Pat Meade, An Indiana 4-H Girl, Shows Texans How To Raise Prize Cattle (Final Installment)

IN JANUARY last year a pickup truck carried a determined Hoosier girl, her partner-dad, and a primed, pampered yearling steer from Indiana deep into the heart of Texas.

The girl: Pat Meade, then 17, a pretty, dark-eyed 4-H dynamo who began raising prize cattle at age 9.

The dad: Charles Meade, who breeds registered Angus stock on a Carroll County farm south of Deer Creek, not far from Culver.

The steer: Rowdy, a superb, half-ton short-horn Pat had bought at the Fulton County Fair, skillfully fattened and painstakingly groomed for big league showing.

At Chicago's great livestock exposition, Rowdy had topped all shorthorns — but missed the big "grand champion" jackpot by an eyelash.

NOW THE MEADES aimed to give their butterball steer two more chances in top-drawer shows at Fort Worth and San Antonio.

Pat, already an expert judge of cattle, had great faith in Rowdy. So did dad — but he wisely counseled against building hopes too high.

"Texas judges," he pointed out to Pat, "may take a dim view of Hoosier steers."

AT FORT WORTH, Meade's words seemed prophetic. Rowdy, judged best at Chicago, ran a weak sixth among the Texas show's shorthorns.

Swallowing their dismay, the Meades moved on to San Antonio, spirits droopy. Pat's sagging hopes swiftly rose when Rowdy topped all shorthorns and reached the "grand champion" finals, pitted against winning Angus, Hereford, and Brahma steers.

FOR PAT, the taut suspense of the last judging was tormenting — but it was torment that ended in triumph. This time, Rowdy copped the big prize — grand champion.

But even as Pat's young heart soared it ached. She'd won . . . but she'd also lost Rowdy. Now he'd be auctioned, briefly displayed — then turned into sizzling steaks.

"I JUMPED WITH JOY . . . and then bawled," Pat confessed frankly. "I'd tell myself, 'Be sensible, Pat. All steers are raised to eat.' Then I'd get near Rowdy and tears would flow again."

Part of Pat's pain was eased when Rowdy brought \$6,100 at auction and was given to Boysville, an orphan home, to be raffled.

Then Mrs. Robert Moffett, the raffle chairman, asked Pat to linger a few days to tend Rowdy and help sell tickets where he'd be displayed. Pat cheerfully obliged.

THE FIRST DAY at the raffle booth, one genial Texan countered Mrs. Moffett's ticket pitch with,

Survey Made Of Flow Of Water At Lake Outlet

Sanitation Group On The Job

A survey of the flow of water at the outlet of Lake Maxinkuckee has been made by the Lake Maxinkuckee Association's Sanitation Committee, and a large amount of debris and broken cement slabs has been removed.

The Sanitation Committee, headed by Dr. Joseph A. Hafert and aided by several residents of the South and West Shores, recently inspected the obstruction caused by an accumulation of rocks and broken cement left from the installation of the outlet culverts some time ago.

It was thought such obstruction might be partly to blame for the recent high water level of the Lake.

Waincott and Cox Praised

With the cooperation of Officer Don Waincott of the Conservation Department, and Lake Patrol Officer James R. Cox all of the debris was removed and as a result a greater flow of water from the Lake was obtained.

While this accumulation of debris was not the sole cause of the high water level, the greater part being the result of recent heavy rainfalls, it was felt that the outlet culverts should be cleaned out and a steadier run-off of water obtained.

Will Smith Takes Readings

Will E. Smith, 1034 West Shore Drive, takes daily readings of the Lake water level gauge at the outlet, and reports that there has been some slight lowering of the Lake since the outlet was cleared.

Dr. Hafert and his Sanitation Committee are to be congratulated on their efforts to correct this troublesome situation, as reported to The Citizen by Don G. Trone, the Association's energetic secretary-treasurer.

Lake Association Furnishes New Trash Barrels

Discher Heads Clean-Up Drive

The access area for boaters on the West Shore of the Lake has been supplied with several new trash barrels, so that waste paper, cartons, and cans may be disposed of by the users of this boating area.

The Lake Maxinkuckee Association, through President Robert J. Discher, Dr. Joseph A. Hafert, and Dr. Kenneth K. Kraning, has obtained these steel barrels and have had them painted with appropriate directions for waste disposal.

For Small Boat Users

This area, giving public access to the Lake waters for small boat users, was originally installed by the Federal Government, but is administered through the Indiana Conservation Department.

It is not a State Highway roadside park, as many persons believe, and no bathing, picnicking, or recreational activities except the launching of small boats is permitted.

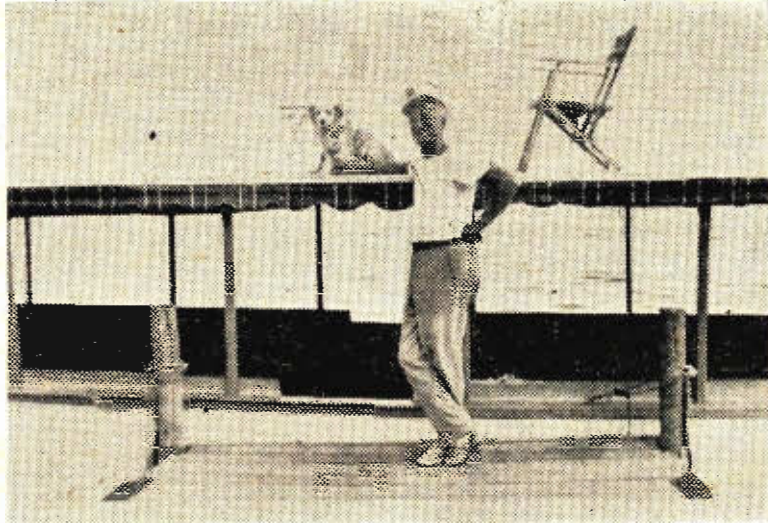

Unfortunately the Conservation Department seems to have no funds for the upkeep or policing of the site, so the Lake Maxinkuckee Association has undertaken the supervision and maintenance on a voluntary basis.

Lots Of Messy Folks

This area, according to Don G. Trone, secretary-treasurer of the Association, is largely used by out-of-state boaters, and as most

Amond, Father and Son, Head New Culver Manufacturing Firm

CAPTAIN FRANK E. AMOND, owner and operator of the Lake Maxinkuckee excursion boats for the past 20 years, has branched out again in his business interests. He and his super-salesman son, EDDIE AMOND, one of the few persons able to swim across the Lake, have formally launched Gold Coast Industries in Culver, manufacturers of aluminum and "Fiberglass" awnings. A display room of their outstanding products is located downtown at 110 South Main Street.

Gold Coast Industries Launched Here

Frank Amond takes pride in announcing the expansion of a new Culver business, Gold Coast Industries, manufacturers of aluminum and fiberglass awnings.

In August of 1960, Mr. Amond purchased the Midwestern franchise from Orion, Inc., of Bay City, Mich. The main office and factory are located in Fort Lauderdale, Fla.

During the past 10 months Mr. Amond has been selling on a wholesale dealer basis throughout the Midwest, along with a limited retail operation. Now he plans to penetrate the retail markets within a 50-mile radius of Culver.

His son, Edward, has recently returned from a 6-month retail training program with Hoosier Homes, Inc., Kitchens, Inc., and Kohler-Craft Homes, Inc., all of Elwood, Ind.

Local Display Room

A temporary assembly shop has been set up in the Amond Building located at 110 S. Main St. A display room may also be seen at the street level.

Frederick Warner, president of Gold Coast Industries in Fort Lauderdale, has been in the awning manufacturing business since 1941 and has operated his own company since 1953. Mr. Warner is a frequent Lake Maxinkuckee visitor, being a half-brother of George Warner and Mrs. Clyde L. Shively of Culver.

In 1960, Mr. Warner introduced the all new, one-piece, molded fiberglass awning to United States' markets. The awning has gained popularity throughout the South. It is made of the same material and to specifications used in world famous fiberglass boats.

The aluminum and fiberglass awnings are the modern adjustable fold-down type with a tear drop design. They are referred to as "Hurricane Shutters" throughout the Southland and are engineered to withstand a load test of 45 pounds per square foot.

Frank Amond, popularly known as "Captain," arrived in Culver in 1939 and previously worked for 20 years in the variety store business, gaining experience with Kresge, Murphy, and Newberry stores along the Eastern seaboard.

Frank purchased the Ben Franklin Store in 1939 and later sold it to the present owner, Wilber (Bob) Taylor.

Park and along with his energetic wife, Emma, has operated the "Maxinkuckee Cruiser" for the past 20 years.

Mr. and Mrs. Amond plan to continue operating the boats, with their son, Eddie, being sales manager of G.C.I.

