## Culver Boy Scouts Rate Highly At Fall Camporee

More than 200 Boy Scouts and their leaders of the Menominee District, Tri-Valley Council, Boy Scouts of America, attended the Fall Camporee over the weekend, Sept. 27-29, at Myers Lake Scout Reservation. The theme of the Camporee was "Invitation To Adventure," with 21 Scouts of local Troop 290 participating in the demonstrations, competitive skills, and projects.

The Culver Troop 290 walked away with many of the honors given over the weekend. Of the five blue ribbons awarded, the Culver troop received three of them and the Flaming Arrow Patrol also received a red, white, and blue ribbon award for the best patrol campsite.

The 13 troops checked in at the Camporee site Friday evening and they immediately set up their campsites and held their own troop campfire programs.

Reveille call sounded at 6:30 a.m. on Saturday after which the 25 patrols began cooking breakfast. After breakfast each patrol improved their respective campsites.

Flag raising ceremonies were held at 9:15 a.m. with troop demonstrations immediately following. Troop 290's demonstration was "Animal Track Casting." A patrol cook kit, given for the best demonstration, was won by Troop 250 of Plymouth.

During the afternoon, each patrol participated in a series of six different skills and games. Each patrol was rated according to its skill at each of the stations and included in this rating were the points accumulated for campsite improvements. Their total score determined their award — blue, red, or yellow ribbon. Camp improvement projects were also part of the afternoon program.

The evening program consisted of a campfire program of songs, skits, colorful Indian dancing, and awarding of ribbons earned during the day's competition.

Troop 290, sponsored by the Culver Methodist Church, had three patrols participating — the Flaming Arrow Patrol, Panther Patrol, and the Beaver-Wolf Patrol. Adult leaders attending were Scoutmaster Carl F. Foust and Patrol Dad Paul Snyder Jr.

## 153 Persons Are X-rayed In Mobile X-ray Unit

The mobile X-ray unit sponsored by the Marshall County TB Association, which was stationed in Culver on the afternoon of Aug. 26, X-rayed 153 persons. Total number X-rayed in Marshall County by the unit was 1,155. The X-ray program is financed by the income to the TB Association from the sale of Christmas Seals.

Of the 153 persons X-rayed in Culver, 4 person needed re-examination for possible other chest pathology.

## MRS. DONAVON OVERMYER FRACTURES LEFT HAND

Mrs. Donavon Overmyer had the misfortune to fracture a small bone in her left hand Thursday while engaged in a little game of softball with her sons and friends.

Mrs. Overmyer was taken to Doctor Howard's office where her hand was examined, then x-rayed, and put into a cast which will remain on her hand for about five weeks.

## Main Street Of Culver In The Early 1900's

Pictured above is the east side of Main Street in Culver as it appeared over 50 years ago. This picture, taken from a postcard which was postmarked December, 1911, was loaned to The Citizen by Ray Fisher.

At the extreme left, beneath the trees, was The Culver Citizen building. In later years the Culver Grade School was located in this building and it is now the site of Johnson's Tire Service.

The second building from the left is the present location of Trone's Shop and Strang's Barber Shop. It is thought that at the time this picture was taken the building was occupied by a grocery or bakery on the north side, and by a picture show, operated by Jesse Crabb and Jesse Menser, on the south side.

The third building from the left was occupied by the Easterday Funeral Home and Furniture Store; and the fourth building housed the Culver Post Office. Shown in front are the carriages which were used to carry the mail and pictured on the walk are the mail carriers, Steve Smith and Ezra

Hawkins. These two buildings have since been replaced by the K of P Building where the A and P Store and The Kelly Shop are now located. To the north of the Funeral Home another building has also been constructed which is the site of Taylor's Ben Franklin Store.

Centered in the block, or fourth building from the right, was Porter and Co., a grocery store operated by Will Porter. This is now the Easterday-Bonine Funeral Home.

The Culver Meat Market, operated by the Zechiel Brothers, was located in the third store from the right, which is now Gretter's Food Market.

In the second building from the right was Rector's Pharmacy, now the location of the McKinnis Pharmacy.

On the corner, now Kline's Appliance Store, was Porter and Sons Restaurant and Lunch Room which was operated by Al Porter.

Anyone having other old pictures of Main Street, or of historical interest, is invited to bring them to The Citizen for publication.

## Culver Teacher Killed In Car-Train Accident

JOSEPH LEE ZELLERS

The Culver community was sorrowed last Monday morning, when it learned of the tragic death of Joseph Lee Zellers, a teacher in the Culver Community High School. Mr. Zellers was the victim of a car-train accident as he was on his way from Winamac to Culver about 7:30 Monday morning, Sept. 30.

Mr. Zellers, traveling east on State Road 14, apparently did not see the warning signals or the train moving across the highway crossing of the Chesapeake and Ohio Railroad, which lies a short distance west of the junction of state highways 17 and 14, about nine miles southwest of Culver. It is thought the early morning sun blinded Mr. Zellers, who drove into the side of the moving train. The car was carried a short distance down the track before it dropped free of the moving train.

Funeral services for Joseph Lee Zellers, 24, will be held this afternoon at 2 p.m. at the Fry and Lange Funeral Home in Winamac. Rev. Frederick Sanford, pastor of the Winamac Presbyterian Church, will officiate. Burial will be in the Winamac Cemetery.

Mr. Zellers taught social studies in the Culver Community High School and was an assistant coach in the athletic department. This was his second year at the Culver schools.

He was a graduate of Winamac High School and Indiana State Teachers College, Terre Haute. He was member of the Winamac Presbyterian Church. Born Nov. 9, 1938 in Hammond, Ind., he was the son of Mrs. Helen Hunt Zellers, of Taylorville, Ill., and the late William A. Zellers of Winamac. In addition to his mother, he is survived by his maternal grandmother, Mrs. Alta Hunt, also of Taylorville; and two half-sisters, Mrs. Noreen Carter of Albuquerque, N. M., and Mrs. Virginia Johnson of Gallup, N. M.

The Culver Community Schools will dismiss this afternoon as a memorial to Mr. Zellers and to allow students and faculty to attend the services. Mr. Zellers was the sponsor of the Sophomore Class of the local high school.

## Ailey Dance Group To Open Theater Series At C.M.A.

The Alvin Ailey Dance Theater will open the 1963-64 Culver Military Academy Concert-Theater Series at 8:15 p.m. Saturday, Oct. 5, in the Eugene C. Eppley Auditorium.

Featured will be a program of folk music, Negro spirituals, jazz, blues, and the music of Latin America. The series is part of the cultural program offered students and faculty of Culver Military Academy as well as the general public in the Marshall County area.

Ailey's group combines original dance forms with instrumental music, song, and acting technique to express various dramatic themes or moods. As part of the present tour, Ailey is presenting such well known works as "Gillespiana," "Roots of the Blues," and "Revelations." Added to this are two original works: "Cinco Latinos," a Latin American suite, and "Been Here and Gone," a suite based on American folk themes.

In addition to many works for his own company, Mr. Ailey has choreographed the touring musicals "Jamaica" and "Carmen Jones."

## UNIT 51 OF STATE COSMETOLOGISTS HAS CULVER MEETING

Fifteen beauticians, along with their models, attended a special meeting Sept. 29 of the Plymouth Unit 51 of the Indiana Hairdressers and Cosmetologists Association which convened at the Silhouette Beauty Salon, 313 North Main St., Culver, which is owned and operated by Mrs. Ruth Bodey.

A feature of the meeting was a class and demonstrations on up-to-date hair styling and techniques under the direction of Bill Wright of Logansport.

**FIRE DEPARTMENT** calls should be made to Viking 2-2121.

## Eldon Davis New School Corporation Board Member

ELDON DAVIS

Eldon Davis, trustee of Aubbeenaubee Township, is the new board member of the Culver Community School Corporation. Mr. Davis was seated during the meeting of the board last Tuesday evening. He fills the vacancy left by the resignation of Vernie Bowen, former board member.

Architects, representing three different firms, also met with the board to discuss plans for the new addition which is being planned for the Culver Community School building in Culver. This makes a total of six firms which have been consulted on the proposed plans.

## MRS. BEN OBERLIN SUFFERS FRACTURE

Mr. and Mrs. Ben Oberlin, who have been spending several weeks with their son and family, Mr. and Mrs. William Oberlin and Michael in Indianapolis, returned home on Sunday.

