Jaycees Plan Distinguished Award Banquet

The Fourth Annual Jaycee Distinguished Service Award Banquet will be held January 11, 1969. This award is given each year to a citizen of the Culver Community who during the past years has given of their time and talents in an uncommon amount to the service of their community.

The Award Banquet will be held this year in the new Culver Community High School it was announced by the Jaycee Program Chairman Latham Lawson. The dinner will be prepared and served by the Burr Oak Ladies. The program will start at 6:30 p.m. under the direction of Toastmaster Eddie Amond.

The main speaker of the evening will be the Speaker of the House of Representatives of the Indiana General Assembly Dr. Otis Bowen. Dr. Bowen is the only M.D. in the Assembly. He served as Speaker in the last assembly and was re-elected to that powerful post with no serious opposition for the coming session. Dr. Bowen's party controls both the legislatures two houses and the governor's office this next biennium. As such Dr. Bowen will be a strong force in molding state policy the next two years. He will speak here on the problems of this Assembly of the legislature.

President David Ulrich announced that the Culver Jaycees will also present a second award this year. The new award will be given to the outstanding young educator of the Culver Community. This program will be directed by Carl Baker.

Past recipients of the D.S.A. plaque are: 1966, Don Mikesell; Chief of Police; 1967, W.O. Osborn, President of the State Exchange Bank; 1968, Robert Rust, Superintendent of Culver Community Schools.

Tickets may be purchased from any member of the Jaycees or Latham Lawson.

