Meeting Called To Organize Culver's Eagle Lodge

State and district officers of the Fraternal Order of Eagles will conduct an organizational meeting to be held at the State Exchange Bank Auditorium. Thursday evening, April 23, at 7:30 p.m. At this meeting, if the required number of members have signed up to belong, officers and committees of the lodge will be appointed and voted upon. The required number of members needed to insure a charter for the Culver Eagles Lodge is fifty. The past few weeks the dis-

trici and state officers have made contacts of prospective members. Several have already joined the organization and it is very likely the required number will join at this organization meeting. The first fifty who join will be considered charter members and will have the honor of having their name on the charter, which will be presented to the Calver organization.

Christina E. Hughes To Join Peace Corps Volunteers In Bolivia

CHRISTINA HUGHES

Christina E. Hughes, daugh-ter of Mr. and Mrs. Arthur G. Hughes, Culver Military Acad-Culver Military Academy, Culver, is now on home leave prior to beginning a two-

year Peace Corps assignment.
She is one of 23 Volunteers
who will leave April 29 to work
in a Public Health program in

They will join 117 Peace Corps Volunteers already serving in Bo-livia in the fields of rural community action, university educa-tion, agriculture, and health. The purpose of this new pro-

gram is twofold: to help improve the general health of the people by teaching better health and sanitation practices, and to provide on-the-job training for Bo-livian personnel.

This group of Volunteers includes Registered Nurses, Health Educators and Community Development Workers.

Some of the medical person-l will work in Bolivian communities, administering inocula-tions, establishing clinics, and providing home medical care. The community development workers will help teach basic elements of nygiene, sanitation and nutrition. They will organize the construction and maintenance of systems of water supply, irrigation and sewage disposal. Several of the Volunteers will work at the Los Negros Leper Colony, treating the patients and introducing re-habilitation projects such as handicrafts.

The entire group trained for two and one half months at the University of Washington, Seattle, There they studied the customs and history of Bolivia, United States history, and contemporary world problems. They also gained a working knowledge of Spanish. The Volunteers later spent a month at the Peace Corps training camp in Puerto Rico, receiving physical conditioning and further language training. Most spent two and one half weeks in Public Health posts in rural Puerto Rico, while two received leprosy training at the United leprosy training at the United States Public Health Service Hos-

pital in Carville, La. Over 6,500 Peace Corps Volunteers are now at work in 45 countries of Africa, Asia and Latin America. Requests for additional Volunteers are received daily. Peace Corps officials re-port that plans are being made to especially if they're driving.

train over 5,000 more Volunteers this summer. Interested appli-cants are urged to submit their questionnaires now and take the next nationwide Placement Test on May 6.

A delicious dinner, served by the women of the Grace United Church, was enjoyed in the church social rooms, Tables were effectively decorated with red roses. The officers' table was graced with roses, the Lodge's flower, and the rainbow, which is the emblem of the organization.

At the evening session which followed dinner, Rochester Lodge presented the degree, Mrs. Taul-man gave an interesting talk. Awards were given as follows: First cup to Naomi Lodge for most new members; second cup to Naomi Lodge for largest gain in membership on a percentage basis; the flag to the Cloverleaf Lodge of Leiters Ford for the

most certificates of perfection; and the vase to Burr Oak Lodge for the most members present.

Other Rebekah Lodges represented in attendance at this District 23 Meeting were Elkhart, Goshen, Logansport, Winamac, North Judson, and Oak Park, Ill.

Black Eye Of Bill **Taber Reminds** Us Of Ad Slogan

Now we know where the advertising companies got their most recent slogan, "I'd Rather Fight Than Switch". Bill Taber, of the Culver News Agency, has one of the most beautiful black eyes we've seen for many a day. In fact to hide the perfectness of it, Bill has been wearing dark glasses, which looks a little odd on cloudy days. On seeing the "shinner" we thought that Bill would have the usual excuses, such as running into a door in the dark etc. But that was not the dark, etc. But that was not

Bill was playing ball last week with one of his youngsters. The youngster let go of a good hefty pitch, and Bill wasn't quite ready for it. He missed and the ball hit Bill on the eyebrow. In seconds a knot as big as a hen egg made its appearance and Bill's eve swelled shut. Eside from the humor aspects of the incident, Bill was laid up for four days with a very badly injured face. He is just now beginning to see clearly with his right eye and the nat-ural color is gradually coming back. We're happy Bill, it wasn't any worse and wish you a speedy

APRIL 19 SPECIAL SERVICE AT ROLLINS CHAPEL IS WELL ATTENDED

Rollins Chapel members were hosts to a large number of visitors Sunday afternoon, April 19, for a service of worship and mu-sic. Rev. H. Walker, Pastor of Elkhart African Methodist Episcopal Church and of Rollins Chapel, brought part of the Elkhart choir and a number of members of the Elkhart church to Culver for the service. Reverend Jones, from LaPorte A.M.E. Church, came with some of his onergeation. congregation.

