Labor Resents Government Interference

Strikes Are Now Being Threatened

By ROGER W. BABSON
No. 1 U. S. Economist

Babson Park, Mass. — Most manufacturers, many merchants, and even some investors with whom I talked are disturbed about the labor unions. They fear labor will ruin our export trade which we need to stabilize our dollar, — and reduce the profits of our businessmen upon whom our Federal Government depends for tax money.

Strikes Now Being Threatened

Union leaders are facing into the spring bargaining season with every intention of bettering the gains made for their members during the recent recession. The AFL-CIO is keenly aware of: The restraining influence of joblessness in some areas; the fact that the consumer price index has remained practically unchanged over the past four months; and the growing reluctance on the part of employers to permit gains in labor costs. Labor also recognizes the problems emerging from the spread of automation and its reshuffling of manpower needs.

Heavily stressed will be productivity and the upturn in corporate profits. Both these factors will be exaggerated considerably beyond their true significance. Laborites have already given their members the impression that productivity from early 1961 and on into 1962 has increased at a record-smashing rate many nonmanufacturing lines. Actually, even the most optimistic estimates do not place the current rise per year at more than 2 1/2%.

Labor Leaders Resent Government Interference
Labor's distaste for intervention by the Administration was once again quickly revealed when Labor Secretary Goldberg stated that the government should define the national interest involved in labor-industry disputes and help settle any differences accordingly.

Union leaders indicate they are going to push for wage gains and fringes that the White House may consider inflationary, and they do not intend to be curbed. Many union negotiators will be seeking raises this year of as much as 5% on the basis of productivity gains. Where employers clearly recognize that this is a misrepresentation of the actual rise in productivity, firm resistance may mean strikes. The Federal Government appears sympathetic to 2 1/2% wage increases instead of the 5% demanded with costly "fringe" benefits. A wage hike of 2 1/2% equals from 4¢ to 7¢ per hour according to the industry involved.

Effects of Secretary Goldberg
Over the months ahead, large-scale bargaining is slated in aircraft, airlines, aluminum, communications, petroleum, textiles, paper, and railroads. Of particular importance are the current steel negotiations, since an agreement long in advance of contract expiration would encourage similar government pressure in other fields.

If Secretary Goldberg is successful in achieving an early settlement in steel, it will be met by union leaders as a kind of intrusion into free collective bargaining.

CMA Chapel Choir Sings At Concert In Washington

Sons of three faculty members sang with the Culver Military Academy Cadet Chapel Choir during four concerts in two days Saturday and Sunday at Washington, D.C.

Highlight of the trip was an afternoon program sung by the Culver group in the National Cathedral, where the Cadet Choir joined with those of the Cathedral in the evensong. The Academy choir is one of the few high school organizations invited to sing at the National Cathedral.

Among the members of the choir who made the trip to the nation's capital were Allan W. Estey, son of Col. and Mrs. Melvyn A. Estey, Academy Road; James P. Craig, son of Dean and Mrs. Addison B. Craig, East Shore Apartments; and Thomas Y. Miracle, son of Mr. and Mrs. James V. Miracle, 488 State St.

The choir made its first appearance in Washington Saturday night when it sang to an audience of Culver alumni, and students, friends, and parents of the Washington Cathedral School for Girls. Sunday morning, the Rev. Allen F. Bray III, Academy chaplain, delivered the sermons and the choir sang for two services at St. John's Church, Bethesda, Maryland. Chaplain Bray's sermon was entitled "Temptation and Tyranny."

For the 4:30 p.m. evensong at the National Cathedral, Chaplain Bray discussed the relationship of religion and education in a sermon "The Challenge and the Charge." The choir left Washington for the return trip to Culver soon after the services.

DRIVING TESTS WILL BE MADE ONLY ON MONDAY OF NEXT WEEK

The driving examiner for the Plymouth Auto License Branch will be attending a driver Examiner Refresher School next week. Therefore, he will be in Plymouth only on Monday, April 9, to give driving tests.

TERRY HAND TEACHING AT INDIANAPOLIS

Terry Owen Hand, senior at Ball State Teachers College, is participating in full-time student teaching at Broadripple High School, Indianapolis, during the spring quarter.

Hand is the son of Mr. and Mrs. Donald Hand, 426 State St., Culver. He is teaching art.

ing. It would not be surprising, in fact, if some of the more radical unionists refused to co-operate in future proposed premature bargaining sessions to avoid last-minute disputes.

What A U. S. Agency Has Just Done!

While the above negotiations have been going on, a U.S. Government Agency has, for the first time, granted exclusive bargaining rights to a labor union to negotiate on grievances, safety, vacations, etc.; but not on wages or the total hours in a work-week. The government is also "asking" for a no-strike pledge and no restriction on "race, color, or creed."

This important precedent was established in connection with a Department of Agriculture decision on March 8 that its 2,472 meat inspectors would be represented by a unit of the American Federation of Government Employees, AFL-CIO. The Department's action is in accordance with an executive order issued by President Kennedy on January 17, providing for government recognition of unions representing federal employees. When we consider that — in addition to those in the military — there are several million U. S. workers in ordinary clerical and industrial jobs, we see what this ruling could mean. But whether it will result in a federal dictatorship or in plain socialism, I cannot now forecast.

Tommye Lou Glaze To Appear In Recital At CMA

TOMMYE LOU GLAZE

Miss Tommye Glaze, talented and beautiful soprano, known to thousands of Hoosiers as Miss Indiana of 1960, will return to her Culver homeland on Sunday, April 8, to appear in a recital at the Eugene C. Eppley Auditorium on Culver Military Academy campus at 2:30 p.m.