## Theodore Weiger, Well-Known Local Resident, Dies

Theodore Weiger, 78, 921 Academy Road, Culver, died at 11:30 a.m. yesterday, Oct. 1, at the Parkview Hospital in Plymouth of injuries sustained in an automobile accident in Culver on Sept. 20. He had been in failing health for the past two years.

The accident occurred as Mr. Weiger and his wife, Elsie, 67, were returning home from shopping. He lost control of the vehicle on the curve and hit near the A & W at the northeast edge of Culver.

Mrs. Weiger, who received a fractured hip, broken hand, concussion and lacerations of the face, is still a patient at Parkview Hospital, where her condition remains critical.

Mr. Weiger, known to his many friends as "Teddy," was born March 17, 1885, at Otterbein, Ind., and was married on Sept. 12, 1912, at Fowler, Ind., to Elsie L. Kendall. The couple moved to Culver in 1915 where Mr. Weiger was employed for many years at the Culver Military Academy Carpenter Shop, after which he was self-employed in the Roofing Construction business in Culver.

Mr. Weiger was a member of the Culver Methodist Church and the Maxinkuckee I.O.O.F. Lodge.

Surviving with his wife, Elsie, are three sons, Raymond E., Plymouth, Vern E., Tippecanoe, and Charles, Jr., Culver; two daughters, Mrs. June E. Dunuck, Edwardsburg, Mich., and Mrs. Fay E. Gilbert, Plymouth; 16 grandchildren and two great-grandchildren.

Friends may call at the Easterday-Bonine Funeral Home after 7 p.m. today until noon on Friday when the body will be taken to the Culver Methodist Church where services will be conducted at 2 p.m. with Rev. Helmer Peterson, pastor of the Plymouth Church of Christ, officiating. Burial will be in the Culver Masonic Cemetery.

## Join C.M.A. Science Department

EDWIN D. ANDERSON

Edwin D. Anderson, formerly a school administrator in Hingham, Mass., and Donald L. Troyer, a native of LaGrange, Ind., have joined the science department faculty at Culver Military Academy.

Anderson was junior high school principal and assistant principal of the senior high school in Hingham, Mass., for many years. He is a graduate of the University of Maine, with a degree in chemical engineering, and

DONALD L. TROYER

he has a Master of Education degree from Harvard University. Anderson's son Eric also teaches at the Academy as a member of the English department.

Troyer is a 1959 graduate of Indiana University. He was on a National Science Foundation grant last year at the State College of Iowa, Cedar Falls, where he was awarded his master's degree in August. He has also attended Ball State College, Muncie, and New Mexico Highlands University.

## Nine Cadets Named Merit Scholarship Semi-Finalists

Nine Culver Military Academy cadets have been named semi-finalists in the 1963-64 Merit Scholarship competition.

The students are among 13,000 high school students in the nation selected as semifinalists on the basis of outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 16,500 high schools last March.

Named from Culver in this group of highest scoring students from each state and U. S. territories are:

Eric F. Carlson, son of Mr. and Mrs. Lars Carlson, 3004 West Laurelhurst Drive, Northeast, Seattle, Wash.

Paul Greenlee, Jr., son of Mr. and Mrs. Paul Greenlee, 205 Coleman Avenue, Elmira, N.Y.

Arthur D. Hayward, son of Mr. and Mrs. Joseph Hayward, Sikeston, Mo.

James D. Kelly, son of Lt. Col. and Mrs. James P. Kelly, 303 Newton Street, Salisbury, Md.

George L. LeVan, son of Mr. and Mrs. George E. LeVan, El Reno, Okla.

Michael D. May, son of Mr. and Mrs. George N. May, 2025 Crestland Drive, Ann Arbor, Mich.

William L. Schlosser, son of Mr. and Mrs. Chalmers Schlosser, Jr., R. R. 1, New Palestine, Ind.

Jonathon H. Sinnreich, son of Col. and Mrs. Simon R. Sinnreich, 13 Wayside Lane, Huntington, N.Y.

William B. Zimmerman, son of Mr. and Mrs. Dale T. Balph, 714 Hollywood Lane, Mansfield, Ohio.

Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become finalists. All Merit Scholars are selected from the finalist group.

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names of semifinalists to all accredited colleges and universities and to other scholarship-granting agencies and financial aid sources. Studies show that about 50 per cent of the semifinalists obtain financial aid from sources other than the Merit Program.

In past years, about 97 per cent of the semifinalists have become finalists. All finalists receive a certificate of merit in recognition of their outstanding performance in the program. As finalists, the students will be eligible for scholarship awards sponsored by NMSC and about 175 business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

In this last phase of the competition, the high school grades, creative accomplishments, leadership qualities, extracurricular activities, and school citizenship of the students will be evaluated along with their scores on the tests.

About April 23, 1964, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the merit program. In 1963 NMSC and sponsors together awarded about 1,500 Merit Scholarships.

Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

Awards may reach a maximum of \$6,000 for the four years of college. For students who already possess financial resources which will enable them to attend the college of their choice, the awards are \$400 for the four years. Stipends now average about \$550 a year.

A Merit Scholarship is also a form of "educational insurance" for the student who receives it, because the amount of the stipend will be increased at any time if there is a significant change in college cost or in his family's financial situation.

Finalists designate the college they wish to attend and the course of study they plan to pursue. The colleges chosen by the Merit Scholars in most instances

also receive supplementary grants.

NMSC and sponsors have thus far contributed about \$17 million in direct financial assistance to Merit Scholars and their colleges. This amount is exclusive of obligations to the 4,000 Merit Scholars now in college.

The Merit Program was established in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York. In 1962 the Ford Foundation announced an additional grant to continue the program through 1970.

Nearly 7,500 Merit Scholars have been appointed to date. In addition, through the program's special services, thousands of other outstanding participants have been helped in obtaining aid from other sources, and colleges have been assisted in their efforts to locate the intellectually able.

## RASPBERRIES IN OCTOBER? ? ? ? ? THAT'S RIGHT!

Mrs. Esther McFarland reported this morning to The Citizen that she had the unseasonable experience of picking red raspberries yesterday, on the first day of October, in her garden at 304 East Jefferson Street. She reports that the fruit is much larger than the seasonable product and just as delicious.

Mrs. McFarland's garden also produced sun flowers that tower three-fourths of the height of an adjacent light pole!

The Culver area has been experiencing ideal Summer weather for quite some time now, although rain is needed badly.

"The familiar cry 'Man Overboard' may one day be changed to 'Man Overhead.'" — S. E. Mekeel, Ovid (N.Y.) Gazette and Independent.

## Science Teachers To Meet October 7 At The Culver Inn

High school science teachers and administrators will meet in Culver next week for demonstrations of new educational units on speech and hearing.

This will be one of a series of 12 regional meetings to which educators throughout Indiana have been invited. The local session will be held at The Culver Inn, Culver Military Academy, on Monday, Oct. 7, beginning at 10 a.m.

The speech and hearing material will be the third aids to high school science package developed by the Bell Telephone System and made available here through Indiana Bell.

It will include five demonstration units, a textbook and a film — all contributing to a study of the physics and the biology of speech and hearing. The material traces a spoken message from the mind of a speaker to the mind of a listener.

Each of the Bell System educational packages includes teaching aids for use in the classroom and an experimental kit for use by the exceptional student. This year's kit will enable the student to construct an electronic voice synthesizer which produces six vowels.

In previous years, Indiana Bell has introduced classroom units on magnetism and wave behavior and advanced student kits with the materials and information needed to create a solar-powered, transistorized audio-oscillator and to turn silicon slabs into working solar cells.

Some of the teaching aids are given to the schools by the telephone company, some can be ordered through suppliers.

## PLYMOUTH SORORITY TO SPONSOR DANCE

The Plymouth Epsilon Gamma Chapter of Beta Sigma Phi is having their annual dance on Saturday, Oct. 12, at the Plymouth National Guard Armory, from 9 p.m. to 1 a.m., featuring "The Bourbon Street Paraders" under the direction of James Ernest.

Tickets may be purchased in advance from the sorority members or may be purchased at the door.

The proceeds of the dance will be used for the sorority's Scholarship Fund.

13th District Of Federated Clubs Holds 53rd Annual Meeting

Mrs. George Phillips entertained with an open house in her Culver home at 204 Lake Shore Drive Tuesday evening, Oct. 1, from 8 to 10 o'clock honoring her houseguests, Mrs. Vernon Childs of Hebron, president of Indiana Federation of Clubs; Mrs. David Martin, Fort Wayne, first vice-president; and Mrs. Andrew Russell Jr., Gary, third vice-president.