They also have a daughter, Joanne, who is now Mrs. Daniel Kennedy and a registered nurse at the Osteopathic Hospital in South Bend. Mr. Kennedy is a clinical psychologist for the South Bend School system.

Eddie Amond is a graduate of Culver High School, where he participated in varsity athletics. He has a B.S. degree in marketing and salesmanship from St. Joseph's College at Rensselaer. While in college, he was active in varsity athletics and social activities, being among other things, secretary of the Debate Society.

Eddie has gained business experience by working with Youngstown Sheet and Tube Co. of East Chicago, Kingsbury Ordnance near LaPorte, Studebaker Packard Corp., National Cash Register Co., Victor Adding Machine Co., and Tiffin Art Metal, all in South Bend.

Eddie Amond Sets Record

While at Victor, in September, 1958, Eddie was the 20th top salesman in North America, besides leading branch salesman for 10 months. He won top honors in May of 1959 with Tiffin Art Metal Co.

In December, 1960, Eddie graduated in the first spot of the South Bend Dale Carnegie Public Speaking and Human Relations Course.

On June 10 he married the former Shirley Drews Tucker of Knox, who will continue to teach

CMA's Summer Schools Enroll 1,514 Fine Boys

Admiral Bays Is Director

The 59th session of The Culver Summer Schools has opened with an enrollment of 1,514 Woodcrafters, Midshipmen, and Troopers.

While classes began today following two days of registration, formal opening of the three schools is set for Tuesday, July 4.

The flag of Rear Admiral John W. Bays, USN (Ret.), director of The Summer Schools, will be raised over the Naval Building in accordance with military tradition.

Admiral Bays will introduce Delmar T. Spivey, USAF (Ret.), superintendent of Culver Military Academy.

Dean Bryant On Program

Included on the July 4 program is the reading of the preamble of the Declaration of Independence by a midshipman, the calling of the roll by states by Dean of Admissions Frank M. Bryant, and a 9 p.m. fireworks display.

The enrollment of 1,514 is slightly below last year's record figure when the now-demolished East Lodge was available for housing. There are 771 boys in the Naval School, 607 in the Woodcraft Camp, and 136 in the School of Horsemanship.

Huge Faculty Of 225

Admiral Bays heads a staff of 225 faculty members, who teach credit and noncredit courses, serve as counselors, and fill various military posts. Classes during the summer offer standard academic subjects for credit, academic courses for review, and a large number of non-credit courses for skill and recreation in such subjects as driving, typing, music, journalism, navigation, seamanship, drama, Scuba diving, and a variety of sports.

An Eight-Week Session

The closing date of the eight-week session is Saturday, Aug. 19.

The Summer Schools are operated by The Culver Educational Foundation and offer naval and horsemanship skills to boys from 14 through 18. The Woodcraft Camp provides boys 9½ through 13 with knowledge of nature, lore, handicraft, and other subjects. The Foundation also operates Culver Military Academy for boys in grades 8 through 12 from September to June.

DEER AND AUTO COLLIDE ON ROAD 10

Gerald Irwin, 301 E. Walnut St., Argos, accidentally bagged a large buck deer with his auto last Thursday afternoon when driving on State Road 10 just north of the Academy airport runway.

Since deer have often been sighted in this general area, it is thought that they make a habitual crossing of the State Highway at this point. The buck deer was accompanied by a doe that made it safely across the road.

Jim Cox was summoned to the accident scene where damages to the car was set at \$50. Don Waincott ordered the deer slaughtered and residents of the Marshall County Infirmary are enjoying venison on their menus.

CHICKEN HOUSE BURNS AT FENIMORE HOME

Just as The Citizen was being printed last Wednesday the Culver Volunteer Fire Department answered a 2:10 afternoon alarm at the residence of Mrs. Edgar Fenimore located north of the Academy where a chicken house was on fire.

The building was a complete loss which amounted to \$75 but no poultry was involved.

CMA To Abandon Power Service After 67 Years

Signs Contract With NIPSCO

Culver Military Academy will convert to public service for its electrical requirements early in September, Maj. Gen. Delmar T. Spivey, superintendent, announced today.

The changeover will mark the first time in 67 years of operation that the Academy has not produced its own power.

General Spivey stated that the contract was signed with the Northern Indiana Public Service Company following a recent decision by the board of directors of The Culver Educational Foundation. The Academy acted on a recommendation by the Cincinnati consulting firm of Fosdick & Hilmer, which studied the present operation in a recent survey.

More Economical
"By converting to public service for our electrical needs," General Spivey said, "we can operate more economically. Our present equipment is taxed with a maximum load and provides no room for expansion. At the same time our equipment has reached the point where maintenance and repairs are costly."

The Academy will install transformer pad and fence on a location west of the present powerhouse. After this work is completed, NIPSCO will install three transformers with a maximum demand of 1,000 K.V.A., which is about 30 per cent more than the Academy will require initially. Provisions will be made for further expansion.

Will Retain Generator
General Spivey said the Academy will retain its diesel generator for emergency purposes and plans to dispose of three steam-operated generators. He added that Culver will continue to operate its boilers to produce steam for heating and other purposes. The Academy presently employs six people in the engine room. General Spivey said the school will make every effort to absorb these employees into other departments when the change is completed.

REAL FOR SURE — Hoosier youngsters living down in Ripley County don't have to watch television to see a horse patrol in action. A live one operates in their community. Two years ago several Ripley County citizens who own horses and like to ride formed the Ripley County Sheriff's Horse Patrol and volunteered their services to the community. According to Sheriff Orvall Armbricht, the members are ready to go on a moment's notice and have helped out on several occasions in searching in isolated areas for lost persons and fugitive criminals. Each member furnishes his own horse and equipment so the patrol operates without expense to the county.

PORKERS INVADE AIRPORT

Flocks of birds have been reported as hazards at airports around the country, but the Rochester airport was closed temporarily recently when it was over-run by more than 100 hogs. The hogs escaped when a trailer in which they were being hauled to market slid off Ind. 14, near the airport and overturned. The porkers took over the landing strips for some time but were finally rounded up and loaded into other trucks.

Miss Joan C. Koebke Speaks Wedding Vows With Craig Campbell

Miss Joan Christine Koebke became the bride of Craig Bartlett Campbell in a double-ring ceremony read by the Rev. Kendall E. Sands at 2:30 p.m. Saturday, June 17, in the Culver Methodist Church.

Miss Koebke is the daughter of Mr. and Mrs. Max Koebke, Route 3, Argos. The bridegroom is the son of Mr. and Mrs. Jack B. Campbell of Anderson.

The altar of the church was banked with pink peonies and candelabra.

The windows were decorated with lemon and huckleberry greens.

Mrs. Chauncey Lennen, organist, presented a prelude of nuptial music and the traditional wedding marches.

Given in marriage by her father, the bride was lovely in a gown of French tulle and rose point lace over taffeta. Lace formed the scalloped square neckline and brief sleeves of the basque bodice. Garlands of lace flowers were applied on the full length billowing skirt which swept to a circular chapel train. A halo of imported orange blossoms held her bouffant waist-length veil of imported illusion.

Five attendants, gowned in soft pink, attended Miss Koebke. Miss Jo Ann Gorham of Dayton, Ohio, was maid of honor. Bridesmaids were Miss Ivahu White, Carmi, Ill.; Miss Bonnie Darling, Elkhart; Miss Donna Maly, Gary; and Miss Maura McNamara, Chesterton.

The dresses of bouquet taffeta were designed with bell-shaped ballerina skirts and fitted bodices accented with Schiffler lace and matching self material rosettes at the waist. Matching rose petal hats of soft pink held in place short circular veils. Each attendant carried a cascade of garnet roses.

Miss Mary Jo Lemler of Bourbon, niece of the bride, was flower girl. She wore a full length gown of soft pink accented by a pleated cummerbund with a bustle bow in the back. Her head wreath was fashioned of greenery and garnet rosebuds. She scattered garnet rose petals.

James B. Fleece of Tallahassee, Fla., was best man.

Larry Lewallen of Minneapolis, Minn., Richard Meeker of Portland, Ind., Kenneth Kemp and Mike Armington, both of Anderson, were ushers.

The candles were lit prior to the ceremony by nephews of the bride, David Lemler of Bourbon and Craig Ansel of East Dundee, Ill.

The mother of the bride chose a beige linen sheath dress with matching lace jacket. Beige accessories and a corsage of toast cymbidium orchids complemented her ensemble.

The bridegroom's mother chose a green silk print dress with matching green accessories.

Her corsage was of white cymbidium orchids.

A garden reception was held at the Culver Inn following the ceremony.

The pink motif was carried out in the decorations of daisies, sweetheart roses and springri.

For her wedding trip to Nassau the bride chose a two-piece linen ensemble in a strawberry pink color. Black and white accessories accented the dress.

The bride, a graduate of DePauw University, is a member of Alpha Chi Omega sorority.