Miss Glaze will present a program of songs ranging from the Classical Italian Period to the modernism of contemporary France. She will be accompanied by another gifted Culver girl, Miss Jeanette Berger. Tommye Glaze is completing her work for the Bachelor of Music Education degree in Voice at the Indiana University School of Music. Miss Berger is also studying music in Bloomington.

Miss Glaze will be assisted in her program by Colonel Martin Uebel, clarinetist, of the Academy faculty. Colonel Uebel will play the famous clarinet obligato in Franz Schubert's dramatic song, "The Shepherd on the Rock."

This program will be sponsored by the Seven Arts Group of the Faculty Wives Association. The two remaining programs in this series will be a book-review by Lucy Chase Slosson on April 19, and an organ recital by Milford Myhre on April 27.

There is no admission charge for any of these programs and the public is cordially invited to attend.

Parent Teacher Association To Meet April 10

The Culver Union Township Parent Teacher Association will meet Tuesday evening, April 10, at 7:45 p.m. in the school study hall.

Don Davis, president, has announced that Dr. Preston W. Slosson will be the speaker, and he has chosen for his topic "Your High School and Mine." Dr. Slosson was a history professor at the University of Michigan for 40 years, and now holds the Eppley Chair of History at the Culver Military Academy. He is the author of 13 books on European History; was a former newspaperman and radio news analyst, and a participant in the 1919 Peace Conference in Paris, France. Dr. Slosson received his Masters degree, and doctorate at Columbia University, is a Phi Beta Kappa, and has been a visiting professor of history at many colleges.

Thomas E. Walker will give a short resume of the action of the reorganization committee which was appointed by the P.T.A. to study the problems of such a reorganization.

It is hoped the public will attend this meeting since the program promises to be one of great interest to all.

Police To Hold SCUBA Training School At CMA

Police units from Indiana and South Dakota will use facilities of Culver Military Academy and Lake Maxinkuckee for a SCUBA Training School from April 9 to 14.

John J. Barton, superintendent of Indiana State Police, said seven units from his department, 10 units from the Indianapolis Police Department, and possibly five units of South Dakota State Police will be trained in the six-day SCUBA (Self-Contained Underwater Breathing Apparatus) School. In addition, Barton said 33 units now performing SCUBA functions will be assigned to attend the school April 13 and 14.

The school will be conducted by Indiana State Police, who plan to use the Academy's swimming pool as well as installations along the Lake Maxinkuckee shoreline.

Free Movie On Cancer Showing At Plymouth

April has been designated Cancer Control Month by congressional resolution, and in conjunction with this the motion picture "The Warning Shadow" will be shown at the Rees Theater, April 5, at 1:30 p.m. Admission will be free.

The picture will be sponsored by the Zeta Zeta Chapter of Delta Theta Tau Sorority and the Marshall County Cancer Society. The sorority will provide free baby-sitting services at the First Methodist Church.

Twenty-five years ago there were about 160,000 persons cured of cancer in this country, and if present rates continue there should be 1,100,000 in 1962.

The large increase in the number of people cured is due to two major factors: the development of improved treatment in research laboratories, and public and professional education, combined with the best methods of diagnosis, treatment, and prevention.

Some believe that more can be done against cancer through education than against any other disease. The movie is designed to provide such education. Dr. Kent Guild, a Plymouth physician, will answer questions.

FOUR FIRES LAST WEEK

The Culver Volunteer Fire Department was kept busy during the past week with grass fires.

On Wednesday they were called to extinguish a marsh fire on the farm of Mrs. William O'Connor, southwest of Culver.

At 2:45 p.m. on Thursday two calls were received within five minutes. One was a grass fire near the Joe Wolfe residence on Hibbard Road where a 40-acre field burned before the fire was brought under control. The other call was to the home of Charles Kline, 319 Lake Shore Drive, Culver, where one acre of grass burned.

On Monday at 1:35 p.m. another grass fire was extinguished at the Joe Burns gravel pit, south of Culver.

MOBILE X-RAY UNIT WILL BE IN CULVER NEXT WEDNESDAY

The mobile X-ray unit will be in Culver on Wednesday, April 11, and all persons over 18 years of age are urged to take advantage of this opportunity to have a chest X-ray without charge.

The unit will be located in front of the NIPSCO Building on W. Washington St. from 8:30 to 11:30 a.m. and from 12:30 to 4:00 p.m.

Two CHS Juniors Named To Attend Boys' State

T. Overmyer and D. Shock Chosen

Dennis Shock and Thad Overmyer, Culver High School juniors, have been selected to attend Hoosier Boys' State this summer under the sponsorship of the Culver post of the American Legion. Wade Logan and Richard Ervin have been named as alternates, according to M. R. Robinson, post Boys' State chairman.

Hoosier Boys' State will be held on the Indiana University campus the week of June 16 to 23, as a school of government with a program of practical politics and citizenship. The members are instructed in the true concepts of the ideals and objectives of government, stressing the results of successful operation of government.

Dennis Shock, son of Mr. and Mrs. Howard Shock, is a member of National Honor Society, band, track, cross country, press club, and varsity lettermen's club. He was president of the freshman class and as a sophomore was a member of the student council.

Thad Overmyer, son of Mr. and Mrs. Earl D. Overmyer, is a member of National Honor Society, basketball, track, cross country, band, press club, and varsity lettermen's club. He is a member of the Student Council, and vice president of Hi-Y.

