Town Board Topics

Several ladies attended the first July Town Board Meeting held last Monday evening to lodge complaints that consisted of wanting additional night police protection to curb excessive noise from putt-putts and cars in the wee small hours of the night to charging fees for the use of the Town Park to outsiders.

The complaints made were that Culver streets are being made into race tracks after 11 p.m. by drivers who race their putt-putt engines without mufflers, cars being made to backfire causing loud noises, much to the annoyance of the ladies, whose nightly rest was disturbed.

Each gave their version of the situation. One lady stated that because of the nightly noise she had lost paying guests who couldn't stand the disturbance. All were in agreement that Chief of Police Don Mikesell could not stay up night and day to uphold the law, and because of that fact, additional police protection should be secured in the form of an extra man to be on duty during the night hours.

The Town Board referred to an anti-noise ordinance which could be enforced whenever the violators were apprehended. Possible fine and court costs for such violation could run as high as \$30, or more.

The board stated there were not enough funds to hire a full time night policeman, but that steps would be taken to secure the aid of the County Sheriff's Department and from State Police personnel.

The ladies also brought out the fact that the Town Park was used mostly by people outside the Culver area and as such, private drives were blocked so the residents could not park on their own property, and several other inconveniences. The ladies suggested that a fee be charged those who were not Culver residents, for use of the park, and a fence be put up around the park to insure the collection of such fees.

The board very patiently explained why this could not be done.

Several complaints were made of weeds being let grow and not being mowed on several Town properties. The board asked Chief Mikesell to investigate such tracts and report them to the town clerk. The town clerk was instructed to send notices to property owners that the weeds must be cut. If not, the Town would cut the weeds, adding the charges to the property taxes. (There is a weed cutting ordinance.)

The board again stated to those who complained, that there was no ordinance governing the burning of garbage and trash inside the city limits, only as the act might effect community health. The board instructed the town attorney, Mr. Hillis, to draw up an ordinance that would take care of this type of situation.

Negotiations concerning the opening of an alley leading from Liberty Street, west, behind the bowling alley, Kowatch's and others facing Lake Shore Drive, was again discussed. Property owners affected have agreed to sell portions of their properties to the Town so an alley can be established.

The vacating of the alley between Dr. Reed's office and the Walter Johnson property, which goes nowhere and does nothing, was discussed. The board ruled that interested parties would have to petition the Town Board for

The next scheduled concert will be held on July 28.

Small Barn Destroyed By Fire

A small barn on the Leon Sirus farm, located on State Road 110, between old and new State Road 17, was destroyed by fire Tuesday morning, about 8:30 a.m. The barn had been struck by lightning. It contained small tools which were destroyed. Also two cars and a trailer outside the barn were damaged by the fire. It is not known whether the barn was covered by insurance. The family lives in Chicago.

Culver and Aubbeenaubee Fire Departments were called.

Saturday evening, July 4, about 7:10 p.m. the Culver Fire Department was called to West Terrace, to extinguish a grass fire which was burning along the railroad tracks. No damage was done.

such action, before the board could take action on the proposal.

The allowing of the bids for gasoline and fuel oil was awarded by the board. Gordon's Texaco Service was awarded the bid for gasoline and the American Oil Company for the fuel oil.

Odds an ends — A letter of appreciation from the Culver Jaycees was read, which stated their appreciation of the help the board gave the organization in holding their first street fair — Second reading of ordinance 182, which establishes a park fund, was read. Third reading was waived. Park fund was started by legal procedure, by transferring unused funds from the general fund into the park fund. Representatives of the Council of Churches was present and asked if something could not be done to stop the consuming of alcoholic beverages in the Town Park. The town has no such regulation. After discussion the board instructed the town attorney to draw up such an ordinance for future consideration.

The board approved the VFW request to hold a one-day circus on either July 28 or 29, pending arrival of circus. They will set-up on the school track.

Culver Citizen To Observe 70th Birthday July 13

Union Township's first newspaper, The Culver Citizen, will observe its 70th birthday on Monday, July 13.

