AIR FORCE BAND MARCHES TO CULVER

CONCERT SERIES OPENS TONIGHT

The Culver Academies' 1974-75 Concert Series features six presentations and opens with a special bonus performance by the United States Air Force Band and the Singing Sergeants on Thursday, September 26th. All Concert Series performances begin at 7:30 p.m.

Season tickets are available through Harvey Firari, director of theater at the academies. Concert Series subscribers will automatically receive general admission tickets to the Air Force Band presentation.

Since its organization in 1942, the United States Air Force Band has been on the move across the nation and throughout the world playing for an estimated 35 million people and winning continued international acclaim. Col. Arnold D. Gabriel, dynamic young conductor of the Air Force Band and the Singing Sergeants, has been acclaimed by numerous musicians and music critics as one of today's outstanding conductors.

In addition to live concerts and television appearances, the band serves the American public through the national radio program "Serenade in Blue," featuring such famous guest artists as Arthur Godfrey, Morton Gould, Doc Severinsen, Meredith Wilson and many others. The show is aired weekly by more than 2,000 radio stations nationally and over Voice of America facilities to millions overseas. Included in the Culver concert will be selections ranging from opera and oratorio to folk songs, show tunes, jazz and comedy.

Next to appear in the Culver series will be the Yugoslavian dance production "Frula." This company of 36 dancers, gymnasts, singers and musicians has been acclaimed by The Chicago Tribune as "...superb - colorful, zestful,

virile, good looking, expertly musically trained." The dance production "Frula" will appear October 15th.

"Play Back" comes to Eppley Auditorium November 11th. The Jacques Loussier Jazz Trio has travelled the globe continually during the past 14 years with an intensely personal approach to playing the music of Johann Sebastian Bach.

Folk singer and composer Tom Paxton will perform December 11th. His unique style could be called "The Third Stream" between folk and pop music.

Pianist Leon Bates, billed as "the next star of the 70's" by the New York Times, will perform January 27th. This young artist won the Rhode Island International Piano Competition last winter. His

orchestra credits include the New World, Denver, Chautaugay, National and Philadelphia Symphonies and recitals at the Kennedy Center in Washington, D.C.

The "Claude Kipnis Mime Theatre" will perform February 10th. Kipnis has been favorably compared to Charlie Chaplin, and the Oakland Tribune said his works had "greater variety and complexity than the great Marcel Marceau. He is a poet in movement. Stunning."

Larry Richardson and an eight member dance company will appear February 21st. An Applause Magazine critic described the company's contemporary repertoire as "strange and fascinating, reminiscent of a New Yorker (magazine) cartoon with intriguing visual and psychological themes."

Football Plans Being Made At Culver Schools

BOARD MOVES TOWARD 1975 TARGET DATE

The Board of Trustees of the Culver Community Schools Corporation discussed arrangements for scheduling Junior High and High School Reserve football activities in the corporation during the current school year at their regular meeting held September 17th.

The school administration was directed to proceed toward making a football schedule for the two divisions this year and to move forward toward establishing a full varsity schedule as rapidly as is feasible. The administration was also authorized to pay careful attention to present assignments in order to have sufficient staff members with capabilities of coaching football with the opening of the 1975-76 school year.

In other business, the board gave its approval for Adult Education classes to be conducted when sufficient enrollment can be obtained and arrangements for instructors can be made. Approval was also given for an intra-division program at the high school level. This will be conducted during the current school year with two instructors directing the program.

The board approved the installation of a water softener at the Monterey School. A proposal from Fabricated Steel Products of Indiana, Inc. for the construction of a new smokestack at the Culver Elementary-Junior High School was reviewed by the board. The proposal is being given further study.

It was decided to purchase 12 Aeroflash strobe lights to be installed on Corporation-owned school busses.

Approval was given for the South Bend Scottish Rite to present a travelogue at the high school with charges for the use of the facilities to be made in line with current school policy.

