Indians Lose To Bremen Lions By 73-60 Score

To Meet Knox Friday, Dec. 2

By Steve Bair

The speedy Bremen Lions staged a tremendous rally in the second and third quarter to present the Culver Indians their third straight loss in the game last Friday night. At one point in the second quarter the tribe led 22 to 11, but the Lions came roaring back to score a 73 to 60 victory.

The Culver Indians started off with a bang, by taking the lead early in the first period. George (the yell) whipped the Lion man to and defense by driving his man College-oring four quick baskets paternal'ns.

ons came out in the second Mr. #fod with a sticky half Row! press. The Indians scored easily at first but went cold with five minutes remaining in the second stanza. The tribe would still have had momentum, but unnecessary turnovers and five straight missed one and one free throws proved the difference. The tribe went into the dressing room at halftime trailing by six points.

The tribe, determined to get back in the lead, moved within four of the Lions but failed in the waning minutes as the Lions scored many baskets on offensive rebounds. As the buzzer sounded the tribe was behind by 17 insurmountable points.

The tribe again narrowed the gap to five points by working their offensive pattern to perfection and playing good defense. But again the Indians couldn't keep up with the Bremen fast break and quickly fell behind the Lions in the final minutes.

The Indians showed enthusiasm and drive but couldn't keep up with the Bremen speedsters. The tribe also couldn't put four quarters of basketball together. (They out scored Bremen in the first and second quarter).

George Jewell led the Culver attack with 21 points, Paul Hatten added 17 tallies to the Indian's score. Jack Fore and Mike Jones led the Lion attack with 18 and 17 markers respectively.

The Indians face Knox at Culver Friday night and North Judson at Judson Saturday night.

Dr. Otis Bowen Elected Speaker Of The House

DR. OTIS BOWEN

Dr. Otis Bowen, prominent Bremen Republican, will wield the gavel as Speaker of the House when the Indiana General Assembly convenes in January for its 1967 session.

The Bremen legislator is the first Marshall County Representative to occupy the Speaker's chair. He will officially take over the gavel following swearing-in ceremonies Jan. 5.

Only Twenty-Two Mailing Days Before Christmas

Postmaster E. W. Mattox reminded Culver residents today that there are only 22 mailing days before Christmas.

"While that may seem like a long time to most people, it is frighteningly short to those of us in the Postal Service," he said. "Postmaster General Lawrence F. O'Brien has predicted that well over eight billion pieces of mail must be delivered between now and Christmas Eve, a new record.

"Mailing early and spreading the mail flow out along the entire pre-Christmas season is the key to better mail service at this time of year.

"Last year the public cooperation was 'tremendous,'" according to Mr. Mattox.

"Every piece of holiday mail was delivered before Christmas Day. This year with increased volume because of the continuing strength of the economy we are hoping to see that fine co-operative spirit again."

Postmaster Mattox offered these mailing tips:

Use ZIP Codes on all mail. ZIP Codes are more important than ever this year.

Wrap your packages well. Include sufficient padding. Remember, that your parcel may be shipped in a mail sack with a set of the encyclopedia riding on top.

Include a card or piece of paper inside the package with your name and address and that of the person you are sending the parcel to in case the wrapping should be loose and come off. That way, you know that your gift will not wind up in the dead parcel office.

Address your gifts and greetings clearly so that postal workers will have no difficulty in reading the destination. Use first class postage on greeting cards. The Post Office Department has issued a special five-cent Christmas stamp which will help decorate your holiday mail.

McKesson Fund Applies To All C.H.S. Students

Funds provided by the A. R. McKesson Trust Scholarship for the students of the Culver Community Schools applies to all students of the three township school district who attend schools in the Corporation. This includes North Bend Township, Starke County; Union Township, Marshall County; and Aubbeenaubee Township, Fulton County.

Clarification of certain features of the Trust Scholarship Fund for students of the Culver Community Schools were pointed out this week by the State Exchange Bank, Trustee of the Fund.