The first issue, Vol. I, No. 1, was edited and published July 13, 1894, by George Nearpass under the name of "The Marmont Herald," as the Town of Culver then carried the name of Marmont.

Culver's first newspaper was begun in restricted space, in a small one-story frame building, located on the west side of Main Street between Jefferson and Madison Streets. The building, built "broadside" to the street because it had been so constructed to accommodate a photograph gallery, was 12 feet wide and was owned by John Osborn, the banker who financed Nearpass.

Here, in the building on the Warner location, George Nearpass set up his humble hand-press and began the publishing of his weekly newspaper, with little in the way of equipment to help him on his journalistic way.

In 1896, when Marmont's name was changed to Culver City, the newspaper name was changed to "Culver City Herald." In 1903, Nearpass sold the paper to J. H. Koontz, who changed the name to "The Citizen," and was the founder of the publication as we know it today.

"The Citizen" was sold by Koontz on April 1, 1906, to Arthur B. Holt of Kankakee, Ill. Mr. Holt remained as editor through the years that saw Culver grow from a village to a town.

On July 1, 1923, he relinquished his interests to M. R. Robinson and F. C. Leitnaker, who came to Culver from Kansas where they had been roommates in college.

Another change in management occurred Nov. 11, 1926, when Robinson became the sole owner. Mr. Robinson saw his lifelong dream come true in 1945-46 when The Culver Press plant became a reality, giving this community and Marshall County one of the finest and most modern medium-sized printing establishments in the Middle West.

Charles Maull Jr. became the fifth owner-publisher in 1949 and named Robert Rust as editor and general manager. Mr. Rust assumed the entire operation on April 26, 1950, as the fifth editor and sixth owner.

Chester W. Cleveland took over "The Culver Citizen" on June 16, 1953, and it was incorporated into The Culver Press in 1954.

Easterday-Bonine Funeral Home Buys Van Gilder Lease

The Easterday-Bonine Funeral Home, Culver, has taken over the lease to the property which was formerly occupied by the Van Gilder Funeral Home of Culver. There is no immediate plan to move or occupy the property by the Easterday-Bonine firm. Future plans call for a large remodeling program for the property to meet the needs of the local firm.

The Van Gilder Funeral Home of Culver, which was a branch of the parent firm in Plymouth, discontinued their Culver operation last week.

The State Exchange Bank Continues Amazing Growth

Combined Resources Of Culver, Argos And LaPaz Banks Exceed \$36 Million

The Officers of The State Exchange Bank, of Culver and Argos, Indiana, and the Farmers State Bank, of LaPaz, Indiana, report that the first six months of their 1964 business exceeds any other corresponding period.

The report as shown elsewhere in this paper shows that the total combined resources of the two banks as of June 30, 1964, amount to \$36,578,133.00 which is in excess of \$2,500,000.00 more than the total resources for the corresponding period of a year ago.

Car, Safe Stolen From Hatten Motor Sales

The Hatten Motor Sales was broken into early last Thursday morning, July 2, and a 1961 Chrysler car belonging to the firm, and the safe were taken. Entrance was made by entering a window on the alley side of the garage part of the building.

The safe, which weighed approximately 1,000 pounds was loaded into the trunk of the car. It is believed the method used to load the heavy safe, was by means of heavy car jacks, used in garage repair work. The robbery was discovered, when a neighbor noticed the large double doors facing north were open. Min. Hatten, owner, was called, who came down to the garage about 6:15 a.m. and discovered the car and safe missing.

Police Chief Don Mikesell was called, as were the Marshall County Sheriff's department and state police detective Robert Wilson. Chief Mikesell started to patrol the county roads near Culver, in the belief that another car was involved. He discovered the stolen car about 9:15 a.m. with the safe still in the trunk of the car in the Paul Humbert woods about two miles northwest of Culver. The safe had been jimmied. Approximately \$60 was missing from the safe. Papers contained in the safe were scattered over the area. The robbers had driven the car over the foundation of the cellar of a building that had been torn down.

Besides the safe being damaged, the finish on the car was scratched and some possible damage to the undercarriage, was done by driving the car over the cellar foundation.