The Presiding Elder, Dr. Parker, of the A.M.E. Church in this er, of the A.M.E. Church in this area, brought a challenging message asking. "From whence do we come? To where are we going? What are we doing now?"

either passage or rejection.
Harry Edgington and Charles
Edgington, representing the developers of Maxinkuckee Highlands, which is a new housing development located north of Indi-Avenue or Academy which ever you prefer, and west of Old 17 and bounded on the north by State Road 10 and 17, proposed that this area be annexed into the corporate limits of Culver. It was brought out that in doing so the City of Culver would be required to furnish water lines, sewer facilities and sewage accommodations. The area in question consists of about

The developers were informed that the Town of Culver could not furnish these services due to conditions and contract regula-tions of the present articles which involve the existing bonded in-debtedness of the present water and sewage department.

Water pressure for the area was discussed which would present a problem, since the area is on very high ground and a long distance from the water tower, which lessens the water pressure to the point that it would be inadequate. Mr. McFeely stated that to give

adequate pressure to that area a beoster pump arrangement would have to be placed on the water line into the area. This would cost approximately \$600. The final agreement reached was that the area would be annexed with these provisions: the developers provide water, sewer and sewage lines and the city would install a water pressure booster. These conditions must also be approved by the planning commission.

SUPERINTENDENT OF STATE POLICE WARNS BUS USERS
George A. Everett, superintendent of Indiana State Police. has announced that it is apparent that many churches, Boy Scout troops and other like organizations which use second-hand school busses for group movements are not aware of a 1963 Amendment to the law which requires that such busses be painted a color other than yellow.

The statute referred to also requires that when a school bus is no longer used exclusively to transport school children that the flasher lights and stop arm be removed before such vehicle is driven on the public highways.

Superintendent Everett stated that he was sure that this law was not being violated intentionally but that unawareness of the law provides no legal defense,

A violation of the statute carries a fine of not less than \$10 nor more than \$50 to which may be added a jail sentence of not more than 10 days.

"Les Chanteurs de Paris"

By Pam Fisher

Last Monday, April 12, the high school students of the county attended another CMA convocation at the Eppley Auditorium. The performers were "Les Chanteurs de Paris," a group of eight male French singers. They sang several French songs along with a few American songs using a few American songs using French words, They also danced and acted equally well with a vigor that seemed unlimited. Their performance was very good and was enjoyed tremendously by the students, as was shown by their applause.

The Culver French students again had the privilege of being the guests of the academy for evening performance of Les Chanteurs de Paris. Their evening program matched and surpassed their afternoon performance. A special treat came when the students were allowed to go backstage and talk to them. Although they spent much of the time signing autographs, they were especially polite and interesting to talk with.

Fourth grade — Mrs. Keller: Josephine Richardson has moved to Kansas City. Mo. The winners of the spelling match Friday for the fifth period were; Douglas George, Wisetta Minix, Denise Sandrea Lewis, Bruce Theresa Wynn, James Susan Napier, Robert Crosley. Snyder, Yocom, Martin, Ronald Humes, and Shari Scott.

Fifth grade - Mr. Frettinger: We played three games of softball last Friday and won all three games. We played Mr. Horbon's room during the first recess and at noon recess we played Miss Mahan's room beating them 20 During the last recess, we beat Mrs. Keller's room 9 to 4.

We have a new boy in our room. His name is Ronald Coney and he comes from South Bend. His favorite sport is baseball and his favorite subject is science. His best food is hambur-ger and his favorite TV program is "My Favorite Martian." Ronnie's dad is a foreman at Bendix. We're glad to have Ronnie in our room and believe he'll have fun at Culver.

