## "HOOSIER AT LARGE"

By Al Spiers

Final Installment About Our Remarkable "1959 Hoosier Mother of the Year"

LATE IN 1940, the Rev. W. Harlan Smith, his wife, Frances, and five of their children began a third seven-year tour as Church of the Brethren missionaries in China.

On two much earlier tours,

AL SPIERS

Mrs. Smith had cheerfully tended home, husband, and offspring amid hardships and difficulties at a remote Shansi province mission station. This time she was blue and worried.

"Mom" Smith was blue because her fine family was "broken" for the first time. Three older girls had been left at school in North Manchester. In seven years, they'd probably be married and scattered.

SHE WAS WORRIED because occupying Japs had despoiled the gentle, friendly Shansi the Smiths had known and loved. It was plain, too, that the Japs hated Americans — even kindly, peaceful missionaries.

In the face of impossible conditions, Rev. Smith tried bravely to conduct his mission. The Japs wouldn't let him. When they cruelly slew 13 Chinese mission workers — doctors, teachers, nurses — at a remote Shansi station, the heart-sick clergyman surrendered to the inevitable.

Two months after reaching Shansi, the Smiths returned to Peking. "We prayed conditions would improve," Rev. Smith recalled sadly. "As you know, things got worse. In the spring, we came back to America — grateful to get out."

DURING THE WAR, Rev. Smith had pastorates in Greene, Iowa, and Cerrigordo, Ill. In 1947, the Commie conquest killed all hope of returning to China. Seven years at churches in Flora and Fort Wayne followed... and in 1954, Rev. Smith was assigned the Milford and Syracuse Brethren churches he serves today.

It was during these years, as much as in China, that "Mom" Smith earned the fine accolade "Hoosier Mother of 1959." Six times in 14 years her household was uprooted and transplanted — a harsh ordeal for growing children.

Mrs. Smith made it painless, easy — almost fun.

CLERGYMEN AREN'T abundantly paid, yet somehow Harlan and Frances Smith helped all their children through higher education into fine, useful lives. Scrutinize the Smith roll:

Three girls became teachers and then married — Mrs. Ralph (Pauline) Deik, Spencerville, Ohio, mother of three; Mrs. James (Dorothy) Mason, Hagers-

## County Music Festival Set For April 21

### 110 CHS Students To Participate

This Friday about 110 students from the Culver schools will take part in the annual county music festival at the Argos Community Gym. The students will rehearse all day and return for the concert at 7:30 p.m.

ROBERT BOYD

Talented and Energetic Local Music Director

This is the seventh county festival and according to many people each year the event has become more popular. This year the guest conductors are two of the most outstanding music educators in the state of Indiana. Clyde Holsinger from Manchester College will direct the combined choir. Mr. Holsinger is presently head of the music department at Manchester. The band will be conducted by Dr. Maurice Shadley of Indiana University. Dr. Shadley

## State Road 117 To Be Resurfaced This Summer!

### Good News From Highway Head

The April 5 issue of The Culver Citizen quoted a letter from F. S. Hill, superintendent of maintenance of the State Highway Department of Indiana at Indianapolis, which brought the disappointing news that there was little likelihood of anything being done about the horrible condition of State Road 117 along the East Shore of Lake Maxinkuckee because no Federal funds were available for the improvement of thoroughfares of this type and that State money was very limited for such projects.

In recent weeks the publisher of The Citizen in his dual capacity as publisher of Indiana Business and Industry magazine has had many personal contacts with Governor Matthew E. Welsh, his administrative assistants, and his various State Commission heads.

Here's The Wonderful News! That the Culver community has benefited somewhat through these contacts is illustrated by the following letter dated Monday, April 17, from Mr. Hill to Chester W. Cleveland:

"Mr. Clinton Green, Chairman of the State Highway Commission, has forwarded your letter of April 5, 1961, concerning the condition of State Road 117 near your home, to this Department for consideration.

"We are pleased to be able to inform you that this highway is scheduled for resurfacing this coming summer. The contract for doing the work will be advertised in the very near future.

"We assure you we will do everything to relieve the situation referred to in your letter as soon as possible."

A HANDY MAIL SLOT in The Citizen's front office door welcomes your news items for next week's paper 24 hours a day.

## Annual Father-Son Banquet Set For Sunday, April 23

GIL DODDS

Guest Speaker

Gil Dodds, one of the world's renowned athletics, will be the guest speaker at the Methodist Church on Sunday, April 23. He will preach the morning sermon and will also be the speaker at a Father-Son banquet at 6 that evening in the church Fellowship Hall.

Tickets for the dinner are \$1.00. All men and boys in the community are invited to attend. Tickets may be purchased from Rev. Kendall E. Sands, Robert Berger, or Ralph Osborn, Jr.

For 11 years Gil Dodds was the world's record-holder for the indoor mile. His time finally was bested by Wes Santee of Kansas. His many athletic honors include wins in 39 consecutive races in big time competition from the 1000 yards to two miles, the Sullivan Award presented to the amateur athlete who has done the most toward the advancement of good sportsmanship, New York Sports Writers' trophy, and Helm's Hall of Fame.

Dodds is known for his inter-

## Worst Snowstorm Since 1938 Paralyzes Area

### Huge Drifts Up To 10 Feet

Ten deaths were blamed on the belated Northern Indiana snowstorm which practically isolated several communities, including Culver, stranded more than 1,000 motorists, and completely halted traffic on almost all roads in this part of the State.

The raging storm, described as the worst of its kind in 23 years, started with rain and hail Saturday night and turned into a howling blizzard which left 10-foot drifts over a wide area by Sunday night.

#### All Schools Closed

All schools had an extra holiday Monday because of the wet and heavy 8-inch fall which was accompanied by fierce, biting winds which nearly blew cars off the highway.

The worst drift locally was near the terminal of State Road 117 at State Road 10, east of the Culver Military Academy. Peter Trone and Jack Kowatch were among the motorists who were forced to abandon their cars there for several hours Monday morning until the snowplows could get through.

#### Farmers Are Marooned

The snowplows did not come to the rescue of many Union Township farmers until as late as 5:30 Monday afternoon and dairy farmers did not have their milk picked up until Tuesday morning. Many County snowplows got stuck!

#### 105 Miles In 5½ Hours

A Culver couple left Indianapolis for home late Sunday morning. The return trip of 105 miles required 5½ hours. They reported having followed a snowplow at a snail's pace through a narrow single passage all the way from Kirklin to the outskirts of Logansport.

No Chicago or Indianapolis newspapers arrived here on Monday but none of the deaths were attributed to that fact.

The thaw of Tuesday and today has removed most of the traces of the most violent Spring snowstorm in years but its unpleasant memories will linger on. Spring can't be far behind!

## Dr. Fred Schwarz, Anti-Communist Lecturer, At CMA

Noted anti-Communist lecturer Dr. Fred C. Schwarz will speak at Culver Military Academy during a series of appearances Wednesday and Thursday, April 19 and 20.

Dr. Schwarz, president of the Christian Anti-Communist Crusade, is currently on his seventh world lecture tour and will discuss various issues of his challenge to Communism during his two days at Culver.

The lectures will be open to the public and will be held in the Eugene C. Eppley Auditorium. The Academy is inviting clubs and civic organizations in the area to hear Dr. Schwarz.

### CULVER TOWN PLAN COMMISSION MEETS

The Culver Town Plan Commission met at 7:30 last evening in the Town Hall.

### WALTER A. WISE IN FORT WAYNE HOSPITAL

Walter A. Wise, formerly of Culver, has been admitted to the Veterans' Hospital, 1600 Randall Drive, Fort Wayne, for surgery.

The newspaper is the only medium that works 24 hours a day to bring the advertiser's name to the public.

## Beloved Episcopal Pastor At Plymouth

### MARSHALL COUNTY HAS NO MORE BELOVED SPIRITUAL LEADER

William C. R. Sheridan, pastor of St. Thomas' Episcopal Church at Plymouth, where more than 25 Culver families worship regularly. Rector of the 101-year-old church for 14 years, Father Sheridan is well known and highly popular in this area, for several years having been the "unofficial" chaplain of the more than 125 Episcopal cadets at the Culver Military Academy. His civic leadership in the county seat has been so exceptional that our columnist, Al Spiers, singled him out for a two-installment "Hoosier at Large" salute two years ago. Father Sheridan is particularly proud of the newly completed addition to St. Thomas' parish house, fully described and pictured elsewhere in today's paper.