"The Scholarship is for the benefit of any graduate of the Culver Community Schools, regardless of where the students might live. This means he could live in any one of the three townships of the School Corporation," W. O. Osborn, President of the Bank points out.

The Scholarship can be allowed to students who might attend any school of their choice whether it would be a trade school, 4 year college, or a private school, it was pointed out.

The Trust which is to finance scholarships for graduates of the Culver Community Schools is provided in the last Will and Testament of the late A. R. McKesson, prominent business and civic leader.

Income from the Trust is to be used for assisting worthy graduates, selected by the faculty on the basis of financial need, capability, and the desire of the candidate for further education. Value of the award for 1967 has been set at \$900.00.

Hospital Notes

Austin M. Romig, 215 S. Ohio St., Culver, returned home Wednesday, Nov. 23, from St. Joseph Hospital in South Bend where he had been a patient since Wednesday, Oct. 26, after suffering a broken hip when he fell from a ladder at his home.

Mrs. A. E. Adams, 519 Plymouth St., Culver, was dismissed Tuesday, Nov. 22, from the Osteopathic Hospital in South Bend, where she underwent major surgery on Tuesday, Nov. 15.

Donald Mikesell, Culver Town Marshal, Resigns

DONALD MIKESELL

Donald Mikesell, Culver Town Marshal for the past 20 years, is resigning from his position effective Dec. 1.

Mr. Mikesell has been employed by the Town of Culver since 1941 and was named Town Marshal and Street Commissioner in 1946, a post which he has held since that time.

A 1931 graduate of Culver High School, Mikesell served for 22 months in the Navy, stationed in the South Pacific, previous to being employed by the Town.

Mikesell was presented the Distinguished Citizen Award in January, 1966, by the Culver Junior Chamber of Commerce. At the presentation it was pointed out that Chief Mikesell has also been active as a Water Commissioner, Marshall County Deputy, Fire Department and Maxinkuckee Lake Patrol, and has helped many young people throughout the troublesome youth days and steered many a potential juvenile delinquent away from trouble with his patience, understanding, and inspiring advice.

"Mike" and his wife, Alice, reside on School Street in Culver and are the parents of a daughter and two sons.

Mr. Mikesell stated that he has no immediate plans for the future.

SOPHOMORES TO SPONSOR CARNIVAL AT LEITERS FORD GYM SATURDAY NIGHT

The Sophomore Class of Aubbeenaubee High School will sponsor a carnival in the Aubbeenaubee High School Gym at Leiters Ford from 7 p.m. to 10 p.m. on Saturday evening, Dec. 3.

Attractions will include slot car racing, side shows and refreshments.

"Early to bed and early to rise—to make enough cash to do otherwise."

Culver Schools Receive Another Day Of Vacation

Schools of the Culver Community Schools district will receive another day's vacation as a result of a calendar change approved at the regular meeting of the School Board of Trustees last week.

Originally scheduled to attend school January 2, 1967, the Board approved the recommendation to move up the opening for the Christmas Holidays to Tuesday, January 3rd. This then means that the close of school changes from May 26 to May 27, 1967.

Walter Johnson of Culver was named by the School Board as an Associate member of the Culver City Park and Recreation Commission. The organization of the new Commission provides that the School Board member is to serve co-extensive with his term on the School Board. Mr. Johnson is President of the Board and is the representative of the Town of Culver on the School Board. His term expires on June 30, 1967.

Meeting jointly with the Directors of the Building Corporation, the School Board approved the transfer of the existing contracts for the construction of the new High School Building which the Board has with M-W Inc., Architects, Indianapolis and with Attorney George Stevens, Plymouth to the Holding Corporation.

Following the discussion of the building and plans for bidding, the Boards adjourned to meet separately.

In other business, the Board heard a report by Dr. Oscar Wesson, Treasurer, on the recent Indiana School Boards Association legislative meeting at South Bend. In a report on the replacement of boiler tubes at the Aubbeenaubee School, the Board recognized the need for repair, will carry out the work at a later date.

