DON OVERMYER NEW CHIEF

Donovan Overmyer, lifelong Culver resident, has been elected Chief of the Culver -Union Township Fire Department, following the resignation of David Burns.

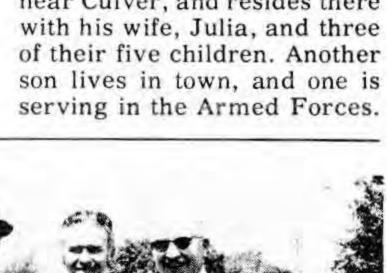

Overmyer, a twenty year veteran of the volunteer fire force, was elected by his fellow firemen early this month. Prior to his appointment as Chief, Mr. Overmyer held the post of Assistant Chief for over five years.

The Culver-Union Township Fire Department presently consists of thirteen men in addition to the Chief, and five vehicles.

Don Overmyer owns a Farm

near Culver, and resides there

FRONT ROW, left to right: Terry Nelson, John Baldwin, Jim Butler, Reed Joice. BACK ROW: Mrs. Wendell Nelson, member of Troop Committee, Sam Allen, Scout Innstitutional Representative, Mrs. Allen, George Jewell, Wendell Nelson, and Ron Gleason, Troop Committee Chairman. Sponsor of Troop 290 is the Wesley United Methodist Church of Culver.

COL. MOORE ELECTED

The 531st Engineer Shore Regiment Association has chosen Col. E. Kemp Moore of Culver as its president for 1973-1974. The regimental association is proud of spearheading the invasions into North Africa, Sicily, Italy, Anzio (one battalion), and Utah Beach in Normandy.

The First Special Brigade, of which Col. Moore was operations officer, also spearheaded the invasion of Okinawa. The Brigade and its assigned regiments were entitled "Engineer Amphibians" and in addition to the amphibian shoulder patch, wore their own distinctive sea horse pocket patch.

Other Culver amphibians are C.W. Epley, 531st Shore Regiment and Major Russell D Oliver, 592nd Boat Regiment, active in the Pacific Theter.

CHANNEL 34 COMING!

EDUCATIONAL TELEVISION COMES TO NORTHERN INDIANA

An area public broadcasting television station, WNIT-TV, Channel 34, licensed recently by the Federal Communications Commission, will be in operation later this year according to proposed plans announced this month.

Citizens of the Culver community-area are being asked to join a nine-county fund raising drive. Aware of the need, volunteer effort and interest in the Culver area was noted this week as a spontaneous response began. Organizations were being contacted and contributions are being sought to support the newly authorized UHF public television station which will directly serve the area.

The idea for WNIT-TV first evolved in 1968 when the nonprofit, non-partisan Michiana Public Broadcasting Corporation was formed to take advantage of the excellent opportunities afforded in educational TV. The UHF station will afford the opportunity of regional coverage of public meetings, special events, cultural events, public reports, and insights of the regional area's artists, scientists and educations, school athletics, and other events.

In addition, in keeping with its mission, WNIT-TV, Channel 34, will provide greater variety in programming, to explore and offer a platform to responsible citizens. It will have access to all of the award winning programs distributed by the Public Broadcasting Service.

This new channel will be close enough to the Culver area so that telecasts of local

FATHER SORG DIES

Father Robert W. Sorg, 61, rector of St. Ann's Catholic Church, Monterey, Indiana, passed away in his sleep, at 2 a.m. on Monday, July 30, 1973, at his residence, in Monterey, Indiana.

He was born on August 14, 1911, at Ft. Wayne, Indiana, to John H. and Anna (Zimmerman) Sorg. He graduated from the Cathedral Grade School, Ft. Wayne, and from the St. Joseph High School and College, at Rensselear, Indiana, in 1934. He then graduated from St. Meinrad Seminary, and was ordained as a priest, on June 22, 1938, by Bishop John Francis Noll.

His assignments included St. Patrick's Church, Kokomo, Indiana; Immaculate Conception Church, Portland, Indiana; Winchester, Indiana, as a Mission; Alexandria, Indiana; Kewanna, Indiana, and Monterey, Ind.

Surviving is one sister, Miss Mildred M. Sorg, Ft. Wayne, Indiana.

The Rosary was recited at the Bonine Funeral Home, Culver, at 7:30 p.m. on Wednesday, August 1.

Funeral services will be conducted at 12:00 noon, on Thursday, Aug. 2, at the St.