OLD JAIL TO GO-Soon Rip-ley County's 110-year-old jail at Versailles will be torn down and replaced with a new one to cost \$126,000. The old jail was the scene of a wass lynching in 1897 when a mob seized five men zecused of robbery by torture and other crimes and harged the quintet from a giant elm tree. The hanging received wide publicity and until a few years ago Indiana highway maps carried markings showing where the hanging tree' stood. The tree

Plymouth Library Recipient Of \$1,500 Award

Plymouth's Public Library was presented the Dorothy Cantield Fisher Memorial Award in April 12 afternoon ceremonies at the Lincoln Auditorium in Plymouth.

Robert R. McClarren, director of the Indiana State Library. presented the award which carried a check for \$1,500 to be used for the purchase of books. This year Plymouth was se-

lected for one of the nine \$1,500 awards handed out across the na-tion. It was the only library in Indiana to be selected.

In his presentation address Mc-Clarren cited the Plymouth Public Library for its "significant achievement" in expanding its achievement" in expanding its services over Marshall and Starke Counties by use of the Bookmo-

Those attending the Plymouth ceremony at the Lincoln Auditorium and the open house which followed at the Plymouth Public Library were Mrs. Norman M. Funeral services were held last Wednesday afternoon for Gilbert L. Corbett, 54, well known farmer of southwest of Leiters Ford, who took his life April 11 following several months of ill health.

The Town of Culver receives \$2,944.37 for its share of the State motor vehicle highway fund for this year's street repair.

Russell Fisher has been a patient at the Fort Wayne Veterans' Hospital since April 7 and will undergo surgery soon.

The Culver Military Academy Chapel Choir, under the direction of Claude Zetty, appeared on WBBM-TV last Saturday afternoon in Chicago.

J. Dick Newman was among 195 farm leaders from Indiana, Illinois, and Michigan who returned home last weekend after a week-long bus caravan visit to Washington, D.C., to appeal for extending farm price supports, soil conservation, and other Department of Agriculture activities.

APRIL 19, 1944-

A suit for damages brought by Wade M. Dickson of South Bend against L. G. Walker and Lloyd Rovell. owners of the Walker Boat House at the southwest end of Lake Maxinkuckee, is being heard in Marshall Circuit Court. Five South Bend fishermen failed to return one of the rented boats and a fight ensued, causing the plaintiff to sue for damages for the injuries he received in the brawl.

George Thornburg underwent major surgery in Parkview Hospital at Plymouth where he has been under observation for several days.

Mrs. Mary Ann Savage, age 83, died Sunday night in her home in the Maxinkuckee community.

Mr. and Mrs. Ward McGaffey are the parents of a daughter born April 14. She has been named Marjorie Jean.

APRIL 18, 1934—

Maxinkuckee Glee Club won first place at the Community Stunt Night. Poplar Grove Ladies' Aid took second honors and third prize went to the Hi-Y Club.

The sixth annual PTA carnival will be staged Friday night with Chairman Harry Speyer announcing several new attractions.

ing several new attractions.

Mrs. Lizzie Shaw underwent major surgery at the Marshall County Hospital.

APRIL 16, 1924-

Formal opening of the Culver Military Academy's new recrea-

tional building will be one of the features of the Easter program. A large number of outstanding athletic figures will attend the ceremony.

Ivan Walker is building a new house on the lot north of the William Houghton property.

Mrs. B. E. Gandy died suddenly Sunday afternoon. She became ill while attending church services that morning.

Paul Humbert was rushed to the Rochester hospital Thursday for an appendectomy.

H. L. Henning has purchased his first automobile — an Oakland sport model.

APRIL 23, 1914—

A beautiful wedding took place Wednesday, April 15, at the home of Rev. and Mrs. Tiedt when their daughter, Esther Clara, was united in marriage to R. W. Osborn of Wanatah.

Last Saturday was one of those rather phenomenal days of early spring which are occasionally experienced in this section. The mercury skyrocketed to 80 degrees and a high south wind blew all day, filling the air with smothering clouds of dust.

Herman Sayger entertained the basketball team and the subs last Tuesday evening. Refreshments were served.

No hard times in Culver! During the past week the public has

spent \$192 on cooked food sales, \$67 on a high school play, and \$120 on a church supper and bazaar.

The United States government has succumbed to the inevitable — war with Mexico, and the first blood has been shed.