Food Stamps Department In Culver January 14

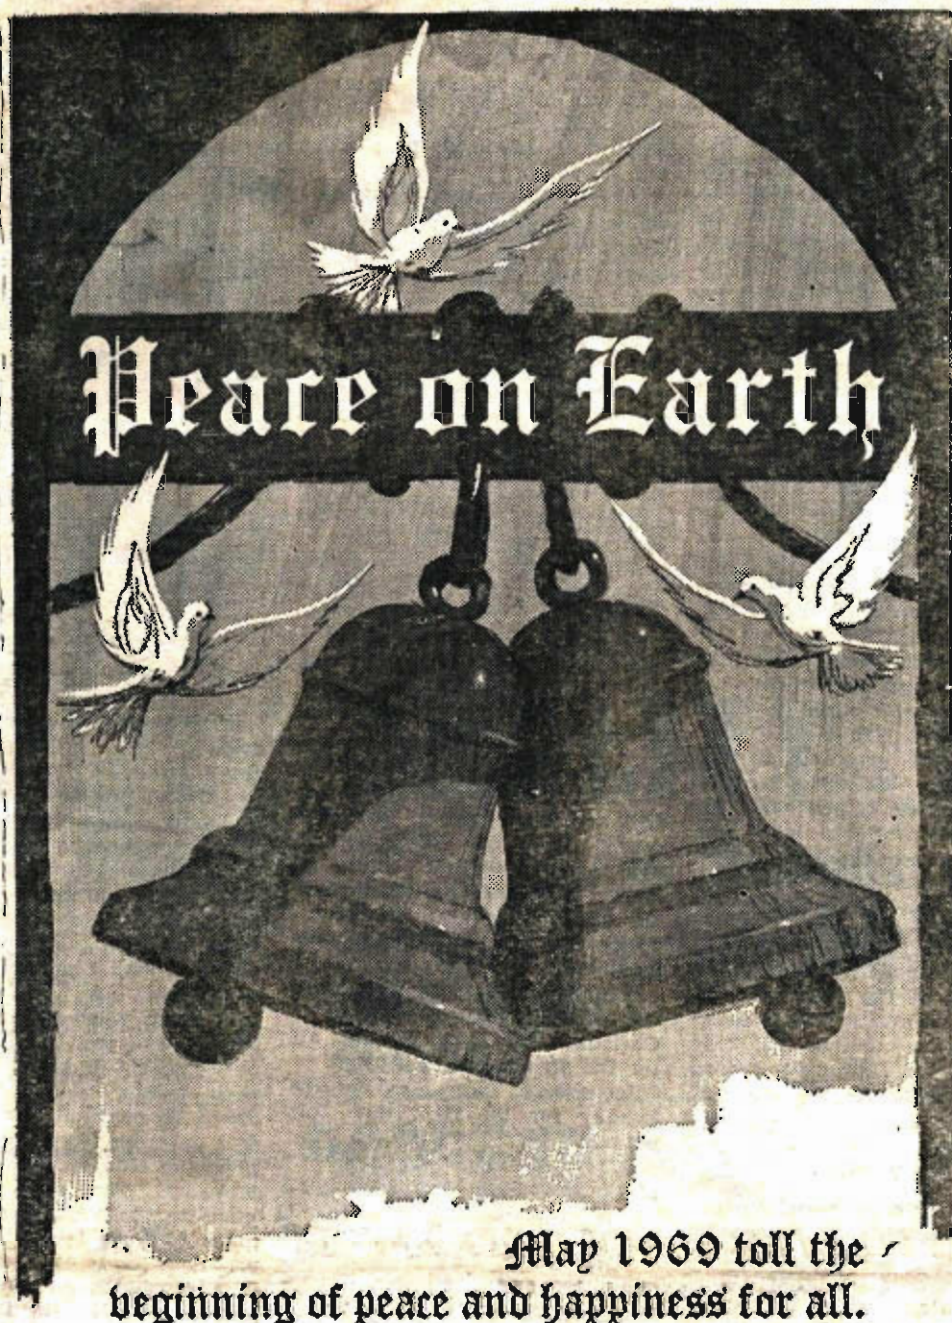

The Marshall County Food Stamp Department announces that effective Tuesday, January 14, 1969, and on the second Tuesday of each following month, representatives from the department will be present in the basement of the Culver Public Library from 9:00 a.m. until 12:00 noon to serve patrons in the Culver area. Please note: Neither the day nor the place have changed, only the hours.

The Food Stamp program is designed to help large families, or low income families to acquire more better food. It does not cut down on the amount of money you will spend for groceries, but will make it possible for you to buy at least one third more. You will receive a higher dollar value in stamps than you pay for so you can buy more and better foods for the same amount of money that you now spend.

The program is a boon to people living on Social security or Old Age Assistance grants.

If you would like information about how you may be able to benefit from this program, you may inquire at the Food Stamp office, 216 West Madison Street, Plymouth. The office is open from 8:30 a.m. - 3:00 p.m. Monday through Friday.

Time may be money but it is not negotiable at the bank.

May 1969 toll the beginning of peace and happiness for all.

Gretters Store Is Robbed

Gretter's Food Market was broken into sometime after early Sunday evening. Mr. Gretter discovered the robbery when he arrived at the store Monday morning.

The thieves broke the glass in the door in the rear of the building and lifted the bar that bolted the door. They then proceeded to carry the cash register from the front of the store to behind the meat counter where they pried open the cash drawer. Mr. Gretter stated that \$50 in cash was taken. In addition, \$150 worth of cigarettes that were still in shipping cartons were stolen.

Police are investigating.

FLU BUG WINS OUT

We have fallen victim of that busy little flu bug and consequently are late with this issue of "The Citizen." Victims have been two typesetters, forcing a definite delay in finishing the paper on time. We are sorry for this and also the fact that the "Highlights of 1968" are not included due to having typesetting problems.

CULVER CITY CLUB TO MEET TONIGHT

There will be a general meeting of the Culver City Club in the Bank Lounge on Thursday, January 2 at 8 p.m. Norman Tanksley will present the program which will be on George Ade, author, humorist and playwright.

NOTICE

Eastern Star will hold a called meeting for initiation on Friday, January 3, at 7:30 p.m. in the Masonic Hall.

1969 Year Of Decision?

Welcome 1969! What a way to break in. The new year is now upon us and it promises to be quite a year. The year of 1969 may be a year we will never forget . . . maybe one we won't want to forget or maybe one we just can't forget.