Ann's Catholic Church, Monterey, with Bishop Raymond J. Gallagher, of the diocese of Lafayette, in Indiana, officiating.

The body will then be taken to Ft. Wayne, Indiana, where friends may call at the Mungovan and Sons Funeral Home, after 7:00 p.m. on Thursday.

The Funeral Mass will be held at 11:00 a.m. on Friday, August 3, at the Cathedral of the Immaculate Conception, Ft. Wayne, with burial following in the family plot at the Ft. Wayne Catholic Cemetery.

interest can be viewed, and it is entirely possible for local talent to be involved in programs.

Financing for the new public television station will come from the Federal and State governments, individuals coprorations and foundations. The new station urgently needs financial help in getting under way. Officials point out that because WNIT, Channel 34, and PBS will not accept commercials, the dollars it needs must come from other sources. Gifts are fully tax deductible.

When in operation, local TV viewers may tune into Channel 34 as easily as other UHF stations. Plans call for using the transmitting equipment at the old WNDU- TV tower, South Bend, while modern studio facilities will be in a new Elkhart facility.

Channel 34 will cover a minimum 50-mile, nine county area. Culver residents will be able to view WNIT-TV from 9 a.m. till 10 p.m., six days a week, and a bit later on Sunday from 4 to 11 p.m.

Culver area citizens, who wish to acknowledge and hopefully support the newly proposed public broadcaset television station, WNIT, Channel 34, may secure pledge cards which are available at The State Exchange Bank teller windows. The tax deductible contribution is to be sent to Michiana Broadcasting Corporation, P.O. Box 34, South Bend, Ind. 46624.

And More!

The Citizen has learned that the Hooks Drug Store chain, operating out of Indianapolis, has explored the possibility of expansion into the Culver area.

Evidently, the chain purchased on option to the property just west of the Post Office, at the corner of Ohio and Jefferson, but it has also been reported that the option has since lapsed. There has also been an inquiry made concerning building permits, but no application has been made for one to date. Plans for a building are being reviewed by the state at this time, but they have not yet been shown

to authorities in Culver.

Several local businessmen have expressed worry that this area connot support more than the two pharmacies presently operating in Culver. If this is, in fact, the case, the entry into Culver by Hooks would mean that some local businesses might suffer financially.

1901 - SEVENTY-SECOND BIRTHDAY - 1973

On this our seventy-second anniversary, we are reminded of the "once upon a time" beginnings of our bank, The State Exchange Bank. It was way back in 1901, August 1, to be exact, that our bank then known as the Exchange Bank of Culver, began operation with resources of \$20,000. In a bit more than seven decades, current statements show combined resources of \$94,920,302.05.

The year 1901 was a significant year in a significant era just as the gay '90's were having their final fling, no doubt. Marshall county was observing its 65th birthday, Culver Military Academy had been founded seven years earlier, and Culver's first public high school had had its beginning just a bit before. Culver's population was 505, Plymouths 3,656. From the cities came the excursionists by the old Vandalia and Nickel Plate. It was the day of the livery stable, unimproved roads, the blacksmith shop.

The State Exchange Bank had its beginnings in a small room in a Main street building barely 15 feet wide just south of the present bank. Six years later, in 1907, the bank moved to its present location.

Many changes in living patterns mark the past 72 years. We have been privileged to watch the changes, and so closely have we been associated with individual, farm, commercial, industrial, and community-area projects that we feel a vital part in their growth. As the community-area grew, we also grew in size and service.

Today, thanks to ourloyal customers, we are a strong bank with a record of steady growth. We wish to assure you that we value your patronage and that you will always find a warm welcome at our Bank.

The Backyard Horseman

BY: CAPT. JEFF HONZIK

"population The polosion" in the horse world is phenomonal. There are more horses today in the U.S. (light, pleasure type, that is) than there were 50 years ago. Based on 1971 figures, the pleasure horse population was 17 million and is still growing today. Riding is fast becoming one of the top participation sports in this country. And, that's what this column is going to be all about - Horses and Riding.

In the coming weeks, I hope to answer any questions that you "backyard horsemen" send in. Any question, from care of the horse to training, theory, equipment, breeding specializing your horse, and horse show competition, will be welcome. I'd like to hear from the hunters, jumpers, quarter-horse people, Arabs, and all the horsey-types. If space permits, I'll have a few articles and tid-bits that should interest everyone and be of value to all horsemen no matter what type.