Bulletin!

Three men, all colored, were instantly killed Wednesday morning, about 9 a.m. when their car was struck by a Pennsylvania freight train where State Road 110 crosses the railroad, south of Culver. It is believed the car, a late model Pontiac, was traveling west on 110 when the accident occurred.

Identification of the victims was not known at press time. The car was registered in the name of Weldon Popp, South Bend.

The management reports that they have had an excellent demand for loans.

The management was pleased with the outcome of their business for the first six months of this year and feel that the additional interest paid out for the same period has been offset with the advanced interest rate and the extra volume of loans carried.

The total invested capital as of June 30, 1964, was nearly \$2,300,000.00 in the two banks.

It was pointed out by the management that their total deposits as of June 30, 1964, amounted to approximately \$34,000,000.00, as against which they were carrying \$19,000,000.00 of loans in the banks.

The management pointed out that the midyear statement is always less than the year end statement of these banks.

The management also reported that the first six months business in the State Exchange Finance Company exceeded any other corresponding period.

It was the opinion of the management that the year of 1964 would be a banner year.

The Officers, Directors, and employees take this opportunity of thanking the public for their continued confidence in these institutions.

School Board Still Studying Proposed Building Sites

The new Board of School Trustees of Culver Community Schools last week elected officers to serve from July 1, 1964, to June 30, 1965. Cedric White was elected to continue as President, Woodie McGlothlin was elected as Secretary, and Walter Johnson as the new Treasurer. Oscar Wesson and Everett Dowd are the other members of the new School Board. Because of provisions of the School Reorganization Act, the Township Trustees previously serving as members were no longer eligible for membership on the School Board. Retiring from the Board on June 30th as a result were Trustees Donald Taylor of North Bend Township, Eldon Davis of Aubbeenaubee Township, and Glenn Overmyer of Union Township.

In addition to the election of officers, the School Board members reviewed the steps which were being taken with regard to selection of a site for a proposed new unified high school to serve the entire corporation. Superintendent Frank McLane reported that applications had been submitted to both the State School Reorganization Commission and the Schoolhouse Planning Division of the State Department of Public Instruction for approval of a purchase of site and of procedures for planning for such a new school building. Reorganization Commission had approved the application in its meeting of June 25th and a letter indicating such action had been received from Dr. J. B. Kohlmeier, Director for that Commission. Dr. Wilber Stewart of the School House Planning Commission will inspect the proposed sites before the middle of July on behalf of the State Department of Public Instruction.

Since no other action regarding approval and purchase of a school building location could be taken until such sites were inspected and approved by the State Board of Health, Mr. Robert Huitema of that agency had visited the three sites under consideration by the School Board on June 22 and had later sent a letter of approval of each of the locations so far as the State Board of Health was concerned. A decision regarding a choice of site will be considered after the recommendations of the State Schoolhouse Planning Division are presented following Dr. Stewart's inspection. The three proposed areas include one on the west side of School Street south of State Road 10, one across School Street to the east and to the south of Road 10, and a third southwest of the Culver cemetery and extending west toward State Road 17.

After consideration of recommendations from Attorney George Stevens, legal counsel for the School Board, the members approved procedures for publication of legal notices of the sale of the abandoned Ora and North Bend buildings. Prior to any sale of such properties, an appraisal will be made by a committee to consist of Mr. Ed Torok, Mr. Harry Oliverius, and Mr. Donald Taylor, freeholders of North Bend Township.

Since the entire school corporation now owns all school buildings and properties, the School Board voted to take over the obligation for the payment of money necessary to retire school aid bonds on the Aubbeenaubee School. Such money as is necessary to pay off each installment of principal and interest will be paid by the school corporation to the Township Trustee of Aubbeenaubee Township each June and December so that the civil township authorities may meet the payments of such indebtedness.

As provided by the School Reorganization Act, the first payment will be made by the school corporation on June 20, 1965, with proper appropriations to be included in the 1965 budget.