1969 will follow a couple of years that have seen happenings that are both great and absolutely disgusting. They have been full of events on both sides of the fence. Trends have been formed that may control the destiny of our country and of the world. 1969 may determine what paths shall be followed in the coming years.

The last two years have been one basically of trouble, unrest in America and the world, a time of protest and riot, a time almost complete disregard for law and order. From simple non-violent protests to death and destruction all over the nation to the increased seriousness of troubles all over the world will be the most remembered things of the past two years.

On the other hand, some absolutely great feats have been grabbing their share of the spotlight as well. Such accomplishments as heart transplants are now just a year old, and of course the most recent feat of man, the flight to the moon and safely back to earth. Some minds and efforts have to be creating good instead of evil.

It is possible that the war in Vietnam may end with a settlement . . . if such major issues as the seating around the conference table can be worked out while more and more men are dying on both sides. The other disturbances around the world not so directly involving the United States could also meet some conclusion in 1969 although this troubled world we live in will never be free of trouble somewhere.

Will 1969 follow the paths we wish or will our actions guide fate along lines we don't want to follow. Much of the fate of 1969 is up to every individual. It is true that a very small percentage of the people are what we classify as trouble-makers and perhaps in a sense they have their rights. How-

ever, when law and order is not respected, personal injury and property destruction result, it is a direct slam at every law-abiding citizen in the nation. Taxpayers are the ones who are eral ways.

In 1968, a presidential election took place. The voters turned out in record numbers and made their selection for governmental officials from the president right on down. Now these elected officials need the support of the people more than ever before. President-elect Nixon is not a miracle man, he is a human being put into office to assume the hardest job in our country. No doubt he will have more than his share of problems along with congress as the continuing trend will have to be reversed sometime and somewhere. Just how much authority the federal government should have and must have may change in the next few years. Trouble stems from every town and city in the nation and nipping it in the bud wherever possible may stop a lot of trouble early. The conduct of college age students, if continued, will make a farce out of the nation if this same percentage is continued to control things. College education should remain a privilege for those who want to learn and not a use of taxpayers money for such acts as we have witnessed around the nation these past couple of years.

1969 could be a crucial year. It might be the year that additional discoveries will be made in medicine. Maybe the cure to cancer . . . maybe extended improvements in the recently renowned field of transplants or maybe strides we can't yet assume are possible.

1969 may bring about further accomplishments in space, as it is already planned to land men on the moon. Additional improvements in travel, communications and other fields will be improved by this knowledge.

Yes, 1969 could be one of three things . . . a great step forward . . . a great step backwards or just another year of similar life to that we have known for a while.

Memories From . . .

December 31, 1958

Col. Robert A. Boyce and Major Charles Maul, Jr. have joined the staff of department of horsemanship at Culver Military Academy.

It was estimated that 110,000 pieces of Christmas mail was handled in the local post office this year.

Corky Overmyer, nine-year-old son of Mr. and Mrs. Donavon Overmyer, fell Saturday afternoon while playing near his home and received a very bad cut on his knee.

The General Services Administration announced in Chicago on Saturday that a \$939 flagpole will be installed at the post office in Culver.

Mr. and Mrs. Harold Scott of Monterey announce the birth of a son born Dec. 23 at Starke Memorial Hospital in Knox.

Arthur Castleman has returned to Rochester, N. Y. to his railroad job.

Lieut. Floyd Davis and Artilleryman Lester Houghton of Camp Taylor, Bruce Boggs of Camp Stinson near West Point, and Harry Speyer are home on furlough.

Rehna L. Savage, 35, daughter of Mr. and Mrs. Daniel Savage, died at her Maxinkuckee home on Dec. 18.

December 31, 1908

Marion Jones and Miss Susie Shilling were married last Sunday.

Freddie Asper, 12-year-old son of Mr. and Mrs. Aaron Asper drowned Monday morning after falling through the ice while skating on Lake Maxinkuckee.

Frederick Wright, who was married on Dec. 15 to Sue Hickman, died suddenly Sunday at his South Bend home.