## Don Davis Elected PTA President

Don Davis was elected president of the Culver-Union Township PTA for the 1961-62 school year at the final PTA meeting of the term held last week in the High School Auditorium.

Earl Dean Overmyer was elected vice-president. Mrs. Clarence Bair was named secretary and Mrs. Melvyn Estey will retain her position as treasurer.

"Davis has long been interested in the present problem of school reorganization and we welcome him and look to him for direction in the coming year," James Miracle, retiring president, said. Davis, a prominent Culver citizen, is a Culver High School and Indiana University graduate. He locally operates a dairy farm. He is a member of the Chamber of Commerce and Lions Club.

Miracle made formal announcement of the school wide Open House to be held on Friday, May 5. Grades 1 through 12 will participate. The Open House schedule will begin at 7:30 p.m. with teachers in their rooms for consultation and visiting.

Retiring PTA officers are Miracle, president; Marshall Brown, vice-president; and Mrs. Edward Easterday, secretary.

## Mary Leland, Age 62, Dies After Illness

Mrs. Mary M. Leland, 62, Route 4, Plymouth, mother of Mrs. Ray (Daralys) Kline of Culver, died at 4:45 a.m. Friday, April 14, in Marshall County Parkview Hospital after an illness of six months.

Born June 23, 1898, in Pulaski County, near Winamac, Mrs. Leland lived on Route 4, Plymouth 43 years. Her parents were Louis and Alice Haschel Prechtel. In August of 1918, she was married in Marshall County to Lawson Leland, who died April 6, 1957.

Mrs. Leland was a member of the Poplar Grove Methodist Church and the WSCS of the church. She was also a member of the Rutland Community Circle and the Whippoorwill Ladies Aid.

Surviving are another daughter, Mrs. John (Delores) Yaki-micki, Grovertown; two sons, Lester Leland and Lloyd Leland, both of Route 4, Plymouth; three stepdaughters, Mrs. Marjorie Kendall, South Bend, Mrs. Nicholas (Marietta) Kosloff of Venice, Calif., and Mrs. Orville (Louise) Vorels of Argos; 25 grandchildren; and seven great-grandchildren.

Services were held at 2 p.m. Sunday at the Poplar Grove Methodist Church with the Rev. W. Ray Kuhn, church pastor, officiating. Interment was made in the Poplar Grove Cemetery. The Grossman Funeral Home in Argos was in charge of arrangements.

## Emil A. Leader Dies In Hospital At Age Of 83

Emil A. Leader, 83, of 152 Leader St., Culver, died early Friday morning April 14, at Parkview Hospital, Plymouth, where he had been a patient for several days.

Mr. Leader, a retired Chicago policeman, was born March 20, 1878, at Medaryville, Ind. He had resided in Culver since his retirement from the police force in Chicago and was a member of the Culver Masonic Lodge.

Surviving relatives include a sister, Mrs. Lydia Tiedt, Syracuse, and several nieces and nephews.

Services were held at 2 p.m. Sunday at the Easterday Funeral Home in Culver with Rev. V. L. Palmer, pastor of the Emmanuel Evangelical United Brethren Church, officiating. Burial was made at the Culver Masonic Cemetery.

## JEAN WARNER TO ATTEND ANNUAL YOUTH CONFERENCE

Jean Warner, 220 Summit St., Culver, is registered for the 29th annual Youth Conference to be held at Taylor University, Upland, Ind., April 14-16.

Registration is limited to 1,000 people between the freshman year in high school and 23 years of age. The event will include six mass meetings in Maytag Gymnasium and a series of discussion sessions in which visiting youth will be divided into approximately 35 groups to discuss practical problems which teenagers face today.

**SOME SHAKERS** — Back in 1949 Joseph Suttmiller, while on a trip to Michigan, purchased two sacks of peanuts and with them got a pair of salt and pepper shakers as a gift. He brought them home to his wife, Betty, in Batesville and that was the beginning of a collection of shakers that now numbers 975. The Suttmiller collection includes shakers from Mexico, Japan, Germany, Italy, and France and also many places in the United States.

### Woman's Guild Have Enjoyable April Meeting

The Woman's Guild of Grace Church met April 13 in the social rooms. The meeting was opened by the president Mrs. Peter Onesti with a poem by Sara Henderson Hay. Mrs. Onesti then conducted the business meeting.

Mrs. Antal Marton was reported in the hospital and Mrs. Edward Easterday on the sick list. Mrs. Augusta Newman appreciates hearing from friends.

The birthdays of Mrs. D. H. Smith and Miss Esther Stahle were observed along with the 50th wedding anniversary of Mrs. Perchis Blanchard.

The program began with a hymn and Miss Margaret Swanson gave devotions followed by meditations and prayer. Mrs. Smith offered quotations and then reminisced of years gone by. Mrs. Cleo Ringle sang a solo accompanied at the piano by Miss Swanson.

Mrs. B. E. Zechiel gave a book review on the topic of the evening, "Unity Among Churches." Mrs. Fred Banks spoke on our part of unity in our local churches. Mrs. Lester Brown gave a closing thought on working together.

Mrs. Ringle played the closing hymn, "Sweet Hour of Prayer" with variations and Mrs. Asher Long led in the Mizpah benediction.

Refreshments were served at tables attractively decorated with centerpiece of asters and individual nut and mint cups under a miniature umbrella. Serving on the refreshment committee were Mrs. Zechiel, Mrs. Brown, Miss Swanson, Mrs. Roy Strahm, Mrs. Banks, Mrs. Long, Mrs. Smith, and Mrs. Ringle.

WILLIAM ALEXANDER  
FLEET POST 103  
AMERICAN LEGION  
AUXILIARY

By Matilda Taylor

Patricia Ruby, president of the Auxiliary, wishes to take this opportunity to thank all of the ladies and Legionnaires for their kind and gracious assistance in serving the Monterey Lions Club on Tuesday evening, also the ladies who baked the pies.  
Don't forget the Auxiliary is sponsoring a party at Westville Hospital on Friday, April 28. Please get Bingo prizes and refreshments to Maybelle Reed. Thank you.

TOM WALKER HAS FINAL SURGERY

Tom Walker, West 17th Road, Culver, underwent final surgery last week on his right hand which he injured six months ago in a corn picker accident at his farm home which necessitated the removal of the two outside fingers.  
Tom returns tomorrow to Parkview Hospital in Plymouth for removal of stitches and hopes in a matter of a few weeks to be back to work.

Spring Titles From The Culver Public Library

"Gardening With Shrubs" by Mary Deputy Lamson. Shrubs properly chosen and planted are the busy man's kind of gardening. The author, from long experience as a practicing landscape architect has acquired a deep understanding of what home owners need to know about shrubbery planting. Lists and suggestions for grouping around the house, along walks, as hedges or in other locations. An excellent book which explains with clarity the selection and use of ornamental shrubs and trees.

"How to Landscape Your Grounds" by Loyal R. Johnson. The small property owner who would like to develop a garden setting for his home will find this book an excellent guide. It explains by easy stages from careful planning before planting, to locating and construction. Treatment is given for walks and drives, grading, building of lawns, flower gardens, rock gardens, and selections of trees and shrubs. There are many planting plans for all sections of the country. Featured are the select lists of shrubs, acid soil plants, trees and vines.

"The Garden In Color" by Louise Beebe Wilder, has over three hundred full-color photographs of flowers, trees, shrubs, and flower arrangements. The book is arranged according to seasons, and includes advice about growing the plants illustrated.

In 1891, a special detachment of U.S. Marines was assigned to the Navy's Pacific Squadron to halt the wholesale destruction of seals in the Bering Sea by poachers operating out of season.

The Rev. Moriseau To Speak At CMA Chapel Sunday

The Rev. Robert E. L. Moriseau, assistant rector of St. Peter's Episcopal Church, St. Louis, will deliver the guest sermon at Culver Military Academy Chapel services at 10:20 a.m. Sunday, April 23.