Mr. Charles Cole, representing the engineering and architectural firm of Charles Cole and Son, presented a detailed explanation of a mortgage-loan plan of financing the erection of a new school building. He also discussed with the School Board some of the new structures being planned and constructed under the services of his firm. The School Board will continue to interview various architects and to study the plans used by other school corporations in the provision of needed buildings.

Carolann Laskowski Weds Donald Mikesell
In St. Mark's Church At Gary

MRS. DONALD WAYNE MIKESSELL

St. Mark's Church in Gary, Ind., formed the setting for the wedding nuptials at high noon on Saturday, June 20, which united in marriage Miss Carolann Marie Laskowski and Donald Wayne Mikesell.

Parents of the bride are Mr. and Mrs. Joseph Laskowski, 509 West 21st Place, Gary. Mr. and Mrs. Donald Mikesell, 611 School Street, are parents of the bridegroom.

Father Alvin Jasinski performed the double-ring rites before the altar graced with bouquets of peonies, mums, stock, gladioli, and pompons. The bridal selection, "Ave Maria," was sung by the soloist, Mr. Jordan, with organ accompaniment.

Escorted on the arm of her father down the aisle between pews marked with white satin bows, the bride was given in marriage by her parents.

The bride was attired in a floor-length gown of Sata Peau over peau de soie. The fitted bodice featured a bateau neckline and long sleeves that came to bridal points over her hands. Pearls and re-embroidered Alencon lace motifs accented the neckline. The bouffant skirt was fashioned with a princess line front and the sides and back featured pick-ups highlighted with hand-rolled roses, which also appeared on the chapel train. Her pillbox headpiece of seed pearls, Alencon lace, and brilliants topped a five-tiered bouffant veil of imported English silk illusion. The bridal bouquet was a cascade of white roses and stephanotis centered with a white orchid.

Miss Eileen Laskowski served her sister as maid of honor wearing a floor-length gown of white embroidered organza over yellow

MR. and MRS. PETER J. OTT

The Mt. Hope Methodist Church was the scene of the 2:30 Sunday afternoon wedding of Miss Marilyn May Sellers, daughter of Mr. and Mrs. Henry G. Sellers, Route 1, Culver, and Peter J. Ott, son of Mr. and Mrs. Robert Ott, Sr., Culver.

Rev. Leon Starke, pastor, officiated at the double ring ceremony before the altar which was decorated with branched candelabra and baskets of yellow gladioli and carnations. The couple stood beneath a trellis entwined with yellow roses.

Paul White, organist, played the traditional wedding music including Mendelssohn's "Wedding March" and Wagner's "Recessional."

Given in marriage by her father, the bride chose a street length dress of white lace, styled with a sheer nylon cummerbund and draped back tiers, and topped with a short lace jacket. Her short veil fell from a crown headpiece of pearls and tear-drops. She wore a single strand pearl necklace and carried a bouquet of yellow roses.

Mrs. R. William Ott Jr., sister-in-law of the bridegroom, was matron of honor wearing a gold brocade sheath dress and carrying a colonial bouquet of yellow carnations.

R. William Ott Jr. served his brother as best man and ushers were Marvin Sellers, brother of the bride, and Anton Cihak III.

For her daughter's wedding Mrs. Sellers chose a light blue nylon suit dress and white accessories. The bridegroom's mother was attired in a powder blue silk organza over taffeta styled with an embroidered cutwork bodice. She wore a matching petal hat and white accessories. Both mothers wore white corsages.

The church social rooms were effectively decorated in yellow and white for the reception which was held immediately following the ceremony for 75 guests from South Bend, Plymouth, Culver, Valparaiso, Syracuse, Kokomo, and Rochester, Ind., Niles, Mich., and Pharr, Texas. A three-tier wedding cake, decorated with yellow roses, centered the refreshment table, and serving were Marcia and Marvella Sellers, sisters of the bride, and Elizabeth King. Miss Carol Herr was in charge of the gifts and the guest book.

Following a wedding trip north the young couple will be at home at 921 Academy Road, Culver, after July 13. For going away the bride wore a white sheath dress with white accessories.

