Serving Communion

Our Pastor ...

Welcome to the faith community of Grace United Church of Christ! Empowered by the Spirit and filled with joy in the presence of God's love, this family of faith seeks to BE the body of Christ **alive** in the world.

As this directory shows, such ministry takes many forms and is as diverse as are the people who participate, yet, is as united as is the One who calls us all to be "servants in the service of others." From the youngest to the oldest, the Grace U.C.C. family invites you to join us in our journey of faith. God's blessings!