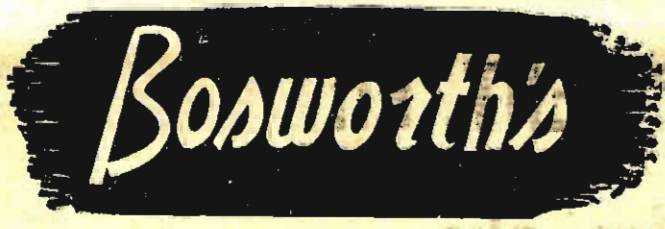

The Rev. Mr. Moriseau will serve as guest minister at Culver in the absence of the Rev. Allen F. Bray III, Academy chaplain, who will deliver the guest sermon during 9:30 and 11 a.m. services the same day at St. Peter's. Chaplain Bray is in St. Louis along with the Academy Chapel Choir, which is scheduled to sing during the services at St. Peter's.

Lieutenant Colonel Roy R. Van Dusen, professor of military science at the Academy and also a lay reader in the Episcopal church, will conduct the 10:20 a.m. service. The Rev. Mr. Moriseau will celebrate Holy Communion in an earlier service at 8 a.m.

## "Human Nature" Applies To The Business Outlook

### From Hoover To President Kennedy

By ROGER W. BABSON  
No. 1 U.S. Economist  
BABSON PARK, MASS. — I am writing this column to further emphasize that Presidents do not make or unmake conditions; but that conditions make or unmake Presidents.

This will be tested in 1961 and perhaps at the next Congressional election in 1962. The Democrats are counting upon the various stabilizing measures which have been passed by Congress since 1930 and even before the depression from which Mr. Hoover unjustly suffered. Let me enumerate 10 of these topics.

1. Social Security, which provides billions of dollars annually to millions of people in pension and dependency payments. This should be a real stabilizer and prevent certain unemployment which would otherwise surely occur.

2. Unemployment Insurance. Presently about 45 million workers are entitled, in an emergency, to unemployment checks from their states. Added to this, most states give old-age relief to especially needy persons. This latter will be pressed by President Kennedy's proposed old-age-aid legislation.

3. Farm Price Supports, for which several billion dollars are distributed annually to the farmers of the nation. This money will largely filter through to farm labor which otherwise would be reduced. Hence, this should help as an employment stabilizer.

4. Insuring Bank Deposits. Shortly after Mr. Roosevelt took over the Presidency in 1933, nearly every bank was temporarily closed to prevent more bank failures and alleviate the financial panic then developing. The country was shocked. This resulted in legislation to insure bank deposits up to \$10,000 and to provide more careful supervision of banks. This restored confidence and helped to stabilize employment.

5. Mortgage Loans were formerly written for 5 or 10 years at a rate of around 6 percent. Now legislation permits them to be written for 20 years or more at an average rate of 4½ percent. This surely is a stimulant to building

and real estate, and hence to employment.

6. The Securities and Exchange Commission was established to eliminate "bucket shops" and to give investors confidence to buy good securities. Probably the Mutual Funds, which have had such a tremendous growth during the past few years, were greatly stimulated by the SEC. This helped employment by resulting in the incorporation of new companies.

7. Government Spending was greatly expanded and the money mostly comes back to the people after the Government receives taxes from the contractors. This has been the greatest stimulant of employment. Although I pray for peace, I shudder to think what will happen when this "shot-in-the-arm" no longer exists.

8. Checking Wall Street Speculation. Speculation under controlled conditions is a good thing. It enables an investor to have a market available to buy or sell stocks. But before 1929, very little margin was required, so that almost every stenographer and elevator operator was buying stocks.

Starting at 55 per cent in 1936, margin requirements have subsequently been dropped to as low as 40 per cent and raised as high as 100 per cent; are now 70 per cent. These under the Federal Reserve System stabilized Wall Street and again gave it a good name.

9. Labor Unions were encouraged by Franklin Roosevelt. They prevented wageworkers from becoming panicky and management from unnecessarily cutting wages. Although certain labor leaders now go too far, these unions stabilized wages, from which the country then benefited.

10. Inflation — This may become the most potent of all; but it needs no description here.

#### Florida's Orange Groves

When I am in Florida, I look out on acres of orange groves which are being sprayed to kill worms which destroy the fruit. I once asked the foreman in charge how many times he sprayed. He replied, "Now we must spray three times each season because the worms and flies get immune to the old sprays, and we must continually find and try new ones."

Now this is how "human nature" applies to the business outlook.

Preceding periods of U.S. prosperity did not have the artificial stabilizers that our present period has, but they had others.

For instance, the Prosperity Era of 1848-1858 was inspired by the famous Discovery of Gold in California.

The post-Civil War Prosperity was stimulated by great railroad building.

The Prosperity Era of 1898-

O. T. SMITH  
TREE SURGERY  
AND LANDSCAPING  
W918 Long Point

1906 was stimulated by consolidations.

In all cases, the stimulator or stabilizer was not removed.

Gold continued to come from California, the railroads continued to operate; and we continued to enjoy the development of oil and electricity. But we finally became immune to all these stimulations and stabilizers . . . because there was no change in human nature.

What Is Human Nature?  
Frankly, I do not know how to describe it. It seems to take centuries to change human nature 1%.

Comparing today with the days of the Persian, Grecian, or Roman Empire, people seem to have the same swing from depression to recovery, then to prosperity; and back again to decline and depression.

This is now called the "Business Cycle" — but it is only human nature, which intrinsically is ambitious and selfish, then discouraged and prone to failure; which always overreaches and then learns only by suffering.

#### History Of Depressions

Stimulation has always helped get nations out of depressions.

During the days of Columbus it was the Era of Discovery which saved Spain; it was the Thirty Years' War which saved Austria; and our own Revolutionary War was the stimulus for the founding of the United States.

But — both as races and as nations we seem to become immune to discoveries, inventions, and legislation. We get used to these things.

"Eaten bread is soon forgotten" is an old but true saying. I therefore feel that we Americans will someday get used to the ten artificial stimulants mentioned early in this column.

#### Cold War Responsible

Of course, it takes time for human nature to work. Furthermore, so long as the cold war lasts it may be necessary for the United States to provide full employment and continued prosperity; but the end must come someday.

## Ind. Gets Most of March of Dimes Funds

THE FIGHT AGAINST CRIPPLING goes forward on many fronts with funds raised through the March of Dimes. The scientist in the laboratory seeks answers on the slides under a powerful microscope. The doctor in his office brings to bear all of medicine's present knowledge to relieve pain and crippling for the individual patient.

NEW YORK, N. Y.—The state of Indiana has been the principal beneficiary in the allocation of March of Dimes funds raised in the state over the past 23 years, it was disclosed today in a financial summary prepared by The National Foundation.

More than 60 cents of every dollar from Indiana's March of Dimes has been put to use in aiding the state's disease victims and in research and education projects conducted by Indiana institutions. Of the remaining 40 per cent accruing to the national headquarters, a considerable amount also has come back to Indiana in shipments of polio vaccine and gamma globulin and in other nationwide services conducted by the National Foundation.

The summary covers the

period since the first March of Dimes was held in January, 1938, and compares the net total of funds raised in the state with amounts made available to Indiana through Sept. 30, 1960.

In this period, Indiana's 92 chapters of the March of Dimes organization raised a net total of \$11,808,183.93 at an average fund-raising cost of less than 7½ per cent. Of this amount, \$7,056,900.02 has been available to the county chapters in carrying out their extensive patient aid programs, including advances of \$2,023,671.38 from the national office to meet local emergency situations.

In addition, grants totaling \$29,359.35 have been made in the state in support of research and professional education projects, principally to Indiana University, which has received \$20,730.14.

Over and above the 60 per

cent used by institutions and county chapters in the state, The National Foundation has financed within the state projects such as the historic field trials which proved the effectiveness of the Salk vaccine, epidemiological studies and scholarship or fellowship grants to Indiana residents. National headquarters' expenditures for the vaccine trials in Indiana amounted to \$126,225.11. In addition, the national office has sent into Indiana \$130,919.43 worth of Salk vaccine and 304,986 cc's of gamma globulin in support of its polio prevention programs.

Two years ago, the National Foundation for Infantile Paralysis changed its name to The National Foundation in expanding its areas of interest beyond polio to include birth defects and arthritis, using the scientific knowledge and experience gained in the fight against polio.

## Academy Sports

Last weekend's storm threatened to mar the opening of the Culver Military Academy baseball season here Thursday when Dr. Russell Blair's Eagle nine has a scheduled date with Winamac High School.