The bride is a 1964 graduate of Aubbeenaubee High School and is employed at Hart, Shaffner and Marx in Rochester. The bridegroom graduated from Culver High School in 1962 and is employed at Gates and Calhoun Chevrolet, Inc. in Culver.

Yacht Club News

By PEG CLYNE

We hope the weatherman hasn't set up a pattern for the summer weekends! For two weeks in a row, the Saturday race has been exciting with good wind and good turn-out. Sundays have been completely calm — the race having been called each time.

Last Saturday the 13 skippers had their boats heeling and planing in the very fast race. Jerome Zechiel (T-21) kept the lead all the way to the finish line with Bob Hollowell taking second place from The Beckers and Pete Trone who were giving him stiff competition.

To repeat, Sunday's race was called. But where? Right in front of Suverkrups — where Bev and Bud were entertaining the skip-

pers and their crews after the race! Since it was impossible to finish the race, we'd say the judges used their heads on that one. Had the race been called anywhere else, the skippers would never have made it to the party.

Two races will be run next Sunday, weather permitting.

Junior Fleet News

Saturday morning was pretty gusty for the light craft. Jeff Grund took first place in the sailfish followed by Bruce McDonald, who is a new Junior skipper this year. The weather was too heavy for Pat Banner and Jeff Michels who were repeatedly dunked before giving up.

Welcome to the Skylarks! A new fleet has been organized for Juniors up to 21 years. We hope a few more will show up next Saturday to get some sailing tips, some racing fun and some refreshment after. Just sail over to Hollowell's piers (you'll see the lime colored judge's boat there with the other Skylarks and sailfish) by 10 a.m.

Steve Speer had a good battle with Fritz Muehlhausen to take first place in Saturday's Skylark race. Fritz was second, Joan and Carol Shilling were third.

The Commodores are entertaining the Yacht Club with their annual cocktail party next Saturday, July 11, on Hollowell's lawn. Let's all be present to give "cheers" to the past and present Commodore.

Summer Carillon Recitals To Be Presented At CMA

A series of 12 evening carillon recitals will be presented by Culver Military Academy this summer.

Milford Myhre, Academy carillonneur, will open the series Friday, July 10, with a program ranging from classical to folk tunes. Recitals will then be held on Fridays and Sundays through August 16 at 8:30 p.m.

The carillon, located in Memorial Chapel, is comprised of 51 bells — the largest weighs 6,200 pounds and the smallest weighs 17 pounds. It is a gift of the Amon G. Carter Foundation of Fort Worth.

The public is invited to attend the recitals. Several benches are located across the road from the front of the chapel.

Mr. Myhre recommends listeners sit about 200 yards from the tower to best hear the carillon.

Boy Scout Troop 290 met at the Methodist Church Fellowship Hall on July 6 at 7 p.m. with 17 members present. The preopening game was soccer. The Panther Patrol conducted opening ceremony. Our Scoutmaster made announcements and immediately following we had Scoutercraft contests and games. The meeting was ended with the Scout Benediction.

Tom Osborn passed his Star rank before the Board of Review. Congratulations!

Your \$1.40 for the campout of July 18 and 19 must be in next Monday. We are planning to camp at Turkey Run State Park.

If you plan to attend the Troop canoe trip this September, you should be working on the 25-100 word theme on "What the Scout Oath Means to Me As A Responsible American Citizen." You may be the one to win the Nathan Hale Award. These themes are due by August 17.

Four Local Scouts Are Jamboree Bound!

Gregory Dawson

David Kelly

Steven Kelly

Dean Smith

Four local Scouts will leave Monday, July 13, for the trip of a lifetime—the 1964 National Jamboree of the Boy Scouts of America. The event, which takes place every four years, is being held at Valley Forge, Pa., July 17-23.

The Scouts, Gregory Dawson, David Kelly, Steven Kelly and Dean Smith, will leave next Tuesday morning at 5:30, July 14, and arrive in New York City that night. They will enjoy two big days touring the New York World's Fair and New York City and will arrive at Valley Forge on July 16.

