Maxinkuckee School

By: G. Sieber

The Maxinkuckee School can be found on maps from the following years: 1876, 1880, and 1908. It is located on the south side of 18B Rd about 1/4 mile east of Queen Rd. The school was located on the corner of Bigley's Apple Orchard.

Maxinkuckee School opened in 1908. It was a two room school house. The building was made out of solid red brick with 10 window panes. They closed in 1936.

Now in 2018, this school house has been turned into a private home. They've kept the same structure of the building. They upgraded the exterior and added landscaping. They completely remodeled the inside but kept the some of the same trim and some light fixtures.

During the phase of remodeling, the owners discovered bricks that were partially buried. It was some of the old path way that the children took to school.