The baseball team saw its first official action of the 1961 season Saturday in an intra-squad game, one of three Academy sports activities that managed to beat the two-day snow storm. But Academy coaches are doubtful about the Winamac game due to wet grounds as well as the opening of the golf season here Saturday against Delphi.

In other sports engagements this week, the tennis team will seek its second victory in a row Thursday against Plymouth here and then travel to Logansport Saturday, the track team is at Fort Wayne Saturday for the North Side Relays, and the baseball team may have to postpone its opening until Saturday when the Eagles go to South Bend for a doubleheader with Riley High School.

### Tennis Team Beats Howe

Coach Ted Clarno's tennis team, hoping to better last year's 5-1 record, opened up last Saturday with an impressive 6-1 triumph over Howe Military Academy in a match here. The team got unexpected help from a new cadet from Ecuador, South America, when Carlos Gallardo took over the No. 1 spot on the squad and won his first match impressively. The lone defeat against Howe came in doubles competition.

The Academy track team evened its record at 1-1 when it suffered a 67-42 defeat by Horace Mann School of Gary here Saturday. Ed Hayward and Jim Wilson won the only two first places for Culver. Hayward ran his best time to win the half mile in 2:04.6 while Wilson did 20 feet, 7½ inches to win the broad jump.

## Menominee Explorer Cabinet Elects Officers

The Menominee District Cabinet of the Boy Scouts of America met Sunday afternoon April 9, at the Presbyterian Church in Plymouth. The cabinet is made up of two representatives and the advisor from each Explorer post in the district.

The district cabinet officers were elected for the 1961-1962 year as follows: Larry Joe Clark, Post 210 North Liberty, chairman; Vern Forsythe, Post 246 Bremen, vice chairman; and Loren Berkshire, Post 291 Tyner, secretary.

Neil Crist, Post 261 Culver Military Academy, was elected the cabinet delegate to attend the Regional Delegate Explorer Conference to be at the Great Lakes Naval Training Station on May 5-6-7.

The cabinet selected and began planning several Explorer district activities. The Explorers will have a service day at the Meyers Lake Reservation on May 13 to help fix-up and to complete several projects.

A district Explorer swim meet was scheduled on May 7 at Culver Military Academy. The Explorers will meet at the Academy to view the grand parade, then join with the cadets at the mess hall for lunch. Following lunch, they will prepare for the swim meet.

A tour of the Standard Oil Refinery at Whiting, Ind. was planned to be held on June 2. The group will leave by bus early Friday morning and return late the same afternoon.

The next District Explorer Cabinet meeting was set for July 16.

In March, 1800, the first U. S. Marines were assigned in Washington for the purpose of guarding the construction of the Navy Yard there. Two years later Washington was established as the U. S. Marine Corps' headquarters.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Probably no action in Washington will continue to raise so much controversy, as the veto of the bill that provided for \$251 million in loans, grants, and job retraining in the distressed areas of the nation.

The funds would have been used in an attempt to help areas such as West Virginia, Tennessee and New England textile mill areas where destruction of adequate protective tariff provisions forced through by State Dept. to permit the national flooding by cheap foreign labor goods have caused hardship.

The rallying cry on the issue will probably be "Billions for foreign give aways, but not one cent for Americans."

Yet, this perhaps will not express the picture accurately. For example, Congressman Donald McGinley of Nebraska voted against the measure in the first place saying "it is difficult for me to justify the whole load of bureaucratic hay that this bill would unload." But he also said "I do believe our first consideration is our problem at home and needs for abroad should not take precedent."

There is in Congress, with the black example of administration of the foreign-give away programs, reluctance to turn sizeable funds over to any kind of a program.

Sen. Wayne Morse of Oregon is perhaps even more outspoken on the matter. He points to both Korea and Turkey as

striking evidence of the failure of foreign give away programs to accomplish anything. These two nations, or rather their recently ousted regimes, between them were given some \$6 billion in foreign give away funds.

But it probably remained for Congressman John Dowdy to come out with a statement really taps the spike on the head.

Congressman Dowdy announces that the U. S. Treasury now reveals that many of the nations receiving billions of Americans taxpayers funds in foreign give away have purchased in turn billions of dollars worth of the higher interest paying United States government securities.

Rep. Dowdy comments with some bitterness "the need for food for hungry people in foreign lands is always brought up, but when we try to amend a foreign aid bill to provide that 25% of its money be used to feed hungry people, the amendment is voted down. This shows that the free wheeling spenders are more interested in spreading their tax dollars abroad than they are in feeding hungry people either at home or abroad."

On several occasions the nation's independent business in nationwide polls of the National Federation of Independent Business have asked for curtailment of foreign give aways.

There are many signs seeming to indicate that a ballot revolt is in the making.

It looks very doubtful if the national policies on foreign give aways, on neglect of the domestic business scene, of the past twenty years will prevail much longer.

## Seniors Prepare For Annual Class Tour

By Janet Martin and Lila Bean  
The Freshmen want you to know that their last activity of the year is a fudge sale, Friday, May 12. Everyone be sure and buy.

Sophomores are now selling tickets for their movie "The Little Shepherd Of Kingdom Come" for 60¢ and 25¢. Everyone is welcome and we hope the movie turns out successful. Buy your ticket from any class member.

The Juniors have been pretty busy lately with the Prom theme, which they have picked, and are now working on decorations. They have also been busy getting ready for the Ham Supper which is Saturday night. We hope for a big success.

The Juniors have taken over concessions now from the Senior class. They're really working toward that trip next year.

The Seniors are intently looking forward to the trip which is April 27, and only days off. They are now scurrying to pay dues, money for points, or any other money owed so that they will be on the train, too, when it chugs away from the station. They're getting any homework papers finished that must be turned in before the trip, and most of all, they're packing.

## Seniors Dream Of Big Trip

By Jean McCoige and Sharon Lindvall  
Four score and many years ago our fathers set forth to New York and had a "blast."

We first began working and saving money for our trip in the freshman year with fudge sales. In our senior year we finished all our money-making projects with the senior concessions after ball games.

Ever since time began, you have heard the story of the wonderful "Senior Trip."

It seemed like every year of my underclassmen years one of my brothers was going on the "Senior Trip." They would come home full me with the most fascinating tales of all the fun and I'll just have to go to the

## Students Believe An Allowance Is Good Training

By Carol Heiser, Sharon Spahr, and Barbara Hatten

A very interesting question was brought up at Culver High this week. Do you think students should have an allowance? At what age should they be put on an allowance, and how much should they get? We found the answers to be very well thought out and reasonable.

Sixteen per cent said "No." Their reasons being that students should earn their own spending money by either working at home or doing odd jobs. Some thought that if they did not get an allowance they could ask for money any time they needed it for something special. Some thought that they should not get an allowance if they did not help their parents at home. This all proves very reasonable and shows ideas of the future.

Ninety per cent said "Yes." Their reason was that it gave students a chance to learn how to budget money. How to spend money is also important to a student. He has to manage his money in order to spend it wisely. This way he is sure he has enough when he needs it for some important reason.

On how much a student should have for an allowance is up to the individual's family. How much he will need during the week? Also how much his family can afford to give him? This is usually decided before an allowance is given out.

Five per cent said that it depended on the individual's family. Some families work money problems out between them and the individual does not need an allowance.

Almost everyone thought that the student should be at least 12-13 years old. Some students are capable of handling money before this age.

Most students thought that a certain per cent of the allowance should go in a savings account. They thought that students should be taught from the beginning to use their money wisely.

Teaching students the value of money is a great task for parents. This is just one of the many problems that face our young people today.

## List Nominees For Annual School Election

By Betty Zechiel and Jean Eikenberry

It is the time of year again for the school election of class officers and clubs.

The election will be sponsored by Mr. Lawson and the senior economics classes on Wednesday, April 19.

The nominations for next year's classes and clubs are as follows:  
Eighth Grade Class — president, Andy Lowry and Larry Washburn; vice president, Ron Babcock and Mark Deckard; secretary, Beck Easterday and L. Ricciardi; treasurer, Greg Osborn and Betty Zeig.

## Warsaw Choir Is Big Hit

By Susan Ruhnow

The 7th period bell rang Wednesday and everyone gathered in the gym. (No 7th period class!) We were being honored today by the Warsaw High School Choir.