Refreshments were served from a table attractively decorated in the Fall motif.

Preceding the open house, Mrs. Phillips' mother, Mrs. Harry E. Medbourn, entertained at dinner for Mrs. Phillips and her houseguests. Other guests attending were Mrs. Wilber Taylor, Culver, secretary of 13th District; Mrs. Earl Dean Overmyer, president of Culver City Club; and Mrs. Kenneth Martin, president of the Maxinkuckee Junior Woman's Club.

Mrs. Phillips, accompanied by her houseguests and the local officers of their respective clubs, are attending the 53rd annual convention of the 13th District Federation of Clubs today, Wednesday, Oct. 2, at the Methodist Church in Bourbon. Registration began at 9 a.m. and the convention was called to order by Mrs. Phillips, president of the 13th District, at 9:30 a.m. Luncheon was served to 225 members and guests.

The introduction of guests followed the luncheon. Afterwards, Mrs. Phillips gave a welcome greeting to all the ladies of the 13th District Federation of Clubs.

A musical program was given following Mrs. Phillips' talk and the program was provided by the music scholarship winners of the clubs, Bess Carlson, instrumentalist, of Mishawaka, and Silvia Thomas, vocalist, of Bremen.

A feature of the afternoon's program was a Memory Hour

given by Mrs. Peter Onesti, Miss Clara Stahl, and Mrs. Evert Hoessel, with Miss Osie Stahl as soloist. Pages were Mrs. Ted Strang and Mrs. Earl Dean Overmyer.

General Convention chairman was Mrs. C. R. Graham of Bourbon.

## William Schutte Honored For 25 Years Of Service

William Schutte, manager of the dining hall of the Culver Military Academy, was honored for his 25 years of service with the Stouffer Corporation of Cleveland, Ohio, at a meeting held in Cleveland, Monday. The presentation of a diamond tie clasp, billfold, movie projector and shares of stock in the company was made at a luncheon held in one of the firm's dining rooms.

The Stouffer Corporation has 135 people in the food management division of the firm, of which Mr. Schutte is one. The firm has three divisions: the restaurant division, frozen food division and the food management division. The firm operates the dining hall at the academy with Mr. Schutte as manager.

### Eastern Star Meeting Held Tuesday Evening

The regular stated meeting of the Emily Jane Culver Chapter, Order of Eastern Star, was held Tuesday evening in the Masonic Hall which was decorated with colorful fall flowers and bittersweet.

Mrs. Donald Parson, worthy matron, opened the meeting and conducted the business. Mrs. Parson announced that she and the Worthy Patron had attended Friends Night at Winamac as special guests of the Winamac Worthy Matron and Patron.

The Worthy Matron closed the meeting with a poem entitled, "Autumn Magic." Following the closing refreshments were served in the social rooms from a table decorated with a brown jug candle holder surrounded by autumn leaves and Indian corn. Serving on the refreshment committee were Mrs. Jack Spencer, Mrs. Cleo Ringle, Mrs. Evert Hoessel, and Mrs. Leona McCune.

## Notice

OF FILING OF PETITION FOR CHANGING OF NAME STATE OF INDIANA MARSHALL COUNTY, ss:

IN THE MARSHALL CIRCUIT COURT SEPTEMBER TERM, 1963 CAUSE NO. —

In the Matter of the Application of Gladys E. Horgeshimer, for an Order Changing her name to Gladys E. Hosimer.

Notice is hereby given that, on the 12th day of September, 1963, a Petition was filed in the Marshall Circuit Court, at Plymouth, in Marshall County, Indiana, by Gladys E. Horgeshimer, praying for an order of court changing her name to Gladys E. Hosimer.

Any person desiring to object to the granting of said petition may do so by filing said objection in writing with the clerk of said court not later than the 9th day of November, 1963.

Dated this 12th day of September, 1963.

GLADYS E. HORGESHIMER

## Books On Social Security Should Be Checked

The publisher of a book which is being widely advertised as containing exclusive information and "tips" on "How to get twice as much social security," states that his book has been cleared for accuracy "with the highest legal authority on the subject of Social Security benefit claims."

This book, Mr. Cornelius R. Schafer, social security district manager, said today, has not been cleared by the Social Security Administration.

Mr. Schafer said that the book, which is offered for sale at prices ranging from \$1.99 to \$5.00, contains advice which if followed might place a person in a worse rather than a better financial position.

He said also that taking some of the "tips" the book offers might lead to extensive delay in the payment of social security benefits, because all of the facts would have to be investigated before social security benefits could be paid.

"Responsible publishers of privately published books and pamphlets about social security," Mr. Schafer pointed out, "make sure that their materials are technically accurate and up to date. Also, they do not try to promote sales with advertising materials indicating that the information they offer is not available elsewhere. Nor do they state or imply that a person might lose money by not buying the book they offer for sale."

Mr. Schafer advised anyone who has a question as to the accuracy of a privately published

book about social security to ask his social security office about it. He emphasized that there are many reliable privately published books about social security and that the publishers of these books perform a service to the public in helping the Social Security Administration to inform people about their rights and responsibilities under the social security law.

## Carl Price Elected Marshall County ASC Chairman

Carl Price, Bourbon Township, was elected chairman of the Marshall County Agricultural Stabilization and Conservation Committee recently by the delegates from the ten townships of the county. Russell VanVactor of Center Township was chosen vice-chairman, and Fred Perrot of German Township will serve as the regular member of the committee. Darwin Roahrig of Walnut Township and Chester Young of Bourbon Township were chosen as first and second alternates respectively.

Mr. Price heads the county committee which is elected to serve as a board of directors, in the same general manner as the board of directors of a cooperative or other local organization. This includes the selection of a capable office manager, the setting of policies and reviewing of both the planning and progress of work.

The County Committee develops and carries out plans to insure that the township committees understand their responsibilities and the background, objectives and operation of ASC

programs in the county. It is also charged with the responsibility of informing farmers of the county of the various programs offered by the local office.

## Dr. J. H. Hlavaty To Speak At CMA

Dr. Julius H. Hlavaty, a national figure in the teaching of high school mathematics, will speak to members of the Culver Military Academy faculty and guests at 8:15 p.m. Wednesday, Oct. 2, in the Little Theater of the Eugene C. Eppley Auditorium.

Dr. Hlavaty's topic will be "Man and Mathematics." His talk is the first of a series arranged annually by the Men's Faculty Lecture Committee. The talk is open to the public and there is no admission charge.

Chairman of the department of mathematics at New York's DeWitt Clinton High School, Dr. Hlavaty was a national teacher on the television program "Continental Classroom" for the academic year 1960-61. He is a member of the important Advanced Placement Committee of the College Entrance Examination Board and he is an instructor for Teachers College of Columbia University, a position he has held since 1951.

Dr. Hlavaty has written two books, and is an editor, contributor, translator, and author for other books and periodicals in his field. He was also chief consultant for the Greater Cleveland Mathematics program and a consultant to the University of Illinois Committee on School Mathematics.

Dr. Hlavaty will remain in

Culver Thursday to confer with members of the Academy mathematics department.

### W.S.C.S. To Have October 10 Meeting

## Don't Blame The Children

"We Read In The Paper And Hear On The Air Of Killing And Stealing And Crime Everywhere. We Sigh And We Say As We Notice The Trend "This Young Generation, Where Will It End?" But Can We Be Sure That It's Their Fault Alone That Maybe A Part Of It Isn't Our Own? Are We Less Guilty Who Place In Their Way Too Many Things That Lead Them To Stray? Too Much Money To Spend — Too Much Idle Time; Too Many Movies Of Passion And Crime; Too Many Books Not Fit To Be Read; Too Much Evil In What They Hear Said; Too Many Children Encouraged To Roam By Too Many Parents Who Won't Stay At Home. Kids Don't Make the Movies, They Don't Write the Books That Point Gay Pictures Of Gangsters And Crooks; They Don't Make The "Liker," They Don't Run The Bars They Don't Make the Laws And They Don't Buy the Cars. They Don't Peddle Drugs That Addle The Brain. That's All Done By Older Folks, Greedy For Gain. Delinquent Teenagers! Oh, How We Condemn The Sins Of The Nation And Blame It On Them. By The Laws Of The Blameless The Savior Make Known Who Is There Among Us To Cast The First Stone? For In So Many Cases — It's Sad, But It's True The Title "Delinquent" Fits Older Folks, Too."