CULVER LIBRARIAN TO ATTEND NEW ENGLAND CONFERENCE

PUNT, PASS, KICK SIGN-UP CONTINUES TO OCTOBER 4TH

Registration is still going on for the 1974 Punt, Pass and Kick program, locally co-sponsored by Van Horn Ford-Mercury and the Culver Jaycees. The competition will be held October 5th, with the registration period ending October 4th.

Any youngster between the ages of 8 and 13, accompanied by a parent or guardian, may register at Van Horn Ford-Mercury. There is no registration fee.

Each registrant will receive a free PP&K Tips Book which includes a complete set of rules, helpful conditioning exercises and important punting, passing and place-kicking tips by leading NFL specialists in these skills.

PP&K involves no body contact, no special equipment is required and youngsters compete only against others in their own age group. Participation does not impair a youngster's amateur standing.

First, second and third place winners in local competition will receive one of 18 local trophies. Both boys and girls are eligible.

RUNNERS KEEP WINNING—The CCHS cross country team continued its winning ways last week by defeating Triton at a dual meet played at Bourbon. The boys posed outside the gymnasium after the meet with their ribbons. They are, from left, FRONT ROW: Elold

Ruiz, Charlie Hart and Pedro Ruiz, BACK ROW: Wendel Bean, Steve Smith, Tim Beck, and Ron Sysma.

The team's next meet is tonight when they run at Argos, followed by a meet on Tuesday, October 1st at Knox. The county meet is October 3rd at Plymouth.

WHAT HAS HAPPENED TO THE GREAT PRINCIPLES OF THIS COUNTRY?

I heard today that the Klan is helping to organize parents of white children in Boston to fight court ordered integration of school children. The white sheets of the low South have moved into the home of the Boston Tea Party to assist parents in keeping their children in the better suburban schools, while the blacks are economically locked into low quality—high rent ghettos with inferior schools which are under-financed by a taxation system based upon property values.

Is this the country that fought for those supposedly universal ideals of free education, no religious or other prejudice, equal treatment by the government that is created by, for and of the people?

It doesn't sound like it to me. Or take the people who call for vengeance against those citizens who failed to see the connection between the Ho Chi Minh trail and the security of the United States. They followed their consciences, surely with courage, and yet there are those who scream for blood.

Regularly we hear on television that it is not "fair" to all of those who did go to Southeast Asia: that it is somehow not right that these people did not kill their fair share of the enemy before being allowed to return to their homes.

Well, I ask you - where are the Christians in this country today? Where are the other cheeks of forgiveness we talk about on Sunday? Since when has going to war been an act of faith in this country? What happened to the charge to turn swords into plowshares?

Every president of the United States since World War I said war was bad, we would have peace, and we would no longer have to endure the throes of war in our country.

Well, some of our youth actually believed that killing was wrong. They listened when they were promised a lifetime of peace and creative living. When these promises of our leaders were broken, they were not ready for war.

Many who felt they could not go to war, especially this war, were denied exemption by draft boards which have since been shown to have been operating contrary to the law and applicable regulations. A fair system, a candid understanding of these administrative problems by our leaders, and more forgiveness might have avoided the situation we now have—with thousands of our citizens out of the country in exile.

I think that it is easier to follow the crowd than to make a decision on your own. Those persons who chose to leave rather than go with the crowd showed their own kind of character, in my opinion.

I feel no pride that so many felt compelled to go over there and kill so many hundreds of thousands in what turns out to have been an undeclared war.

I saw neither peace nor honor in the "peace with honor" we reached about five years after the same terms were first offered by the "other side."

I see no glory in keeping out those who left. I see no dedication to our national ideals when people who fought talk as if they are in some kind of exclusive club because they followed their consciences, while they deny the right of others to do the same thing.

After so many years of war, after so many months of national division, we need people of all convictions in this country. That this war was so unpopular may indicate the leaders were wrong, not those who left.

I do not understand the bumper stickers that say "America, Love It or Leave It." After all, I am America, too. We created the government, and it is supposed to back us, not the other way around.

I think we need to get back to principles, in Boston, in Canada, and in Culver.