ENDURING BIKE — A Dearborn County man, Robert E. Bruce, is still riding a bicycle he purchased in 1911 and it's in fine condition. So is Bruce, a 70-year-old bachelor. Bruce told The Dearborn County Register he nas ridden the bike about 75,000 miles and has worn out 20 sets of tires. He said he has no worries about the gasoline tax and garage repair bills and that dur-

ing World War II gasoline rationing didn't bother him a bit. He lives five miles west of Aurora and rides into Aurora twice a week. He also makes trips to other nearby communities in southeastern Indiana. He says cars whiz past him on the highways but he pedals leisurely singing, "Let The Rest of The World Go By."

routes for Culver Community Schools for the school term of 1964-65. Negotiations with ap-plicants will begin at the May meeting of the Board of School

Trustees on May 4th.
One route in Aubbeenaubbee
Township will require that the
driver furnish the bus chassis.
Two routes in Aubbeenaubbee
Township, all nine routes in Union Township, and one route in North Bend Township involve drivers of school-owned busses. Contracts for one route in Aubbeenaubbee Township and three routes in North Bend Township which involve driver-owned chassis were signed in May, 1963, for the 1963-64 and 1964-65 terms. Therefore the present drivers of those four routes already hold contracts for another year.

Any persons desiring to make application for employment as school bus drivers may secure application forms at the office of the Superintendent of Schools in Culver. Applications should be completed and returned by the evening of May 4th.

A Bible lesson on "Probation After Death" will be heard in Christian Science churches next Sunday. A major theme of the Lesson will be brought out in these readings: "Work out your own salvation with fear and trembling. For it is God which worketh in you both to will and to do of his good pleasure . . . That ye may be blameless and harmless, the sons of God (Phil.

"This task God demands us to accept lovingly to-day, and to abandon so fast as practical the material, and to work out the spiritual which determines the outward and actual" (Science and Health with Key to the Scriptures, by Mary Baker Eddy,

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the buildise, of character and good citizenship. le is a storehouse c! spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four scund reasons why every person should attend services regularly and support the church. They are: (1) For his can sake. (2) For his children's sake. (3) For the sake of his community and nation. (6) For the sake of the church itself, which needs his moral material support. Plan to go to church regularly ard read your Bible daily.

Every gardener knows human ingenuity cannot be substituted for the miracle of growth. God's secret is God's! But he knows, too, that wild growth means wilderness. Only cultivation makes a garden.

So he works with God and the result is beauty, fruit-

fulness, abundance. What the man with the green thumb practices in his back yard, the Church inspires across the whole expansa of human effort . . . the cultivation of souls . . . the

realization of our spiritual potential. Working with God!

Knox Thespians To Give 'Blithe Spirit'

The National Thespian Society, Knox High School Troupe 2473, announces that they have now completed arrangements Samuel French, Inc., of New York for their next production, "Blithe Spirit," gwat comedy success by Noel Coward. The presentation has been scheduled for April 24 and 25 at the Knox

Junior High School Gym.

John De Somer will be seen as Charles.

In the roles of his two wives, Pam Shaw and Connie Tolson will compete for John's favors. Pam is the long suffering Ruth. As the "hlithest" spirit of all, Connie will be seen in the role of Elvira, the lovely and maddening ghost bent upon regaining and controlling her husband affections.

Karen Nichols is Madam Armati, the whacky medium responsible for "conjuring up" the entire situation.

In other roles of almost equal importance, Steve Berning will be seen as Dr. Bradman, June Zingarelli as Mrs. Bradman, and Patty Crider as Edith. The production is being directed by Robert Mulligan. Aiding him as stu-dent directors will be Alvin Morris and Becky Ludwig. The per-formance will begin at 8 p.m. (C.S.T.) and tickets will be on sale at the door.

Notice

FOR DRIVERS OF SCHOOL BUS ROUTES

Notice is hereby given that the Board of School Trustees of Calver Community Schools will begin negotiations at 7:30 p.m. on Monday, May 4, 1964, at the office of the Superintendent in Culver, Indiana, for the employment of bus drivers for the transportation of school children. For the route in North Bend

Township for which school-owned equipment is used, for nine routes in Union Township, and for two routes in Aubbeenaubbee Township for which school-owned equipment will be used, application forms are available at the Superintendent's office for use of persons desiring to apply for such driver positions.