George Nearpass, a Vandalia brakeman residing at Logansport, a son of George Nearpass, Sr., who formerly was editor of

the old Culver Herald, now The Citizen, was married Tuesday in South Bend.

John Asper of Culver and Miss Della Stayton of Green Township were married in Argos on Christmas day.

CULVER COMMENTS

A new year has started and I have decided that I am going to look for the good things around town instead of the bad. Positive thinking will definitely be the theme of this column.

Just take the condition of our streets. When you come right down to it those pot holes are a blessing in disguise. How can you skid on icy pavements when at least one tire is always in a hole? And actually if those hooby traps are bothering you, why not fill them up with water yourself? In this cold weather they will freeze over in no time. The larger ones could then be used as skating rinks.

What would we do without our dashing Police Dept? Every single problem that confronts the Chicago police has been effectively handled by our "boys in blue". Have you noticed that they have prevented riots, hippie and yippee protests, and the crime syndicates turned tail when the pool tables were evicted from our beach lodge. Recently we saw their efficiency take form when organized shop lifting was nipped in the bud over the Christmas season. What shop lifting ring would have dared to confront our fearsome foot patrolman beating the pavement in the downtown area? Even on Christmas Eve they gave up the warmth and merit of their homes to protect us. How Santa ever got through is a mystery, but you can bet your blue booties he'll catch him next year.

GREEN THUMB DEPT. — If you received a poinsettia plant for Christmas you are probably reading instructions on how to keep it alive and bring it into bursting bloom next year. Forget it! In one afternoon in this office I was told how to accomplish this by at least three people. One woman insists that you pluck the plant from its pot and hang it upside down in a cool basement. Still another maintains that you put pot and all in a very dark corner over winter. This theory fascinated me until I asked her if it worked. Not exactly - the corner was so dark she couldn't find it. Want another theory? You're going to get it anyhow. Let the plants alone, keep watering them and although they will never bloom, they make attractive little bushes for the summer garden. How did I get on this subject? Well, Ron Tusing sent Ruth and I a beautiful poinsettia plant that really brightened the office. Thanks again, Ron, it's nice to know someone likes us.

Some of you budget-minded citizens have inquired as to the "\$100 donation to the Special Police Fund" handed out by the town board. All I know is what I read. However, if donations are to be made, howcum they don't donate to other causes too. A stop sign at the post office corner hasn't been erected yet. How about an American flag for the meeting room of the Town Hall. (Most Municipal gathering places have flags so how about Culver?) Bent and broken street signs could be replaced \$100 would buy a band uniform. Perhaps there was a need for this money by the police but until I find out what it is, I can only guess. Maybe "Major" Marshall's Mutt" is requesting chopped liver.

CC
We had hoped to get a picture of "Major" as an exclusive item for this paper. After much research and skulduggery we sent out a photographer to get a candid shot of the canine member of the Police Dept. Failure is all we can report. When Major saw a stranger approaching, he dived under his dog house so all we have is a picture of his tail.

CC
Since Collie Hoffmeister is not overly fond of rodents she naturally was the recipient of two gerbils (the latest rage in rodent pets). If they start multiplying we have a hunch she'll start dividing. Better luck next Christmas, Collie.

CC
Now, how was that for positive thinking? I'm positive I didn't leave anyone out.

Voice Of The People

Conformity is the key note in Culver Community High School Band. It appears that another wide conscientious cornet player has been asked to shave his locks or hang up his horn. Because of his neat, clean, but unfortunately longer than average hair he was labeled "bad as a hippie" then ordered to cut it or cut out.

I must note that our director has forgotten that long hair has been popular with many music greats. Hair almost shoulder length bedecked many aspiring artists. I'm sure neither Beethoven nor Bach would be labeled hippies because of their locks.

The instrumental argument in this case, however, is that this person's hair neither obstructs his vision nor interferes with his trumpet playing. The only discord his hair creates is with the director.

Our director is a real sharp guy, but in this area he has certainly gone a little flat.