THE UNITED STATES AIR FORCE BAND

And

THE SINGING SERGEANTS

Colonel Arnald D. Gabriel, Conductor

In Concert, Thursday, September 26, 7:30 P.M. at Eppley Auditorium

The U.S. Air Force Band is a musical organization with an outstanding record of achievement. In an amazingly brief time span its members have been acclaimed as "America's International Musical Ambassadors," and the organization has won the hearts of over 35 million music lovers throughout the world.

The band's history dates to 1942 with the formation of the Bolling Army Air Corps Base band, becoming the official musical representative of the U.S. Army Air Corps on March 1, 1943. Following growth and the end of World War II, the band was disbanded, only to be reorganized within six months. It followed its original group when the United States Air Force became a separate branch of the armed services in 1947, assuming its present title. Foreign and domestic appearances since that time have built upon the fine start made in the 1940's.

Colonel (then Major) Arnald D. Gabriel joined the organization as Commander in 1964. It was he who instituted the semi-annual tour series that brings the United States Air Force Band and The Singing Sergeants to Culver.

Due to the tremendous demand for tickets our supply is completely exhausted. However, if you do not have tickets for the concert, there still may be a chance. If vacant seats exist at 7:25 p.m., people will be admitted without tickets.

Miss Benner, Mr. Danis Exchange Vows

Mrs. Peter Joseph Danis

WED AT ACADEMY CHAPEL

The Memorial Chapel on the campus of the Culver Academies was the scene of the August 31st wedding of Ruth Ann Benner and Peter Joseph Danis.

The Rev. Paul N. Meltzer, pastor of Peace Church of Christ, Merrillville, the bride's cousin,

performed the double-ring ceremony. Mrs. Bryce Bigley of Culver was the organist and Miss Jill Edwards, cousin of the bride from Merrillville, was the vocalist.

The bride is the daughter of Mr. and Mrs. Myron E. Benner of Culver, and Mr. and Mrs. Joseph Danis of Berwyn, Illinois are the groom's parents.

The bride wore a gown of peau de sete accented with re-embroidered appliques of Florentine lace on the high-collared bodice and on the bishop sleeves. A deep lace ruffle accented the hem of the skirt. She wore a chapel-length veil of illusion held by a Florentine lace crown, and carried a nosegay of red roses and baby's breath.

Mrs. Thomas Schoonmaker of Madison, New York attended the bride as matron of honor. She wore a cotton floral gown with a blue, purple, rose and green pring with which she carried a pink and white bouquet.

Ivan Kralik of Berwyn was best man. Ushers were the bride's brothers, John P. Benner of West Lafayette and Charles M. Benner, Glen Echo, Maryland.

A buffet for the immediate families and the wedding party followed the ceremony at the Holiday Inn in Plymouth. Mr. and Mrs. Danis are now at home at 700 Lansdowne Way, Apartment T6, Norwood, Massachusetts.

The new Mrs. Danis is a graduate of Culver Military Academy and Wellesley College, and earned the M.A.T. degree in French from Colgate University. She taught French last year in Penn Yan, New York. Her husband is a graduate of Morton West High School at Berwyn, and received his B.S. degree in Physics from Massachusetts Institute of Technology in 1973. He is now an engineer for New England Telephone.

Rev. Joseph A. Lenk, pastor of St. Mary's, performed the Nuptial Mass uniting the couple. The sanctuary was lit by candelabra, and lighted candles extended down the sanctuary aisles.

The bride wore a gown of silk

organza and lace, featuring an empire-styled pearly bodice and bishop sleeves. A matching pearly headpiece held a four-tiered veil ending in a lace-bordered chapel length veil. She carried three white orchids laced with baby's breath resting on a prayer book handed down from the groom's family.

Leisa Earls served as matron of honor, and Shelli Chermak, Denise Scheidt, and Sheila Martens were bridesmaids. All the attendants wore flowered chiffon dresses and picture hats, and they carried single orchids surrounded by gladioli.

Robert Shriner performed the duties of best man. Ushers were William W. Epley, Ron Hargett, and Stephen Earls.