The bridegroom, also a graduate of DePauw University, is a member of Beta Theta Pi fraternity.

After August the couple will

reside in Bloomington. The bridegroom will enter law school at Indiana University and the bride will teach in Bloomington High School.

Miss Sandra Cline And Harley Phillips Speak Wedding Vows

Miss Sandra Kay Cline, daughter of Mr. and Mrs. Roth Cline, 421 College Ave., Culver, and Harley E. Phillips Jr., son of Mr. and Mrs. Harley E. Phillips, Sr., 924 East 4th Street, Mishawaka, were united in marriage at 2 p.m., June 24, at the Culver Methodist Church.

Rev. Kendall E. Sands officiated at the double ring ceremony.

Mrs. Chauncey E. Lennen played nuptial organ music preceding the ceremony and Mrs. Bryce Bigley sang "Whither Thou Goest," "Through The Years," and "The Lord's Prayer" while the couple knelt at the altar, which was beautifully decorated with baskets of white gladioli and stock, flanked by palms and 7-branch candelabra. White satin bows marked the pews along the bridal aisle.

Escorted to the altar by her father, the bride was lovely in a floor length gown of Alencon lace and tulle fashioned with a lace bodice, a Sabrina neckline trimmed with iridescent sequins, with long sleeves tapering to a point over the wrist. Panniers of lace adorned the tulle tiers which formed the full skirt. Her fingertip veil of tulle was held in place by a cluster of white roses.

Mrs. John Cline of Sault Ste. Marie, Mich., matron of honor, and Mrs. John Middleton, Culver, as bridesmaid, wore matching turquoise satin sheath dresses with lace overskirts. Their headpieces were matching color net veils held with a cluster of pink roses. They each carried a cascade arrangement of pink roses and daisies.

Duane Walterhouse of South Bend served as best man. Ushers were William Hoose, Mishawaka; Allan Cline, Midland, Mich.; and John Cline, Sault Ste. Marie, Mich.

The bride's mother wore a pink linen sheath dress with matching hat and white accessories. Mrs. Phillips, mother of the bridegroom, wore a blue print voile over taffeta with beige accessories.

A reception was held in the church social rooms, with Mrs. Howard Oberlin presiding at the table adorned with pink snapdragons and turquoise chrysanthemums. Mrs. James Marshall served the wedding cake from a table beautifully decorated with pink daisies. Punch was poured by Miss Rosalie Oberlin. Mrs. Kendall Sands, and Miss Shirley Oolie of Indianapolis. Miss Carolyn Boswell was in charge of the guest book.

For traveling the bride chose a two-piece blue and white check suit with Chanel jacket and box pleats.

After a wedding trip to Wisconsin, the couple will be at home at 509 No. Main St., South Bend.

Out of town guests attending were from Saginaw, Midland, and Sault Ste. Marie, Mich.; Argos, Plymouth, Bourbon, South Bend, Peru, Mishawaka, and Indianapolis, Ind.; and Wappinger Falls, N.Y.

The bride graduated from Culver High School, the Methodist Hospital School of Nursing at Indianapolis, and while working at Kingston, Jamaica, West Indies, further study earned her a British license for nursing. She is employed at Methodist Hospital in South Bend. Mr. Phillips is a graduate of Mishawaka High School, spent four years in the

Air Force, and is employed as a mechanic in South Bend.

The Lucas Duddlesons Observe Golden Wedding Date

**Culver Chapter Of Tri Kappa Sorority
Announces 11 New Pledges**

Tri Kappa Sorority was entertained at the home of Mrs. Kenneth K. Kranning on West Shore Drive Monday evening.

A short business meeting preceded the formal pledging of 11 new members to Epsilon Nu Chapter.

Six daughters of members are among the new pledges: Miss Susan Moore Bolton, Mrs. Margaret Ann (Middleton) Curtis, Miss Kathleen Kranning, Miss Susan Muehlhausen, Miss Barbara Jane Rust, and Miss Mary Esther Todd.

Other new pledges are the Mesdames Fred Adams, Charles W. Crowe, Joseph N. Clyne, James Piersol, and Maurice E. Nelson.

Mrs. Lester C. Snyder and Mrs. John F. Edgell had charge of the impressive ritualistic pledge service.

Delicious refreshments were served from a round table covered with a cloth of white silk net trimmed in gold and decorated with white daisies. Throughout the beautiful Kranning home arrangements of white stock, roses, and snapdragons were used. Mrs. Walter J. Muehlhausen presided at the gold and crystal punch bowl. Assisting the hostess were Mrs. Richard E. Middleton, Mrs. J. Dick Newman, Mrs. Foster F. Sheller, and Mrs. Chester W. Cleveland.

Out-of-town Tri Kappas attending were Mrs. Rupert Easer and daughter, Ericka, and Mrs. Eve Ward.

Plan Benefit Bridge Parties
Plans were announced for two benefit bridge parties to be held at various Tri Kappa homes on July 12 and August 9. Tickets will be available from all local members as well as at The Citizen office. Proceeds will be used for local community projects.

Sponsoring Reading Course
Tri Kappa is sponsoring the summer reading course of the Culver Public Library and 186 are enrolled from the elementary grades.

The state-wide organization conducts charitable and scholastic projects in addition to its social activities.

The sorority makes all of its purchases locally insofar as possible.

TIM CROWE BACK HOME FROM COLLEGE

Tim Crowe, son of Dr. and Mrs. Charles W. Crowe, of East Shore Drive, CMA graduate of last year, is home from his freshman year at the University of Oklahoma at Norman, proudly wearing his Delta Kappa Epsilon fraternity pin. The Deltes just recently established a chapter on that campus.

In 1943 the tiny Japanese island of Iwo Jima had a population of only 1,091. When the U. S. Marines landed there two years later, they faced an enemy strength of 21,000 soldiers.

**Miss Lucy Howard and
Lawrence Strait Wed
In Evening Ceremony**

Baskets of white gladioli and lighted candelabra banked the altar of the First Methodist Church in Plymouth for the impressive candlelight ceremony which united in marriage Miss Lucy Ann Howard, daughter of Mr. and Mrs. Charles O. Howard of Plymouth, to Lawrence Alan Strait, son of Mr. and Mrs. Walter W. Strait of Culver.

The Rev. James Burroughs of Knox read the double-ring service at eight o'clock Saturday evening, June 17. Mrs. Murel Gates of Plymouth provided traditional nuptial music.

Miss Howard, given in marriage by her father, chose a gown of white bouquet taffeta and heirloom lace. The sculptured bodice was designed with elbow length sleeves and a bateau neckline highlighted with lace appliques. The bouffant skirt extended into a court train. A Swedish crown of pearls and iridescent beads caught her three-tier shoulder-length veil of imported silk illusion.

A cascade bouquet of white roses and stephanotis, centered with a white orchid, complemented the bridal ensemble.

Miss Nancy Sue Howard, sister of the bride, attended as maid of honor.

Bridesmaids were Miss Natalie Herrold of Indianapolis, Miss Patricia Gilbert of Princeton and Miss Cathy Howard, cousin of the bride, of Rockford, Ill.

The attendants' gowns were fashioned identically in white tulle with circlet necklines and cap sleeves. The bouffant skirts were complemented with matching double bow sashes. White headpieces held in place nosegay veils. Each attendant carried a cascade of pink carnations and snowdrift pompons.

Richard Strait of Chicago served his brother as best man.

Ushering the guests to pews, marked with candles and white satin bows, were Jack Robinson of Miamisburg, Ohio, Jack Mart of Plymouth, Sam Campbell of Minneapolis, Minn., and James and Paul Howard, brothers of the bride.

The bride's mother was attired in a pink brocade sheath dress with matching hat and white accessories. The bridegroom's mother chose a blue linen sheath dress accented with brocade detail. She wore a matching blue hat and white accessories. Both mothers wore corsages of white roses.

A reception for 200 guests was

held in the education building of the church. Greenery and pink carnations decorated the serving table which was centered with a five-tier cake topped by a miniature bridal couple.

The bride wore a mint green fresh linen dress with white ac-

cessories and a white orchid for her wedding trip to Northern Michigan.

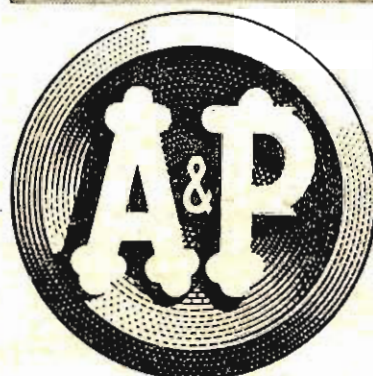

The bride is a graduate of Plymouth High School and Indiana University. She is a member of Tri Kappa social sorority and Sigma Theta Tau, honorary

nursing sorority.