The choir, in their black and gold robes, opened the program with the moving song, "These Things Shall Be." Next they sang an American folk song with a rather blue effect, "Every Night When the Sun Goes In," and following was, "Shining Water," the "Indian Love Song."

The next selection was "Pussy Cat," a nursery rhyme novel song, usually dedicated to the small children in the audience, they dedicated it to the teachers! Following was a patriotic song — "Song of the Vagabond."

We then had a short intermission and the choir retired. Shortly after the choir had retired four very talented Warsaw senior girls sang several selections.

Then in came the choir running and singing to the bouncing song of "Hi Neighbor!" Their mood changed as they sang, "We'll Go Along Way Together."

An old type dance and an old song with a new arrangement — "Just Another Polka." We were then put into a mysterious atmosphere with the "Spooky Boogie." Next, an old song popular in the "Roaring 20's" but slightly revised — "Red Wing."

They then treated us with a couple of Broadway comedy hits — "You Are Beautiful," from the "Flower Drum Song" and "The Sound of Music."

A couple from the Warsaw students then gave an enjoyable skit and song act to, "Where Ya Goin' Honey?"

Several other selections were sung, but alas all good things must come to an end. They closed the program with, "May the Good Lord Bless and Keep You."

## Stephanie Mohr Has Perfect Spelling Record

By Pat Wesson

Kindergarten, Mrs. Melton — Richard Sytsma and Paul Bennett treated the morning class to cookies. We would like to thank the mothers who sent toys, games, and puzzles. Joseanne McClure brought her pet rabbit "Pete" to school and Todd Matson brought his baby chicks to visit the afternoon class. We were talking about the diseases the children had had. One child held up his hand to report he had never had "weasles."

First grade, Miss Cripe — On April 8 the class celebrated Michael Fetting's birthday with a party.

Second grade, Mrs. Allen — David Schrimsher celebrated his eighth birthday on April 9.

Third grade, Mrs. Carter — Steve Osborn had a birthday on April 7 with a party at his home. We have bird pictures on the bulletin board and we made bird posters to decorate our room. In arithmetic we are learning to divide two figure numbers. In science we are learning about the uses of water.

Third grade, Mrs. McLane — Paula Haenes and James Baker will each have a birthday on April 15. Paula's will be celebrated at school. The children had a project we call "Exhibits from Foreign Lands." As the children bring in articles they show the country on the map and tell something about it.

Fourth grade, Miss Mahan — The following children received a gold star because they did not miss a word in spelling during the past six weeks: Jeffery Adams, Gregg Everett, Sara Hoesel, Peter Mars, Marc Matson, Stephanie Mohr, Bea Napier, Steven Snyder, Danny Spencer, James Miracle, and Pamela Welsh. These children received silver stars because they missed one word: Douglas Hartz, Tommy Osborn, Perry Smith, and Marilyn VanderMeade. Stephanie Mohr has not missed a word all year.

## Walkerton Band Entertains At CHS

By Sherrill Edgington  
For our April 11 convocation we were fortunate in having one

When I came to school the other day I thought we had three girls in the wrong schools, but it turned out to be just the jackets that they were wearing. I recognized the girls as Sandy Osborn, Shirley Crow, and Sandy Boetsma. You must confess, girls, that you know you like the Culver school better than you do the Monterey and Argos schools.

I know I speak for everyone when I say that we sure enjoyed the band and choir that we heard last week. The band was from Walkerton and the choir was from Warsaw. I'm also positive that any girl from grade seven to twelve will agree that the announcer for the Warsaw choir was very entertaining. I'm still disappointed that we didn't get to see his song and dance.

I guess the five Sunshine girls that went to Columbus for state convention really had a great time. They had some poor driver in Indianapolis worried when he looked next to him and saw a whole car full of women drivers pointing all different directions. When the light changed he didn't wait to see. He probably was out of the county before they decided which way to go.

One of my special informers told me that Susie Muehlhausen had a little trouble after she got in bed at the Columbus Motel. Isn't it a little wet sleeping in cokes, Susie?

The American Legion dance was a real success the other night. They gave away records and had two dance contests. Charlene Lucas and Punk Hand won one and Barb Moore and Mike Miller won the other.

One last thought before I close; only one week until the Senior Trip!

# CMA Honored For Excellence In Teaching Physics

Culver Military Academy has been named as one of 10 U.S. secondary schools demonstrating excellence in the teaching of physics.

The award was made to Maj. Gen. Delmar T. Spivey, USAF (Ret.), superintendent, by the American Association of Physics Teachers High School Awards Committee, under the chairmanship of Dr. Eric Rodgers, dean of the University of Alabama Graduate School.

Along with a certificate from the A.A.P.T., Culver will receive a donation of a piece of equipment from an instrument company.

Factors considered in the selection of Culver and the nine other schools included the curriculum offered in physics, enrollment in these courses throughout four grades, facilities and equipment, and the number and qualifications of teaching personnel. All students at Culver carry 3 1/2 years of science.

**Dr. Johnson is Chairman**

Dr. George O. Johnson, holder of the Eppley Chair in Chemistry, is chairman of the Academy's science department of nine members. In addition to regular courses in biology, chemistry, physics, and general science, the A.A.P.T. took into consideration the PSSC physics course offered by the Academy. In 1961-62, Culver will offer a new course in chemistry sponsored by the Chemical Education Material Study, which is supported by the National Science Foundation.

As part of the Eppley Endowed Chairs Program, five outstanding college physics professors taught at Culver during the current academic year. The professors, who taught at the Academy for periods of from two days to two weeks, were: Dr. C. D. Swartz, professor of physics, Union College, Schenectady, N.Y.; Dr. Paul Rood, chairman of the physics department, Western Michigan University, Kalamazoo; Dr. Kenneth H. Moore, professor of physics, Rensselaer Polytechnic Institute, Troy, N. Y.; Dr. C. J. Overbeck, professor of physics, Northwestern University; Dr. R. B. Lindsay, dean of the graduate school, Brown University.

**GOOD FACILITIES** — A defendant in a support suit in the Carroll Circuit Court at Delphi, was quoted by his ex-wife's attorney as saying: "If I go to jail for not paying this support money, I'll rot in jail and she'll never collect a cent." Judge William B. Smith asked the defendant if he had been quoted correctly. He admitted he had, whereupon the judge remarked: "Very well, you'll get your wish. We have very good rotting facilities in our jail."

# Episcopal Church Parish House Is Rebuilt

## Several Culver Persons On Roll

Of interest to a number of Culver, Leiters Ford, and Knox families was the April 12 visit of the Rt. Rev. Reginald Mallett, S.T.D., Bishop of Northern Indiana to St. Thomas' Episcopal Church at Plymouth.

Bishop Mallett administered the Apostolic Sacrament of Holy Confirmation to a large group of Confirmands including five Culver Military Academy cadets.

**Confirm Three From Culver**

Those receiving the Sacrament of Holy Confirmation from this area were Suzanne Overmyer, Andrew Hodgkin, and Mrs. Carl Raffel, of Culver; and Peter and Stephen Kaudis and Arthur Wiles, of Knox.

Cadets John Bartlett, Edward Hartman, Alexander Turnbull, William Wiggenshorn, and Thomas Brightman were confirmed by Bishop Mallett for the bishops of their respective dioceses.

St. Thomas' is the spiritual home for a number of Culver area families.

Following the service there was a reception and welcome for those newly confirmed. After the reception and refreshments an open house was held for the community. Members of the parish conducted tours of the new facilities.

New construction and the rebuilding of St. Thomas' parish house has been under way since October, 1960. The plans were the work of a Plymouth resident, Arthur W. Thomson, builder and consulting engineer. Mr. Thomson has been a lifelong member of the parish. As his father was before him, he also was once a member of the vestry of St. Thomas'.

**\$70,000 Spent In Repairs**

In addition to the rebuilding of the core of this 101-year-old building, a new two-floor section was added. There are now nine new rooms including six devoted to Christian education. A priest's study, a parish nursery, and a room designed for parochial meetings have also been built. Many hundreds of hours of labor have been given by the men and women of St. Thomas' in "do-it-yourself" work. And there is more to come!