Following the ceremony, a dinner and reception for 200 was held at the Three Sisters Restaurant. Guests came from northeastern Indiana and Ohio as well as from the Culver area, and the bride's grandfather traveled from Santa Ana, California for the occasion.

Friendship House Needs You

MENTAL HEALTH ASSOCIATION
SEEKS LOCAL ASSISTANCE

In March of this year, the Mental Health Association of Marshall County and the Five-County Mental Health Clinic satellite office in Plymouth joined forces to begin a new social club, "The Friendship House" meets each Friday evening from 7:30 to 10:00 in St. Thomas Parish House. Open to any adult in Marshall County who wants to participate, it has attracted many ex-patients as well as people of all ages (from 17 to those in their 70's).

The group would like each club, church group, or organization in the county to take the responsibility of being host for a Friday evening. Hosts would be expected to furnish light refreshments, and possibly prizes if desired. The social club already has some games for use by members, such as shuffleboard, chinese checkers, dominoes, checkers, bingo, pool, and table tennis.

Hosts would be welcome to show films or provide a different activity if desired. A combination record player/radio is available for use, but more records to play on it are needed.

Any group or individual who is interested and wants more information should contact the Mental Health office in Plymouth as soon as possible.

LIBRARY NEWS

New Non-Fiction

Bring back memories from the Twenties and Thirties by reading **THE FILMS OF LAUREL AND HARDY**, by William K. Everson. This book has lots of pictures and is full of laughter. Two books on art are **PRINT ART**, a Whitman Creative Art Book, and **THE ART OF ACRYLIC PAINTING**, one of the well known Grumbacher Library series.

BIRTH is a positive book about the experience of childbirth. Hundreds of photographs, diagram and illustrations help visualize the short stories, interviews, and helpful hints and medical facts are presented, by Catherine Milinaire.

Do prehistoric monsters still live among us? **IN SEARCH OF LAKE MONSTERS**, by Peter Costello, is the first work to trace reports of all lake monsters from Scotland to Utah, British Columbia to Sweden, the jungles of Africa and New Zealand and Siberia. It offers evidence these fabulous creatures do exist.

THE FAMILY CREATIVE WORKSHOP is a new set of handicraft books gradually added to the library. The first two volumes are now ready for check-out. Vol. 1 includes instructions for acrylics, afghan stitch, airplanes of paper, American Indian crafts, Animal dolls, ant farms, antiquing of furniture, applique, astronomy, baby foods, basketry and batik. In Vol. 2 there are instructions for beachcombing, beadwork, bean-bags, belts and buckles, bicycles, birds and birdhouses, birthday celebrations, block printing, bonsai, bookbinding, bottle cutting, and bottle gardening.

Now is the time to plan to visit some of the beauty spots of America. If a trip south is in the forecast for this winter or early spring, use **THE TRAVELLER'S GUIDE TO NORTH AMERICAN GARDENS**. Gardens located in all the states as well as other localities in North America are pictured and explained in this lovely book. Compiled by Harry Britton Logan.

Other books of interest to the traveler is a three-volume set on the original thirteen colonies. This is **THE BICENTENNIAL GUIDE TO THE AMERICAN REVOLUTION**, by Sol Stember. These books are touring guides to Revolutionary War sites and should be of interest to anyone visiting the east or east coast. Vol. 1 is about the war in the north, from Fort Ticonderoga to Concord Bridge; Vol. 2, the middle colonies, from Washington's Crossing to Valley Forge; and Vol. 3, the war in the south, from Savannah to Yorktown.

...It Must Be THE LAKE WATER

By Bob Kyle

CULVER IS A BOOM TOWN and doesn't know it! The past year more than forty properties have changed hands, both in town, around the lake and in rural areas.

Five real estate firms are vying with each other. Every operation is a trade secret and they won't tell me how many deals they have made, or for how much.

That doesn't disturb anyone. There is many a deal in which customers pay from \$29,500 or so for a property and then spend that much to remodel it to suit.

For instances, from LaGrange, Illinois, three lake residents have moved in unknown to each other and are delighted to renew relationships. They are the Dale Long's, C.K. Brandrup's, and Homer M. Barn's. All distinct assets to the community.