The bridegroom, a graduate of Culver Military Academy, attended Brown University and graduated from Indiana University.

The newly-weds are now at home at Culver Military Academy.

EX-GOVERNOR'S BROTHER
VISITS CULVER AGAIN

Dwight Handley, of Laporte, brother of Indiana's recent Governor, Harold W. Handley, was a Culver visitor again last Wednesday afternoon.

After a call at The State Exchange Bank he dropped in at The Citizen office to pick up a copy of the current issue of Indiana Business and Industry magazine in which Governor Handley's new Indianapolis advertising and public relations agency is the subject of a feature story.

J.O.Y. Class Meets

With The Paul Snyders

Mrs. Lawrence White presided over the monthly class meeting of the J.O.Y. class of the E.U.B. Church Tuesday evening in the home of Mr. and Mrs. Paul Snyder with 15 members and a guest responding to roll call.

Two hymns were sung, "Day Is Dying In The West" and "Thy Word Is Like A Garden Lord," as Merl Crabb accompanied the group at the piano.

Ruth Warner gave devotions using Scripture from the sixth and 13th chapters of Matthew, using as her theme, "Growing." She closed the devotional part of the program with prayer.

The new pastor of the church, Rev. Walter Chisholm, conducted a question and answer period about the Bible.

Delicious refreshments were served by the host and hostess during the social hour which followed.

MILK SURPLUS DISCUSSED
IN DETAIL

There are 16,500,000 dairy cattle in the United States. Indiana, eleventh in production, has 2.5% or about 411,000 dairy cattle which produce annually about 3.5 billion pounds of milk valued at \$130 million.

The average person used 7 1/2 gallons of milk, 3/4 pound of butter, 1 pound ice cream, 1 pound cheese, and 1 1/2 pounds evaporated milk each month.

Even with all this milk being consumed we have a surplus in America today. When broken down to a per person basis it does not seem so large. To be exact there are 10 pounds or 20 glasses of surplus milk per person in the United States. Since it takes approximately 9 swallows to drink a glass of milk there are 180 surplus swallows. If each person took an extra swallow of milk every morning for the remaining 185 days we would run out of milk this year.

Mr. and Mrs. Daniel Kennedy of Hammond visited with Mrs. Kennedy's parents, Mr. and Mrs. Frank Amond, over the weekend.

A. B. Brown, President

No Need to Use \$60,225,000 of Taxpayers' Money to Wastefully Duplicate Indiana's Electric Facilities

Indiana has a bountiful supply of electric power . . .

It is available at fair rates to every home, farm, business and industry in the State.

Indiana has never had a power shortage . . .

It is increasingly clear that the completely interconnected, investor-owned electric companies of Indiana are fully capable of assuring there never will be a shortage. **THERE IS PLENTY OF ELECTRIC POWER IN INDIANA!** This is because the companies continuously survey the needs of the future . . . continuously build ahead to make sure there will be plenty of power available when those needs develop. The accompanying map illustrates the existing state-wide network of transmission lines and generating facilities completely adequate to meet every electric power need.

The record speaks for itself . . .

In 1949 the investor-owned electric companies of Indiana had 1,609,120 kilowatts of electric power available. By 1958 they had more than doubled the supply. By the end of 1960, they made over a million more kilowatts available, and by the end of this year there will be a total of 4,933,900 kilowatts . . . more than three times the 1949 supply. At present these companies have a **RESERVE** generating capacity of 1,040,900 kilowatts.

The Investor-owned Electric Companies have spent more than ONE BILLION DOLLARS since 1949 for your electric service facilities.

This money came from investors in the securities of the companies. More than 35,000 of them live in Indiana.

The Investor-owned Electric Companies and their more than 9,000 employees are good citizens of the areas they serve.

These companies and their employees work at the job of good citizenship as hard as they work at providing good electric service. With their many years of experience in providing ample, dependable electric power and in financing expansion in the traditional American Free Enterprise way, these investor-owned companies pay their full share of Federal income taxes—unlike government-financed electric operations which **DO NOT** pay such taxes.

The investor-owned electric companies of Indiana are greatly concerned by the Rural Electrification Administration's approval of a \$60,225,000 loan—at 2% interest—to build Federal income tax free electric facilities that would only duplicate the ample facilities already available in Indiana.

INDIANA HAS PLENTY OF ELECTRIC POWER PLANTS AND TRANSMISSION LINES

Here are the high-voltage transmission lines of the investor-owned electric companies of Indiana. All are interconnected with each other and with those of electric systems in neighboring states. They carry power throughout the length and breadth of Indiana from the companies' 32 generating stations.

Playhouse Offers "Look Homeward, Angel" July 4-9

"Look Homeward, Angel," a stirring, heart-warming drama of a young boy's first encounter with love and his struggle to find himself, opens Tuesday, July 4, at the Maxinkuckee Playhouse with a striking, simultaneous setting by the Playhouse's new set designer, Bill Akin.

A student at the University of Cincinnati, Mr. Akin was an interior design student and has recently transferred to the College of Arts and Sciences where he is majoring in theater arts.

For the past five years, he has designed settings for productions staged by the Mimmers Guild, the university's dramatic organization which is the oldest continually productive theatrical group in Cincinnati. A native of Paintsville, Ky., he has designed settings there for various civic functions.

For "Look Homeward, Angel," a dramatic adaptation of Thomas Wolfe's popular novel, Mr. Akin has designed a setting that enfolds and highlights the emotion and drama of life at the Dixieland Boarding House where most of the action is set. In addition to this, he has captured the sensitivity of the marble yard where a lovely statue of an angel holds court. Marie Mastruserio, who will be seen as Laura in the play, has sculptured the angel to be used for the setting.

Mr. Akin's settings and the lighting effects he has plotted will serve to intensify the theme of "Look Homeward, Angel," which features John Hess in the leading role of Eugene Gant, the young boy facing life for the first time.

Irene Myers, who comes to the Playhouse from Salt Lake City, Utah, will be seen as Eliza, his shrewish mother, while Vaughn McBride will portray W. O. Gant, his desperate father. His sister, Helen, will be played by Diane Turner and his brother, Ben, by Dan Weaver.

Kidnly Dr. McGuire will be portrayed by Bob Moak and Mrs. Pert, one of the Dixieland boarders, will be played by Donna Donnelly. Other boarders, Mrs. Brown and Miss Clatt, will be played by Joan Freiden and Ernestine Hill.

Hugh, Gant's son-in-law, will be played by Dick Von Hoene, while his third son, Luke, is to be portrayed by David Stearns. Mr. Akin will be seen as Farrel and Paul Rutledge will play Will.

Mrs. Dorothy Kornmann of Cincinnati will make a special guest appearance as Madame Elizabeth.

"Look Homeward, Angel," will open July 4 and will run through July 9. Curtain time is set at 8:30 p.m. Tickets for this touching and sensitive drama of youth can be reserved by calling Maxinkuckee Playhouse at Viking 2-2500.

A picture of Mr. Akin will appear in next week's Citizen.

"South Pacific" Breaks Record For Attendance

The twelfth season at the Maxinkuckee Playhouse got off to a grand start with their first production of "South Pacific." All attendance records were broken with the largest single audience ever to attend the Playhouse on Saturday night, June 24.

The original old green barn which opened as the Maxinkuckee Playhouse 12 years ago seated only 120 persons. Two years later this was enlarged by the added extension over the porch which increased the seating capacity to 154. The new concrete block theater again upped the number of seats to 205 and last year some added rows made it possible to seat 258. This year the new seats, together with added rows, makes it possible to

seat 302 when necessary. Every seat was occupied on Saturday night with many standees.

The Playhouse deserves its success and the many persons from the entire Northern Indiana area who visit it regularly pay tribute to its worth.

LATEST TITLES OF BOBBS-MERRILL books, many best-sellers among them, are on sale at The Citizen office. Drop in and look them over.

PENS TO PLATTER — The Indianapolis Stock Yards report that livestock sold in Hoosier cities "today" are delivered on the East Coast "tomorrow." Improved trucks and highways have shortened this delivery from three days to 18 to 21 hours. In 1959, a total of 2,494,968 head of livestock was shipped into the Indianapolis yards by truck, and outbound shipments amounted to 1,039,978 head, or \$1.6 per cent of the total.

So TENDER

you can cut it with a fork!

Chuck Roast you can broil like Sirloin!

Pot Roast you can oven-roast like Standing Rib!

How this AMAZING NEW process works!

Swift's exclusive new Tendered Process is a method of tendering beef from within, developed and patented by Swift & Company, with the approval of the U. S. Department of Agriculture. Natural enzymes in meat are supplemented by vegetable protein distributed throughout the meat tissue. (This is not a dipped or surface method.)

This new tendering method has no effect on the meat cuts until cooked in oven, grill, or broiler. Then it creates amazing new tenderness never possible until now.