Robert Rust, Superintendent, was designated legal authority of the Title II Federal Program. The local district is now making application for the total allocation of \$3,982.40. The allocation of the fund will provide \$1,547.95 for Culver Military Academy; \$878.42, Culver High School; \$1,098.49, Culver Elementary; and \$457.54, Aubbeenaubee School.

In his report, the Superintendent, spoke of the purchase of a dryer for the Culver cafeteria and the change of location of a vapor light recently installed. Rehabilitation projects include installation of the boiler, work on the chimney, and the toilet facilities; all at Culver were reviewed.

The request of Mr. Shelton Kaiser, Principal Culver Elementary and Charles Bernhardt, Principal Culver High School to attend State Administration Meetings at Indiana University and Purdue University, December 1st and 2nd were approved.

Mrs. James Bonine Hosts November Meeting Of Junior Woman's Club

Culver history was reviewed as the Maxinkuckee Federated Women's Club met Monday evening at the home of Mrs. James D. Bonine.

Members answered roll call by showing newspaper items, pictures, or telling of facts of the past. Two movies that were made in 1937 showing business places, churches, and school children in Culver, Burr Oak, and Maxinkuckee, were shown by Shelton Kaiser, who was assisted by Mrs. Robert Lindvall in narrating the films as to the identification of people and places.

President Mrs. Latham Lawson welcomed two new members, Mrs. Kenneth Miller Jr. and Mrs. Tim Dillingham, and a guest Mrs. Loren Kief. During the business meeting, the Club voted to contribute to the purchase of band uniforms for the Culver band. A collection of Christmas presents and wrapping paper was taken for the patients at Beatty Memorial Hospital at Westville.

Mrs. Larry Berger gave the closing thought after which refreshments were served from a table decorated with a harvest-colored bouquet. Assisting the hostess were Miss Margo Fox and Mrs. Lance Overmyer.

Jaycees To Sponsor Local Christmas Decoration Contest

The Culver Jaycees met last Tuesday evening at the Eagles Lodge for a dinner meeting.

President Jerry Wyman introduced Larry Davis as a guest and Don Troyer was sponsored by Bob Kline.

Harry LaPlace and Veri Shaffer were elected co-chairmen to judge the Christmas decorations; prizes of \$15.00, \$10.00, and \$5.00 will be awarded to Culver citizens with the entry blanks for the contest being published in a future edition of this paper.

Two Jaycees were appointed by the Culver Town Board to serve on the Park and Recreation Board; these were Rev. Carl Baker to serve for two years and Latham Lawson for four years.

A committee is presently negotiating to bring Goose Tatum to Culver for a basketball exhibition — tentatively listed for Wednesday, Dec. 14.

President Wyman stated that a social outing for Jaycee men will be held Dec. 4 at the Eagles Lodge.

The membership voted their approval for a Casino Night, which will entertain the Jaycees and their wives in March.

At the next meeting, Thursday, Dec. 8, the district vice president will attend as a guest.

HOLSTEIN HERD OWNERS EARN BREEDERS AWARD

John A. Newman & Sons, Culver, have qualified for the Holstein-Friesian Association of America's highest recognition for dairy farmers. The Progressive Breeders Registry Award is made for meeting requirements of excellence in dairy cattle breeding and management practices.

The honor has been limited to 647 Registered Holstein breeding establishments, including 21 in Indiana. This is the eighth time that this herd has been so recognized.

To qualify for the Progressive

Breeders award, a dairy herd must meet standards for milk and butterfat production, body type improvement, herd health and the development of home-bred animals.

This herd completed its latest official testing year with a lactation average of 16,090 pounds of milk and 601 pounds of butterfat, calculated on a two-milkings-per-day, 305-day, mature equivalent basis for 81 individual records.

The herd is also above breed average in the national Association's official classification for body type program. These Holsteins have a breed age average of 103.5 per cent — obtained by dividing the classification score of each cow by the average score of all Registered Holstein cows of the same age.