## News Items About Our Academy Neighbors

(Culled from the September  
Issue of the CMA Messenger)

Twelve new faculty members will call Culver home this year. They come from all corners of the country, Cuba and the British Isles. Instant vital statistics show three new bachelors on the roster. Sixteen new "faculty kids" enliven the scene with four attending Winter School. The William Garrisons take top honors with their family of five. Newest baby is the infant son of the Donald Troyers. He was born on August 19. The history department claims three new men, including the Eppley Chair Holder. Science and language department each have two new men and the English department one. There are new chapel and library assistants and a legal counselor has joined the Administrative staff.

The Kenneth Crowes are back at their old stand in East Shore apartments after a year in Maine. Ken, under a National Science Foundation grant, was awarded his master's degree at Bowdoin University. Karen has taken up where she left off by joining the nursing staff once again at Plymouth Parkview Hospital. . . . Will and Scotty Strow are back on the circle after spending the winter on "the hill", Chestnut, that is, in Philadelphia. While Will worked on his master's in education at the University of Pennsylvania, Scotty and the girls worked over the big city. Sheila Strow is off in Chicago at The Ray-Vogue School, having started her course in Philadelphia. Mary is brightening the days of first classmen. . . . Bob and Phyllis Hartman are back from their stay in Bloomington and have lighted a lamp in the window of the former Wheat house on West Terrace. . . . Milford Myhre and Al Bunner, world travellers, are delighting audiences far and wide with tales of yore. . . . Sue and Bob Bauman made the long run in from California without a hitch.

Barbara and Art Hughes promise to break all cross country records before they get their girls settled for the winter. On Sept. 6 Tina graduated from Barnes School of Nursing in St. Louis. After congratulations the girl graduate and family headed home so that the next day Greta could check into Bowling Green University in Bowling Green, Ohio, where she will be doing graduate work. And then it was Jo's turn and a quick trip to Muncie and Ball State to enroll in the freshman class. Tina, now on the home front, expects to be in Culver until Oct. 20, when she will leave for Rutgers University and Peace Corps training. After Christmas she expects to leave for Colombia, South America, for a two-year tour of duty. . . . Al Teach crossed paths with the Hughes while delivering daughter Kathy to Barnes. Kathy expects to take up the good name of Culver where Tina left off. . . . Dee Gleason and Carolyn Stephenson will keep their on-the-circle friendship going by rooming across from each other at I.U. . . . Jim Spencer is deep in the heart of Texas at Trinity College in San Antonio. He took warm wishes from Culver to Claude and Louise Zetty.

Combining business with pleasure, Pat Hodgkin made flying trip between schools to London, England, to visit with brother Dr. Herbert Hodgkin. It was Pat's first look at his homeland since the Hodgkins took their sabbatical there some 10 years ago. . . . Coke and Virginia Smith and the boys took advantage of their vacation time by visiting with families in Virginia and taking the long way home through New York state. . . . Katy Martin and son David, with turtle collection in tow, trained to St. Louis for a family visit and brought the senior Martins home with them for a brief Culver visit. . . . Frank Bryant and son Chip are taking advantage of Chip's change of semester time at Michigan State for a visit with Seaman Apprentice John at Bainbridge Naval Station in Maryland. . . . Sudden and sad news took Mabel Bishop to Washington D.C. last week to spend time with the Kourmadas children while John and Mary attended funeral services for John's brother who had been killed in a robbery-holdup in the family's florist shop in Detroit. Mabel will next be heading for the west coast for family visits there. . . .

Lee Schutte has been in Cleveland with her mother who underwent eye surgery.

Betty Bryant entertained all members of both families right down to fourth generation nephews and nieces. . . . The end of August brought Ann Sparrow and husband George home to Culver and happy grandparents the Ray Jurgensens. Little John Burbank Sparrow won all family popularity polls. The Sparrows are making their home in Ann Arbor while George continues with graduate work at the University of Michigan. . . . Margery Aber, sister of Jean Williams, enroute to teaching duties in Detroit, stopped by to share her slides of England with the Williams and friends.

These excerpts are taken from a letter written to Art Hughes by Tom Walker. Tom and family are in Greece for the coming year on a Fulbright grant. . . . "The grantees have three hour classes in Greek in the mornings, followed by a methodology course in teaching English as a foreign subject. . . . Greek is a much more orderly language than we had expected. . . . Each day we find ourselves a little more able to cope with daily contacts. Craig and Charlotte also have three hours of instruction each day. Wendy has informal instruction from the baby sitters who are hired by the foundation. In the evening from 5 to 9 we teach. There are five groups, 150, enrolled in English courses ranging from a beginning course for children 11 and 12 to conversational courses for adults. Our trip across to Naples was sheer luxury. With much scheduled and 11 or 12 couples our age in cabin class we had a gay time. A Cook's

tour of Genoa and a lengthy visit to Pompeii and Naples whetted our appetite for Italy. We flew from Naples to Athens. We had only one day in Athens. We'll get five or six in September. The only really torturous experience which we have had came in our getting to Syros. This was the trip on a small ferryboat. The boat was jammed with Pilgrims on their way to a religious celebration on the island of Tinos, just beyond Syros. Even in first class one could not find a place to sit, hardly a place to stand. The outside decks were filled with people suffering from all kinds of illnesses. When we entered the Aegean, rough weather really started. I have never before been so glad to see land. And at last Syros. Please write and give us all the Culver news."

Everett Lowe was released from the Healthwin Hospital in South Bend the latter part of August. . . . J. C. Napier and family enjoyed a two-week vacation at Pennington Gap, Va. . . . Paul Kelly and family visited there the same time. They went to Florida before they returned to their home in Culver. . . . Welcome to Roger Wise who has started work with the Quadrangle Janitorial Department. . . . Louis Piscula has joined the working force at the Boat Shop. Louis acted as janitor in West Lodge and Camp during the Summer Schools. . . . Mr. and Mrs. Marvin Coby are the parents of a son born Aug. 4. . . . Keith Allen Brehob, small grandson of Mr. and Mrs. Marvin Shankland, entered Starke Memorial Hospital in Knox on Sept. 3, where they diagnosed his illness as rheumatic fever. Keith will remain in the hospital several days and under very careful care for several months upon his return home. Keith's father Don-

ald Brehob, is Marvin's young son-in-law who underwent major heart surgery in Indianapolis in November.

Labor Day weekend guests of Eva and Glen Doll were Mr. and Mrs. Larry Poling and Tim from Columbus, Ohio, and Mr. and Mrs. Russell Poling from Logan, Ohio. . . . Jennie Dickson is a proud grandmother, her son Larry and wife Joan have a new son. . . . Margaret and Lester Kimmel took a trip to Mammoth Cave in Kentucky and to the Smokey Mountains. . . . Mr. and Mrs. Sol Tobin and sons of Columbus, Ohio, spent a week's vacation with the latter's sisters, Bess and Mabel Pura. . . . Anna Widman visited her sister at Tipton, Ind., and stopped at Galveston, Ind. on the way home to visit Clara Alexander, a former Laundry employee.

Mr. and Mrs. Ernest Starr and sons have moved to Bremen, Ind., from Grand Rapids, Mich. . . . James Drang, son of Agnes Drang, underwent surgery at the Pulaski Memorial Hospital in Winamac on Aug. 27. He is now at home and getting along fine. . . . Orval and Opal Coby, daughter Janet Parker, and niece Becky Hettinger of Logansport, spent their vacation on a trip to the Smokies.

Colonel Scruggs and family have moved into permanent residence at 414 North Plymouth Street. Harriet and Mary Frances are enrolled at the Academy and Billy is starting at Culver elementary. . . . Major Prouty went back to Massachusetts to pick up Leslie and Mrs. Prouty, the latter having attended the University of Massachusetts in summer session. The family got together by the end of Summer Schools here, Douglas having completed his first summer as a Woodcraft-

er. . . . Sgt. Davenport and family have joined us and have moved into 814 South Main Street. . . . Sp5 Watkins and family have moved in from the country and now reside in the former Rust residence.

Jim Barton has returned to college. Terry Lewis and Richard Bean to high school. James Drang, who intended to go to business college, can not go because he underwent surgery at the Pulaski Memorial Hospital in Winamac on Aug. 27. Also returning to school are Judy Dunn and Melinda Jones who worked in the Shack.