Wade Logan, son of Mr. and Mrs. Carl Logan, is a member of Hi-Y, band, varsity lettermen's club, choir, track, basketball, and cross country.

Richard Ervin, son of Mr. and Mrs. Ted Ervin, is a member of Hi-Y, varsity lettermen's club, baseball, track, and basketball.

County Music Festival To Be Held At Argos

By Anna and Vicky Lutz
The Senior Choir, Junior Band, Girls and Boys Glee Clubs held a concert on April 1, in the Community Building.

Mary Jane Guise won the District Indiana Federated Music Club award in Plymouth last Sunday, which gave her the right to go on to South Bend for further competition April 1. Lana Berger accompanied her on her solo.

The County Percussion Clinic for March 31, has been changed to April 14. Due to this change, both the Marshall County Vocal and Percussion Clinic will be held at the Culver High School Music Building on the same date.

County Music Festival tickets will be on sale after April 1, and may be purchased from any Senior Band or Senior Choir member. The County Music Festival is scheduled for April 27, at the Argos High School. A wide selection of numbers has been programmed for this event.

Beginning band students will have an instrumental display by a local music store at 7 p.m., town time, on Thursday, April 5, in the music building. Both parents as well as their fifth grade child are urged to be in attendance. Notices will be sent to all parents.

All Senior members have been set back to the last chair parts in order to prepare the Juniors for the first chair parts for next year's band.

KING HESTER SUFFERS HEART ATTACK

King Hester suffered a light heart attack Monday at his home at Route 2, Culver.

Governor Welsh Sets April 8-14 As Library Week

Governor Matthew E. Welsh recently signed a proclamation marking the week of April 8-14 as National Library Week in Indiana. This marks Indiana's official participation in a state and nation-wide campaign to urge all citizens to utilize and give generous support to their libraries to the end that this important resource may be a constructive force throughout the state and nation.

The Indiana Committee for National Library Week is headed by H. E. Wriggelsworth, Assistant Secretary, American State Insurance Co., Indianapolis. Mr. Wriggelsworth is also president of the Indianapolis Chapter of the National Office Management Association.

Edgar W. Chamberlin, Assistant Director, Indiana State Library, is Executive Director of the state committee.

"Read and Watch Your World Grow!" is the theme for this year's National Library Week which provides special opportunities to emphasize the personal rewards in reading and increase interest in developing the reading resources that serve the community.

Time was when almost everyone's conception of a library was a kind of storehouse for books to which the would-be reader went because he was urged by some specific need, or when he had the time to spare and felt like doing so for pleasure or for profit. That concept, of course, still dominates the minds of large numbers of people, but among those who are acquainted with

the more forward looking libraries of today, a new concept has gone far toward replacing the old one, and libraries, instead of forever expecting the people to come to them, are more and more going to the people.

Named Top Farm Bureau Insurance Counselors

Hugo Anderson of Culver, Marshall County agent for Farm Bureau Insurance, and Ray Borggren, agency manager, have earned their place on the organization's All-American team. This is made up of top Farm Bureau Insurance counselors.

Through demonstrating their sincere and deep belief in the value of their services, Mr. Anderson and Mr. Borggren have pinpointed the old saying, "Success is the ratio of accomplishments to capacities."

This is the third time Mr. Borggren has been a member of this select group and the first time for Mr. Anderson.

Both Mr. Borggren and Mr. Anderson and their wives have just returned from attending a special conference at the Biltmore Hotel in Palm Beach, Fla.

MAXINKUCKEE L.O.O.F. HALL RECEIVES NEW LOOK

The L.O.O.F. Hall at Maxinkuckee has taken on a new look since March 24 when men of the Lodge removed the windows and entranceway of what in earlier times was the Maxinkuckee Grocery Store, operated for many years by Anson Overmyer. The entire front of the building has been covered with a stone-effect siding and a panel door has been installed.

NIPSCO Engineer To Speak To CMA Science Students

WILLIAM A. SUMMERS

The story of underground storage of natural gas, a tale of rocks that "inhale" in the summer and "exhale" in the winter, will be unfolded to general science students at Culver Military Academy on Thursday, April 12.

William A. Summers, engineer in charge of Northern Indiana Public Service Company's underground storage project near Royal Center, will review the geological history of that region. He will explain how the discovery of

this sub-surface storage area will help NIPSCO maintain a dependable supply of natural gas on peak load days when customer demand is the heaviest.

"The Underground Story of Natural Gas," a 20-minute film, will be shown with a question and answer period following.

E. F. Schlebecker, science instructor at the Academy, will introduce Summers at the meeting.

RECEIVES ROTC PROMOTION AT I.U.

Melvin A. Estey, son of Mr. and Mrs. M. A. Estey of Culver Military Academy, Culver, is among 17 Indiana University juniors who received recent promotions in the Army ROTC cadet brigade.

The 16 cadet master sergeants and 7 sergeants first class are volunteers in the advance ROTC program and will receive commissions as second lieutenants

upon graduation from I.U.

Besides the daily military classes, the cadets will attend a six weeks summer camp at Indian-town Gap, Pa.