Horsemanship is probably one of the most dynamic subjects going. Some claim it is sport, some claim it to be an art. But, it is a dynamic subject in that there are some basic unchangeable theories and then sometimes you just have to do what works. Some of the finest horsemen I've met never had a formal lesson in their life. On the other hand, some fine horsemen got all their training out of a book. The point is this, remember horsemanship that dynamic, constantly finding new solutions to old problems. Be flexible! Try different methods, and stick with the one that works with your horse. You'll finding training and riding to be much more pleasurable.

Send questions to the Backyard Horseman, c-o The Culver Citizen, Post Office Box 90, Culver, In. 46511.

EDITOR'S NOTE: Capt. Honzik is Assistant to the Director of Culver Military Academy's Department of Horsemanship. He coaches the varsity jumping and Rough Riding teams and is also the Lancer Platoon Coach. His column will appear weekly in the citizen.

Know Your Indiana Law

By John J. Dillon, Attorney at Law

This is a public service article explaining in general terms a provision of Indiana law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.

"AIRCRAFT JET ENGINE NOISE"

The piercing whine of jet engine is now familiar to all of us. In observing the operation of jet aircraft at large air terminals we note the employees who are required to work around this piercing noise many hours wear ear protection devices. Failure to wear these devices can result in serious damage to ones hearing.

That the noise of the jet aircraft engine can be a very aggravating nuisance, can readily be testified to those who live in the vicinity of a large air terminal. The increased traffic via jet aircraft has caused many citizens living in neighborhoods surrounding or near large air terminals demand to protection from this noise. The protection has come in the form of ordinances or laws requiring limitation of the operation of jet aircraft operation between the hours of 11:00 p.m. and 7:00 a.m. This city ordinance obviously brought into play a conflict between the rights of the neighbors surrounding the airport and the travelers arriving and departing oscheduled flights during the prohibited hours. The air transportation industry in general was alerted to this problem because if many cities passed these ordinances then the problems of scheduling aircraft from one part of the country to another would become extremely complicated if not impossible.

To test the proprietary of a city passing an ordinance regulating the times flights might arrive and depart the air transportation interest conntested the right of the City of Burbank to adopt such a law on the basis that it placed an unreasonable burden on interstate commerce and that this area had to be regulated by the Federal Government.

The Supreme Court of the United States in the City of Burbank versus the The Lockheed Air Terminal decided in a 5-4 decision that Burbank's ordinance attempting to prohibit the operation of aircraft during certain hours violated the commerce clause of the States Constitution. United The Supreme Court struck down the Burbank ordinance on the basis that this was a matter of regulation preempted by the Federal Government and assigned by Congress to the Federal Aviation Agency. The Court in this very close decision pointed out the conflicting interest between the noise abatement demands of local citizens and the general right to travel across the country and to have transportation facilities available. The difficulty of scheduling if each locality was given the opportunity to regulate when airplanes can take off and land could become insurmountable as the Supreme Court saw it in the Burbank case and stated that this regulatory proceedings should be left to the Federal Government on the basis of uniformity.

It is interesting to note that Supreme Court specifically avoided answering the question of whether a municipally owned airport could regulate arrival and departure of aircraft from its position as a proprietor of the airport. Since many In-

diana airports are municipally owned this question will undoubtedly be raised and the power of a municipality to regulate its own airport will be measured against the Interstate Commerce clause of the United States Constitution.

Over The Next Hill

DAVE AND GRETTA KELLY

This week's bike ride is 4 miles long combined with a few scenic sites and a fun story besides.

We start at the bank parking lot and go north on Ohio Street and then north on School Street past the high school. Carefully cross State Road 10 and go north (straight ahead) on Tamarack Road. The road ends at Hopple's Corner where you can buy a bag of rocks to help weigh down your bike. (Watch out for dogs.) Turn right on W. 17th Road. Notice on your right that there are several strips of pine trees planted for windbreak and wildlife cover, courtesy of Judd Dillon. Quickly you'll come to State Road 17, but before you cross the highway, take a quick look over your left shoulder and notice the old Thomas Houghton homestead. He was one of the earlier settlers in Union Township. The house is a little run down, but with some imagination you can see what it must have

looked like in 1890. A few hundred feet east of the 3 Sisters Restaurant, beware of a BIG dog. With luck he won't be there. Take note of the huge rock in Don Stubb's yard. Don liked this pebble so well that when he moved from Academy Road, he took it with him. Since Don operates an excavating company, moving the rock was just an everyday occurrence.