For one route in Aubbeenaub-bee Township for which chassis must be furnished by driver, bidders may secure specifications for such route, for equipment to be furnished, and for other conditions of the contract at the of-fice of the Superintendent of Schools. The successful bidder on this route will be required 40 furnish a bond for faithful per-formance of duty and to carry the

proper liability insurance.

The Beard of School Trustees reserves the right to reject any and all proposals submitted.

Soil Stewardship Week May 3-10 To Be Observed Here

Soil Stewardship Week, a naflonwide observance which places emphasis on man's obligations to God as stewards of the soil, water and other resources, will be cele-brated locally May 3 to 10, ac-cording to Fred E. Wolff, Mar-shall County Soil and Water Con-servation District chairman.

The Marshall County Soil and Water Conservation District and some 2,940 companion districts throughout the nation, are sponsoring this event for the tenth

To remind Americans of their responsibility to God and to so-ciety to conserve and wisely use their resources the theme this year, "To Each Among Us Share." underscores the responsibility that each citizen has in meeting the responsibilities of soil stewardship.

Booklets and bulletin inserts will be supplied upon request to all churches for the observance in Marshall County. These were prepared by the Soil and Water Conservation Districts in cooperation with a committee composed of leading churchmen in the nation.

In this year's booklet each citizen is asked to consider his share: "In the great society of mankind, each of us has a Godgiven purpose for being. In our time each among us fulfills a mission in the long progression toward the ultimate design of our

Tschupp and family in Elkhart. TO MOTHER WITH LOVE If your child asks "What do you want for Mother's Day?" May 10, it's your cue, mother, to set the atmosphere for the day's activities and your child's atti-tude toward the celebration. So advises Elaine T. Doleh, instruct-

or in child development and fam-ily life at Purdue University. Rather than suggest an expensive gift beyond the child's means, you could suggest a gift especially made for you by your child, or family activities you especially enjoy with your children.

Mother might answer, "For Mother's Day, I would like a whole day of working and playing together -without arguments or unpleasant scenes. A day the whole family does kind and thoughtful things for each other.

This way of honoring mother emphasizes the true spirit of Mother's day, expressing love in an affectionate mother-child rela-

Gifts, as tokens of affection, need not be large or expensive. Mrs. Dolch feels. Mothers have a special appreciation of gifts special appreciation of gifts crafted lovingly and laboriously by small hands. They also have high regard for frivolous gifts purchased from a small allowance. They are especially fond of ance. They are especially fold of gifts of labor, such as a day free of cooking meals, or a week free of ironing and dish washing. These gifts often mean much more than purchased gifts.

Whatever the gift, or even without a gift, let the day be one of family sharing and affec-tion, Mrs. Dolch emphasizes.

Academy Sports

Rain hampered the Cuver Military Academy sports schedule inst weekend, but the crew, golf, and track teams came in with successful performances in spite of the weather.

Saturday marked the opening of the season for Coach Jack Anderson's crew, which rowed Lane
Tech High School at Chicago's
Lincoln Park Boat Club. The race
was an eventful one in that a
finish-line incident left some doubt as to who won. The water surface in Lincoln Park's lagoon was choppy and the race was the first action of the season for both teams. The crews were neck-andneck and as Culver pulled ahead near the finish line, the Lane shell veered into the Culver lane. The Eagle shell was nearly beached and Lane edged across the finish line. The judge, how after consultation Coaches Anderson and John Kot-sakis of Lane, declared the race

The two crews will meet here later in the season. Next Satur-day Culver is at East Lansing for a race against the Michigan State freshmen.

The Eagle track squad came up with its best performance in the tough Fort Wayne North Side Relays even though its second place finish was a distant second to the winning host team. Culver won second with 36 points while the North Side Redskins were first with a whopping 80 points. Coach Dave Burke's runners won two relay events, finished second in another, and took two thirds. Additionally, Culver's Kyle McCard was third in the shot put with a 46-10 ½ foot toss.

The Eagle harriers won the mile relay when Chris Hinkle, Bob Ancira, Tom Carpenter, and Pete Luke turned in a time of 3:34.2. They also took the two-mile with Ha! Hanna replacing Hinkle in the relay unit. Their time was 8:32.3. The Academy took second in the shuttle hurdle relay with a time of 56.8 seconds, and won thirds in the 880 and sprint medley events.

