Clothing Drive To Benefit Korean Children

Residents of the Culver community are asked to participate in a used clothing drive to benefit needy Korean children and

This worthwhile community project stemmed from the sincere interest of a former Culver resident, M/Sgt. Harold Bocock, who is presently stationed in Korea with the United States Army. While here in Culver, Sergeant Bocock was on the Academy staff and devoted much time and effort to the Culver Boy Scouts and served as a member of that organization's executive committee.

In accordance with Sergeant Bocock's deep concern for these unfortunate Koreans, the local Boy Scouts have volunteered to lend their efforts in gathering, packing, and financing the shipment of these slothing. ment of these clothing articles directly to Sergeant Bocock who will, in turn, distribute it to these needy Korean children.

All kinds of clean and usable clothing for boys and girls to the age of 16 will be more than heartily welcomed by the Boy Scouts and Sergeant Bocock. Shoes, boots, long socks, coats, scarfs. mittens, well in fact, any and all articles of clothing can be utilized by these children who are in dire need.

Local residents who have items to contribute to this urgent cause may deposit same at the Culver Methodist Church at any time or contact Mrs. Bocock, the Ser-geant's wife who resides here on Route 1 and who wholeheartedly joins him in this project, Mrs. Marshall Brown, or Mrs. Charles Cook, Boy Scout mothers who are also volunteering their serwices, and arrangements will be made to have the donations pick-

Thanksgiving Day will be a happier, more meaningful day...

TT's a story we all know and love—the first □ Pilgrim Thanksgiving. The excitement in their little homes must have been pretty much as it is today—the tantalizing smells of roast turkey and pumpkin piethe bustle and rush of eager children—it must have been a wonderful day!

But before the Pilgrims sat down to their feast they observed the true meaning of Thanksgiving. They all gathered together in their meetinghouse to give thanks for the good they had received, for survival through a long year of hardship, and to pray for the strength and courage to keep their faith in this strange, new land.

This Thanksgiving, why not take your family to your house of worship. A quiet hour of prayer and thanks will make your holiday so much more meaningful.

Wherever you are ... whatever your beliefs may be ... take time to offer your words of thanks . . . just as the Pilgrims did more than 300 years ago.

Worship together this week you need not walk alone

Pep Rally Starts Off Culver Basketball Season

By Jane Ives and

The Cuiver High School basketball season got off to a rol-licking start Thursday night, Nov. 7, when Culver High students and faculty members joined together at the annual pep rally to wish our team a year of suc-

The Culver cheerleaders led the group in a few yells after which a few words were said by Coach Crosley and two senior members of team, Sam Lowry and Paul Members of the faculty then led the group in some yells, followed by another short talk Mr. Bottorff, the B-team coach.

The much-anticipated judging of displays and posters followed. The prize, a small traveling tropby, was presented to the Sen-ior class for the best display. Theirs was a scale model of Wright's first airplane with the words, "Fly Wright to Victory." The choice of a winner was un-doubtedly difficult for there were a number of both interesting and original displays. The junior class constructed a shiny black rocket with the motto "Blast off to Victory" in orange letters on the side.

A teepee, made from a decorated sheet and a few poles, with a small live "Injun" sitting in-side, was made by the sopho-mores. It seems the small "Injun" was a brother to one of the sophomores.

The freshman class used a garbage can, stuffed a dummy into it, and labeled it "The Remains of Aubbee.

Several of the clubs and organizations entered posters and displays in the contest also. The Sunshine float was exceptionally well done. In fact, if there had been a econd place award given, it most second place award given, it most likely would have gone to this outstanding display. The scene of a woods with a teepee or two and several live Indians in authentic-looking costumes and make-up was all monuted on a huge hay wagon with the words "scalp that foe" on the front. "Live" Indians seem to be quite popular this year for the Tomahawk Staff display also followed this trend. The scene was a brave, a maiden, and a teepee standing beside a high tomahawk

There were also several other posters entered by the remaining organizations which all added a great deal to the success of the contest.