Ronnie Lee, Martin Elliott and Evelyn Brock visited relatives for a few days. Virginia Lee was Evelyn's guest. . . . Red Brock and his wife went to the State Fair. . . . Mary Dan had a three-day trip to Detroit to attend a Baptist Church Convention. . . . Irene Hinkle and son visited Washington Park Zoo when she had a day off.

Kathy Kline was admitted to Parkview Hospital for emergency surgery Aug. 19. She will be on leave of absence until the first of the year. . . . Gene Bridegroom and Virginia Ross enjoyed vacations during the month of Aug.

Welcome to Terry Guyberson, Jim Allen, Doris and Gene Jeffries, who stayed over from Summer Schools to Winter School. Welcome also to Elbert Wilhite, Robert Bledsoe, John Groggins and Lewis Snell who will be in the dish pantry. . . . Ralph Condon has retired after many years of making ice cream for the Academy. . . . After 40 years service, Harold Scott has left the Dining Hall. . . . Erma Robinson will be leaving us after Sept. 15 to remain at home taking care of her husband. . . . Charles An-

# Thank You

DEAR CULVER PATRONS:

We sincerely wish to thank all of the citizens of Culver and the surrounding community for your fine patronage during the past two and one-half years. Due to your fine support we have found it necessary to enlarge our sales and service facilities.

Our Open House and 1964 Chevrolet showing in our new location at East Jefferson Street was most successful, thanks to each of you.

We are happy to announce Mrs. Jean Artist, R.R., Culver, as the winner of the Portable TV Set given as a door prize and Bill Liette, Lake Shore Drive, Culver, as winner of the bicycle. Also:

Mary Ann Troyer  
Thomas K. Walker  
Mrs. Walter Christolm  
Mrs. Clem Rheingold  
Glen Doll

as winners of the fine service prizes. We shall continue to give you the best possible treatment in service and sales.

We also want to especially thank our neighbors, the PARK 'N SHOP, for their cooperation in permitting us to use their parking lot during our festivities.

Yours sincerely,

### GRADE SCHOOL NEWS

**By Shari Croy and Cathy Carrothers**

Mrs. Keyser: Mrs. Keyser's room is scouring old magazines to find pictures beginning with the letter "M". They are also doing some water painting in art class. Colleen Artist treated the class to cupcakes on her birthday, Sept. 20. Eugene Jefferies joined the class from Argos. Lily McAlpine moved to Michigan.

Mrs. Allen: We are starting our "We Are Neighbors" reader. This is our first new reader. We are striving to remember capital letters at the beginning of our sentences and on all names. For open house we drew pictures of our houses and our families. Twenty of the 31 children were represented by the parents at open house. Baryla Harmon and Kirt Lucas had birthdays Sept. 23. They each had a party at school.

Miss Page: We have our new reader, "We Are Neighbors" now. Denise McKee is back this week after having her tonsils removed.

Mrs. Carter: Science news about grasshoppers, a story about Flipper, and a collection of shells from Florida is the main interest of many students. The new project under way is a fall show of things made or found in the summer. In art they are studying fall scenes. Linda McKee had a birthday Sept. 24. She is 9 years old.

Mrs. Mishler: We are just beginning a scrapbook about dogs. We hope to get many different pictures and learn a little bit about a few of the most common animals. We have been working with water colors. We also did some different pictures using textures. Our pictures were taken today and everyone was excited. We had 19 families represented at the Open House, Wednesday night.

Mr. Horban: Tessa Carter brought several caterpillars to school which are now in cocoons. The class is writing stories on how to stay healthy. All the children are giving oral stories in language on some interesting experience during the summer.

Mrs. Able: Social studies has become a very interesting subject among the students. David Williams brought an experiment concerning bacteria and mold. In art we have studied perspective, finishing points, and so on. We are going to have a fall exhibit. Linda Dary had a birthday party.

Sixth grade: In social studies the boys and girls are studying about primitive man and how he lived. The English classes are learning how to gather subject material for the preparation of reports. Cocoons, beetles, and different kinds of insects are the main topics of the science class. In art the children are making three folders using different kinds of crayon textures. The sixth grade band with Mr. Fouts is being organized and will soon begin classes. The sixth grade chorus of approximately 32 voices is starting this week with Mrs. Rust as director.

Mrs. Epley, Special Reading: 28 students in grades 1 through 6 are receiving special reading instructions three times a week. In special speech improvements there is articulation and remedial reading. The entire first grade is taking the speech improvement lessons twice a week.

### "Tomahawk" Staff In Action

**By Pamela Phelps and Larry Linhart**

We thought that many of the students and underclassmen at Culver High School would like to know how the annual yearbook, "The Tomahawk", comes into being each year. The Tomahawk is a product of much hard work and time. All students at C.H.S. should understand more about "The Tomahawk" and should appreciate the diligent work of the staff.

Each spring, application blanks are filled out for the next school year. The editor and sponsor then go through the applications and choose their staff. Unlike in previous years, only sophomores, juniors, and seniors are eligible for "The Tomahawk" staff. A member who is on the staff for one year will automatically be on the staff for the next year unless he is unworthy.

The staff is chosen in the spring so that it can work on the summer supplement and gain experience for the coming school year.

The staff is divided up into different sections. Each section has a section editor who in turn has a staff under him or her. The various divisions are seniors, underclassmen, faculty, administration, elementary, sports, activities, clubs, pictures, art, and business. A certain part of the Tomahawk is reserved for each section. The work done by each section staff is turned in to the editor and edited by the sponsor and editor.

At the present time, "The Tomahawk" staff is working on selecting a theme for this year's yearbook. As soon as the theme is chosen, the staff will begin work on the layout and planning for each page of the book. As soon as the staff has received the pictures from the photographer, they will begin work on setting up pages. The editor and sponsor must check these plans.

Mrs. Robert Kline is the "Tomahawk" sponsor. Although Mrs. Kline was new in this field last year, she helped the editors tremendously and must be complimented for her excellent job.

Janet Beck has been chosen as "The Tomahawk" editor for this year. Although the members on the staff have recently been limited to sophomores, juniors, and seniors, Janet has been on "The Tomahawk" staff for four years and was last year's co-editor. "The Tomahawk" staff is indebted to Mrs. Kline and Janet

### Come One, Come All

By Sue Cole

In behalf of the students of Culver High School, the members of the Honor Society and Student Council are going to present something somewhat different from the past few years. No, not a three ring circus, although you may think so after seeing the members of these organizations scurrying about in work, but a spaghetti supper will be held in the Culver Community Building, which is hardly big enough for a circus. The date for this memorable event to be is Saturday, Oct. 5, at 5:30 through 7:30 p.m.

The Honor Society members and the Student Council members will do the cooking. No one faint or stop reading yet. For the benefit of those who hate American-made spaghetti or just plain don't trust our cooking, never fear. Two famous Italian (?) chefs, straight from Culver, have kindly consented to do all the behind-the-scenes work. Who are the famous spaghetti sauce makers? None other than Chef Kinga Cola and Chef Mista Milla, otherwise known as the principal and the guidance counselor of Culver High School.

The menu for the evening is the following: spaghetti with meat and mushroom sauce, tossed salad, garlic bread, coffee, milk, and dessert. The donation is \$1.25 for adults and \$.75 for children.

The purpose for holding this supper is to accumulate enough money to buy the honor sweaters for outstanding scholastic achievement and the pins, awarded annually at an achievement convocation, signifying satisfactory participation in various organizations of the school.

Everyone is cordially invited to attend. See you at the supper!

### CLUB NEWS

**By Sharon Eustis and Sheila Fish**

Yes, it was that time again. The yellow and white bows and badges of the Society's sunbeams were once again seen in Culver's halls. Everywhere you turned the Sunshine Song was being sung or the Creed recited. This was all in preparation for the big event on Tuesday night when those Sunbeams were initiated into the Sunshine Society.

The initiation was held in the Bank Lounge at 7:30 p.m. on Tuesday, Sept. 24. Janet Beck, the esteemed Madame President, and her fellow officers welcomed the new members and commented on some of the activities that they will perform during the school year ahead.

Miss Shanks, the sponsor of the Sunshine Society, gave a very interesting talk on "Open the Door," which is the theme for the Society this year. I am sure this talk will long be remembered by its listeners.