Recognition as a Progressive Breeder includes receipt of a certificate from the Association, the largest dairy cattle registry organization in the world representing over 44,000 members.

At a meeting of Holstein breeders from this area a bronze year plate will be presented to John A. Newman & Sons, to be added to the cast bronze plaque awarded when this herd first achieved the Progressive Breeder honor.

The successful man has a wife who tells him what to do—and a secretary who does it.

Farm machinery accounts for the largest number of fatal farm accidents in Indiana. Purdue University safety specialists say about 50 Hoosier annually lose their lives in accidents involving farm machinery.

BIDDERS

CONSTRUCTION OF
HIGH SCHOOL BUILDING

Notice is hereby given that Culver Community School Building Corp. will receive sealed bids for the construction of a new High School Building and for related work in accordance with plans and specifications now on file in the office of the Superintendent of the Culver Community Schools and in the office of the Division of Schoolhouse Planning of the Superintendent of Public Instruction in the State House in the City of Indianapolis, Indiana, until 7:00 P.M. (EST) on December 20, 1966, in the Gymnasium of the existing Culver High School Building, in Culver, Indiana, at which time and place all bids will be publicly opened and read aloud. All bids received after the designated time will be returned unopened.

Bids will be received in a manner as prescribed in the instruction to bidders, a part of the specifications and in the following areas, to-wit:

1. General Construction
2. Heating, Ventilating & Air Conditioning, Plumbing
3. Electrical
4. Total Energy Equipment
5. Kitchen Equipment

Each proposal shall include all work, labor, and material necessary to complete each section of the project in strict accordance with the plans and specifications therefor as prepared by M-W Inc., Architects-Engineers. Plans and specifications are on file and may be examined at the following locations:

- Superintendent of Schools
Culver Community Schools
Culver, Indiana
Plan Room
- F. W. Dodge Corporation
4165 Millersville Road
Indianapolis, Indiana
Plan Room
- Construction League Building
1456 North Delaware Street
Indianapolis, Indiana
- M-W Inc.
Wolverton-Beam-Haller-Spaltner-Kirchoff
1718 West Fifteenth Street
Indianapolis, Indiana

Copies of the plans and specifications may be obtained from the offices of the Architect-Engineer on terms as set out by said Architect-Engineer. Bids should be submitted for the divisions of the work as set forth in the instructions to the bidders. Bids on any division or combination shall be subject to acceptance by the Building Corp. Bids should be made on Indiana State Board of Accounts Form 96 and should be accompanied by a questionnaire of the experience and financial statement on Indiana State Board of Accounts Form 96A, and either by an acceptable certified or cashier's check or bid bond executed by the bidder with an acceptable surety company payable to the Building Corporation in an amount not less than Five per cent (5%) of the total bid.

Each successful bidder shall, upon acceptance of his bid, be required to procure and pay for a performance bond in an amount equal to the contract price. Bids should be enclosed in a sealed envelope showing the name

and place of business of the bidder, a division of work to which the bid relates, and those submitted by mail should be addressed to Wayne Roe, Secretary, Culver Community School Building Corp. in care of the Superintendent of Schools, Culver Community School Corp., Culver, Indiana.

The Building Corporation shall have the right to accept any bid within Thirty (30) days after the time of opening bids, during which time no bid shall be withdrawn; at any time to reject all bids; and to waive all informalities or irregularities in the bidding.

All contracts awarded by the Building Corporation shall be conditioned upon and subject to the sale by the Building Corporation of its securities in an amount sufficient to cover the cost of the contracts executed by the Building Corporation plus incidental expenses of the Corporation in connection with such work and such sale. The Corporation shall use its best efforts to sell such securities but upon its failure to do so or upon the determination that such securities cannot be sold, the Building Corporation may cancel all contract without liability. In the event such sale of securities is not completed within 120 days after the award of any contract, any contractor may cancel his contract, without liability, by written notice. Such cancellation shall be effective Ten (10) days after written notice.

Additional information required shall be requested of M-W Inc., 1718 West Fifteenth Street, Indianapolis, Indiana, Telephone Area Code 317-535-4473.