WELCOME BELLS

Bells welcome the New Year to Japan, ringing out 108 times at midnight on New Years Eve, reminding the people of the 108 commandments of Buddha. The people of Japan still observe many age-old customs with regard to the New Year. One of the most interesting is the practice of scattering parched beans about the house, supposedly driving away evil influence and inviting good luck to enter.

Couple Exchanges Wedding Vows

Sheppard — Johnson
Nuptial vows were exchanged between Miss Nora M. Sheppard and Mr. John K. Johnson during a 4 p.m. ceremony on Saturday, December 21 in the First Presbyterian Church, Walkerton with

Rev. Kenneth Bergner performing the ceremony. Parents of the bride are Mr. and Mrs. Milton W. Sheppard, 516 S. Main Street, Culver and the groom's parents are Mr. and Mrs. Walter M. Johnson, 603 Van

Buren Street, Walkerton.
The bride was attired in a floor length gown of white velvet with Empire waist. The lace trimming around the neck came to a point on the bodice and lace formed a V at the ends of the velvet sleeves. The detachable train of velvet was trimmed with matching lace at the top where it was fastened to the gown.
Her three-tier veil of illusion fell from a ribbon bow trimmed with pearl icicles and lace. She carried a cascade of gardenias, red roses and pine.
Attending her sister as maid of honor was Miss Sally Sheppard, of Culver, who wore a green velvet gown made with Empire waist with white lace trim. She carried a white muff with holly and red carnations and her headpiece was a holly wreath. Bridesmaids were Miss Janice Moran, cousin of the bride, of Skokie, Ill., and Miss Karen Ruhnnow. They wore red velvet gowns made like that of Miss Sheppard and they also carried white muffs with holly and red carnations and had holly wreath headpieces.
Jack Watkins, of Walkerton, was best man and ushers were Jerry Johnson, of Howe, and Wally Johnson, of Bloomington,

brothers of the bridegroom.
Immediately following the ceremony a reception was held at the Eagles' Lodge at Culver, after which the couple left for a short trip. After Dec. 26 they will be at home at 613½ Roosevelt Rd., Walkerton.
The bride graduated from Culver High School and her husband from Walkerton High School.
LIBRARY NOTICE
Librarian, Jane Scruggs, announces that the main entrance to the library has been changed and hereafter patrons are to use the south door from the Bank Lounge entrance. Hours will be from 12 noon until 8 p.m. The upstairs will be open from 3 to 8 p.m.
Mrs. Scruggs also informs the public that fines for overdue books have been raised. Fourteen day books that are overdue, will carry a fine of five cents a day; seven-day books will be ten cents; and three-day books will be twenty-five cents.
The rate on lost magazines have also been raised.
The man who is found to be big enough to shoulder responsibility will be hunted out.

Dinner - Theatre Program Arranged At Culver Inn

Culver clubs are invited to dinner and a concert at Culver Military Academy Jan. 9. Church, service, social, fraternal and civic groups are eligible for the special price of \$4.50 a person which includes a complete dinner and a performance by the Indiana University Chamber Singers.

The introductory dinner-theater program was arranged by Mrs. Polly Paine, manager of the Culver Inn, and Harvey Firari, director of theater at the Academy. They promise that if enough interest is shown in this show, other dinner-theater evenings will be arranged with special prices.

The IU Chamber Singers are 24 of the School of Music's top voice students. They have attracted attention in recent years with their annual Madrigal Dinners at Christmastime. At the Culver performance they will sing music of all eras, with particular emphasis on the 16th and 20th centuries. Their songs range from the serious to the jolly and are always lively.

The concert will begin at 8:15 p.m. EST in Eppley Auditorium and will be preceded by dinner at the Culver Inn. The dining room will open from 5:30 to 7:30 p.m. Group reservations can be arranged by writing June Shaffer, Public Relations Department, Culver Military Academy, Culver, Indiana, 46511. Reservations will not be accepted after January 2.

Many a train of thought runs into a head-on collision.

Tri Kappa Christmas Party

Amidst a holiday atmosphere, in the festively decorated home of Mrs. Donald Muehlhausen, Santa arrived to help with the Tri Kappa Christmas party.