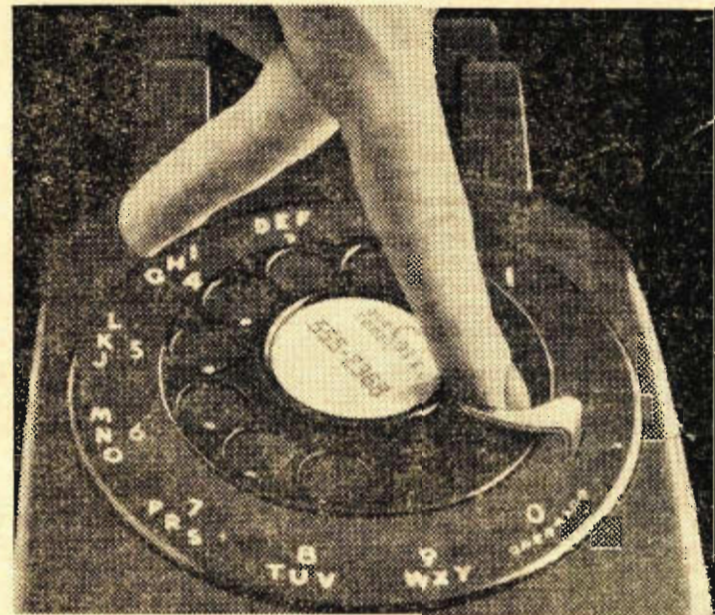

Estey has been promoted to the rank of master sergeant.

Joyce Witte and Richard Studebaker Wed In California

A California wedding of local interest was performed on Friday, March 16, at Palos Verde, Calif., and united in marriage Miss Joyce Carolyn Witte, 1525 E. Mountain St., Glendale, Calif., and Richard Studebaker, 4846 Hazeltine Ave., Sherman Oaks, Calif.

Mr. and Mrs. Albert Witte, Richmond, Ind., are parents of the bride and Mr. and Mrs. Byron Studebaker, Thousand Oaks, Calif., former Culver residents, are the bridegroom's parents.

The nine o'clock evening ceremony was performed by the Rev. Kenneth Knox at the Wayfarer Chapel.

Given in marriage by her father, the bride was lovely in her street length gown of pouff pink acetate faille which featured a pink lace front insert in the skirt and at the neckline. Her shoulder-length veil fell gracefully from a crown of seed pearls. Her jewelry was a solitary pearl necklace, gift of the bridegroom. Pink satin shoes, dyed to match her dress, and a lace handkerchief carried by the bridegroom's mother at her wedding, completed her ensemble. Her floral arrangement was fashioned of pink carnations, centered with a white orchid, surrounded with pink ribbon streamers.

Miss Virginia Lee Witte of Richmond, Ind., was maid of honor for her sister and appeared in a blue faille street length dress and blue satin shoes. She wore a blue open crowned pill box hat with blue veil and carried white carnation with blue ribbon and net streamers. Her seed pearl necklace was a gift from the bride.

Best man was John Dyson of Downey, Calif. Ushers were James Welscher of Panorama City, Calif., and Davell Crates of Whittier, Calif.

For her daughter's wedding, Mrs. Witte selected a beige lace sheath dress accented with brown accessories and her ivory gardenia corsage.

The bridegroom's mother chose to wear a blue and green chiffon dress with blue wool coat and blue accessories. Her corsage was fashioned of white gardenias.

Following the ceremony a reception was held at the Marineband Banquet Room in Palos Verde.

The newlyweds will be at home at the 4846 Hazeltine Avenue address in Sherman Oaks, Calif.

The bride is a graduate of the Richmond, Ind., high school and attended Geo. Pepperdine College in Los Angeles and Glendale Col-

MARY JANE GULSE PLACES FIRST IN COUNTY CONTEST

Miss Mary Jane Gulse, a senior student at Culver High School and the daughter of Mr. and Mrs. Curtis Gulse, won first place with her vocal selection at the Marshall County Music Contest held Sunday, March 25, at the Presbyterian Church in Plymouth. She was accompanied by Miss Lana Berger.

Miss Gulse won highest honors over 14 contestants with vocal and instrumental numbers. Other local contestants were Nick Knoerzer and Joan Norris, both with instrumental selections, and Carol Overmyer with a vocal solo. All four contestants were sponsored jointly by the Culver City Club and the Maxinkuckee Junior Woman's Club.

Miss Gulse was also a contestant at the district contest held last Sunday, April 1, at the Progress Club in South Bend.

Extra Activities Win Support

By Cheryl Dillon and Lucy Osborn

This week our roving reporters interviewed several of the students and teachers at C.H.S. concerning the question: Do you believe in extracurricular activities? Why or why not? These activities were very popular with the students and teachers who were interviewed. Their opinions were unanimously in favor of them. Some of their replies may ease the minds of parents who think their children "do too much."

Linda Kose — Extracurricular activities are of great importance in the life of a student because they aid in giving him a well-rounded personality. Also, by participating in extracurricular activities you learn how to get along with all types of people.

Barbara Hatten — Yes, but you can overdo a good thing.

Dave Frain — Yes, it gives you a good reason for going to school.

Mary Jane Guise — Extracurricular activities are very important in creating a balance in school life but SHOULD NOT be overly stressed.

John Benedict — Yes, they build character — Hi-Y especially.

George Ogden — Yes, because they give me an excuse not to do my school work. (Teachers! Take note!)

Tom Boswell — Very definitely. I believe there is much to be gained and learned from extracurricular activities that cannot be gotten in the classroom.

Tom Yocom — Yes, because they take up spare time that might be used for unhealthy activities.

Bev. Barshes — By all means, I am for extracurricular activities! You cannot have all work and no play. Through extra activities a person can get acquainted with others.