A nationally-famed professional engineer has bought a house in town, has been on vast construction jobs in Brazil, Panama, Peru, the Inland steel plant in the Calumet and two segments of the Indiana Toll Road and has educated four kids in 50 different homes. Two are doctors, one an EPA attorney and a daughter has a teacher's degree. A world-famed pharmaceutical chemist, he is like countless persons who are fleeing the cities to escape crime, noise and congestion.

Let's be nice to them, make them welcome and have them here to help improve our community without the evils of booms elsewhere and conflagrations.

NEGOTIATIONS are progressing satisfactorily for taking over the Culver Hotel. Principally, Lake Water, Mrs. Lake Water and Donald Muehlhausen, president of the Town Board, have been weighing Federal agency proposal, casting a discerning eye on Federal overtures and have decided that we can do it better and cheaper. The deal will be made as soon as we can get it incorporated as the Osborn Center, a non-profit enterprise. None of us are doing it other than for the public's pressing need for housing. One prospective developer was unable to meet zoning requirements and has given up. The other one is not moving as fast as he thought possible.

In the Culver Hotel property we can place elderly persons in clean, comfortable, cheaper accommodations save for governmental red-tape, tonight if necessary, but for the obstacles. Just be patient, you wonderful folks.

SPEAKING OF INFLATION: It has been with us many moons. Fuel oil was \$7.00 a hundred gallons in 1940, today \$36.20; telephone basic bills were \$2.50, now \$7.45.

Mrs. Irene Becker, who is building a new house at Maxinkuckee Road across from Bigley Orchards, was greeted by co-workers at St. Mary's Catholic Church with a broom for good luck and bread so she will never go hungry.

AROUND LAKE & TOWN: Kudos to Town Marshal Richard Woodward, Deputy James Caudill and an assist by County Police Sgt. John Knoblock for solving and recovering some of the loot by robberies of the Roth, Schaub, Lysell and Ice cottages on the Lake...To Principals Donald R. French and William Mills and Superintendent A.F. Allen for

Senior Citizens to procure complimentary tickets for all Community School activities, except tournaments... To Mrs. Kay Tusing, selected to "Outstanding Young Women of America" for ability and service to their communities... To Superintendent Col. Ben A. Barone and Theatre Director Harvey Firari for bringing the famed Air Force band to CMA and inviting the public gratis...To some alert soul who found a glaring historical error in Lake Water's column.

On Father Len's 62nd birthday last Sunday his sister of Fort Wayne came to St. Mary's church and contributed a substantial sum to the collection. To make sure that he knew who did it she placed a band around the currency. He got the point that his fun-loving sister was the only person who could think of such an identification. The party at Villa Maria (the former George Thayer cottage) was to remind his four helpers that he was grateful.

We pray that those who leave this worship today may return to walks of life to be "shining Lights" and examples of Christian life.—The Rev. R.L. Sommer, Trinity Lutheran Church, Culver.

State Tax Board To Review County Budgets

The State Board of Tax Commissioners will conduct public hearings to consider municipal budgets and tax levies for 1975 at the Marshall County Court House in Plymouth next week.

Beginning at 8:30 a.m. Friday, October 4th, the Board will review the budgets of Union Township and the Culver Community School Corporation. Beginning at 12:30 p.m. that same day, the budgets of Culver Civil Town and the Culver Public Library will be considered.

Any appeal filed by taxpayers with the State Board of Tax Commissioners from the action of the County Board of Tax Adjustment or an appropriating body, or any appeal filed by the proper

officers of any municipal corporation from the action of the County Board of Tax Adjustment or any appeal filed pursuant to Public Law 45 and Public Law 50—1973, will also be considered at said time in conjunction with the hearing on the budgets, levies and rates of the municipality on which such appeal was filed.

At the hearing, officials and taxpayers will be permitted to present any evidence that may give information on items in the budgets that, in their opinion, should be changed or reduced, or any other information that will assist the Board in finally determining the budget, levies and rates of the above named municipalities.