Dated this 28th day of November, 1966.

COMMUNITY HOME SCHOOL THE SCHOOLBELL

PUBLISHED WEEKLY BY THE PRESS CLUB OF CULVER HIGH SCHOOL

National Student Traffic Safety Program

The National Commission on Safety Education of the National Education Association announced today that Culver High School is one of about 3,500 secondary schools enrolled in the 1966-67 National Student Traffic Safety Program. Participating schools represent all of the 50 states and the District of Columbia. The American Oil Foundation, Chrysler Corporation, Firestone Tire and Rubber Company, and the Ford Fund contribute to the Program's operation through financial grants. The basic program of the National Commission on Safety Education, of which NSTSP is a part, is made possible by grants from the Automotive Safety Foundation. This represents the eighth year of continuous NSTSP activity.

The Program is designed to aid high school groups as they devote their energies toward a critical social concern — the safety and well-being of our citizens. Educators at all levels hail the activity as an outstanding example of involving youth in a serious community endeavor. The National Association of Secondary-School Principals includes the NSTSP on its approved list of secondary school activities.

Program materials are prepared and distributed by the Commission. They include guidelines for student groups and suggest appropriate types of projects and activities. As a result of student-centered efforts many communities are experiencing seat belt publicity and installation campaigns. Citizens take note of youth as they survey traffic hazards and congestion. Community-wide vehicle safety checks are conducted in addition to a variety of other activities.

In the spring, participating schools will submit reports of their activities to the review of educator committees in each state. Outstanding programs will be recognized nationally with the awarding of plaques and certificates.

Here they come! Duck your heads! U.F.O.'s are coming in from all directions! Let's see if we can identify one of them. Oh! One of them has the words "Bits and Pieces" written on it. Let's see if we can get a little closer and find out more about it.

Hey, Beth Routson, we hear you started to work again. Well, we hope you enjoy yourself at the Inn and please don't flirt with all the cadets that come in.

Karen S. and Linda F. how was your walk the other night?? For more info ask Linda or Karen.

Congrat's to Gary Davis for a great party last Saturday! But we also hear that it was quite different and unusual. Wonder what all the commotion was about? Well, if anyone is interested in finding out about it just contact anyone who

was there!

Mike Schmoll what is this new column that you are starting. Oh you say another Ann Landers. Well, good luck with it!!

What's this about the black stripes on the French lab walls? How about it P.M. and P.W.?

Patti M., where did you say you go every fourth period??

The Juniors are getting pretty anxious these past few weeks with their rings coming in. Cheer up, you only have a few more days!

Stu Lowry says, "Big birds don't grab people." How about it Mr. Fouts??

We hear there was a real swinging party at Denny's this weekend. Seems like there was a lot of trouble with . . . slacks!?!? Hum, what about it Vicki M.?

We hear Rex S. is after the person who erased his beautiful picture. So people beware!!

Also Rex you should be more careful about getting run over by a white corvair in a weed patch. For more info contact Jack's cousin?

Well, it doesn't look like we are coming in too clear so we will have to sign off until after Thanksgiving. Adios!!

CLASS NEWS

By PATTI McCOMBS and LINDA REINHOLT

This is actually a self-defense article. Self-defense for those who "make the headlines" in the Bits and Pieces articles. This is to show we students do accomplish a few things here at school. And here we go . . .

The National Honor Society has made a few changes this year. By popular vote, Sophomores now hoping to enter must have an 8.500 or better grade average. It remains the same 8.000 or better for those Juniors and Seniors hoping to enter. Grades are not the only things taken into consideration, however. Students must have an active interest in school activities, show leadership, honesty, initiative, good character, and a willingness to serve others. Members are in the process of planning the first initiation for 1966-67.

The Senior Class has been fairly inactive as of lately. That is, except for the selling of concessions at every home game. (Your patronage will be greatly appreciated!)