Continue east on W. 17th Road, pass the CMA nursery and cross the abandoned Penn Central right-of-way (wouldn't that make a great bike trail from Culver to Plymouth?), and turn right on Sycamore Road. If you can see the Academy Chapel tower in the background, you made the right (?) turn.

After you have crossed S.R. meander thru the Academy campus at your leisure, eventually getting back on Academy Road, Just before reaching the stop light you can see Don Stubbs' old home (on Academy Road) and where THE ROCK was. Meander back thru town and you have made it...

You can combine this trip with last week's and make a total excursion of 7.3 miles.

KIDDIE PARADE DRAWS LARGE CRAWD

The Kiddie Parade last Friday morning drew dozens of participants and a large crown of viewers for this kickoff event of the 1973 Maxinkuckee Festival. bу the Sponsored Maxinkuckee Juniors, the parade started on North Main Street near the new Citizen office, and passed south through the downtown area, ending at the Chamber of Commerce parking lot.

There were over 75 participants in the parade. The Culver Golden Arrow Twirlers and the Woodcraft Drum and Bugle Corps from the Culver Summer Schools also participated.

Snow Cones were supplied for each participant by the Culver J.C.'s.

Winners in the separate eategories were:

Tricycle: Jennifer Eppley, Lee Weirick, Krista Cultice. Pets: Jorja Jones, Cory

Berger, Cindy McFarland. Bicycle: Tracy Nelson, Shelli Overmyer & Dawn Dickey, Scott Keiser.

Costume: Janna Laturner, Andy Wakefield, Doreen, Renee and Bonnie Beach.

Wagon: Jason Laturner, Matt, Andy & Becky Krueger, Bridget Moore & Vickie Kersey.

SWIM MEET RESULTS

The Swim Meet and Games at the Beach started at 10 a.m. Saturday morning. After a slow start, things got underway. The meet, which was conducted on the pruple pier, generated a lot of enthusiasm. Ribbons were awarded the various winners.

In the sprint race, Eric Koebbe won first place in the under 12 division. David Quivey came in second, and Terry Wakefield placed third. Jeff Riester was first in the over 12 division, Bret Baker second, and Tom Miller third.

Tony Wakefield won first place in the 12 and under division of the distance races. Fred Carroecil won second place, and Eric Koebbe came in third. In the 13 and over division, Jeff Riester came in first, Bret Baker second, and Timmy Jones third.

Winners of the Underwater Painted Rock Hunt were Tina Riester, first; Jeff Riester, second; and Tom Overmyer, third.

In the Underwater Distance Swim, Eric Koebbe took first place in the 12 and under division; Tony Wakefield won second place; and Terry Wakefield won third place. In the 13 and over division, Jean Koebbe came in first, Bret Baker came in second, and Tom Overmyer came in theid.

In the diving competition, Bret Baker came in first, Jean Koebbe, Jeff Riester, and Steve Carroccil tied for second, and Tim Jones and Tina Riester tied for third.

Everyone participating in the Penny Scramble won and carried their loot home in a bag. This event was for kids 6 and under.

Various relay races and games were played in the sand, "Water Balloon Pitch" and a variety of other wet and messy games were enjoyed by the kids 12 and under.

The

There were two greased watermelon contests. In the one for kids 12 and under, Terry Wakefield fought off the whole gang of boys and girls, and took his watermelon home. In the 12 and over contest, the group wasn't as big, but Tim Jones came out the victor.

Roy Schrimsher, Mark Blocker and Mike Busart, lifeguards, and Judy Keith Cindy McKee, and gatekeepers, assisted in all the games.

The participants were given a treat as they left after the games. (and the staff collapsed!)

Helps Shrink Swelling Of Hemorrhoidal **Tissues**

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H^{\bullet} . No prescription is needed for Preparation H. Ointment or suppositories.

State Fair Achievement Trip for Winners

Days Gone By...

Memories From Past CITIZENS

August 1, 1968

The Culver Beach Lodge was burglarized last Tuesday, July 23rd, to the tune of approximately five to six hundred dollars. The thieves entered sometime after midnight by breaking the screen and window on the east side of the building on the ground floor where they were hidden by considerable shrubbery. There was no cash in the register at the time, but the culprits apparently knew the gaming machines were due for collection. The machines were pried open and change in the form of dimes and quarters removed. The police department is investigating the theft.