What it means to you and your family!

Now you can broil or oven-roast most of the cuts you used to braise, stew, or pot roast. Thanks to Swift's amazing new **Proten** Tendered Beef, there simply aren't any more "tough" cuts that take hours of cooking.

"Girls In 509" Is Current Hit At Playhouse

Bob Moak Is A Great Actor

"The Girls in 509" served their guests a thoroughly enjoyable evening when this hilarious comedy opened Tuesday night at the Maxinkuckee Playhouse where it will run through Sunday night.

With the luster of highly polished silver, the cast moved smoothly and deftly through the amusing antics of two women who have exiled themselves to a hotel suite for 25 years, learning of and caring little for the affairs of the world. With vivid memories of Charles Buddy Rodgers and no knowledge of television, they rapidly fall into the wonders of contemporary society once their seclusion is brought to an end by the entrance of a meek journalism professor who stumbles into their suite seeking a story that will get him a job with the New York Times.

Features Martha Garner
Martha Garner, remembered by Playhouse audiences for her roles in "Solid Gold Cadillac," written by Howard Teichmann, author of "The Girls in 509," and in last year's successful production of "Damn Yankees," is featured as Aunt Hettie, the eccentric old maid who locked herself and her niece in the suite, while newcomer to the Playhouse Irene Myers is the impish but shy niece, Mimsy.

Professor Pusey, the mild-mannered, timid, would-be journalist, is brought to life by Bob Moak who has been a favorite with Playhouse audience for the past ten years.

In 25 years, "The Girls in 509" have had contact with only one person, old Jim, the last employee of the decrepit hotel, who has tended to their needs throughout their self-imposed exile. He is played by Dick Von Hoene who scored his initial success with Playhouse audiences as Luther Billis in the recent production of "South Pacific."

Dan Weaver Appears As Ryan
Ryan, a newspaper reporter trying to get the lowdown on "The Girls in 509," is played by Dan Weaver who will be seen as Ben in next week's production of "Look Homeward, Angel." Johnson, another reporter is played by John Hess, who will be seen as Eugene, the leading role in "Angel," and reporter Summers is played by Marie Mastruserio, who will also be seen in next week's show.

Miss Freud, a social worker attempting to help the ladies adjust to the society they have just re-entered, is played by Diane Turner, a former theater arts major at the University of Cincinnati from which she graduated

in 1958. Lawyer Aubrey McKitteridge is portrayed by David Stearns, who serves as design assistant for the present Maxinkuckee Playhouse season.

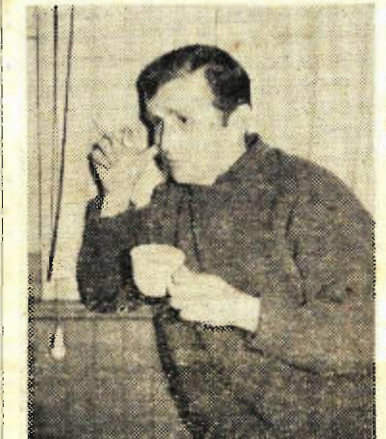

McBride Begins Second Season
Mr. Allen, the stuffy politician, is played by Vaughn McBride who is in his second summer as a resident member of the Maxinkuckee company. Miss Nella, another politician, is portrayed by Donna Donnelly who scored a great success as Bloody Mary in the production of "South Pacific."

The one, highly stylized setting for "The Girls in 509" was designed by Bill Akin and was executed by Mr. Akin and his staff, Brent Brafford, John Hess, and David Stearns.

Tickets for this bright and amusing comedy, "The Girls in 509," are available for most performances and can be reserved by calling the Maxinkuckee Playhouse at Viking 2-2500.

HOOSIER MADNESS — There are lots of stories about how Hoosiers go daffy over high school basketball. But here's another related by Marcus Esarey to Raymond A. Everett, editor of The Brookville Democrat. "Several years ago," says Esarey, "a school official at Tipton drove his car to Peru to attend a basketball game. In the excitement after the game the official hopped into a friend's car and rode home. The next morning he remembered he had left his car at Peru. The official went down to the bus station to take a bus to Peru to retrieve his car but, still excited, he purchased a round trip ticket." Editor Everett says Esarey swears the story is true.

Maxinkuckee PLAYHOUSE

Bob Moak, popular comedian in residence at the fabulous Maxinkuckee Playhouse, plays the leading comic role in the farce comedy "The Girls In 509" currently playing. Next Tuesday the beautiful play "Look Homeward Angel" opens for one week. Tickets can be reserved by calling Viking 2-2500 in Culver or Central 3-5763 in South Bend.

Travel Guide Gives Culver Real Prominence

Facts on Culver are included in the Mobil Travel Guide to the Great Lakes Area, the first American guidebook to report in detail on local-level sightseeing attractions and to rate independently hotels, motels, and restaurants.

The section on Culver was prepared by researchers who blanketed Indiana, selecting outstanding tourist attractions and personally rating facilities for quality and value.

Mobil's Guide recommends "excellent fishing" and water sports in Lake Maxinkuckee and suggests a visit to Culver Military Academy.

Culver Inn Recommended
The Culver Inn was selected for a detailed report in the Mobil Travel Guide and is rated according to a special star system.

The guide penetrates more than 500 villages, towns, and cities in the Great Lakes area — a research expedition made possible only because Mobil and Simon & Schuster, publishers, pooled their resources.

From these massive reports, a national board of experts approved 2,000 motels, hotels, restaurants, and resorts for detailed coverage.

Covers Fishing and Boating
Wide-ranging reports on Indiana cover fishing and hunting details, parks and forests, camping and boating, state history, speed limits, and annual events — all sprinkled with unusual and

handy-to-know details.

The compact Great Lakes Area edition and other volumes in the Mobil Travel Guide series are available for \$1 wherever books or pocketbooks are sold and at most Mobil service stations.

Employment Of Minors Subject To Restrictions

INDIANAPOLIS — Miss Helen Corey, director of the Bureau of Women and Children, State Department of Labor, has issued a reminder that children between 14 and 18 years old must have employment certificates issued by their school principal or superintendent before they can be employed.

Boys and girls 14 and 15 may not work between 7 p.m. and 6 a.m. nor more than 8 hours per day, or 6 days a week. Girls 16 and 17 may not work after 9 p.m.

Hundreds of minors now that school is out are seeking occupations in various types of industry. These minors and their employers are subject to certain provisions of the state and federal child labor laws. The Indiana law establishes a minimum age of 14 for most employment, and a higher minimum age for certain hazardous occupations.

Servants and Caddies Exempt
Those exempt from certificate requirements are farm workers, domestic servants, golf caddies, and newspaper carriers.

Miss Corey said: "Inspectors of the Bureau of Women and Children travel throughout the State investigating places of employment with regard to the health and safety of minors in gainful occupations."

Inspectors will give particular attention to drive-ins this summer as they check on possible violations. The law states: "Any

person, firm, or corporation violating the child labor laws shall be deemed guilty of a misdemeanor and, upon conviction, shall be fined not less than \$25 nor more than \$50 for the first offense and not less than \$50 nor more than \$100 for a second offense, to which may be added imprisonment for not more than 19 days, and, for a third offense, a fine of not more than \$250 to which may be added 30 days imprisonment in the county jail."

Miss Corey said representatives of the Department are available to offer assistance to employers and youth and may be contacted at 1013 State House, Indianapolis.

Just a reminder to phone in your personal and society items for next week's Citizen. Please call Viking 2-3377 or deliver them in person.

Joins Plymouth Law Firm Of Kizer and Neu

RICHARD F. JOYCE
New Plymouth Attorney

Richard F. Joyce became associated with Marshall F. Kizer and James H. Neu in the general practice of law in the Plymouth firm of Kizer and Neu on June 19.

Mr. Joyce has just completed a year as research assistant for the Honorable Amos W. Jackson of the Supreme Court of Indiana, and formerly served in a like capacity for Judges John R. Ax and G. Remy Bierly of the Indiana Appellate Court.

Mr. Joyce, who is a member of the Indiana Bar and the Federal District Court Bar, was graduated with a Doctor of Jurisprudence degree from the Indiana University Law School. Before entering law school, he received his Bachelor's degree in Business from Indiana University and served two years in the United States Air Force where he held the rank of First Lieutenant.

Comes From Indianapolis

He and his family will move from Indianapolis to Plymouth shortly where he will reside with his wife, Joan, and two children, Patrick and Peggy.

EAST SHORE WITHOUT ELECTRICITY FOR LONG PERIOD EARLY MONDAY

East Shore residents were without electric power again Monday morning for approximately 2½ hours.

According to Northern Indiana Public Service Company officials, electric service was disrupted because of fallen branches caused by lightning and high winds. The local serviceman was off duty and John Thompson of Knox made the necessary repairs.