Epsilon Nu members were greeted with a delightful, pin-on favor as they arrived to gather around the beautiful, huge Christmas tree.

An evening of fun and games, with a gift exchange, followed. Santa presided for the evening, and had as his helpers, Mrs. Robert McIlwain, Mrs. James Piersol, Mrs. Donald Davis, Mrs. Clarence Bair, Mrs. Richard Middleton, and Mrs. James Love.

Delicious refreshments, in keeping with the season, were served by the hostess and her committee.

The next meeting will be held on Monday, January 20, at the home of Mrs. Jack Jones and will include a discussion of the Scholarship Card Party to be held at The Culver Inn on Thursday, February 13.

NOTICE

Congregational meeting at the Grace United Church of Christ will be held January 12 at 7:00 p.m. to elect Zion Cemetery trustee and to conduct other business.

Native Of Culver Patents New Tea Rose

Succeeding where many have failed, the experts say the odds are a million to one that it can't happen, Eldon C. Curtis proved it can happen. Mr. Curtis, born and raised east of Culver and now of Dallas, Texas, has hybridized a beautiful new vivid coral-red hybrid tea rose. With permission of Mrs. Lyndon Johnson, the new rose has been named the Lady Bird Johnson rose.

The odds are further heightened by the fact that Mr. Curtis is an amateur when it comes to gardening. Mr. Curtis has also introduced another rose which he has registered with the American Rose Society. He has the patent on this rose which is called, Miss Hillcrest and will be on the market next fall. The Lady Bird Johnson rose will be grown by a nursery in Texas and will be introduced and offered to the public in 1970, after the supply has been built up.

Andrea Siple Participates In Service Program

Andrea Siple has completed the eight week training session at New Windsor, Maryland, required for the Brethren Volunteer Service Program. The assignments for participants range from inter-city work, homes for the elderly to social work in Vietnam. Andrea has been assigned to the Bar 41 Ranch at Keller, Wash., and will be a counselor to girls 13 to 17 years old, who are from broken homes and are court wards.

Bar 41 is a 4,000 acre ranch with swimming, fishing, riding and hiking and it places special emphasis on the importance of people, with classes on Human Relations. The summer program includes nearly 200 youngsters mainly from Seattle.

Andrea spent the night with her parents, Mr. and Mrs. Jake Siple and brother, Dean, enroute to Spokane and Keller.

"So Daniel was taken up out of the den, and no manner of hurt was found upon him, because he believed in his God."

Related passages from the denominational textbook will include the following: "Citizens of the world, accept the 'glorious liberty of the children of God' and be free! This is your divine right" (Science and Health with Key to the Scriptures by Mary Baker Eddy). Services at First Church of Christ, Scientist, 428 So. Michigan, Plymouth, are held at 10:30. All are welcome.

Film Package From Culver Public Library

1. AFRICA IN CHANGE — EAST AFRICA -22-c- An informational film on the important aspects of East Africa. It rapidly reviews topography from the Indian Ocean to Mount Kilimanjaro; life among the African peoples such as the Masai; cities, with emphasis on Nairobi; European, Indian, and Arab racial minorities; agricultural activities; and commerce, especially in the ports of Dares Salaam and Mombasa. (EBEC)

2. ALUMINUM: METAL OF MANY FACES -20-c- Beginning with a sequence on the mining of bauxite, the clay mineral that is the source of aluminum, this film explains clearly and colorfully and various processes by which the metal is extracted from its ore and fashioned into products useful to man. (Loaned by U.S. Bureau of Mines)

3. CARL SANDBURG DISCUSSES LINCOLN -11-b/w- In this interview with Edward R. Murrow, Carl Sandburg speaks of the Abraham Lincoln he has come to know so intimately. Sandburg tells how he used the personal recollections of others, of his having lived in the historic Illinois country side where Lincoln spent his early years, and his tremendous research on the monumental Pulitzer Prize winning biography of Lincoln. (Coronet)

4. CHRISTIANITY IN WORLD HISTORY 13-c- Analyzes the rise and growth of Christianity and shows its influence in the shaping of modern Europe. (Coronet)