This project is the culmination of more than \$70,000 spent in repairs and beautification of the church, the rectory, and parish house in the last few years.

**Church 101 Years Old**

The "new" parish house-Christian education building was erected in 1860 as the first Episcopal Church in Plymouth. Down through the years many community meetings have been held in this structure.

The pastor of St. Thomas', the Rev. William C. R. Sheridan, has served the parish and Plymouth area for 14 years.

Father Sheridan was appointed to St. Thomas' in 1947 by Bishop Mallett. He was ordained to the priesthood in 1943 to the Diocese of Baltimore, Md., and was transferred to this diocese two years later.

Father Sheridan and Mrs. Sheridan (the former Miss Rudith Treder of Milwaukee, Wis.) live in the 80-year-old rectory next door to the church. They have five children: Elizabeth, Margaret, Mary, Stephen, and Peter, all of whom attend the Plymouth schools.

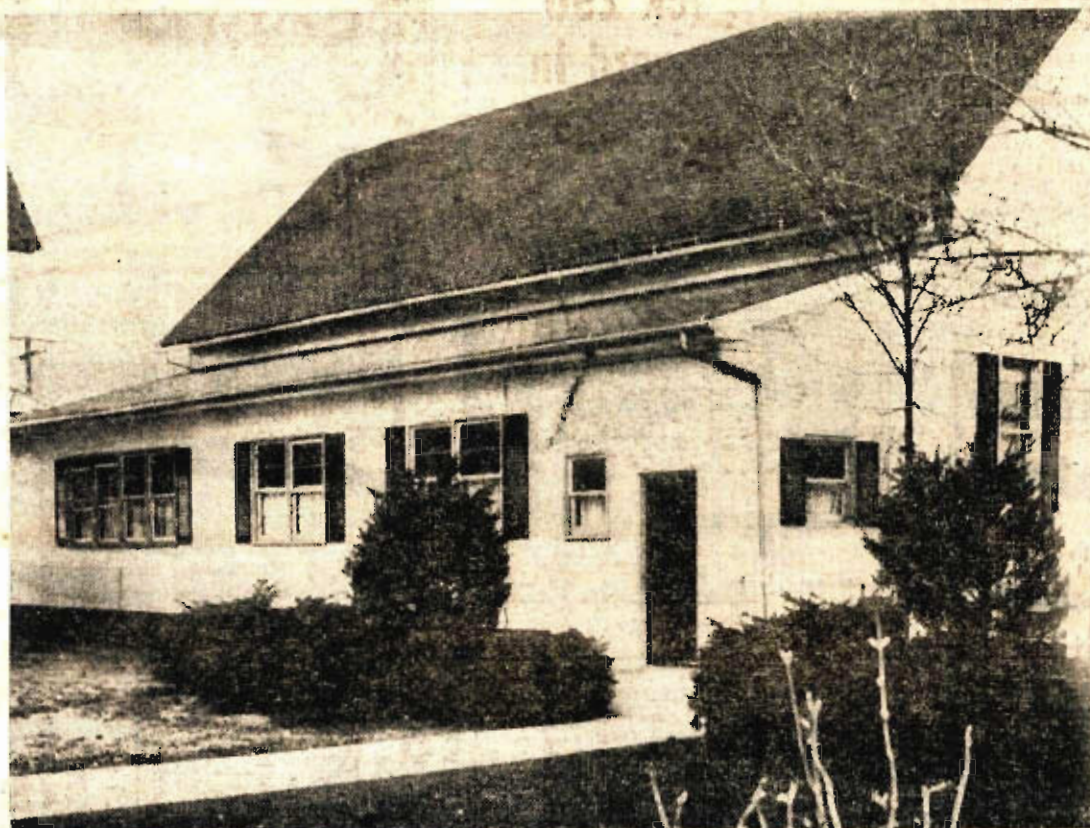

**A Distinguished Bishop**

Bishop Mallett is known far beyond his own Northern Indiana diocese. Within the 40 million member Anglican Communion he has been given a number of duties which have carried him far away from South Bend, his See city. On two different occasions, Bishop Mallett has been entrusted by the Archbishop of Canterbury to carry out important missions in Europe.

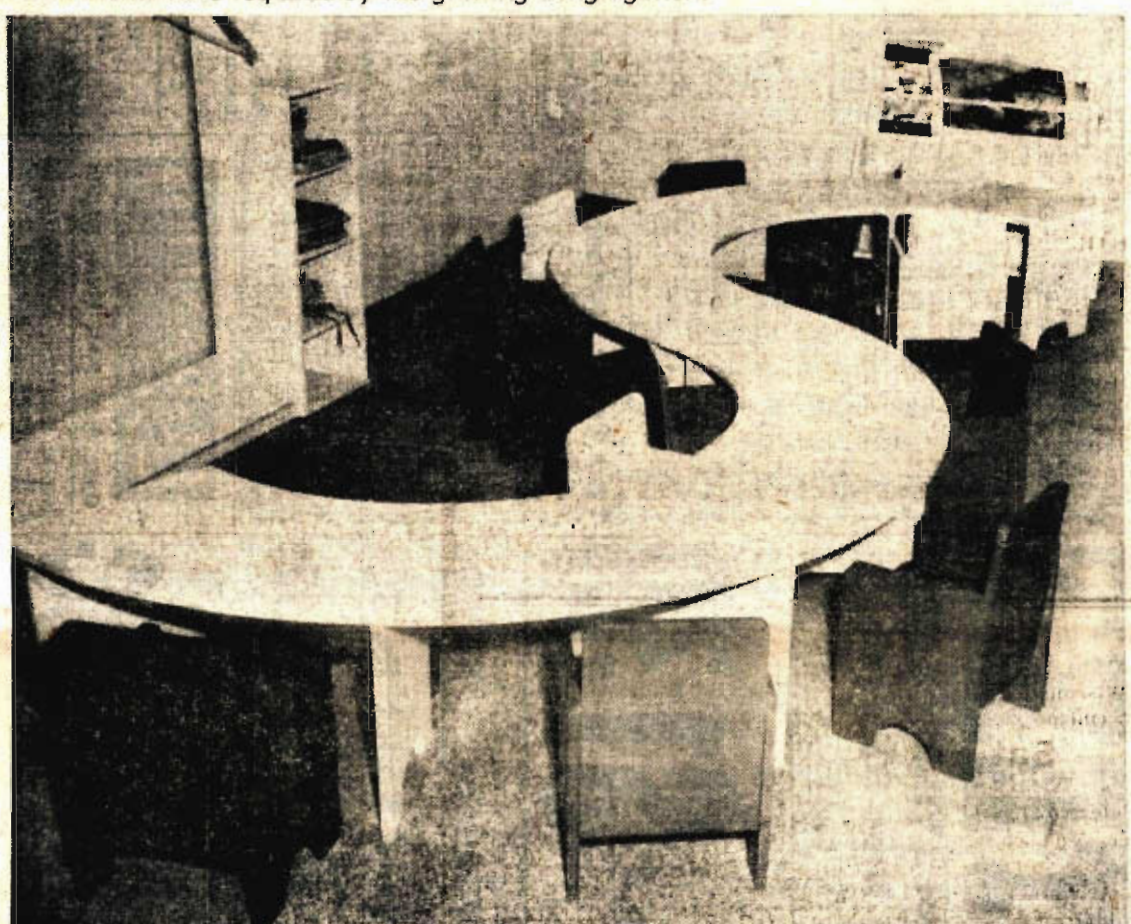

He is a personal friend of His All-Holiness, Athenagoras I, Supreme Patriarch of the Eastern Orthodox Church, and has visited him in Istanbul, Turkey. When the Anglican Communion recently observed its 100th anniversary in Japan, the Archbishop of the Japanese Province personally requested that Bishop Mallett represent the American Episcopal Church at the celebration. There have also been extra assignments in the Anglican Provinces of England, Scotland, Wales, and Korea.

The Bishop of Northern Indiana is, in addition, "Episcopal Visitor" to the Order of St. Benedict.

## HOOSIER HAPPENINGS

By Harold Hanson

**WATER AND GRAIN** — A three-year study by Purdue University reveals that the St. Lawrence Seaway has resulted in an increase of Indiana grain products shipped by trucks. The report shows that 40 per cent of Hoosier grain now reaches market by truck, an increase of 11 per cent over the period covered by an earlier study. Rail shipments declined accordingly.