Officially beginning on July 17, the Sixth National Jamboree holds in store fun, adventure, and excitement for the local Scouts. They will camp where the ragged troops of General Washington camped in the bitter winter of 1777 and, with over 50,000 other Scouts and leaders, dressed in their sharp Jamboree uniforms, will gain a deeper understanding of the history that made the United States great!

The "tent city" (some 30,000 tents of all sizes, shapes, and colors) will last for just seven days, but in those seven days Scouts from all 50 states and many nations will show Scouting at its best. Lifetime friendships will be made by boys from every section of the country and many nations of the free world.

There will be the best Scoutcraft activities; opportunities for field sports such as archery and rifle marksmanship; conservation displays and projects as big as all outdoors; the skill-o-rama, where Indian lore and native cooking are only two of hundreds of scouting demonstrations.

The great arena shows will have casts of thousands. Memories of the pageants will remain forever with every Scout. The traditional closing with the mass and lighting ceremony will bring a lump to every boy's throat because of his pride in the world's greatest youth movement.

Boy Scouts and Explorers camp

by troops and patrols at the Jamboree. Carefully prepared menus provide tons of food for patrols to cook over thousands of charcoal fires. The Jamboree is a city under canvas and has all the essential services — fire department, bus line, post office, banks, telephone exchange, and places for religious worship.

"Strengthen America's Heritage" will be the theme of the Jamboree. Its arena shows will portray our heritage and help boys understand how they can meet their responsibilities to enrich that heritage.

Strengthen America's Heritage Day will be observed on July 18. Thirteen-starred flag ceremonies will take place in all units and special program features will take place throughout the day.

On the evening of July 18, a total of 1,258 freedom campfires will burn at the Jamboree. The local Boy Scout Troop will also observe Strengthen America's Heritage Day with activities and a campfire at their campout during the weekend of July 18.

The local council's two Jamboree troops will include 65 Boy Scouts and Explorers from Marshall and St. Joseph Counties, with eight leaders. Also a contingent of Guatemalan Boy Scouts and their leader will accompany the Tri-Valley Council delegation to the National Jamboree. The council is one of the few to invite foreign Scouts to accompany its delegation to the Jamboree. The visits of the Guatemalans before and after the trip will add a great deal to the experience for the local boys.

Gregory Dawson, David Kelly and Dean Smith have received financial assistance from local service organizations for their outstanding record in Scouting. The organizations contributing were Junior Chamber of Commerce, Chamber of Commerce, Tri Kappa, Lions Club, American Legion and Junior Woman's Club.

Gregory Dawson, 17, son of Mr. and Mrs. Oren Dawson, Route 2, Culver, while a member of the

local Boy Scout Troop, held offices of assistant patrol leader, assistant senior patrol leader, quartermaster, instructor and junior assistant Scoutmaster. He holds the rank of Life Scout and is a member of the Order of the Arrow — an honorary camping fraternity of the Boy Scouts of America. In the spring of 1963 Gregory received the coveted God and Country Award (a religious award sponsored by Boy Scouts of America), and has earned the 1962 and 1963 Conservation Award of Merit. He also is the recipient of the Mile Swim Award and the 50-Miler Award. He is currently vice-president of Explorer Post 290.

David Kelly, 15, son of Mr. and Mrs. Norman Kelly, 310 College Ave., Culver, is holder of the highest rank in Scouting — the Eagle rank. He was the first Scout in the Culver community to receive the God and Country Award and is a Brotherhood member of the Order of the Arrow. In 1962 he was awarded the "Honor Scout" medal for outstanding service in the local Boy Scout Troop. He is a recipient of the 1962 and 1963 Conservation Award of Merit, Mile Swim Award, 50-Miler Award, and a one-year perfect attendance pin. He has been patrol leader, Troop scribe, instructor and is currently the senior patrol leader of the Troop.