An organizational meeting for band parents was held Wednesday of last week. Mr. Robert Rust, Superintendent of Schools, projected plans for next year. He stated that music has always played an important role in the school and with the new unified school system planned for next year, he felt that this was the time to form a Band Parents Organization. This orga nization's primary interests would be music and a desire to aid and assist in procuring new uniforms for the band.

July 31, 1963

On Saturday, Aug. 24, Boy Scout Troop 290 of Culver will hold its annual Smorgasbord in Felloship Hall of the Culver Methodist Church. The meal will be served from 5:30 to 8:00 p.m.

The Illinois Democrat Senator, Paul Douglas, who has been waging a fight to save the Indiana dunes along Lake Michigan from commercial development, was quoted recently in the Chicago Daily News as expressing these rueful thoughts: "When I was very young I wanted to save the wrold. As I grew older I decided I'd be happy if I could save the nation. Now I'll be satisfied if I can save the Indiana dunes."

The Yacht Club seemed to come to life on the Lake last weekend as there were more boats in each race than any time this summer. The Junior Fleet started the boom with 10 boats in the race Saturday morning. There was a fair

wind and only one capsizing. Rick Baxter, Indianapolis, was first; Stevie Speer, Indianapolis, was second; Tac -Welch, Logansport, was third. Nine boats were at the starting line for the Saturday afternoon regatta. Three bosts were disqualified. Rpert Esser, Logansport (T-26), took advantage of the available wind and sailed in first, followed by Tad Louderback, Rochester (T-24), and John Bateson, Munster (T-25).

July 29, 1953

Christian Emigh of Burr Oak was honored Sunday when his children and relatives from as far away as Franklin Parka and Kankakee, Ill., came to his home with well-filled baskets for a birthday dinner honoring his 90th anniversary which was July 22.

Excavating work for the construction of the Aubbeenaubbee Township High School gymnasium at Leiters Ford is nearing completion and pouring of concrete for foundations whould begin this week.

Mrs. Edward Kinsey fell at the back steps of her home Saturday evening, breaking her hoip.

The Culver exchange of Indiana Bell Telephone Company is being manned by one-third of the normal staff of 21 operators during the strike which began a week ago today.

August 4, 1943

Miss Barbara Lou Benedict received word that she had been awareded a music to Indiana scholarship University.

A straw stack on the Joh n Kline farm was destroyed after it caught fire from the baling machine.

August 2, 1933 Indiana justice is too swift and sure to suit Daniel McGeoghegan, convicted leader of the Chicago gang that held up The State Exchange Bank on May 29, who has filed a motion for a new trial.

The State Highway commission has advertised for two new bridges on State Road 10.

A special train left Culver on Monday taking 591 members of the Culver Summer Schools

and staff to the Century of Progress in Chicago. They will return Saturday evening.

Christian Lee migh of Burr Oak retired Aug. 1 after 52 years of continuous service with the Nickel Plate Railroad.

The automobile and garage belonging to Ed Baker were destroyed by fire and a part of the house owned by a Mr. Kink of Plymouth and a garage belonging to Miss Edwinna McFarland were damaged. August 1, 1923

Better service and increased current for Culver and vicinity is the end that the Plymouth Light and Power Company has in view while making improvements to the present system and installing new equipment.

Willard Jones has recently been promoted from salesman to district manager for the Co. American Tobacco because of his having made the largest sales of any of their 600 salesmen for the past seven months.

Forty-one speeders and tail light violators were nabbed by the police department.

White robed figures of the Klu Klux Klan were in abundance Thursday night in a field of the farm rented from Deputy Sheriff Bogardus. It was estimated that about 500 were in attnedance and that a large flaming cross was the center of attraction. August 7, 1913

William Osborn celebrated his 86th birthday Sunday.

The barn, outbuildings, straw stack, grain, and machinery on the Al Rupe Farm a mile west of Argos burned Saturday forenoon.

Mrs. Ralph Houghton and baby were thrown from a buggy at the foot of Bunker -Hill Monday morning but escaped with slight bruises.

Ira Mattix has the earliest peaches of anyone we have heard of hereabout. On the first of July he had five twoyear-old trees that bore ripe fruit. The seed came from Nebraska.