No inconvenience was caused customers because of the early hour except to have to ascertain the time and turn their clocks ahead after getting up.

Copious Publicity For Culver In Etiquette Column

Amy Vanderbilt Answers Question

Editor's note: Now that Emily Post is dead Amy Vanderbilt is probably the leading newspaper authority on etiquette. This column of hers with a Culver angle appeared recently in nearly 400 newspapers from coast to coast.

By AMY VANDERBILT

"DEAR MISS VANDERBILT: I enclose an invitation that really has me baffled. How can one R.S.V.P. to an invitation which includes several distinct events on several different days? — Mrs. M.R., Culver, Ind."

My reader enclosed an invitation that read as follows:

The Officers and Cadets of the

Culver Military Academy request the honor of your presence

during the

Commencement Exercises June fourth to June seventh nineteen hundred and sixty Culver, Indiana

R.s.v.p.

Enclosed in the invitation was a program of the annual commencement which listed events not only for graduation day but for the four days preceding it.

Quite obviously, Culver did not expect the response to list each of the events the invited expected to attend. It wanted merely a general idea of how many people receiving the invitations planned to be present during the commencement period and the reply should have read as follows:

Mr. and Mrs. Robert Harold Ballantine accept the kind invitation of The Officers and Cadets of the

Culver Military Academy at the

Commencement Exercises June fourth to June seventh

"Water Skiing" by Dick Pope, Sr. Dick Pope, Sr., the father of water skiing, gives you in these pages the simple, safe fundamentals and the exciting history of this most exciting and glamorous of sports.

In words and photographs, he explains how, if you can walk, you can learn to water ski in minutes. He describes the correct method of take-offs, crossing the wake, riding water discs, and he discusses all the tricks: ski-turn-arounds, side slide, the graceful backward swan, wake tricks, and many, many more.

For advanced skiers, there are helpful suggestions on how to teach water skiing safely and correctly.

Attendance at Sunday services was 68. Barbara, Connie, Debra, and Denise Shidler sang selections which they had learned while attending Bible School at the Culver Bible Church.

Mr. and Mrs. Tom Sausman and family of Gary were weekend guests of Mrs. Nellie Clifton and Nancy. Mrs. Sausman and children remained for a week's visit.

Mr. and Mrs. Charles Clifton, Lavonda, and Terry spent Sunday with the Donovan Cliftons.

Mr. and Mrs. Joel Martinez of Texas who are serving as staff workers in the Marshall County Migrant Ministry were Sunday dinner guests of Mrs. Mildred Overmyer and Darold and accompanied them to the Sunday morning services. Mr. Martinez, who is studying for the Methodist ministry, spoke briefly.

The Frank Cowen families attended a reunion of the Lowry families at the Culver Park on Sunday.

Mr. and Mrs. Harry McPherron accompanied Mr. and Mrs. Chester Lemler to Indianapolis Saturday where they attended the basketball game between the Indiana All Stars and the Kentucky All Stars.

Mr. and Mrs. Clifford Cowen and Mr. and Mrs. Don Addison brought George Cowen to his home Sunday evening after he had spent the past 10 days with

the Clifford Cowens at their cottage at Birch Lake in Michigan and the Don Addisons at their home in South Bend.

Mr. and Mrs. Richard Hagan and family entertained at dinner on Sunday for Mr. and Mrs. Walter Hekter and children of South Bend. Mrs. Ruth Wynn joined the group in the afternoon.

Mr. and Mrs. William Lake and Mr. and Mrs. Ronald Quivey called on Mrs. Lucy Voreis on Sunday.

Mr. and Mrs. Ronald Quivey spent Tuesday evening with Mr. and Mrs. Darwin Hartman and Katie to mark the wedding anniversary of Mr. and Mrs. Hartman. On Friday night, Mr. and Mrs. Quivey were pleasantly surprised when the Hartmans and Mrs. Joe Boetsma, Sr., came with homemade ice cream and cake to help them celebrate their wedding anniversary and Mrs. Quivey's birthday.

Mr. and Mrs. Hillary Evans of Texas arrived Wednesday for a few days' visit with Mr. and Mrs. Darwin Hartman and Katie. Mrs. Evans is the former Eunice Klingensmith who was a classmate of Mrs. Hartman's during their college days at Wheaton.

Those calling on Mr. and Mrs. Lawrence Hissong and Mrs. A. A. Smith on Sunday were Mr. and Mrs. William Easterday of Culver, Mrs. Nellie Newhouse, Mrs. Lizzie Shivers, Mrs. Ada South, Mrs. Lucy Voreis, Mr. and Mrs. William Lake, Mr. and Mrs. Loren Hissong and family, Walter Pontius, and Henry Edwards. Mr. Pontius and Mr. Edwards returned to their home in Dorset, O., on Tuesday morning.

Mr. and Mrs. Ronald Quivey and Mr. and Mrs. Darwin Hartman and Katie were Sunday dinner guests of Mr. and Mrs. Otto Burroughs near Plymouth to celebrate the wedding anniversaries of the Quiveys and the Burroughs.

JULY 4 LONE DELEGATE

Only one delegate to the Continental Congress signed the Declaration of Independence on July 4, 1776, according to World Book Encyclopedia. That was John Hancock, president of the Congress. Most of the other members signed on Aug. 2, after a copy of the declaration had been engrossed on parchment.

Mr. and Mrs. John Wager and Vicky and Patty Lutz attended the Sunday afternoon wedding and reception of Miss Lois Wagner, daughter of Mr. and Mrs. William L. Wagner, Route 2, Culver, to Richard Schoolman, South Bend, at the People's Church in that city.

From where I sit ... by Joe Marsh

"Lost And Found, Found, Found, Found!"

I ran one of the most important "Lost and Found" advertisements in *Clarion* history for the Widow Parker last week.

Seems she lost her purse with \$8 in it at the last town meeting. We figured it would mean a lot to her if it were found and returned.

Well, the ad ran and the strangest thing happened! We received four envelopes—from Buck Hanson, Windy Taylor, Curly Rice and Slim Thomas. Each envelope contained a note saying the enclosed money was found in or around Town

Hall. We returned the lost money with 300% interest!

From where I sit, people are pretty wonderful. I see it in a lot of little things. For instance, my neighbor always has a cold glass of beer on hand when he invites me over for dinner—though he prefers tea with his meals and has for years. His gesture is not only generous but tolerant, too . . . both are valuable assets to be "found" in any community.

LETTERS TO THE EDITOR

Former Township Trustee
Glen S. Tibbetts Writes
A Newsy Letter

2121 Garden Road,
Hamilton Park,
Peoria, Ill.

Editor, CITIZEN:

No truer words were ever published than the following item which I have noted in recent issues of The Citizen:

SOMETHING TO REMEMBER

Before you place your order with another printer remember that The Culver Press, Inc. also gives you or your organization the extra dividend of extensive FREE publicity in its newspaper, The Culver Citizen.

Enclosed you will find my printing order. It is not a large order but I just want to place it with you.

As you know during the many years I was in business my advertising budget was large for a small business. I always felt your paper gave me more than my money's worth.

While I was Trustee you always went out of your way to give Union Township matters top publicity in your paper. In fact, you always were kind to me.

For many years you have given all organizations and individuals loads of free publicity. As far as pictures are concerned, I believe you have placed about everyone's picture in the paper who lives in your area.

Each week you are making some little person look like a very important person. This can only happen in a small town.

By the way, the cost of advertising in The Peoria Journal is \$600 per page. If you purchase a full page and wanted some free publicity it would be placed back by the classified section. It would take you 10 minutes to find it!

We just received The Miami Herald informing us that our 8-year-old daughter, Glenna, won the Juvenile Achievement Trophy. She is the youngest to win this for many years. She is going to receive a trophy and much publicity in Florida and locally. By the way, thanks for publishing her picture in The Citizen.

Most people love to see their picture in the paper and read what a wonderful person they are (including myself) but seem to forget what a big favor they are receiving from their local paper which certainly is entitled to their job printing business in appreciation. Regards,

GLEN S. TIBBETTS

Advertising Pays Off

Editor, CITIZEN:

We want to thank you very much for the wonderful publicity you gave us for our square dance on June 10.

We know by the good turn-outs we have that your A-1 advertising and publicity really pays off!

Letters Ford Strawberry Festival Is A Tremendous Success

Letters Ford, Ind.

Editor, CITIZEN:

We would like to take this opportunity to thank you, your fine newspaper, and our many friends and neighbors for their help and patronage of our annual Strawberry Festival.

As you know, this event has grown by leaps and bounds each year. This is just not a "happen so"; it has come about through the combined efforts of all the people of Aubbeenaubbee Township and the support of our neighbors.

First of all, we would commend the people of Aubbeenaubbee Township for their fine community spirit and thank them for the excellent job they did.