The exciting evening drew to a close when the team climbed onto the fire engines and were driven through town led by the band and followed by a large snake dance led by the cheerleaders and Mr. Bottorff, This year's pep rally has proved to be an even bigger success than last year's. There were bigger and better displays, more participation by students and adults, and most of all, a tremendous amount of school spirit which will cheer the team on to a victorious season!!

Varsity Cheerleaders **Attend Conference**

By Lonni Darocsi, Kathy Easterday, and Valerie Gunder

In the wee early morning hours (about 2 a.m.) of Nov. 2, there was a very faint light shining from behind plain ole cotton cur-tains (they're very nice though). And from behind these curtains came the sound of long drawnout yawns. Yes, these are the curtains of Kathy Easterday and the yawns of Culver's varsity cheerleaders getting ready to go to Bloomington for the I.U. Cheerleading Convention.

They were all preparing (in their own way) for the up-com-ing event: Martha McAllister was making bright orange pompoms; Valerie Gunder was in the middle of the battle of hair vs. rollers; Kathy Easterday and Lonni Darocsi were lying on the bed with their feet propped up on the wall, eating brownies.

'Hurry up you guys! We have to get up in two hours you know," mumbles Kathy.
"Pretty!!" answers Martha.
"Let's get to bed."

At 2:35 a.m. four very tired. excited girls crawled into bed -just so they could tell Mr. Miller, the cheerleaders' sponsor, they'd been there.

The minutes steadily slip past e foursome, and at four clock — "Figaro! Figaro! o'clock — "Figaro! Figaro! Ouch!!" Trying to climb over three beds to get to the clock radio and the off-key opera singer resulted in an injured toe for Kathy. At 5:10 the girls were ready to go, talking excitedly,

and waking up Mrs. Easterday. Suddenly Martha asked, "What if Mr. Miller isu't up yet? He's supposed to be here in 5 min-

Contemplating this possibility, they took advantage of Valerie's ability to talk on the phone.

"I don't know if we should do

this." said Valerie dialing the numbers haltingly.

The phone rang once. The phone rang twice. The phone

rang a third time.

"Hello — Mr. Miller? O.K!
Good-bye." Valerie then replied
to us, "He said he would be here
in a few minutes."

on their journey to started Bloomington.

All was quiet. Occasionally someone would say something. but no earthshaking statements were made. Then it struck! The

ACCREDITED:

pain of hunger invaded Mr. Miller and the four wide-awake (?) maidens. Kathy thought she was in dire need of a piece of pie, but

After having hot chocolate, they were on their way again. It wasn't long before they were driving around Indiana University's campus. While Mr. Miller regis-tered, the four girls set out in search of a dressing room.

After dressing and using gallons of hair spray they went to find Mr. Miller, who many halls and corridors later was finally found. Mr. Miller led them to the Old Field House where they practiced for the contest which was to be held that afternoon.

At 10 o'clock they went to the auditorium where the welcome speech was given by one of the 1.U. varsity cheerleaders; at 10:30 she introduced Newt Loten, a professional cheerleader. Mr. Loken taught them some pep yells and different tumbling

Eleven o'clock came rolling around pretty fast. Even Martha forgot about food!: They then returned to the Old Field House where the I.U. pompom girls and Mr. Loken taught the cheerleaders some new yells

Lunch was at 12:30. They went to the old men's gym to eat. After they had finished they had about an hour of free time, so they again practiced for the contest. Just as they were finishing a yell, they saw a familiar frame wandering around looking at all the cheerleaders. It was none other than former C.H.S. basketball star, Thad Overmyer. They again reported to the auditorium at 2 p.m. to watch the pompom girls and cheerleaders demon-

strate some yells. Finally it was time for the contest. The different squads got on the stage, announced their yells, and did their yells with lots of spirit! While the judges were coming to a decision, two mem-bers of the LU. gymnastic team performed on a trampoline. Soon the trophies were awarded and it was time to go home.

After changing clothes, they piled into the car. On the way home four happy cheerleaders and one sponsor were busily discussing plans for the 1963-'64 basketball season. They again stopped at a restaurant, only this time at the end of dinner Kathy got her pie.