Jim Weirick — Yes, it gives the participant a bigger responsibility as to school spirit and loyalty.

Phil Gretter — Yes, it keeps people's minds acute—they do not become dull with school work — and it is good competition.

Dennis Shock — Extracurricular activities are all right as long as they do not interfere with the curricular activities.

Bob Carter — Yes, it develops team spirit, good sportsmanship, and a better personality.

Judy Kimmel — Yes, besides

studying at school, extracurricular activities are something which you can look forward to and enjoy. But I do agree that it should not hinder academic work.

Paul White — Yes, as long as regular studies do not suffer. It gives a person a chance to enjoy school and forget his problems for awhile.

Charlene Lucas — Yes, all of us need something to help relieve the tensions of school work and studies. However, there should also be a limit to the amount of activities you get into. They certainly do teach you to budget your time!

Cathy Carrothers — Yes, they create more interest for the students and also teach leadership.

Mr. Stakenborg — Education involves the development of all the virtues, not just the intellectual, so the emphasis at school should not be purely academic.

Mr. Graham — I believe in extracurricular activities to the extent that academic work does not suffer; the trouble comes when the tail begins to wag the dog.

Mr. Kepler — Extracurricular activities make a valuable contribution to the development of personality, development of character, and extension of learning experience. They should not interfere excessively with the academic program.

Mrs. Warner — Yes, it gives me experience in bookkeeping, besides providing valuable experience for students.

Mrs. Smith — They give one valuable experience in finding and developing one's abilities, and in budgeting one's time to include the activities and experience which should help one greatly in adult life.

Mrs. Johnson — I believe in extracurricular activities if the number is limited and if the activities do not interfere with academic progress.

Mr. Robinson — Yes, very much. A good citizen is a well-rounded person, and extracurricular activities give the necessary training that the academic subjects do not provide.

Miss Shanks — Yes, extracurricular activities give opportunities in which they are especially interested. I have always said, such activities give a chance to give valuable training in learning to get along with others.

Mr. Cox — Definitely! It is needed to help us become a complete individual and as a prerequisite for the game of life. Life holds many more things for us

than our work or career.

Mr. Crosley — Yes, I believe in them. It is through these activities that the individual develops the whole personality. They also are the basis on which school spirit and loyalty are founded.

As you can see, the replies in favor of extracurricular activities are many and varied. In case you happen to be a person who thinks such activities are a waste of time, we hope you will consider them again.

"Spring has sprung, the flowers has riz, and I wonder where the birdies iz."

It seems that everyone in the C.H.S. halls has a little touch of spring fever. Some new couples seen in the halls are Bob White and Lucy Osborn, Ned Davis and Wanda Warren, and Sherrill Edgington and Leonard Richards. It appears that the thoughts of spring are really working on these people.

Jim Carter, we hope you got your sleep on the way back from "The King and I." You must be very ticklish! Speaking of "The King and I," everyone enjoyed it very much, especially when they stopped to eat.

"Friends, Romans, and countrymen . . ." This is just one of the lines heard in the sophomore English class. Julius Caesar seems to be quite popular with them. Could it be because Bob Carter has been playing the part of Caesar?

It seems Mr. Lawson has faithfully been doing his exercises outside the cafeteria lately. He claims he is just trying to work up an appetite.

Congratulations to all the students who went to contest, especially to Marizetta Robinson and Betty Ricciardi for attaining firsts.

A few girls have been having troubles in the girls' restroom in

the band building. For further information ask Martha Lowry and Chris Hand.

Everyone be on the alert! It is the time to head for your shelter, because Linda Shock and Marsha Wentz have just received their driver's licenses.

We wish Cheryl Dillon, Charlene Lucas, and Rick Ervin would stay out of the employees' elevator when they go to a hotel. It makes for a very confusing time. Oh, by the way, Rick, does your father really own the Pick Oliver Hotel?

Faculty members, be on the look out for a person calling himself Confucius. This person adds more sayings to Confucius' list, but is actually Mr. Lawson. For further information see Lana Berger.

Well, the spring rains are drowning out the Teepee's smoke signals, so until next week — PEACE!

Commencement Date Nears: Seniors Get Invitations

By Mary Jane Guise and B. J. Lawrence

The Senior Class will receive their invitations for Commencement on April 2. The tickets have arrived for the plays that some of the Seniors will be fortunate enough to see in New York. Only 17 more school days until the Senior Trip!

The Juniors received the results from the Ham Supper. \$751.64 — not quite beating last year's class.

The Sophomore Class meeting was Friday. They nominated all their officers except for student council. They have decided to put a thousand dollar bond in the bank and "Watch their Savings Grow." Smart class.

The Freshman will have their usual Fudge Sale Friday.

Surprise: Girls Interest Boy!

By Judy Kimmel and Carmen Gretter

This week we followed a similar pattern of the past few weeks, in interviewing a student at C.H.S. See if you can guess who he is, now don't look!

He is: a boy . . . fourteen and three quarters years old . . . proud of all his 135 pounds . . . wears a size 10 shoe . . . a blonde with green eyes . . . proud owner of 29 teeth . . . owner of a six year molar (this is missing) . . . and he is 5 foot, 5 1/2 inches tall.

He eats: food . . . and more food . . . French fried onion rings . . . chicken . . . peanut butter cups . . . pizza . . . hamburgers, and anything which is digestible.

He enjoys: popular music . . . playing a wild clarinet . . . sports . . . basketball . . . and skiing.

His favorite subject: Girls . . . Girls . . . Girls!!