The eager Sunbeams officially became members of the Sunshine Society by lighting a candle "to further brighten the world." The ceremony was completed with the singing of "My Task" by Martha McAllister. (Which I might add, was very well done, Martha.)

As the ceremony drew to a close, the moment the new members had thought about all week with anticipation (Ha!) finally approached. The time for repenting their sins had come. As

everyone probably knows, the sin they had committed was not being able to sing the song or recite the creed when they were asked by old members of the Society. Thus, the new members were welcomed into the Society by having to do stunts in repentance for their sins.

The first stunt consisted of four girls (I'll mention no names) playing the piano while about six others took off their shoes and proceeded to dance. Let's face it, there is a lot of room for improvement! The second stunt was performed by another group of girls. They were instructed to recite "Mary Had a Little Lamb." Boy, it sure has changed from the way I used to hear it! Then the girls were informed that the following day they had to wear to school on one foot their mother's shoe and father's sock, and on the other foot their father's shoe and mother's sock! I've never seen such beautiful feet in all the world. (And, they got them at Tom McAnn's!)

After the meeting was adjourned, the members and their parents were served cookies and punch and given an opportunity to ask further questions about the club and its functions.

If you've spent a full minute thus far reading this column, that period has cost the taxpayers \$17690! That's the cost of the interest on the U.S. public debt per minute.

Watch out for school children especially if they're driving.

Greetings braves and maidens! Well, since this is about the end of the first month of school, we are beginning to see the familiar signs of labor on our fellow students. Signs such as bags and circles under the eyes are only common lately. (This is a HINT.)

Well, on with the gossip! While this week's Teepee writers were busily scraping up juicy news, we spotted many girls wearing little yellow and white ribbons and some emblems on their dresses. What could all this mean? Well, these new Sunshiners found out on Tuesday evening when they were formally initiated. Of course, all through the week they had been getting quite a workout by saying the Creed or singing the song to some upperclassman. By the way, we know you all can dance better than you did Tuesday! Don't be discouraged girls, you will have your revenge next year!

Speaking of Sunshine, there was a welcoming and informational meeting on Friday for the new students of C.H.S. which was sponsored jointly by the Sunshine Society and the Hi-Y boys. Now everyone knows everything about two of the organizations in C.H.S., right?

More parties. Just as everyone seems to be recuperating from the slumber (less) parties of last weekend, we see smoke signals telling us that Bob White had another hayride. (This may become an annual affair!) As we read further, we detect that everyone had a great time. When we think of parties, we think of dating, and as we think of dating, we naturally think of who is dating who. According to our head spies, it seems that Lucy Osborn has been seen quite a bit lately with none other than Bob Eustis! Hmm... I don't know about this! Since they seem to be the only new couple, the old ones who are still around are Rex Barshes and Bob White, and Tom Yocom and Linda Nelson. How about that! Isn't that shocking?

Flash — It seems that a certain male acquaintance of Sharon McGaffey's from Pennsylvania suddenly appeared here in Culver over the weekend. For further information, contact Sharon.

Aha, another hayride? Reports tell us that Judy Thews had a hayride last weekend. Or was it a hayride? It seems that the boys were playing basketball!!! Oh, large change! What are these Sophomores coming to?

We have received a request — Danny Haines, will you please quit throwing rulers out of windows?

If a certain someone would quit chasing boys down the halls, she just might be able to get around without falling all over the place, right Marsha Gaise?

"What kind did you get?" "What is yours like?" Questions like this were heard frequently last week because the Juniors finally had their ring meeting. Now all they have to do is patiently wait for them to arrive. Speaking of the Juniors, play tryouts were held on Friday. Lots of luck with the play, kids!

Let's see, Sophomores, Juniors, oh, yes, Freshmen! We have a bulletin saying that a surprise birthday party was held last Wednesday for Tina Teach. Happy birthday Tina! You're 12 now?

One of the most important items on our list of news is of concern to the Seniors! They are now in the process of choosing a motto, color, and flower. Flash — the Seniors have sold over

\$3,500.00 worth of magazine subscriptions. Thanks to the many subscribers! Also, soon we will be seeing Senior cords in the halls and at basketball games. In fact, Tom Yocom just couldn't wait to wear his. They are really sharp, Tom!

"Oh, I'll bet I broke the camera!"

"My aching neck!" These were some of the comments heard after the Senior pictures were taken on Saturday. Well, all we can say is lots of luck!

Special Bulletin — Steve Boock, is it true that you are really getting married? To a girl from Leiters Ford you say? Him that's nice!

Nothing like being sloppy with a pizza, we always say! Say, Diane Boots and Joan Dillon, why can't you be more careful? On a date yet!

Dave Frain, will you please try and control your wild impulses to squirt Sharon McGaffey (and everyone else!) with the water hose in Chemistry? That really isn't very nice at all!

Zoom! "Opps, watch out!" "Duck your head!" Oh, it's only flying pumpkin pie! What?! For further details, ask Dave Lemar or Bob Albert. No, Doug Lindvall is innocent! (this time!)

Well folks, as the smoke signals are slowly dying in the West, (Now where have we heard that before?) we leave you until next week. Adio amigos!

## Work, Work, And More Work!

By Janet Branamann and Judy Price

Yet, that's just what we do here at C.H.S. But sometimes we have lots of fun doing it. For instance, we'll bring you up to date on the latest adventures and business transactions of our high school students this past week:

The Seniors have had wonderful results with their magazine sales. They have gone over their goal of \$3500. Congratulations kids!

The Juniors waited patiently for the ring man to come this past week. He came Sept. 23, and now all the Juniors are excited about receiving their rings. The Junior Play was discussed at the meeting Monday. Tryouts for the play will be Friday, Sept. 27.

The Sophomores have had their first fudge sale of the year. They will soon have their first class meeting, and at the meeting they will decide about sponsoring a Sophomore show and discuss when they will start their leaf raking project.

The Freshmen had their first fudge sale last Friday, and they earned approximately \$9.50. That's a pretty good start for just one fudge sale, don't you think?

## ART AND MUSIC NEWS

By Bonnie Saff and Eva Norris

Do you know how an artist shows distance? Ask your child how he learned to do this in art class. Some have pretended they were blind, while others learned how to use vanishing points and eye level.

The second year art students are doing perspective drawing. They are mostly concentrating on the main principals of drawing. Sharpening up on these finer points will help these students with their work in the next few months.

Art students have and will in the future explore new and old material and techniques. Colors, lines, shapes, and texture are the artist's language.

Miss Friesen would like to remind every parent of grade school children, that each child should have a paint rag and some sort of apron or old shirt to wear over his clothes. Children in the fourth, fifth, and sixth grades must supply their own crayons and water colors.

The high school band is still marching to perfect themselves for the fast approaching basketball season. There is much enthusiasm among the students about the bands' marching once more this year. The music for this year will be appreciated by all the students at C.H.S.

## Fads and Fashion

By Kay Thomas and Holly Thompson

Attention girls! A survey taken among the boys of C.H.S. this week showed some of their likes and dislikes of current fads and fashions of girls. Some of their comments were quite surprising.

Jim Weirick: I like the new fashions of skirts and the big town hairdos.

Chip Walstead: Those new windbreakers really look sharp! Of course, these are popular with the boys as well as the girls.

George Wright: I don't like those hairdos with buns or French rolls that some of the girls are wearing.

Dave Frain: I dislike those crazy hairdos and the constant color changes in girls' hair.

Tom Yocom: At the moment I have no extreme complaint, although I don't like girls' hair to be long and bushy.

Larry Banks: I agree with all that has been said. I positively don't like the tinted hair fads. For the most part, we boys can be pretty proud of the C.H.S. girls.

Jon Vanhorn: I don't like those "wrap around" headresses that some of the girls are wearing now. They look like they

## An Interview With Mrs. Huff

This week we interviewed Mrs. Huff, our new Latin teacher. Her school day is quite unusual; she teaches at Culver in the morning and at West High School in the afternoon.

During her high school years at Bloomington, Ind., Mrs. Huff was a member of the school Honor Society. While in high school she was particularly interested in journalism.

Mrs. Huff received her A.B. degree from Indiana University. At I.U. she belonged to the "International Relations Club" and an honorary "Latin Fraternity." Since then she has done graduate work at Purdue University and Bowling Green University.

Mrs. Huff's ideal student is one who is curious and has an appreciation for studies. The thing which most annoys her is people who bluff. She said that

for the short time she has been at Culver the students have been very polite.