Next we would like to cite some examples of the assistance given us that added greatly to our success consisting of your generous news coverage of the events: The Civil Defense (traffic), The Red Cross (first aid), Culver Military Academy (tents and mosquito control), Orville Johnson (ponies), Rochester Lions Club (train), Bryant TV (public address system), Studebaker Packard Corporation (Mello-Larks singing group), Argos Band, and all the others who contributed.

This is truly a democratic society in action — all interested in a common cause and willing to expend a lot of effort to achieve it.

We are proud of our Festival and Fire Department and hope to see everyone back next year.

Again we say "Thanks" to all, including The Culver Citizen, who helped make our Festival a great success.

SAVES 50% ON PLANE TRIP THROUGH THE CITIZEN OFFICE

Robert L. Haig, Culver business man, recently made a round-trip journey to Cleveland, Ohio, via Lake Central Airlines at a saving of 50% over the regular fare through a special arrangement with The Culver Citizen. He was highly pleased with the schedule and equipment.

Others are invited to contact The Citizen on the same basis before making plane reservations to Chicago, Detroit, Evansville, and Eastern points including Buffalo, N. Y. (Niagara Falls) and Washington, D. C.

Here is a rare opportunity to take your whole family on a thrilling air vacation at a tremendous saving. Offer expires August 19.

The transient display advertising rate of The Citizen is only 70 cents per column inch.

How obedience to the law of
God opens the way to freedom will
be explained Sunday at Christian
Science church services.

Among Scriptural passages to
be read in the Lesson-Sermon
entitled "God" is one from Psalm
119: "Teach me, O Lord, the way
of thy statutes; and I shall keep
it unto the end . . . And I will
walk at liberty: for I seek thy
precepts."

Man's right to freedom is also
brought out in selections from
"Science and Health with Key to
the Scriptures" by Mary Baker
Eddy which will include: "Dis-
cerning the rights of man, we can
not fail to foresee the doom of all
oppression. Slavery is not the
legitimate state of man" (p. 227).

FORT SILL, OKLA. —

Cadet
Richard Lee Large, Purdue Uni-
versity, son of Mr. and Mrs. Al-
fred L. Large, Route 2, Culver,
Ind., arrived last weekend to com-
mence six weeks of intensive
training at Fort Sill, Okla.

He is among nearly 520 future
artillery officers from 18 colleges
and universities receiving artil-
lery branch instruction at Fort
Sill's 1961 ROTC Summer Camp.

MURNAU, GERMANY —

PTC
Wendall A. McAfee, son of Mr.
and Mrs. Guy E. McAfee, Route
2, Culver, Ind., recently complet-
ed the eight-week engineer equip-
ment maintenance course at the
Army European Engineer-Ord-
nance School in Murnau, Ger-
many.

McAfee, regularly assigned as
a truck driver in the 94th En-
gineer Battalion in Stuttgart,
Germany, entered the Army in
February 1960, received basic
training at Fort Hood, Tex., and
arrived overseas last November.

The 19-year-old soldier is a
1959 graduate of Culver High
School.

United Church Women Plan Migrant Tour

Migrant Day for United Church
Women is an opportunity for the
Church Women of Indiana to vis-
it areas where migrants are at
work and to see what is being
done through the Migrant Minis-
try in Indiana to minister to the
needs of these people. The United
Church Women of Indiana with
Mrs. Harold Pifer of Plymouth
as chairman of the Committee on
Migrant Ministry have planned
two tours for this summer.

The tour of most interest to
Marshall County women will be
held on Thursday, July 13, in
Plymouth and Walkerton. The
group will meet at the First
Presbyterian Church in Plymouth
promptly at 9:30 a.m. and the
tour will end at 3:00 p.m. The
lunch at noon will be \$1.00 and
reservations locally should be
given to Mrs. Wayne Kline or
Mrs. Oscar Wesson by July 3.

CARDS OF THANKS

We wish to thank our friend
relatives, and neighbors for the
many acts of kindness and sym-
pathy shown during the illness
and death of our husband and
father, Alvin Jones. The kind ex-
pressions of condolence and hel-
pful acts were all deeply appre-
ciated.
MRS. ALVIN JONES and
the ALBERT WYMER FAMILY 26

I would like to express my
thanks to those who remembered
me with flowers, cards, and vi-
sits during my recent confinement
at Starke Memorial Hospital in
Knox. I would also like to ex-
press my deep appreciation to Dr.
James F. DeNaut, the nurses, and
the nurses' aides for their ex-
cellent care and kind consid-
eration.
MRS. RUSSELL CURREN 26

I wish to thank all those who
were so thoughtful during my
stay in the hospital and remem-
bered me with cards, letters,
flowers, and visits and especial-
ly Rev. Harold Hohman for his vi-
sits and prayers and the members
of the Crescent Class of Grace
Church.

IN MEMORIAM

In loving memory of our dear
son and brother, Everett E. Low
Jr., who passed away June 2,
1955:

Six years ago God took you
The one that we loved so
How much we all still miss you
No one will ever know.
Friends may think we have
forgotten

When they often see a
smile
But they little know the heart
ache
That our smile hides all the
while

Missed so very much by
mother, father, sisters, and bro-
thers.

Do not forget Sunday School services each Sunday at 10 a.m. Attendance last Sunday was 76.

Do not forget the Homemade ice cream, supper and luncheon which will be held in the local church basement next Saturday evening, July 1. Serving will begin at 5:30. Besides the ice cream, sandwiches, potato salad, baked beans, pie, cake, coffee, and a cold drink will be served.

The annual Sunday School picnic will be held next Sunday at the home of Mr. and Mrs. Harry J. Overmyer with basket dinner at noon. A cordial invitation is extended to all members and friends of the church to attend.

Mr. and Mrs. Vernard Goodman of the Grandview neighborhood attended services here Sunday and were dinner guests of Mr. and Mrs. Guy Davis.

Mr. and Mrs. Jim Kline are the parents of a 6 pound baby boy born Saturday, June 24, at Woodlawn Hospital. He has been named Tod William. Mrs. Kline is the former Nancy Brockey. The paternal grandparents are Mr. and Mrs. Robert Kline.

The Home Builders Class held their regular class meeting Tuesday evening with Mr. and Mrs.

Harry J. Overmyer.

Mr. and Mrs. Don Kline and son, Scott, of Indianapolis spent the weekend with their parents, Mr. and Mrs. Robert Kline.

Mr. and Mrs. Francis Bryan were Friday evening visitors in the home of Mr. and Mrs. Everett Goodman. Sunday afternoon callers were Mr. and Mrs. John Bryan of Culver and Mr. and Mrs. De Vaughn Walters of South Bend.

Ned Davis, son of Mr. and Mrs. Don Davis began his second year Monday as a cadet in the summer school of the Culver Military Academy.

Jesse Zechiel is still confined to the Memorial Hospital, South Bend, at this writing. It is expected that he will be returned home this week.

The Rev. and Mrs. Clyde Becker attended the Counselors Training Meeting at Battle Ground Friday evening and Saturday.

The Boy Scout Troop and their leaders of Washington Heights Methodist Church in Chicago, attended church services at this place Sunday morning. This is the second year the Troop has spent the weekend in camp at the Strobel farm just east of the church.

HIBBARD VACATION BIBLE SCHOOL CLOSURES WITH PROGRAM SUNDAY

Vacation Bible School was held June 12-23 at the Hibbard Evangelical United Brethren Church. The total enrollment was 55 with 5 teachers. 30 pupils had perfect attendance records.

A total collection of \$21.88 was sent to EUB mission work in Hong Kong for starving TB patients, and eighteen jars of jam were sent by the beginners' class to the EUB Flatrock Children's Home in Flatrock, Ohio.

The theme for the Bible School was "Personal and Group Relationships."

The Junior Class taught by Rev. Totten, studied the theme "Living and Working Together As Christians." They made puppet plays using Bible passages or modern church and family scenes, wrote and printed a newspaper containing the outline of each class' activity and several articles written by the members of the class, and also planned the Sunday evening program.

The Primary Class, using as study material, "Love One Another" made several Bible scenes as well as angels, and puppet shows. Mrs. Charles Wynn taught the class assisted by Mrs. Vern McKee.

The Beginners Class' material was based on "My Family and Friends." Their activities consisted of cutting and pasting family home situations and considering how different people help us and each other. They made books of prayers, songs, and pictures. Mrs. Herbert Crabb taught the class, assisted by Mary Ann Shock and Mrs. Robert Porter Jr.

A picnic was given Friday with cookies, ice cream, and kool-aid for all the pupils.

The closing program was Sunday night, June 25. The Bible School songs were sung, five puppet plays were presented and a filmstrip, "Let's Face It." Sixty pupils, parents, grandparents, and friends attended the program.

Several children were unable to attend because of measles. Mrs. Vance Albert, who was to teach, was unable to help as she had to take care of measles victims.