This boy enjoys such school subjects as biology and algebra.

Of course, he has dislikes such as: people who spread false rumors about another person.

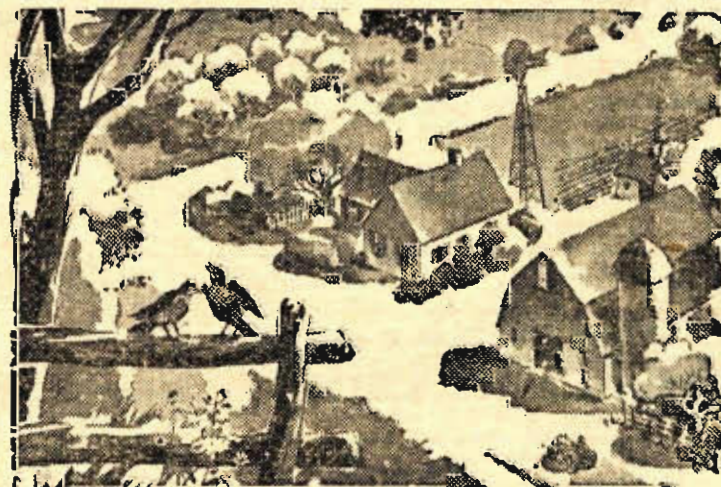

Well, if you haven't guessed this "cool" guy, it's Dick Mackey.

Fifth Graders Study Planets

By Donna Smith and Glenda Dawson

Mrs. Melton's kindergarten had several birthdays this week. Melanie Washburn and Robin Fitterling celebrated their birthdays on Wednesday, March 14, by having a party in the morning. Glen Schrimsher also celebrated his birthday by having a party on March 22.

In the afternoon kindergarten, one child upon returning from a week's absence was asked by his teacher what was the matter with him. He said he had the flu, but his little sister had the chicken HAWKS and the mumps. They welcomed Charles Crocker back to the class.

In Miss Page's second grade, the children have been making puppets and using them in acting out stories from their reader. They also have been experimenting with how water moves things.

Gary Strang, who is in Mrs. Allen's second grade, was eight years old March 25. They have been studying birds and their migration and have seen movies on prehistoric animals.

In Mrs. Beauchamp's class, Mary Ann Easterday celebrated her birthday on Monday with a very nice party.

Mr. Conner's fifth grade is continuing their study on planets. Most of the students are ready for the painting of the planets. They have two bulletin boards, one is titled "Our Solar System," and the other is "Water." Working on the boards are Phillip White, captain, Kathy Tash, and Stephanie Mohr. It sounds very interesting.

Mrs. McLane's first grade room had a spelldown with Friday's words, the winners were John Adams and Mary Jo Fishack.

Jimmy Hoesel, who is in Mrs. Carter's third grade, had a birthday on Wednesday, March 21. They are writing letters to each other and mailing them in their mail boxes. Lynn Langloid, Shirli Chisholm, Cynthia Marshall, and David Williams haven't missed any spelling words since school opened in September!

Miss Carol Cromley, who has spent the past two months with her parents, Mr. and Mrs. Ira Cromley, returned Saturday to Chicago where she will employ her nursing profession at Wesley Memorial Hospital and also attend the summer sessions at Moody Bible Institute.

Annual HI-Y Party A Success

By Larry Linhart and Janet Beck

The HI-Y party was held March 30, at the American Legion and was a big success. Everybody was well fed with all the delicious food they had there. Plans for the party were made by Phil Gretter and his committee.

The nominations for next year's HI-Y officers have been made.

On Saturday, March 31, four HI-Y members attended the Annual HI-Y Convention at Indianapolis. The members attending were as follows: Chuck Reed, Phil Gretter, Bob Parker, and Bob Dickson.

Lana Berger called the Sunshine meeting to order Tuesday and Carol Heiser led the Sunshine Girls in the Sunshine Song and Beverly Thomas led them in the Sunshine Creed.

Then the committees for the Ideal Ladies' Party met during the remainder of the meeting. Also, Pat Wesson took pictures of these groups: Senior SSS members, Riley Fund committee, Good Cheer committee, Rec. Room committee, and the Social committee for the SSS Scrap Book.

Seventh Grade Art Students Finish Puppets

By Gloria Baker and Shari Croy

The seventh grade is finishing their puppets and a few have given their plays in front of the class. We are anxious to see all the finished plays, because those we have seen up to this time have all been good.

The eighth grade is designing covered dishes and vases, and executing them in fire clay. They choose a method of construction that is best suited to the basic

Local churches plan special services for Holy Week.

Next Saturday the High School Band and Chapel Choir will go to Knox for the District Music Organization Contest.

Services for Mrs. Floriane Sordell Faber, 61, wife of John Faber of Burr Oak, will be held tomorrow at the Plymouth E.U.B. Church.

Miss Marylou Gysin, bride-elect whose marriage to Hugo Anderson will take place on Friday, April 18, was guest of honor at a bridal shower Friday evening in the home of Mrs. John Bryan.

Mr. and Mrs. Robert Hatten are the parents of a daughter, Rebecca Lee, born March 30.

A son was born March 25 to Mr. and Mrs. Thomas Carter.

APRIL 8, 1942 —

Dr. C. G. Mackey has filed for county coroner on the Republican ticket. He is the incumbent.

Stewart Krauss, of Indianapolis, has been reported missing since March 25. He is the son of Mr. and Mrs. Paul Krauss, well known East Side cottagers, and was stationed in Hawaii.