In golf, Coach Tom Baker's team finished ahead of teams from Merrillville and Delphi on the Academy course. Culver recorded a four-man total of 321. and the Engles' No. 2 team came in second with 329. Merrillville had 351 and Delphi turned in a 359. The victory evened the Cadets' season to 4-4.

Culver's Tony Mayfield was medalist with a five-over-par 79. In a reserve match, Culver's "B" squad turned in 342, a score that was better than the Merrilly!le and Delphi varsity units.

On the sports schedule Satur-day is a 2 p.m. baseball doubleheader here against Green Town-ship, a 2 p.m. tennis match here against Logansport, and a 1 p.m. golf match here with LaPorte and Gary Andrean. The track team is at the Lime City Relays in Huntington and the crew is in East Lansing. There is also a soccer clinic beginning a 9 a.m. and extending through most of the day.

MONDAY, MAY 4, IS DEADLINE FOR TAX EXEMPTIONS

Marshall County Auditor's Of-fice has announced that Monday, May 4 is the last day to file for mortgage exemptions, veteran disability exemptions and "over 65 exemptions." Clinic To Be Held Effects Indiana's Saturday At CMA

Explanations of offensive and defensive skills of soccer and a demonstration game are among the highlights of a high school soccer clinic to be given at 9 a.m. Saturday, April 25, at Culver Military Academy.

Indiana collegiate coaches Jer-Yeagley of Indiana University, Charles Matlack of Earlham, and Charles Fairben of Ball State, will serve as clinic instructors to explain various techniques of the game. There is no admission charge and advance invitations have been sent to 75 schools in an eight-county area of Indiana.

Argos High School and Culver Military Academy are seeking to organize a league for varsity competition next fall.

The film, "Out of the Witches" Kitchen" prepared with the help of the national championship St. Louis University team, will be shown Saturday morning as the opening event on the program. The collegiate coaching staff will discuss the teaching of soccer to newcomers to the sport, and each of them will instruct in specific techniques. Matlack will cover fundamentals and offensive team strategy. Yeagley will discuss offensive position and play and the play of the goalkeeper, and Fairben will outline defensive team strategy, positioning, and play.

A demonstration game with players from Culver and Argos will be held at the conclusion of the clinic at 3:40 p.m. A 6 p.m. supper meeting has been schedulfor those coaches interested setting up a league for next fall.

High School Soccer Alaska Earthquake SCHOOL MENU Water Table

Water levels in many Indiana water wells fluctuated several feet as a result of shock waves triggered by the recent Alaskan earthquake. A network of observation wells throughout the state operated jointly by the Indiana Department of Conservation and the U.S. Department of Interior, Geological Survey, recorded abrupt changes in the water table. Records of 19 of the wells that have been checked show that they were affected. A well lo-cated northeast of Indianapolis at Fort Harrison recorded an os-cillation amounting to 814 feet. Others range from more than a foot down to a fraction of an inch.

These oscillations are caused by compressive forces emitted by the shock waves that travel outward from the epicenter of the earthquake. Since the water in a well is affected by physical forces acting upon the aquifer or waterbearing formations, the effect is transmitted to the water in the well. It is not uncommon for water levels to be affected by distant earthquakes, but the fact that water levels were affected some eight feet points out the powerful force that is released by such an earthquake.

Voters Urged To Vote "Yes" On School System

The registered voters of Union Township of Marshall County. North Bend Township of Starke County, and Aubbeenaubbee Township of Fulton County will have the oportunity of approving or disapproving the Marshall County School Reorganization Committee's Plan for the Culver Community Schools in the Primary election on May 5, 1964.

The Plan as proposed by the Marshall County Committee and approved by the State School Reorganization Commission pro-vides that the Culver Communiit is now, a separate school unit consisting of Union Township including the Town of Culver.

Ours. Many, many countries do not have that privilege.

Citizen Recommendations ty School Corporation remain as , Aubbeenaubbee Township, and

North Bend Township.

The assets, debts, and liabilities of Culver Community Schools shall be retained, and the number of School Board members shall be five as at present, Actually the proposed plan to be voted on in the May 5th election provides for only one significant change from the present Culver Community School Corporation. This change was made by the Marshall County Committee to meet State regula-tions for appointment of School Board members.