Oothers who helped were Mrs. Walter Scott, Mrs. Jack Quivey, Mrs. Anna Reasoner, Mrs. Raymond Lowry, Mrs. Arnold Lowry, and Mrs. Howard Shock.

RETURNS FROM HOSPITAL

Wallace Starr, Thorn Road, Culver, returned to his home last Friday after five weeks' confinement at Parkview Hospital, after suffering a heart attack. He is showing improvement, but will be confined to his home for some time and would welcome a visit from his friends.

Yacht Club News

By MARGARET CLAYNE

Even though the water is still a bit chilly, summer has arrived when graceful sails glide over our beautiful Lake Maxinkuckee. The fisherboats we have with us always, but the sailboats blossom only in hot weather.

There were a few "C" boats in the tune-up races this month, but Sunday, June 25, the gun went off as nine boats jockeyed for position at the starting line for the Ford Memorial Trophy race. The course was 2-1/3 laps and our local sail enthusiast, Jerome Zechiel (21), was ahead around the first marker. Bateson's (25) and Hollowell's (9) were disqualified over right-of-way at the starting line. They are both seasoned skippers, so you see sailing isn't as easy as it looks!

Bill Furry (22) of Plymouth and "Zeke" battled all the way but Bill earned the Ford Memorial Trophy this year. Zeke was second and Ted Landerback (24) of Rochester was third.

Next Sunday morning, through courtesy of the Academy's hoist, and Tom Heckel's scales, the "C" boats will be weighed. In case you're curious about these boats, they average 20 feet in length and must weigh over 650 pounds with rigging to compete.

Next Saturday morning, July 1, will see the first sailfish race, with the Junior Fleet struggling to meet the challenge of the winds with their gay little red and white and blue and yellow sails. Saturday afternoon, the members of the Junior Fleet will have an opportunity to skipper the big "C" boats. This program was initiated this year to give the Juniors a chance to get the "feel" of the big boats before they are 16 years old and out of the sailfish contests.

"Hoosier At Large"

(Continued From Page 1)

"Lordy, lady — what'd I do with a half-ton steer?"

Quick as scat, Pat smiled and said, "You could give him back to me!"

THE TEXAN grinned and bought 10 tickets. When he'd left, Mrs. Moffett, a kindly, understanding woman, peered hard at Pat and said gently, "You love that steer, don't you?"

"It's silly — but I guess I do," Pat confessed.

"Don't give up, honey," said Mrs. Moffett. "When the winner is drawn in March, I'll do what I can."

AT WEEK'S END, the Meades went home — and Pat's eyes were damp all the way back to Indiana. By March, she'd stoically accepted Rowdy's loss. On March 5, Mrs. Moffett phoned from Texas. One A. H. Meirtschin, a Lipton Tea official, had won Rowdy.

"I told him about you," Mrs. Moffett reported. "He has five kids of his own — and pets. He said, 'Heck, that steer is just a lot of hamburger to me. Give him back to Pat.' So y'all can come and get him, honey."

Next day, with Pat floating on a pink cloud, her dad and brother Butch left for Texas in the pickup truck. They returned the ensuing Sunday evening. Pat rushed out to help unload.

"WHEN ROWDY SAW HER, he bawled and she bawled," chuckled Dad Meade. "So I guess he'll free-load here as long as he lives."

Fat, happy Rowdy now weighs 1,600 pounds. Since he's pastured in summer with other Meade cattle, his keep isn't exorbitant.

"His winter feed costs us less than \$100 a year," Pat said. "He's earned far more than he can eat in a steer's lifetime. Besides, he's an inspiration and a challenge to do better some day. I intend to try..."

DON'T BET against this doughty Hoosier gal. She has the heart and fibre of a champion.

Indians Go Down To Second Baseball Defeat

By EARL MISHLER
Culver's baseball Indians went down to their second summer defeat Monday night here, at the hands of Bourbon, 10 to 0. The defeat left Culver with a 3-2 Marshall County League record, with nine games left on the schedule.
Sophomore right-hander Sam Lowry was knocked out in the third inning, but was given very little defensive support by his teammates. It marked the first time Lowry had been KO'ed in his high school career. Tom Boswell pitched the last 4 2/3 innings, allowing four earned runs.
While the Comets were socking the local hurling for eleven hits, along with five Culver errors, junior right-hander Chris Booz was twirling a six-hit shutout. Boswell and batterymate Paul White collected two singles apiece to lead the feeble Indian offense.

Bourbon backed Booz with errorless defense, which was obviously the major difference between the two teams, who were participants in last year's Fall County Championship game, won by Bourbon, 3 to 0. Joe Sharpe, Paul Hurford, and Steve Shively led the Comets with two hits apiece.
Culver Coach Gene Crosley was forced to start a juggled line-up again Monday, as Jim Carter, Bob Carter, and Rick Ervin, three-fourths of his regular infield, were absent.

Two more games are on tap for the local fans this week. Argos, 17-4 losers to Culver earlier this season, visits the Culver diamond Thursday, and defending Summer League champion Bremen will be here Friday. Last Thursday's game with Bremen was postponed by rain.

Stroh's Beer Is Sponsor Of Fine Bowling Team

The Stroh Brewery Company of Detroit, a regular Citizen advertiser, announces that its famous bowling team will be completely revamped this coming season.

With heavy emphasis on outstanding, young bowlers a vigorous schedule is planned both league-wise and for exhibitions throughout Michigan, Ohio, Indiana, Pennsylvania, and West Virginia.

The Stroh team, which has won just about every honor in bowling circles over the years, is headed by a new manager, Irv Jaffee, director of special activities at the brewery.

Ruggiero Named Captain
John Ruggiero Jr. has been named captain of the team and its members include Pat Iannucci, Roger Helle, Bill Gaume, David Soutar, and Dale Seavoy.

Stroh is one of the few national sponsors to continue with a professional team following formation of the National Bowling League.

The new team will begin an intensive two-week workout this summer and will follow it up

Crackdown On Fireworks Is Pushed By State

INDIANAPOLIS — Ira J. Anderson, Indiana State Fire Marshal, has announced that complaints of widespread violation of the Indiana Anti-Fireworks Law have been reported.

These include reports of retail sales of all types of fireworks to general members of the public, including many instances of sales to children.

Sales include such dangerous items as rockets, aerial bombs, cannon firecrackers, pinwheels, and roman candles, as well as the slower burning torpedos, "snakes," sparklers, and caps.

"It can be predicted with certainty," Anderson stated, "that unless such sales are stopped immediately, continued widespread distribution of such products will be followed by numerous reports of serious burns and other injuries such as blindness and blood poisoning. The tragic aspect of such injuries is that frequently the victims are young children, and innocent bystanders."

The sale of fireworks to the public is absolutely prohibited under the terms of the 1939 Indiana Anti-Fireworks Law, the announcement states.

Sparklers Are Exception
The only exception is that the following items were exempted in 1959: gold star producing flitter sparklers on wires which contain no magnesium, chlorate, or perchlorate; flitter sparklers in paper tubes that do not exceed one-eighth of an inch in diameter; toy snakes which contain no mercury; and toy pistols, toy canes, toy guns, or other devices in which paper caps which are manufactured according to regu-

lation, are used.

However, public displays of fireworks may be undertaken by competent, qualified operators, upon written application to the Fire Chief of the city, town, or community where held. Such application must be made 15 days before the exhibition, and must be approved by the Fire Chief to whom presented, or by the sheriff of the county in which the exhibition is held, if outside the jurisdiction of a civil fire department.

Fire Marshal Getting Tough
"The situation being brought about by continued violations of the Anti-Fireworks Law is an extremely dangerous threat to the safety of Indiana citizens and the protection of their property," Anderson warned.

"The law gives the Indiana State Fire Marshal full power to seize, at the expense of the owner, all stocks of fireworks or combustibles offered or exposed for sale, stored, or held in violation of the law. It further makes violators subject to a fine of \$100 and imprisonment for 90 days."

CUB SCOUT OLYMPICS TO BE HELD SATURDAY

The second annual Cub Scout Olympics will be held by Cubs of Culver Pack 290 Saturday, July 1, at 7 p.m. at the High School baseball field.

All members of the community are invited to attend the Olympics at no charge by Pack Chairman James V. Miracle.

There will be a wide variety of athletic competitions that the Cubs will compete in for prizes, according to Cubmaster E. Wayne Mattox. In addition, Cubs who have earned achievement awards during the last month will receive their awards.

Refreshments will be served by Den Mothers at the conclusion of the Olympics.

JULY 2 "REAL 4TH"

The United States actually declared itself officially independent two days before the Declaration of Independence was adopted. World Book Encyclopedia reports that Congress approved on July 2, 1776, a resolution by Richard Henry Lee that "These United Colonies are, and of right ought to be, free and independent States."
