S this year because he was not then a full-time student. Your local board's consideration of mitigating circumstances might, however, result in their classifying you in Class II-S.

**Question:** A friend of mine who has been ill won't be able to complete high school until he is nearly 20. Will he be drafted before he gets out of high school?

**Answer:** Selective Service regulations provide that a registrant who is a high school student and satisfactorily pursuing a full-time course shall be classified in Class I-S, as a high school student, until (1) he graduates; (2) turns age 20; or, (3) drops out of school, whichever occurs first.

**Question:** I became 24 years old July 6, 1967. If I enter college as an undergraduate student in September 1967 will I be eligible for a II-S student deferment?

**Answer:** No, because you have

passed your 24th birthday. You may, however, qualify for a I-S classification (as a college student) if, at the time you are ordered or induction, you are a full-time and satisfactory undergraduate student. Such a classification is effective only until the end of the student's academic year.

**Question:** What requirements must I meet to qualify for a II-S classification as an undergraduate college student?

**Answer:** You must file a written request with your local board for deferment as an undergraduate college student. Additionally, you must provide your local board each year with convincing evidence that you are continuing to pursue satisfactory a full-time course of instruction at a college, university or similar institution of learning.

**Question:** How does the Selective Service System define the phrase "satisfactorily pursuing a full-time course of instruction" when the deferment of undergraduate college students is being considered?

**Answer:** To be considered as "satisfactorily pursuing a full-time course of instruction," an undergraduate student who is taking a four-year course should earn 25% of the credits required for his baccalaureate degree at the end of his first academic year, 50% at the end of his second academic year, and 75% at the end of his third academic year. In the case of a baccalaureate degree for which 5 years of study are prescribed by the institution, a student should earn 20% each year of the total credits required for the degree.

The new affinity for bold luxury underfoot gets emphatic support from "Roman Accent", a new creation floor covering which combines old world charm with space age know-how. Translation of hand-fired tiles into carefree vinyl is just part of the story. Foam cushion is added for warmth and quiet underfoot, and the textured surface defies scuffs, soil and scratches. Colors: avacado, gold-sparkled white and beige, gold provincial, and terracotta.

## HALF-PAST TEEN

### Culver Losses To LaVille By 68-48 Score Friday

LaVille's Lancers handed the Culver Indians their ninth defeat of the season Friday night against a pair of wins. The Lancers won by 68-48 over the Indians in a game that found only four personal fouls being called on LaVille.

The host team opened a good margin early in the game and

used a well balanced scoring attack in this contest to stay ahead of the Indians all the way after breaking to the front early. Considering the almost all of Culver's scoring was done from the floor, the difference in the game basically was at the foul lines. The Lancers moved to a 16-8 first quarter lead and had a big second period over the Indians as they advanced the advantage to 39-20 on a 23 point second quarter.

From here on out, it wasn't a question of who, but how much. The Indians managed to stay with LaVille the second half, but the damage had been done and both teams used their benches freely.

Stu Lowry and Carl Herbster led their respective teams with 16 points each. Lowry hit on eight baskets while Herbster hit only five times from the floor but another half dozen points came from the 15 foot line. No other Indian totaled over six points in this well-distributed, but not high enough scoring total.

Two games await the Indians this week end and one in particular features a strong opponent. On Friday night a long trip will be made to New Carlisle for the games with the Tigers who have won only once this season. Saturday night South Central will

host the Indians. The Satellites are a very strong small school club and feature a great scorer in Mike Niksch. Both of these schools are on slow time and a compromise has been made in the starting times.