Under the 1947 law by which the existing Culver Community School Corporation was organized, Township Trustees were eligible for membership on School Boards, However, a corporation reorganizing under the School Reorganization Act of 1959 and its amendments cannot have a School Board which includes persons who are serving as elected public officials. Consequently the plan to be voted on May 5th pro-vides for a School Board for which elected public officials such as Trustees, Advisory Board members, or Town Board mem-bers are not eligible.

The proposed plan provides for the appointment of one School Board member from North Bend Township, one from Aubbee-naubbee Township, and one from that portion of Union Township outside the Town of Cuiver. These members shall be appoint-ed by joint action of the Advisory Boards of the three town-ships. The same joint action of the Advisory Boards shall be followed in the appointment of a fourth member of the School Board. This representative shall alternate between North Bend and Aubbeenaubbee Township. with the first appointment to be made from the householders or freeholders who shall be residents of North Bend Township. The fifth member of the School Board shall be a resident of the Town of Culver and shall be ap-pointed by the Town Board of

Culver.
The first appointees shall take office on July 1, 1964, and shall serve for terms of different lengths to avoid more than two members of the School Board completing their terms at the same time. Thereafter appointments shall be for terms of four school cornoration shat be under the administration of a superintendent appointed by the School Board.

Since the plan to be voted on in the May 5th election will continue the Culver Community School Corporation in its present form, all voters who favor the continuation of the present threetownship schoul corporation should vote for the approval of the plan by placing an X in the square marked "Yes" on the ballot. All votes will be totaled for the three townships, and if the total "Yes" votes in the three-township area exceed the total "No" votes, the Culver Community School Corporation will continue to operate as it is now, with the only change being the one governing appointment of School Board members to bring this into accord with State regu-

It should be remembered that a vote of "Yes" will be a vote in favor of the Culver Community

Be Sure and **Vote Tuesday**

As a service to residents of Culver and the surrounding area, The Citizen is publishing in this issue the sample ballots of both Republcan and Democrat parties. Also the sample of the school ballot. Study the names on the ballot of your party choice, so you will be familiar with their names when you vote in the primary election Tuesday, May 5. Regardless of what party you belong to, make it a point to VOTE next Tuesday. It is one of your important freedoms to exercise in this free country of

The Citizen endorses the following Republican candidates, to represent the Republican party in the general election this fall where there is more than one candidate for the same office: Barry Goldwater for President; R. Alexis Clarke for Representa-tive in Congress from the Third Congressional District; Eugene Stanley for Joint State Represen-tative from Kosciusko and Mar-shall Counties; Harry R. Speyer for County Treasurer; Donald W. Reed for Corouer; and O. Paul Stackhouse for County Commissioner for the 2nd District.

The Citizen strongly endorses the Culver Community School Corporation plan as it is presently formed according to the re-organization plan of the Marshall County Committee. We recom-mend a yes vote on this important question concerning the Culver area school system.

Barn Dance Stars Coming Sunday To New Horse Palace

It will be Barn Dauce Time at the Horse Palace Sunday, May 3, when the Barn Dance Gang from WGN-Channel 9 put on Two Big Shows that will feature Dolph Hewitt, Red Blanchard, The Sage Riders, and the Johnson Sisters.

The first show will start at 2:30 p.m., with the evening perform-

ance set for 7:30.

The Horse Palace is a new, ultra-modern facility of the Lightning Dude Ranch located on State Road 10, west of Culver. The Barn Dance Show is a part of the month - long dedication program plauned for the new, recently-completed Horse Palace, one of the biggest and finest if its kind

JOHNSON SISTERS

Ruth and Edith, the Johnson Sisters, were born at Grand Ledge, Mich., on a farm where they learned to milk and sing at a very early age. They did their first radio work on the college station at East Lansing. For years they were a network feature with Pappy Cheshire and the Ozark Champ-ions on CBS. They joined the Barn Dance when it started on WGN. Today they are one of the most popular acts on radio. They do a great variety of hit songs, and perhaps are best known for their

harmony yodeling.

Because of the popularity of this show coming next Sunday to the Horse Palace, it is recommended that tickets be obtained in ad-vance at the Lightning Dude Ranch which is in its 19th season of operation as a western rec-reation center for hoys and girls from age seven to 16 years who come from surrounding states, live in western-styled bunkhouses, learn horsemanship, and enjoy the good fellowship of western living.

The ranch is under the direction of Ced and Rosemary White.