Dean Smith, 17, son of Mr. and Mrs. Thomas McNulty, 918 Baker St., Culver, is also an Eagle Scout. He has earned the God and Country Award and received the 1963 "Honor Scout" medal. He is a Brotherhood member of the Order of the Arrow. Dean has earned the following additional awards while a member of Troop 290: Emergency Service certificate, 3-year perfect attendance pin, 50-Miler Award, 1962 and 1963 Conservation Award of Merit, Junior Leader Training Award, and Mile Swim Award. C.M.A. Faculty To Present 'The World Of Carl Sandburg'

"The World of Carl Sandburg" will be presented by an all-faculty cast at Culver Military Academy Friday, July 10, at 8 p.m. in the Eugene C. Eppley Auditorium.

The program by Norman Corwin consists of concert readings from Sandburg's most famous writings and songs. The cast includes Arthur Hughes, Cathy Martin, and Bob Williams. Recent Academy graduates Jim Craig and Bob Marsh will accompany the cast as folk singers.

This is the first time the program has been presented to the summer community. Winter School audiences have witnessed the readings twice.

The general public is invited to attend. Admission is free, and seats are not reserved.

The newspaper is the only medium that works 24 hours a day to bring the advertiser's name to the public.

Mr. and Mrs. Joe Schwedler entertained five days over the Fourth of July holiday for Mrs. Schwedler's sisters, the Misses Katherine and Barbara Gammathy, her niece, Mrs. Joe Bernaw, and her daughter, Carol, all of Chicago.

Spiritual baptism will be em-
phasized at all Christian Science
churches this Sunday.
"Blessed are the pure in
heart: for they shall see God"
(Matt. 5) is the Golden Text
which will begin the Bible lesson
on "Sacrament."