**ALARMING** — As an Elwood man was preparing for bed a fire truck responding to an alarm pulled up near his home on South L Street in Elwood. "I'm going out to see what's going on," he yelled to his wife. She screamed, "But Bud," but before she could say anything more her husband dashed out wearing only the top of his pajama suit. Bud attracted more attention than the fire before he ran back into the house.

Rev. Smith chuckled heartily. "You'd better get used to it, Mom," he laughed. "This is your year."

**"OUR YEAR,"** said Frances shyly. Briefly their eyes met — a telling glance that bridged the gap between them with love and understanding.

In mid-April of 1959, Governor Harold W. Handley formally gave Mrs. Smith her "Mother-of-the-year" award.

"Gracious, I've had too much attention already," she told the governor.

False modesty? Not a trace! "I've me," Mrs. Smith's words came straight from a noble heart. She's that kind of

## Cub Pack 290 Wins Award In Scout-O-Rama

Culver Cub Pack 290 was awarded a first place blue ribbon in the Menominee District first annual Scout-O-Rama held Saturday in the National Guard Armory in Plymouth.

More than 4000 persons from the area attended the seven-hour show sponsored by the Tri Valley Council, Boy Scouts of America. The Menominee District includes all of Marshall County and part of St. Joseph County. Boy Scout Troops, Cub Packs and Explorer Units participated in ticket sales and finally the show. There were 40 booths and displays ranging from Scout movies to bird cage give-aways.

Pack 290 was one of seven Cub groups winning the first place award. Ribbons were awarded on a basis of total points won. Displays were judged for attractiveness of exhibit, attendance of correctly uniformed Cubs, courteousness of Cubs, development of subject. A blue streamer was given for a total of 90 to 100 points. A red streamer, for second place, was awarded for a total of 85 to 90 points. Culver Boy Scout Troop 290 won this distinction.

Pack 290's theme was built around Monthly Den Projects. Each Den contributed its most outstanding monthly projects for the past season. They were: November, New Worlds, Den 2; December, Guiding Stars, Den 9; January, South America, Dens 9 and 10; February, Genius Month, Dens 1 and 3; March, Railroaders, Dens 6 and 8; April, Air Adventure, Den 5; Knot Display, Webelos, Tote bags, stenciled by the Cubs working in the exhibit, were given free to spectators.

Seven Cub Scouts in Culver will be awarded tie slides for each selling at least 10 tickets. James Miracle, pack chairman, estimates that Cubs sold over 200 tickets in this area.

Boy Scout Troop 290 met at the Methodist Church Fellowship Hall Monday evening with 14 Scouts, two leaders, and the committee present.

Opening ceremony was given by the Rattlesnake Patrol and followed with Scoutercraft given by the Hawk Patrol. Games followed.

Second At Scout-O-Rama

Troop 290 won a second place award in the Scout-O-Rama held last Saturday at the National Guard Armory in Plymouth with their project on the canoe merit badge.

Summer Camp

Scouts will go to Camp Tamarack this summer July 23 to 29 with a total cost of \$18.50. The Troop will pay half of this cost, thus making the cost to each boy amount to \$9.25. Each Scout that plans to attend camp should get an application from the Scoutmaster and pay as soon as possible \$5.00 of this \$9.25 charge.

Frank Sheppard was the winner of the contest for the most information on the tar weed and was awarded a soda from Dean Smith and Kent Walstead.

## Do You Remember 'Way Back When'?

Highlights of Culver News of 10, 20, 30, 40, and 50 Years Ago This Week

### APRIL 18, 1951—

The Culver High School Band and Chapel Choir scored a clean sweep in the State Music Contests at Knox last Saturday.

Marilyn Tasch, Culver High School senior, placed in the top 10 contestants in the Indiana Regional English contests held March 30.

Richard S. Hunter, a Lake Maxinkuckee summer resident, died suddenly of a heart attack Tuesday morning at his Indianapolis home.

Local Red Cross drive nets \$1,022.

Marilyn Hook, Culver High School junior, will reign as 1951 American Legion Carnival Queen.

Mr. and Mrs. Ted Strang announce the birth of a son April 17.

Mr. and Mrs. Arthur Schweidler are the parents of a daughter born April 15.

### APRIL 16, 1941—

Dr. E. Roy Porter, Bridgman, Mich., died in the St. Joseph, Mich., Sanatorium April 15 following an illness of several months.

Mrs. Mable Reisb Milliser, 56, died today after a year's illness in her home south of Leiters Ford.

Miss Ernestine Benedict, daughter of Mr. and Mrs. Ernest E. Benedict, and Paul R. Renz, son of Mr. and Mrs. Henry Renz of Lapaz, were united in marriage April 12 at the Methodist Church in Maxinkuckee.

Robert Traver and Eugena Porter have received notice that they have been awarded state education institution scholarships. Eugena will attend Indiana State Teachers College at Terre Haute, and Robert will go to Purdue University.

Norman LaMunion of Burr Oak took over the duties of county recorder Monday when County Recorder Herbert Peterson left for a year's training in the army under the Selective Service Act.

The weatherman joined in the observance of Easter by providing the finest weather recorded on that date. The temperature reached 86 degrees.

### APRIL 15, 1931—

John M. Wickizer, 57, lifetime resident of Argos and editor of the Argos Reflector for the past 10 years, died at his home Monday.

When the Culver baseball team takes to the field on May 3, in its first game of the season, it will be arrayed in nifty new suits according to the manager Dick Loudon.

Mr. and Mrs. Albert Quivey announce the birth of a daughter, Marylee, April 12.

Over one hundred persons, representing every section of Marshall County and even some adjacent counties, inspected the new Marshall County Hospital building at Plymouth Sunday at the formal opening inspection day.

Lt. Paul Royalty of the Academy faculty has been awarded the Brown Gift Scholarship which consists of full tuition at the University of Michigan and \$500 in addition.

After being ill but four days, Alfred Wilcox, 21, died at the Rutland home of his father-in-law, J. W. Hooton, Thursday evening. He was married to Miss Naomi Hooton on April 4.

### APRIL 20, 1921—

Whooping cough and house cleaning are engaging the energies and trying the patience of the mothers of Culver.

Charles Bixel closed his grocery Saturday night. It will be reopened April 30 by the new managers, Barclay and Simpson.

The high school basketball team and their coach and other supporters were treated to a chicken supper Thursday night by the Retail Merchants Association. About 25 were present.

Monton H. Foss and Ada C. Gill, both of Culver, were married last week.

The supposition is that the snow and cold weather of last week on Saturday and Sunday finished up the fruit. The temperature stood at the freezing point all day Sunday. Monday it was 28 with a heavy frost.

The owners of the Bay View property have been at the Lake overseeing some improvements of the building. It will be remembered that it was made into four apartments last fall. Thus four of the old-time hotels which were popular resorts in their day, have gone out of business: the Chadwick, the Arlington, the Norris House, and the Bay View.

### APRIL 20, 1911—

Easter weekend, which included the opening of the new \$125,000 Mess Hall, brought great crowds to the Academy.

Miss Grace Jones and William Cook were married at the home of the bride's father, Frank Jones, Sunday noon.

W. S. Easterday has put a cement curb and laid a wide sod terrace along the north side of

his residence property.

The Lake View Hotel will not be managed this summer by the Pennsylvania Railroad Company as in the past seasons.

Mrs. Sarah Ann Calhoun died Sunday morning at her Culver home at the age of 81.

The victrola concerts at Slatery's have been attracting audiences during the past few evenings.

Dave Smith's Buick car is handsome with its rich brown body and yellow wheels.

From where I sit ... by Joe Marsh

## Silence, Please!

Cap Edwards' little boy started taking saxophone lessons a few weeks ago, and they tell me the noise on Upper Main Street was pretty bad.

Then, one afternoon, the Edwards' house was quiet again, and Mrs. Jackson next door figured the boy must have given up tooting his horn. Next time she saw Sis Edwards she asked her about it.

"Well," Sis said, "we knew that racket must be driving you folks crazy. So Cap got a soundproof telephone booth from the phone company second-hand. Junior practices in it to his heart's content. Even I

don't have to hear him!"