Mrs. Huff likes to spend her spare time reading, square dancing, and knitting. Her husband is an attorney in Plymouth. She has three sons, two who attend Plymouth High School and one who is attending Indiana University.

## LOCAL GIRLS RECEIVE PURDUE SCHOLARSHIPS

Scholarships to Purdue University have been awarded nearly 500 students from throughout Indiana, the University has announced. All are enrolled as freshmen in the fall term.

Dr. Donald R. Mallett, Purdue vice-president and executive dean, also announced that this year, for the first time, State and Special Merit Scholarships have been made available to entering freshmen at Purdue's extension centers and campuses at Michigan City, Hammond, Indianapolis and Fort Wayne.

Local students on the list of recipients, enrolled at the main campus at Lafayette for the 1963-64 academic year, included Linda K. Behmer, Route 4, Plymouth, who was awarded a State Scholarship; and Cheryl K. Dillon, Route 2, Culver, recipient of a Special Merit Scholarship.

**THE HIKING FAD**—Jennings County youngsters apparently are not too enthusiastic about 50 mile hikes. The editor of The North Vernon Sun, Richard Mayer, Jr., says: "The reaction the average teenager gives you when you ask him or her to walk three blocks to the corner grocery is about what you would expect if you asked them to go on a 50 mile hike."

## Who Wants More Light?

Owls don't. People do—about 50% more light than they did 10 years ago.

Now, ask yourself these questions . . . have your lighting needs kept pace with other modern improvements . . . are you and your family still struggling along in shadows and glares inside . . . and in the pitch black outside?

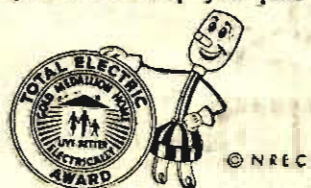

No need to be in the dark any longer. Light conditioning in your home makes it safe, pleasant and enhances the decor.

Indoors or out, good, even lighting means good living. More fun and freedom are yours.

Lighting makes entertaining a pleasure—outdoor work safer and more convenient. Yard lighting gives you extra working hours at times when you need it. Garden and patio lighting beautify your home and give you extra leisure hours.

Your rural electric system can help you plan all your present lighting needs. Why not call today for professional advice.

ELECTRICITY — the heart of modern living

## RECEIVED DEGREES AT INDIANA UNIVERSITY

Tommy Cultice and Melvyn Estey Jr., both of Culver, were among five Marshall County students in the 1,498 completing requirements for degrees this summer at Indiana University, I.U. Registrar Charles E. Harrell has announced. Cultice received his Master of Music degree, and Estey completed requirements for his A.B. in psychology.

The summer graduates, combined with June's degree winners, raised the University's 134th commencement class to 4,956 degree recipients. Formal graduation for both groups was held in June.

The School of Education led the other I.U. academic divisions in total number of summer graduates with 648, followed by the Graduate School, 331; College of Arts and Sciences, 135; Graduate School of Business, 131; School of Health, Physical Education and Recreation, 122; School of Music, 76; School of Medicine, 25; School of Dentistry, 20; and the School of Law, 10.

## October Films At The Culver Public Library

The following 16 mm films are on deposit from the Indiana Library Film Circuit in this library during the month of October. You are invited to reserve the films for showing to your organization, club, church group, etc. Information on these and other films which will be available in succeeding months may be obtained from the librarian.

1. AFRICA ASTIR -25-c- A presentation of the way of life of the more primitive tribes of West Africa, showing customs, market places, and dwellings. Great variety among the various tribes is used as an indication of some of the problems involved in unifying the peoples of Africa. (Gertrude P. Gorham)

2. THE CHARTER -14-b&w- This film outlines fully the work of the various departments of the United Nations. It is informative and useful for general audiences. (Contemporary)

3. A DAY IN THE NIGHT OF JONATHAN MOLE -32-b&w- A frank presentation of the problem of prejudice and the fallacies on which it thrives. The film is a fantasy built around a courtroom trial testing a new law intended to restrict employment to people of "pure" racial origin. (McGraw-Hill)

4. THE GREAT ADVENTURE -72-b&w- With the seasons of the year as background, 2 boys, 10 and 6 years old, observe and learn lessons of nature on a Swedish farm. (Contemporary)

5. HAWAII -17-c- An erupting volcano opens this film which describes Hawaii of today with its overlay of Polynesian culture. A visit to Honolulu and to sugar and pineapple plantations indicates the contribution of the 50th state. (Encyclopaedia Britannica)

6. HIGHLAND OF THE ANDES, PERU -26-b&w- Peruvian Indians in the Andes eke out a bare existence as farmers or live a somewhat more modern life as workers in the copper mines. (United World Films)

7. LIFE IN THE WOODLOT -17-c- A view of the hidden world of the underbrush, where silent relentless rivalry is concealed by overhanging foliage or carpets of woodland flowers. A way of life, both animal and plant, which is

a constant struggle for supremacy and survival. (McGraw-Hill)

8. LINCOLN IN ILLINOIS -30-c-s- This film portrays the life of Abraham Lincoln from the time he entered Illinois by covered wagon. It includes the hardships of his youth, his persistence, his business failure at New Salem, his political campaigns, his farewell address in Springfield, his Civil War problems, and finally his homecoming on the funeral train to his final resting place. (Loaned by Illinois Departmental Information Service)

9. LOOK TO THE LAND -21-c- This is a companion film to the "Living City" and dramatizes the dependence of all Americans on our lands, forests and water resources. (Encyclopaedia Britannica)

10. PORTRAIT OF THE FAMILY -27-b&w- From the Commonwealth of Nations series this film presents symbols, definitions, maps, and geography of the inner Commonwealth. (McGraw-Hill)

11. PREHISTORIC IMAGES -14-c- Explores the prehistoric caves of France and Spain, the paintings found there and the men who painted them. (Film Center)

12. RETIRE TO LIFE -22-b&w- Emphasizes a positive approach to the problems of retirement by following the story of a machinist who looked forward to a retirement of fishing and just plain loafing but found it soon left him feeling useless and unwanted. (University of Oklahoma)

13. ROME-CITY ETERNAL -11-c- The rich beauty of Rome and the variety of its historic associations can be felt and appreciated in all its color, form and rhythm through this film. (Encyclopaedia Britannica)

14. RUSSIA -25-c- Produced by Julien Bryan this documents the Russia of today. Contents include: Tsarist Russia, workers in 1905, religion, collective farms, industry, Russian education, atomic energy plants. (Educational Film Library Assoc.)

15. U.S. SPACE PIONEER -7-b&w- Actual photographs of America's first astronaut, Alan Shepard; showing the countdown preceding take-off, the interior of the capsule during flight, and Shepard's subsequent interview with the President. (United World-Castle)

16. WALT WHITMAN -13-c- Presents the American poet Whitman, whose works were strongly influenced by the changing nineteenth century America in which he lived. (Coronet)

17. WHY VANDALISM -16-

b&w- Three boys, from unhappy home situations, share the feeling of being outsiders. Film shows them getting into trouble and the reasons and ways such acts can be avoided. (Encyclopaedia Britannica)

18. WITH CAMERA AND GUN IN NEWFOUNDLAND -14-c-s- The great antlered moose, monarch of the Canadian forests, is challenging quarry for Lee Wulff, internationally known sportsman. In this film Lee Wulff and his wife, Kay, stalk the game trails of Newfoundland, he with hunting rifle, she with camera. The film takes in the broad sweep of wooded valleys and barren plateaux where many species of wildlife roam freely. (Loaned by Canadian Film Board)

19. THE WORLD OF PHOSPHORUS -27-c-s- Shows how elemental phosphorus, in its violent eagerness to join with other elements, forms scores of chemical compounds used in producing many necessities of everyday life and is indispensable to agriculture on which man depends for nourishment.

## Poplar Grove

 World Wide Communion Services will be held next Sunday morning, Oct. 6, at the 10:45 service.

Rural Aid will be held at the Jordan Church Wednesday, Oct. 2. Registration will begin at 10 a.m., the program at 10:30. A potluck dinner will be served at noon and the afternoon session will follow.

An invitation was read to the congregation, inviting them to attend 75th anniversary activities at the Mt. Hope Church Sept. 30 through Oct. 6. Although welcome to attend all meetings, members of the Poplar Grove congregation are invited to attend on Thursday night in particular.

Announcement was made of an Observation School to be held at Argos on Oct. 13.