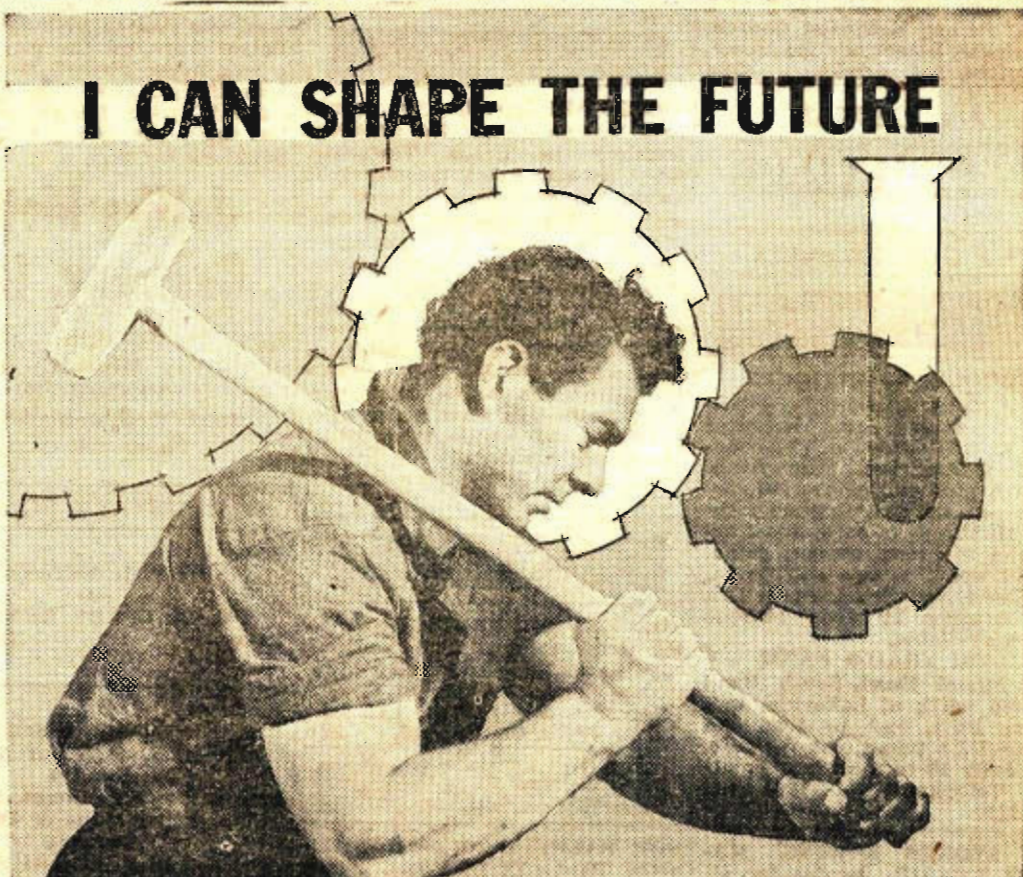

The theme will be carried
through in related readings from
"Science and Health with Key to
the Scriptures" by Mary Baker
Eddy, including the following
(p. 241): "The baptism of Spirit.

washing the body of all the im-
purities of flesh, signifies that
the pure in heart see God and
are approaching spiritual Life
and its demonstration."

Mr. and Mrs. Richard Hand
daughter, Beth, and son, Scott
of Akron, Ohio, were guests of
the long Fourth of July weeken-
d of his parents, Mr. and Mrs.
George Phillips.

When I watch the stone mason at his trade... then I'm sure I can shape
a stone. If... I had the right tools! If... I could apply just the right driv-
ing force!

But my stone always splinters, shatters.

It should be easier to shape the future. Tomorrow seems so formless, so
pliable.

Yet there are so many tools. Which to use? So many kinds of force, of
power. Which will shape, not destroy, my hopes?

I am realizing fast that the vital tools must be spiritual. My Church is
training me to understand, to use them.

And centuries of Christian heritage convince me that the driving force
ought to be spiritual. A Power that flows from God... is grasped by faith
... and in the reverent hands of dedicated men will shape — rather than
shatter — tomorrow.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

Indians Blank Judson, Lose To Caston

Lowry, Liette's Slugging Wasted

By EARL D. MISHLER

Culver's Indians had to settle for a split in last week's two non-league games as they blew a 9-1 lead at Fulton Thursday night, losing in nine innings to Caston, 14-13.

The previous evening found the Tribe blanking North Judson, 3-0.

Monday's County game against Argos was rained out.

Last Wednesday, senior right-hander Paul Liette blanked the visiting Blue Jays on just three hits while gaining his fourth summer pitching victory. Dave Lemar cracked a two-run line-drive homer in the sixth inning to insure the win. Liette walked only one while striking out 10.

The following evening found Liette and Andy Lowry slugging the Indians to early leads of 9-1 and 12-8 over Caston at Fulton. Coach Gene Crosley was forced to use Jim Boswell, Bruce Lindvall, and Liette on the mound, but none of the three could stem the onrushing Comets. Caston's seven-run fourth inning made the game close, their three-run seventh tied it, and a run in the ninth spelled defeat for Culver. Liette was charged with his second loss of the year, and the

third of his career. It should be mentioned that Paul was making his third appearance in four days.

Liette and Lowry bagged eight hits and nine RBI's between them. The big junior catcher grabbed a double, triple, and two singles for five runs batted in, while Liette stroked three booming triples and a single, good for four runs.

The Indians now stand 7-3 on the season, with a 2-2 County record.

Tomorrow night, Culver, who incidentally has not lost a home game since June 7, 1962, will play host to Triton in a unique "doubleheader." Prior to the regularly scheduled game, the game of June 11, suspended at 11-11 after eight innings, will be completed.

Next Monday, July 20, the Tribe travels to LaPaz.

Over 5,000 See CMA's Fireworks Display July 4th

An estimated 5,000 people watched the Culver Military Academy's fireworks display last Saturday evening, July 4th. This figure does not include the many others that watched from other locations around the lake shore. Chief Mikesell stated that cars were parked on every road leading to the Academy in far greater numbers than ever before.

Cooperating with Chief Mikesell on traffic direction was the Marshall County Sheriff's department's special police and the

Marshall County Defense units. So well was the traffic handled that 35 minutes following the last fireworks display, traffic was down to normal flow.

The Academy is to be congratulated for the fine display this year. Many expressed the opinion it was better and lasted longer than in previous years. The ground displays were very beautiful this year as were many of the aerial displays.