Not long after they got underway again, they felt very sleepy for some odd reason. Suddenly all

Mr. Miller finally said, "Hey, you girls, you were keeping me awake. Don't go to sleep now!"
So, two of the girls did their best to keep Mr. Miller awake.
Kathy and Lonni sang everything

Kathy and Lonni sang everything from "Ninety-nine Bottles of Beer on the Wall" to "Jingle Bells.

About three hours later they finally got back to Culver, happy and tired. Mr. Miller seemed to have a headache, but he told them, "I always get a headache when I drive at night."

Approximately five minutes and 2 nerve pills later he was in front of Easterday's and they started on their control of their can get a lot of spirit from the Culver student body, and really back our team to win!"

An Interview With Pam

Our guest celebrity this week is a shy, quiet young lady who is a member of the Culver High School senior class. She was born in the neighboring town of Plymouth and was given the name of Pam Phelps, Until she reached the age of seven, her family resided in Gary, Indiana. During Pam's lifetime, she has

had a great variety of pets, one of which was a chameleon. She has had a bird named Pretty Boy, and at present, she has a beautiful Siamese cat named Ming Toy.

When asked what her favorite pastime pleasure was, she stated that she liked to read and play the piano. It seems that she has quite a taste for Italian foods, for her favorite foods are spa-ghetti and meat balls, pizza, chili, and that good old American dish hamburgers and French

GRADE SCHOOL NEWS

By Cheryl Harmon and Ann Wagoner

Mrs. Barton — We have a new student, Georgia Cole. This makes 33 students in our room. We enjoyed our Veteran's Day vacation very much. We wrote our own stories about "Lucky. The Dog." Here is one of them:

This is Lucky. Lucky wants to play. Lucky likes you. Tom. Beth Adams

We made a turkey parade by drawing our hands and making turkeys from the pictures. We are going to talk about Indians and make Thanksgiving booklets in the shape of a church. Jimmy Bickel had a birthday Nov. 12 and treated our room with cup cakes. We have finished our Blue Readers and are reading extra books for practice, before getting our first hardback book.

Mrs. Keyser - Patty Lowry had a birthday Nov. 10. We have started on the consonants in the "Tag" books. Since we read stories about airplanes we became interested in the operation of the airport, and the job of the pilot. We have some pictures of plane trip put up on the walls. Would you like to live in the days of the Indians? We would! We've been discussing the Indians' way of life. We plan to make paper teepees, canoes, and Indian headbands.

Mrs. Allen -Richard Cole has enrolled in our class from Michigan. We are reading about

ver High School. Due to the and expansion of Culver High School, many organizations have become outdated while othchanging demands of the student body. Since time has brought about these changes, many new freshmen, upon entering high school, are uncertain of the limitations and expectations of their newly-acquired high school responsibilities.

In the past, it has been tra-ditional to present each new freshman with a Student Hand-book which explains the rules governing our school, school organizations, and school awards. Because the handbook had become obsolete, the 1962-63 Na-tional Honor Society and Student

Council undertook the task of revising the old handbook.

Under the supervision of the clubs' sponsor, Mr. Miller, and the clubs' presidents, Cheryl Dillon and Dennis Shock, work was started in April, 1963. The National Honor Society and Student Council members were assigned to make necessary changes to bring the handbook up to date. each student completed his section of the assignment, the presidents and Mr. Miller edited a final draft.

At the beginning of the present school term, work on the hand-book was continued by the new National Honor Society and Stu-dent Council under presidents Sam Lowry and Martha McAllister. The stencil for the final draft was typed by Miss Ruth Shanks, the Culver High School typing instructor. The final copies were run off on the school mimeograph machine and members of the two organizations then assisted in the binding of the booklets.

On November 12, the first copy of the Student Handbook was presented to our principal, Mr. Kenneth Cole. The revised handbooks are to be distributed to the students in the near future in hopes of giving a clearer under-standing of high school life at Culver High School.

Culver Community has supported the fund raising projects of the Culver Jaycees very well. In view of this support, the Club feels that these same people should have an opportunity to express their wishes by indicating where they feel improvement is needed.