Sunshine Society has launched its annual candy sales. They are all busily working away to make it a huge success. So, for those of you who have a sweet tooth, the Sunshine girls would be glad to satisfy it.

The Sophomore Class has taken on a new project this year. It seems they will not be able to finish raking leaves because of a lack of transportation. They are now going to pick corn. Well, you certainly can't say they aren't industrious!

The Junior Class has one main project going on right now. That is their dances after every home basketball game. They are all anxiously awaiting the arrival of their class rings on Nov. 29. At their last meeting they chose the band for the Homecoming Dance. It is to be Denny Grewell's band from Peru, Indiana. Also, prom themes are being submitted for consideration.

The Student Council is trying something a little new this year. They are planning the Christmas program for the school.

Hans Is Back

By BETH ROUSTON

My assignment was to interview Hans Van Schnook. What was I going to do? I was excited, yet nervous.

As I walked through the office doorway into the smoke filled room I tightly clutched my notebook and pencil. Slowly the smoke cleared and I saw Hans Van Schnook sitting at his desk and talking on the telephone and writing busily on a pad. I approached apprehensively. He glanced at me and motioned for me to sit down. Finally he ended his conversation and looked in my direction.

I dampened my lips and started to speak but no sound came out. Hans smiled and gave a chuckle. His chuckle seemed to relieve my tension.

Hans was not at all like what I expected him to be. He started telling me about his thrilling summer vacation in Florida. What he liked best of all was the girls. Naturally.

Hans complained because his secretary hadn't shown up since summer vacation. Please won't you come back?

Hans told me that his season is going to be rough to predict, but he's going to do his best. According to him, Culver, although we got off to a bad start, will come on strong as the season progresses.

Seven Arts Group To Present Workshop

"Who's Afraid Of Edward Albee", a workshop, will be presented by the seven arts group of the faculty wives association on Friday, Dec. 2 at 8:15 p.m. in Eugene C. Epley Auditorium, Culver Military Academy.

The workshop, directed by Harvey Firari of the Academy English Department, is a production of the son story by Albee.

Channing Mitzell and Gordon Hough, faculty members, will be in the cast.

Part two of the program will be a discussion of Albee's writings. This symposium will be led by Arthur Hughes, head of the

Academy English Department.

Members of the crew are Gordon Uyttebrouck, William Finley and Charles Gollnick. Set design by Mrs. Harvey Firari and Mrs. Robert Matson.

There is no admission charge.

ASSISTANT DIRECTOR
Indiana Sesquicentennial Commission

INDIANA'S FIRST PRISONS by John W. Buck Director of Classification Indiana Department of Correction

Indiana was admitted to the Union in 1816 — and six years later the new state constructed its first prison. Authorized by the State Legislature, the Indiana State Prison was established at Jeffersonville in 1822.

From 1822 until 1847 the prison was a crudely designed structure with a cellhouse built from rough hewn logs. The cells were small and so poorly ventilated that the unfortunate prisoners nearly suffocated during the oppressive heat of summer days.

In 1847 the original log stockade was replaced by brick walls — three and a half feet in thickness, 26 feet in height, enclosing about four acres. As in the first plan, located outside the walls were the truck garden, prison cemetery, stables, warehouses, and other buildings.

During the early decades the majority of able-bodied prisoners were engaged in contract labor — civilian and lumbermen, paying the state a small daily sum for the labor that could be exacted from the inmates. Several businessmen became wealthy through the labor of prisoners.

A few prisoners were assigned to duties in the kitchen, or laundry, and others as yard laborers. Guards for the first prison were recruited from the surrounding communities, and were not noted majority of able-bodied prisoners. The cat-of-nine tails was used freely as punish prisoners who were reported for infractions of the rules.

The early prison maintained a silent system among the inmates and this inhumane rule prevailed in Indiana prisons until the 1930's. The use of tobacco was

forbidden, and no reading materials were permitted except for an occasional religious tract provided by the chaplain or visiting minister. Inmates were not allowed to keep personal items such as pictures of their wives — and letter-writing was restricted to one letter per inmate per month. The lot of prisoners was indeed rough and the excessive regimentation and brutality were degrading to all involved, even 100 years ago! Considerable public criticism was directed to the mistreatment of inmates but little evidence could be revealed due to the secrecy prevailing at that time.