From where I sit, Cap is living up to one of our oldest American principles — respect for a neighbor's privacy and feelings. You can be sure a thoughtful man like this never tries to force his opinions and preferences on anyone. He's the sort of man who'll go out of his way to have a bottle of beer ready to serve his guests even though he may not prefer beer himself. We can all learn a "lesson" in tolerance from Cap's phone booth.

How hope is strengthened through spiritual understanding of the Bible will be brought out at Christian Science services Sunday.

Readings from the Bible in the Lesson-Sermon on "Probation after Death" will include this passage from Romans (15): "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 446): "To understand God strengthens hope, enthrones faith in Truth, and verifies Jesus' word: 'Lo, I am with you always, even unto the end of the world.'"

The Golden Text is from Revelation (3): "He that overcometh, the same shall be clothed in white raiment."

## Youth For Christ Rally To Be Held Saturday, April 22

"Something To Die For," one of the latest Gospel Films productions, will be featured at the Marshall County Youth For Christ Rally Saturday, April 22, 7:29 p.m. in the Lincoln Junior High School.

This film is based on actual case histories of Chinese Youth, and filmed in the simple Oriental beauty of Singapore.

Coming with the film will be Jimmy Ho from Singapore. This young man plays the part of the main character in the film and will be presenting the problems of the teenager in a land far different from ours.

Also on the program will be the Gospel Four Quartet from Bethel College.

**UNEMPLOYMENT INSURANCE CLAIMS SHOW NET INCREASE OF 3,960**

Much of the 3,960 net increase in unemployment insurance claims last week was the result of initial claims filed by persons laid off earlier this year but ineligible for jobless benefits until the beginning of the new calendar quarter in April.

Lewis F. Nicolini, director of the Indiana Employment Security Division, said 15,036 initial claims were filed, compared to 8,476 the week before, although the largest layoff reported was in the Indianapolis area and idled 1,400 workers for a week.

Claims from individuals out of work a week or longer numbered 75,034, a drop of 2,600 from the week before. The decrease, Nicolini said, reflected the recall of

## CARDS OF THANKS

To all the friends, relatives  
and neighbors, my heartfelt  
thanks and appreciation for the  
many acts of kindness and  
thoughtfulness, cards, letters,  
flowers, and gifts which I received  
during my recent illness. It means  
more than words can say.  
FRANCES WELSH 16n

Our sincere thanks go out to  
all our friends, neighbors, and re-  
latives for their beautiful flowers,  
cards, sympathy, kind thoughts  
and most of all, their prayers dur-  
ing the illness and death of our  
beloved mother, Mrs. Alice Beat-  
ty. We also wish to thank the  
Johnson Funeral Home for their  
services and the Reader, Jess  
Pettis of Culver for his comfort-  
ing words.

#### Students Rank Their Current Favorite Movies

By Mary Jane Gulse  
A survey of favorite movies was  
taken this week in C.E.S. "The  
World of Suzie Wong," "The Ten  
Commandments," and "Swiss  
Family Robinson" ranked first  
and tied on the list. "Ben Hur"  
ranked second along with "South  
Pacific." Others remaining on the  
list with fewer votes were "The  
Summer Place," "Where The  
Boys Are," "The Eddie Duchin  
Story," "Cat On A Hot Tin Roof,"  
and "Third Man On A Mountain."  
Taking a survey such as this  
can prove to be very interesting.  
Personalities and the character of  
an individual are brought out.

#### SOMETHING TO REMEMBER

**WHEN ORDERING PRINTING**  
Before you place your order  
with another printer remember  
that The Culver Press, Inc. also  
gives you or your organization the  
extra dividend of extensive FREE  
publicity in its newspaper, The  
Culver Citizen.

The newspaper is the only  
medium that works 24 hours a  
day to bring the advertiser's name  
to the public.

## Notice

#### TO NON-RESIDENT

No. 28092  
STATE OF INDIANA,  
MARSHALL COUNTY, ss:  
In the Marshall Circuit Court  
January Term, 1961, Ivo Hagen-  
bush, Jr. vs. Dorothy Hagenbush  
Complaint for Divorce.

The plaintiff in the above  
titled cause, by Stevens & Wamp-  
ler attorneys, has filed in my  
office his complaint against the  
defendant; and, it appearing by  
the affidavit of a competent per-  
son that residence of the defend-  
ant by diligent inquiry is un-  
known; that the defendant, Doro-  
thy Hagenbush, is a non-resident  
of the State of Indiana; Dorothy  
Hagenbush therefore hereby noti-  
fied of the filing and pendency of  
said complaint against her, and  
unless she appears and answers  
thereto on or before the calling of  
said cause on Friday the 9th day  
of June, 1961, being the 137th  
judicial day of the January term  
of said Court, to be begun and  
held at the Court House in Ply-  
mouth, Marshall County, Indiana,  
on the First Monday of January  
A.D., 1961, said complaint and  
the matters and things therein  
alleged will be heard and deter-  
mined in her absence.

WITNESS, the Clerk and Seal  
of said Court, at Plymouth, In-  
diana, this 4th day of April 1961  
HARVEY E. PHILLIPS

## Delaware U. S. Senator In Indiana Saturday

HON. J. CALEB BOGGS  
United States Senator  
From Delaware

Principal speaker at the \$3rd annual spring banquet of the Indiana Republican Editorial Association at the Claypool Hotel in Indianapolis Saturday evening will be U. S. Senator J. Caleb

Boggs, of Delaware, former Governor of that state. County Chairman Stewart W. Robertson and his strong arm, Republican worker Homer H. Kemple of Culver, will be among those present.

**TANDEM CARRIERS** — The Northern Indiana Toll Road is conducting a six-month experimental operation of tandem trailer-truck traffic, and it's proving successful, according to Toll Road officials. Twelve automobiles are loaded aboard special "double-bottom" trucks in South Bend and transported to Youngstown, O., where they are reloaded on conventional tractor-trailers for distribution to dealers in the East. Aimed at more efficient service to dealers, the new transport method is compiling a fine safety record as not one of the trucks have been involved in an accident since the experiment began in January.

**RUSH JOB** — An Erie Railroad freight train pulled on a siding in Decatur and the conductor rushed to a dentist's office to seek relief from a severe toothache. The dentist yanked the tooth and the train continued on its way only a few minutes behind time.

**WATER CONSUMPTION** in America today is three times the per-capita level of 1900.

## Headmasters Of Private Schools To Meet At CMA

### Conference Set For Friday, Saturday

Headmasters of 65 private institutions in 14 states will be at Culver Military Academy Friday and Saturday for the 52nd meeting of the Independent Schools Association of the Central States.

Maj. Gen. Delmar T. Spivey, superintendent, will greet the visiting school officials at the opening session at 9:30 a.m. Friday and serve as host during the two-day conference.

The initial session will highlight an address, "The Meaning of Academic Excellence," by Dr. William G. Saltonstall, headmaster of Phillips Exeter Academy, Exeter, N. H.

Lt. Col. Chester L. Persing, association president and headmaster of Western Military Academy, Alton, Ill., will preside during the conference.

#### Many Noted Educators

Joining with Dr. Saltonstall as speakers for Friday's meeting will be: the Rev. Joseph M. McKee, of the Shattuck School, Faribault, Minn.; Thomas Reed, chairman of the science department, Maumee

Valley Country Day School, Maumee, Ohio; James M. Keane, English department, St. Thomas Military Academy, St. Paul, Minn.; Clifford Nichols Jr., headmaster of Sewickley (Pa.) Academy; and Harry Hoey, headmaster of the Cranbrook School, Bloomfield Hills, Mich.

Presentation of committee reports and the election of officers will take place during Saturday's business session. Col. Charles R. Stribling, Missouri Military Academy, will bring the meeting to a close with an address, "The Program Ahead."

Representing Culver along with General Spivey will be Dean Ernest B. Benson, who serves as a member of the association's Evaluating Committee.

**HOT ROD KITTENS** — Four new born kittens that apparently had been stowed away beneath an automobile hood by their mother recently took a precarious ride around Columbus before their plight was discovered. The kittens were found under the hood of Mrs. Philapena Brown's car which was parked on a down town street. Roy Cooper, who found them, said that as he was walking past he heard them whining and, after looking inside the car, finally located them beneath the hood. Mrs. Brown said that as she had driven from home she had noticed the mother cat, which belongs to a neighbor, looking anxiously after the car.