The Jaycees will call on all families in Culver, beginning Monday, Nov. 25, to leave a survey form and a letter of instruction relating to the completion of the form. They will return later to pick up the completed

Sanford Snyder, Jaycee president appeals to all citizens of Culver to cooperate with the club in this worthwhile effort. The form can be completed in a few minutes. But those few minutes will be very valuable to the Jay-cees when they discuss and de-cide on their next community betterment project.

All survey results are to be handled as anonymous donor information and no one will be expected to sign the survey form.

"RAISING" CHILDREN BY THE

We have a choice in America . . . a choice denied millions who live under godless communism.

Here is a man who is exercising that choice!

He believes that children growing up in the free world ought to know the Author of Liberty. He wants his son and daughter to cherish and

embrace the spiritual insights God has given man.

This father introduced his children to the Bible when they were very young. Today the Book of the Ages is their friend. Tomorrow it will be their guide through the frightening age to which they have been born.

The American Bible Society - supported by earnest Christian citizens and the churches they attend - enables millions of families around the globe to share our heritage of Truth with this new generation on whose spiritual fibre rests the hope of the world.

THE CHURCH FOR ALL OALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of characon earth for the mining of canara-ter and good citizenship. It is a store-house of spiritual values. Without a strong Cherrich, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regu-lariy and read your Bible daily.

SOCIAL SECURITY REGULATIONS FOR HOLIDAY WORKERS

The approaching holiday season will see a number of workers enter the labor market for the first time. Since most holiday employment in any place hiring one or more workers is covered by Old-age and Survivers Insurance, a social security card will be necessary so that employers may have your name and number exactly as they appear in the So cial Security Administration's

central office records.

Women working during the holiday season should advise the Social Security Administration of any change of name by marriage or otherwise, if the change has not previously been reported. Such changes may be recorded free of charge through the district office, 335 N. Lafayette Blvd., South Bend,

Persons working for the first time should secure a social security number before starting on the job. Those who once had a card but lost it should request a duplicate card before applying for a job. Some employers will not permit a new employee to begin work until an account number is shown. To avoid delay, Cornelius R. Schafer, Manager of the South Bend Social Security office urges that early attention be given to this important matter to allow his office sufficient time to process all requests before the new card is actually needed.

Indians Defeat Tyner, 62-31; Plymouth Next

By EARL MISHLER

The Culver Indians warmed up this week's home opener against rival Plymouth, last Friday by drubbing Tyner's out-classed Redmen, 62-31. Coach Gene Crosley's boys re-

gained their shooting touch after last Saturday's dismal show-ing against South Central. The Tribe swished 29 out of 61 field goal attempts.

After a slow first quarter, Culver's guns began to connect. Junor Doug Lindvall, not in the starting lineup, came in and sparked the rally in which all the Indians contributed. Tyner was outscored 22-4, as Culver's surprise man-to-man defense looked quite good, especially when compared to past Culver at-

tempts at this type of defense. Crosley emptied his bench in both the second and fourth quarters. All 12 Tribesmen saw action, but only the eight boys who normally play were able to score,

Sam Lowry, although still ice drove through Tyner's zone for 14 points to lead all scorers. Jim Boswell popped in ten points, and Jim Lewis tallied nine in less than two quarters of action.

Mike Matz's nine and Dennis Burch's seven were the best from Tyner's feeble offense. The Redmen, who defeated Richland Center and lost a squeaker to Argos. are now 1-2.

Coach John Bottorff's surprising B-Team continued its winning ways with a hard-fought 37-31 win, Paul Liette and Andy Cowry, who were outstanding the week before, again paced the Papooses with 13 and 10 points, respectively. But these two had added front line help from Bruce Lindvall, recovered from a hand injury, who tallied eight points.

The baby Tribe is now 3-0. Culver hosts Plymouth's Pilgrims here next Friday, with tipoff time at 6:45. On Feb. 5, 1957. band of Indians, coached by Ralph Pedersen scored a 68-48 triumph at Plymouth, Since then Culver has lost nine straight games against their flerce rival from the county seat. This game promises to be a good, old-fashioned barn-burner, as the Indians are seeking revenge, especially for last year's 55-53 loss in the Sectional title game. Don't miss