During the 1860's the prison administration at the Jeffersonville institution became even more corrupt. Women prisoners were exposed to excesses imposed upon them by the warden and a number of his favorite officers. The cat-of-nine tails was used for even the most minor offense and prisoners allegedly died from beating and improper food. Several doctors and ministers protested but were forced out of their positions at the prison. One investigation was conducted, but the directors "found nothing wrong!"

In 1860 Indiana had opened a second prison, one at Michigan City. The prison at Jeffersonville was re-named Indiana State Prison South; the one at Michigan City being designated as Indiana State Prison North.

Finally, in 1868 a special investigation called by the Governor revealed the true conditions at the Southern Prison. A new warden was appointed — one Colonel Laurence Shuler of Danville, Ind. Colonel Shuler proved to be a most humane warden and his reforms at the State Prison South were warmly welcomed by the prisoners and interested citizens who visited the institution.

In 1873 Indiana became the first state to provide a completely

Troop No. 52 entertained at a Mother's Tea Monday, Nov. 28. Sixteen mothers and many small children attended the tea.

Entertainment consisted of a Punch and Judy puppet show given by Connie Kelly and Nancy Heiser, which was part of the requirements for the Dabbler badge.

Refreshments of punch and cookies made by the girls were served from a table decorated in the Christmas motif.

Plans were completed for Troop No. 52 and Cadette Troop No. 148 to have the annual Community

Christmas sing which is to be held on the evening of Dec. 20 around the Culver town Christmas Tree.

Cadette Troop No. 148 is planning a skit to be given at the Childrens Center on December 21. They are also making recreation games for the children of the center.

"God the Only Cause and Creator" is the title of this week's Lesson-Sermon to be read in all Christian Science churches this Sunday.

Scriptural readings include Matthew's account of Jesus' healing of the insane boy who fell "ofttimes . . . into the fire, and oft into the water," and Jesus' admonition to his disciples, "If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you."

A correlative passage from the denominational textbook, "Science and Health with Key to the Scrip-

tures" by Mary Baker Eddy, is this: "Our Master cast out devils (evils) and healed the sick. It should be said of his followers also, that they cast fear and all evil out of themselves and others and heal the sick. God will heal the sick through man, whenever man is governed by God. Truth casts out error now as surely as it did nineteen centuries ago."

We no longer have to read the Bible by the light of a single candle. We can shine a whole battery of floodlights upon God's Holy Book if we want to. But sometimes we tend to interpret our lives in terms of technical achievement only.

One night, while traveling, we stopped at a motel. In the stillness of the room, I heard my young son reading to his younger brother. I listened, surprised, for he was reading the motel's Bible. He stumbled over some of the words, but still there was a clarity to their meaning as he pronounced them. Passages, spoken in his childish voice, had a certain simplicity.

Children approach things directly, with open minds and hearts. In this fashion, my young sons were approaching the Bible. In this fashion, so should many of us return to it again. Bring the Bible back into your life. You will find a guiding light to help you in the church of your choice.

On Dec. 10, at 2 p.m. the Monterey Library will be the scene of the Christmas Craft and Ideas Show. Everyone is invited to attend and bring along your favorite Christmas recipe and sample, your own decorations, or anything you are preparing for the holidays. There is a special program planned for the ladies as well as Story Hour for all the children, so bring the kiddies with you.

On Monday and Wednesday, Mrs. Clayton Baker accompanied her 3rd and 4th grade students to the Library. They are being instructed in the use of the Library by Mrs. Claire Zehner. The children were told a Thanksgiving story and discussed the holiday following which they were given application cards to fill out with their parents' approval, and taken on a tour of the Library. Each child then checked out a book.