The War Department has ordered Col. W. E. Gregory, superintendent of the Academy, to active Army duty. It has been announced. He has been assigned to the Fifth Armored Division for combat duty. Col. J. S. Fleet, chairman of the Faculty, has been named acting superintendent and will take over his new duties on May 1.

John Hoesel, son of Mr. and Mrs. Evert Hoesel, underwent an appendectomy Saturday at Parkview Hospital in Plymouth.

Branch McCracken, basketball coach at Indiana University, will be the speaker at the banquet honoring the Culver High School basketball team at the Maxinkuckee Inn tonight.

APRIL 6, 1932 —

The Culver-Logansport Road is now officially State Highway 17.

Captain Bishop has been appointed a member of the 1932 Davis Cup Committee and also re-elected vice-president of the Western Lawn Tennis Association.

Col. H. C. Bays died Sunday night at his home after a long illness.

The Wilderness school building located on the Mattingly Road, south of Plymouth, was entirely destroyed by fire on Sunday. All text books, records, and equipment were lost also.

John Bumbarger, 81, died Sunday at his home near Hibbard.

Margaret Swanson placed second and Margaret Zechiel placed third in the Cicero division of the district Latin contest at Rochester.

The high school oratorical contest, sponsored by the Chamber of Commerce, will be held April 25.

APRIL 5, 1922 —

The McKesson Ford Agency last month sold 9 cars and 3 tractors.

A large dinner party was held this week to celebrate the birthdays of Ivan Walker, Ezra Woodriddle, and Mrs. Edna Hann.

The McKee brothers are drilling another well for the water company and extensive improvements are being planned for the city water plant.

Friday brings parents day and Arbor Day observances to the local high school.

APRIL 4, 1912 —

H. E. Adams was hurriedly summoned to Kansas City Saturday on receipt of a telegram that his son, Henry, was critically ill with spinal meningitis.

A. L. Warner left Tuesday for a ten-day trip to Miami, Fla. Mr. Warner is making payments on a 10-acre tract in the everglades and he is curious to see what this much exploited land looks like.

The board of education is giving time and study to the selection of a heating plant for the school building. Other changes in the school building have been decided upon. The auditorium will be converted into recitation

rooms and a laboratory, and a portion of the basement will be prepared for the use of a manual training department.

George E. Nearpass, Sr. of Frazeysburg, Ohio, suffered a stroke March 28 and his condition is said to be critical. Mr. Nearpass founded the Marmont Herald, and was a character well known in Marshall County for some years. The Culver Citizen is the successor of the old Marmont Herald.

George W. Topping of Lyons, Ind., has bought the flour and grist mill and will be here this week to put it into shape for immediate operation. Mr. Topping has had experience in building up a rundown property and knows exactly what he is up against. The reopening of the mill will benefit the town to a considerable degree by affording the farmers in this section facilities for which

they have been compelled to go elsewhere.

The Town Board and Marshal have said that the chickens must not run at large. Some chicken owners say they can and shall. Now we'll see which holds the winning hand.

GEORGE VAN SCHOLACK IMPROVING AFTER HOSPITALIZATION

Mrs. LeRoy Voreis of Bear Lake, Mich., was called March 23 to the bedside of her father,

George Van Schoiack of the Maxinkuckee neighborhood, who was confined to Parkview Hospital in Plymouth with a congested chest condition. He was released from the hospital March 26 and returned to his home where his daughter, Gladys, and Mrs. Alta McCoige have been caring for him. He is recovering rapidly.

Mrs. Floy Leap and daughter, Treva, were callers Tuesday afternoon of Mrs. Ada Keeney and other relatives at Kewanna.

FIRST CHURCH OF CHRIST SCIENTIST
423 S. Michigan St., Plymouth
Sunday School 10:30 a.m.
Morning Worship 10:30 a.m.
The power of spiritual thoughts to dispel apathy and apathy and idleness will be brought out in Christian Science church services Sunday.

Bible readings in the Lesson-Sermon entitled "Unreality" will include these verses from Proverbs (6): "How long wilt thou sleep, O sluggard? when wilt thou arise out of thy sleep? Yet a little sleep, a little slumber, a little folding of the hands to sleep: So shall thy poverty come as one that travelleth, and thy want as an armed man."
A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p.240): "If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. If at present satisfied with wrong-doing, we must learn to loathe it. If at present content with idleness, we must become dissatisfied with it."

MOVES BACK TO CULVER
Mrs. Clara Heine, a former resident, who has been living with her son, Kenneth Lockridge, and family in Oneonta, N. Y., for the past 10 years, returned to Culver Friday. She is staying with Mrs. Max Fechner for the present and will move into her home on Vandalia St., after some remodeling is completed.

Cards Of Thanks

We wish to take this means to express our thanks and deep appreciation to our friends and neighbors and the competent members of the Culver Volunteer Fire Department for their efficient help in combating last week's fire at the farm located north of Hibbard, formerly known as the Mike Bernhard farm.
MR. AND MRS. D. "MIN" HATTEN

Chiff and I wish to extend our sincere thanks and appreciation to all our friends, neighbors, and relatives who have helped in so many ways to make my stay in Memorial more pleasant. I was indeed grateful for all the visits, yards, flowers, and prayers. A special thanks to Reverend Sands for his prayers and words of encouragement.