The School of Religion will begin on Sunday evening, Oct. 13, at Santa Anna. The last of the series of six meetings will be held at Poplar Grove on Nov. 17. This was originally called the School of Missions and was held in Jan. and Feb.

An ambitious group met at the church on Saturday and succeeded in getting most of the exterior of the church painted.

Mr. and Mrs. Herman Dinsmore were among a group of friends who spent the weekend vacationing in the Smoky Mountains.

Mr. and Mrs. James Schoonover and family of Speedway spent the weekend with Mr. and Mrs. Everett Norris and girls.

Mr. and Mrs. Rex Castleman and family spent Sunday at the Don Zartman home near Burlington where they attended a re-

## MRS. NELLIE JACKSON ATTENDS CONFERENCE

Mrs. Nellie Jackson was so thankful to have been well enough to attend the 25th session of A.M.E. Conference held in Indianapolis at Allen Chapel A.M.E.

A resolution adopted at one session asked the 479 churches in the A.M.E. Fourth Episcopal District to drape black on altars and over entrances and post signs reading "Till Freedom Rings." These churches, in Indiana, Illinois, Michigan, Wisconsin, Minnesota, and Iowa, will observe a period of mourning for the four Negro girls who died in the recent bombing of a Birmingham, Ala., Church.

The sessions began Tuesday, Sept. 24, and closed Sunday, Sept. 29, in the Greater Broadway Church where 2000 Negroes and whites crowded the church

and street to hear the Great Bishop Gomez of the conference, a very learned and devoted Christian personality. Mrs. Jackson wishes to thank all who assisted her in attending this great service.

## WHY DOES GOD CARE?

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

This question has always plagued the mind of man. It will probably never be completely answered to his satisfaction until he sees and believes the evidence of man's importance to God: *Thou hast made him a little lower than the angels.*

It remained for Jesus Christ to reveal the love of God. Sunday — World Communion Day — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The world over, men will rejoice in the Divine Love, so far-reaching, that God gave His Son for humanity.

## Social Security Benefit Rules Misunderstood

Many people 65 and older misunderstood two parts of the social security benefit provisions. They believe they will freeze their benefit at a low level if they file a claim while working. They also believe they must retire to get any benefits. "They are wrong both times," according to Cornelius R. Schafer, manager of the South Bend district social security office.

"Anyone 65 this year will probably have his benefit figured on the best 7 years of earnings after 1950 and through 1962," Schafer said. If he earns \$4,800 in 1963 or any later year it would increase his benefit if he asked us to recompute. This is due to the limitation of \$4,200 a year posted to our record in 1955 through 1958. We could substitute \$4,800 in the total earnings for 7 years for one of the \$4,200 years in the original computation. Any time a years' earnings exceed \$1,200 a beneficiary can ask for a recomputation. If the earnings exceed those of a year used in the last computation it may increase his benefit.

Any beneficiary can earn \$1,200 and get all benefits due him. Between \$1,200 and \$1,700 he loses \$1 in benefit for each \$2 he earns in excess of \$1,200. He loses dollar for dollar for earnings in excess of \$1,700. A man and wife drawing \$150 a month, or \$1,800 a year in social security benefits will get some benefits until his earnings reach \$3,250. "If he makes \$3,000 during the year," Schafer said, "he can still be paid \$250 in benefits." "If you have misunderstood either of these provisions, call at your nearest social security office and get the facts about your case."

# Culver Wins County Baseball Championship

## Defeats LaPaz 9-5 In Playoff

Culver defeated LaPaz 9-5 in a sudden-death playoff for the county baseball championship at Centennial Park in Plymouth Monday evening.

The victories gave the Indians a 6-1 record and left LaPaz with a 5-2 mark for the fall season. Sam Lowry was the winning pitcher and Dan Harbaugh took the loss, both hurlers going the distance.

A five-run uprising in the final inning decided the contest for Culver. Bob Carter and Al Hyland singled, and when Jim Boswell was safe on a fielder's choice the bases were loaded. A pop-fly by Sam Lowry dropped in the infield, when LaPaz players got their signals crossed, and two runs scored. Then Paul Liette walked, and the other three runs came across on a hit by Paul White and a LaPaz overthrow.

LaPaz tallied four runs in its half of the seventh. Jim Manning led off with a triple, Ron Sumpter singled, Dave Kuder walked, and then Don Redman and Jim Holland were safe on a fielder's choice a run scoring. A single by Eldwyn Shidler drove in another pair of runs.

The only home run of the game was a solo blast by Boswell in Culver's half of the first inning. Also in the inning, Sam Lowry tripled and came home on a sacrifice fly. LaPaz got a run in the first when Holland was safe on an error, went to third on a passed ball and scored on a sacrifice fly.

The Indians scored a pair of runs in the sixth when Boswell was hit by a pitch and Lowry singled and were driven home by Paul White's single.

Scoring, with at-bats runs and hits:

CULVER — (9) — Lewis 410; Boswell 331; S. Lowry 433; Leitte 210; White 302; Lemar 400; A. Lowry 300; Carter 301; Hy-

## Cross Country Team Having Good Year

By Gregory Yapp

Our cross-country team has been busy this last week. Monday, Sept. 16, Culver ran a cross-country meet against Lapaz at Lapaz, and won by a score of 24 to 32. Tom Yocom, who placed in the meet, came in first for Culver with George Wright, Paul Hatten, Jim DeWitt, Ron Babcock, Doug Lindvall, and Danny Haenes following in that order.

On Thursday, Sept. 19, a four-way meet was held at Argos with Triton, Argos, Knox, and Culver participating. Triton won the meet with a score of 28, while Culver placed second with a score of 54. Knox and Argos finished third and fourth with scores of 67 and 70 respectively. Tom Yocom, who placed first for Culver, was second in the meet. The other Culver boys who scored were George Wright, Paul Hatten, Jim DeWitt, Ron Babcock, Doug Lindvall, and Danny Haenes.

On Friday, Sept. 20, we competed against South Caston, ending with the score 19 to 44 in our favor. Tom Yocom ran the two mile course in 10 minutes and 28 seconds, his best time for a meet this year. Our team captured 9 out of the top 10 places, leaving South Caston a second place. As Tom led the pack, George Wright, Paul Hatten, Jim DeWitt, Doug Lindvall, Ron Babcock, and Danny Haenes were giving added support.

The schedule for the rest of the season is as follows:

Tuesday, Oct. 8, Lapaz and Argos at Culver.

Thursday, Oct. 10, Knox at Knox.

Basketball tryouts for grades 9-12 were held on Oct. 1. All boys wishing to try out were urged to have their physicals in before this date.

## Academy Sports

Culver Military Academy's football squad, battered Saturday by highly-ranked Lebanon High School, prepares for another tough contest Friday when the Eagles go to Hobart to meet River Forest High School.

The Eagles were outgunned from the first whistle Saturday as Lebanon, ranked 15th in the state, rushed away to two first period touchdowns. A bad kick paved the way for the first Lebanon touchdown as the visitors moved from the Culver 38 in six plays, Don Gates going the final 17 on and off tackle play.

Culver moved to a pair of first downs before a pass interception again gave Lebanon the ball, this time on the Culver 47. Lebanon took only five plays to score as Don Thompson crashed off right tackle for the 24-yard TD. Another poor punt cost Culver valuable yardage at the opening of the second period as Lebanon took over on the Eagles' 41, kicked on fourth down to the Culver 4, then intercepted a gambled Cadet pass at the 13. In one play, Don Heath his Jim Fletcher with a scoring pass and Dick Flaughter crashed over for the extra point.

Trailing in the second period 10-0, Culver made one determined scoring bid only to have a heartbreaking fumble end the drive on Lebanon eight. In the second half the Culver defense staved off several Lebanon scoring thrusts and gave up a lone fourth period touchdown.

In other Academy sports, Coach Dave Burke's cross country team remained unbeaten through four cross-country outings against five teams. Latest to fall victim to the Academy harriers was tough Logansport, against which Culver scored a 23-33 victory. Earlier in the week Culver beat South Bend Riley and Knox in a triangular meet by scores of 20-37 and 15-49. Top runner Joe O'Flaherty continued his victory streak by winning all of his meets, posting an excellent 10:14, only four seconds off the Logansport course record.

Culver's newly-formed soccer team won its second match in a series with Argos 5-1. The Academy plans to continue playing Argos as well as other opponents