On Tuesday, the 5th and 6th grade students, accompanied by Mr. Franklin, visited the Library. A special Thanksgiving program was enjoyed. The children are slowly filling the spaces of their "Story Road" and are also being further instructed in the uses of the Library.

Do You Remember 'Way Back When?'

Highlights of Culver News
of 10, 20, 30, 40, and 50
Years Ago This Week

NOVEMBER 28, 1956—

The board of directors of The State Exchange Bank announce a new bank building, including drive-window, and vast parking area is planned for Culver, along with vast improvements at the Argos and LaPaz locations of the same firm. The affiliated State Exchange Finance Company will also be segregated in the plans of the new Culver building, having their own quarters in the southeast section.

Dr. James N. Hampton, now practicing at Hillman, Mich., will leave Dec. 10 to Argos, setting up office at 121 East Walnut Street and thereby relieving the doctor shortage for that area.

A Friday evening Open House will give people of this area a chance to tour the recently completed million-dollar Eppler Hall of Science on the Culver Military Academy campus.

Ed McFeely was taken to Parkview Hospital Monday afternoon suffering a possible hip fracture sustained from a fall in the yard of his home when he went to get his mail.

Victor Woytinek, 49, of Cedar Lake, Ind., who once operated a movie theatre in Culver, died of a heart attack Nov. 29 while enroute to Chicago where he managed a Turkish bath house.

Kenneth Ikeda, age 41, of Route 3, Knox, was instantly killed at 3:30 a.m. Friday when his farm tractor was hit from the rear by an automobile on State Road 8 about eight miles west of Culver.

James I. Barnes died this morning at the hospital in Logansport. He was well-known in this area due to the fact that he and his late father constructed many of the buildings on the Academy campus.

NOVEMBER 27, 1946—

Julius Pura has been in Culver for 35 years, having come to this country from Russia in 1904.

The State Exchange Bank has mailed checks to Christmas Club subscribers totaling \$32,974.25. The payments averaged \$77.77 per member, which is higher than the national average of \$75.

Mrs. C. L. Shively entertained several guests in her home Saturday honoring Mrs. Harvey Carr before she left for Florida to spend the winter.

It seems that Dr. N.S. Norris is the second oldest businessman in point of years of continuous years of service. S.C. Shilling holds the No. 1 honor.

NOVEMBER 25, 1936—

The sale of the garage building and business of Wayne Von Ehr to D. Hatten was announced the first of the week and becomes effective

on Dec. 1. Mr. Hatten will move his equipment from his present location in the Hayes Building—to his new site at that time.

The Culver High School basketball team met with defeat in their opening home game Friday night with Rochester, the visitors, winning 33-21.

Benjamin McGriff, 54, died at his farm home six miles southwest of Argos on Sunday afternoon. Death was due to pneumonia which developed last Tuesday.

NOVEMBER 24, 1926—

A missed handhold on a moving train last Saturday evening resulted in the death of Carl L. Mack, well known restaurant owner of this town.

F.C. Leitnaker, who has been associated in the publication of The Citizen for the past three and one-half years, left yesterday afternoon with his family to visit relatives in Kansas.

Travelers of the much-used Behmer Road between Culver and Plymouth will rejoice to learn that Marshall County Highwaymen are now working on the corners and widening them so as to eliminate the sharp turns that now exist.

NOVEMBER 23, 1916—

The basketball team gave Kewanee their annual trimming Friday night to the tune of 65 to 8.

Rex Mawhorter came from Heidelberg University Saturday to nurse the ankle which he injured in basketball.

One of the new academic buildings of the Academy is already encased with brick and the wall board is now being put on. The buildings will probably be ready for use after Christmas leave.

FEDERAL TAX

Q - If the new withholding system is going to give the government more revenue isn't that a tax increase?

A - No. The graduated withholding rates will only speed up collections, they will not change total yearly tax liabilities. In other words, the government will only be getting the amount of taxes it is entitled to at present rates but it will be getting it sooner.

The 150th Anniversary of Indiana's Statehood, to be celebrated in 1966, will feature commemorative programs throughout the state.