SCOUT NEWS

By DAVID KELLY, Troop Scribe

The April 2 meeting was held in the Methodist Church Fellowship Hall with 21 Scouts attending. A movie was shown on fishing by Mr. Verl Shaffer. The Flaming Arrow Patrol had the best campsite at last weekend's overnight. A uniform inspection was held with 80% of the Troop in uniform. Rex Schrimsher passed his Second Class before the Board of Review, and John Cook passed his Tenderfoot rank.

Next week the Wolf and Flaming Arrow Patrols have hiking demonstrations. Also we will attend the local public library in observance of Library Week (April 8-14). All P.L.'s must have their Scout-O-Rama exhibits ready for next Monday's meeting.

Mike Baker is to fill the bird feeders this week.

Thursday, April 12, there will be a Scout-O-Rama planning meeting. All Troop officers should be present.

A cross country hike to Myers Lake will be Saturday, April 14.

Turn your Scout-O-Rama ticket money in every Monday, so that you can receive your prizes immediately. When selling, tell the people what the Scout-O-Rama is and the nature of our exhibit.

There will be preaching services next Sunday following Sunday School. Attendance last Sunday was 71.

The evangelistic services for the Methodist Churches in the group Ministry held at the Richland Center church last week closed Sunday evening. The meeting was well attended.

Mr. and Mrs. Wilbur Kelso, Sr., returned home Thursday after spending the winter in Florida.

Evangelist Charles Stuck and the Rev. Calvin McCutcheon of Richland Center were dinner guests in the home of Mr. and Mrs. Guy Davis Wednesday. Mr. Stuck and Mr. Davis did visitation work in the afternoon.

Mrs. Guy Davis and Mrs. Ruth Lennen of Culver were among the members of the Marshall County Choral Club who attended the district rehearsal of the Indiana Home Demonstration Chorus held in LaPorte Thursday. The Chorus

is under the direction of Dr. Albert P. Stewart of Purdue University.

Mrs. Whitley Kline, Mrs. Clyde Beckner and daughters and Mrs. Guy Davis attended the annual meeting of the Woman's Society of Christian Service of the South Bend District held in LaPorte on Tuesday.

Mrs. Roy Packer was confined at Woodlawn Hospital, Rochester, over the weekend for minor surgery.

Rev. Clyde Beckner returned to Garrett Theological Seminary last week and began his final quarter of study. He graduates in June.

Davco Fertilizer Plant Expands At Wakarusa

W. R. Grace & Co., manufacturers of DAYCO and WONDER GRO fertilizers, wish to announce

the completion of a building program which more than doubles the capacity of their Wakarusa plant.

The Wakarusa plant has been in operation since 1957. It has been expanded to supply and service the plant food requirements of the good farmers in the Northern Indiana area.

This plant can supply a more complete line of fertilizers than any other plant in the area. It offers for sale DAYCO and WONDER GRO granulated mixed fertilizers, bagged and bulk, complete liquid mixed fertilizers, Nitrogen Solutions, Potash, Phosphate and

Urea. The plant expansion has just been completed and is ready for full operation.

IN 1960, over 57 million Americans attended horse races; 27 million participated in bowling.

WE PROVE IT CAN BE DONE!

Paul Swearingen Acquires Second Plymouth Store

The McClure Shoe Store, 114 East Garro Street, Plymouth, is under new management and will be known as "The Shoe Box."

The store will continue to carry Poll-Parrot, Trim-Tred, and Rand brands of shoes as before and has the exclusive agency for the lines. One new line, Queen Quality, has been added.

Several changes have been made in the arrangement of the store and the sales room has been enlarged. James Lower will be in charge of the store for the present time.

The store will feature children's, women's and men's footwear.

Paul Swearingen is the new owner of the store, having purchased the business from Dwight McClure.

There will be no connection between the operation of the new store and Swearingen's Shoe Store, according to the new owner.

"I feel there is a need for this store and this merchandise in

Plymouth," Swearingen commented.

A grand opening at the new store is scheduled for April 13-14.

MAXINKUCKEE ICE FREE ONCE AGAIN!

Spring has returned again to Indiana and it's a most welcome sight to see the waters of our Lake Maxinkuckee ice free once more. The ice went off last Thursday after a warming trend developed a few days before. The ice piled up along the seawall along the East shoreline near the N. A. Perry cottage where it did considerable damage to their stored piers and two shelters built on the water's edge.

Each day brings more of our feathered friends back from the Southland and the grass is taking on a greener hue now. Soon it will be time for pussy willows and mushrooms! Spring is surely a welcomed and appreciated event this year after an unusually long, cold, and icy winter that brought more than its share of snow.

HOME FROM COLLEGE

Virginia Reed, a senior at Hanover College, Hanover, Ind., is spending this week at home during the spring vacation. She is the daughter of Mrs. Donald Reed, Lake Front, Culver.

Mrs. E. W. Carter and granddaughter, Jean Gross, went to Muncie Saturday where Mrs. Carter enrolled in the first summer term at Ball State Teachers College.

Mr. and Mrs. Jacob Pedersen returned home Thursday after a two-week visit in New Orleans, La., with Mr. and Mrs. Ralph Pederson and family. They were accompanied home by Mrs. Myrtle Crahb who had spent two months in New Orleans with the Pedersens.

Mrs. Carl Clauson entertained in her Argos home at dinner Sunday for Mrs. Ora Rovelt and Mr.

and Mrs. Ira Cromley and all of Culver, in honor of Cromley's birthday.

Mrs. Bert Cramer Jr. had misfortune to ruin a new pair of shoes Saturday and is unable to wear her shoe.

The transient display advertising rate of The Citizen is only cents per column inch.