5. DICKENS CHRONICLE -54 -b/w Dramatization of scenes from Dickens' life integrated with portrayals of his fictional characters illustrate the relationship between his life and his writings. (McGraw-Hill)

6. THE GOLDEN AGE -29-b/w-Discusses the problems and attitudes of people facing retirement. Contrasts the idle routine way of one retired man with the active plans for retirement life proposed by another. Explains that chronological age is not always the proper yardstick to measure the abilities of people and that the feeling of independence, an occupation to fill time and the need to feel active are important to those approaching age. (McGraw-Hill)

7. HIGH RIDERS -13-c-Trail riding in Banff National Park, Alberta. (Loaned by CTFL)

8. INDIA: ARTS AND ARTISANS -17-c- Among the most distinctive characteristics of Indian culture is the deep respect that its people feel for beauty as expressed by their land and through the creative efforts of their artists and craftsmen. Century old designs, preserved served in the delectable forms and decorations of ancient temples, tombs, mosques, and palaces, today serve as an inspiration modern to modern craftsmen. (Disney)

9. JAPAN -18-c- Tours principal cities of Japan and its picturesque countryside. (IFB)

10. JOURNEY INTO SPRING -29-c- Spring as it comes to the English countryside. Birds, butterflies, flowers and insects come alive in this truly poetic film. Excellent script, narration, music and color. (Contemporary)

SKY -29-c- The land is southern Alberta and, below the blue sky, a panorama of nature from the grasslands to the Rockies, including the border park of Waterton Lakes. This film shows the beauty of it all following mostly along Highway 3 west, also the varied recreation and interesting viewing from buffalo herd to badlands. (Loaned by CTFL)

12. MT. RAINIER WONDER-20-c- Shows views from Seattle (80 miles away) and other points, then moves in to survey the park in detail. Natural wonders shown are glaciers, ice caves, streams, waterfalls, lakes forest, wildflowers, wildlife, mineral springs, and volcanic craters. (Petite Film Co.)

13. MUSICIANS IN THE WOODS -13-c- Animated puppets enact the Grimm fairy tale about the forsaken animals who set out to make their way in the world. The adventure in which the donkey, dog, cat, and rooster outwit a band of thieves and gain a fortune is told here in colorful and amusing fashioning. (Coronet)

14. OPEN WINDOW -18-c- Countryside of Belgium, France, Luxembourg, the Netherlands and the United Kingdom as seen in 59 pictures by 43 world famous painters. Covers 5 centuries of landscape painting. (IFB)

15. ONE WISH TOO MANY -55-b/w- Peter finds a marble on his way home from school. When he rubs it his wishes come true in many amusing ways. But at home and at school Peter's wishes bring nothing but trouble. (Sterling)

16. PORTUGAL -30-c- Presents the people of this small country at work harvesting the grapes and preparing the wine for market. Also shows training and preparations for the bullfight. (Disney)

17. SCANDINAVIAN ARTS AND CRAFTS -11-c- Presents a survey of the traditions and character of Scandinavian applied arts, and develops an appreciation of artisan production and the part it plays in Scandinavian life today. (Arthur Barr)

18. THE TEENS -26-b/w- The three teen-age O'Connors presented in a film in the "Ages and Stages" series on normal personality development are Tim, thirteen and the fifteen-year-old twins, Joan and Barry McGraw-Hill)

19. WATER BIRDS -31-c- A beautiful film giving glimpses into the behavior, new building, and mating of seaside and marshland bird life in many parts of the world. (Disney)

Final Score: Knox 50, Culver 7.

WOUND-UP

A good many people reason in circles—that's why there's no end to their arguments.

Enthusiasm helps, but it takes ability to reach the goal.

January First More Than Start Of New Year

The first day of the New Year is a time for looking ahead, for making plans, for hope and optimism. But it is also a time when most of us look back, with fond memories, to days of yesterday.

With each New Year, we are conscious that time does not wait and that each new day is soon a part of history.

Looking back through the pages of time, we find that many interesting events have taken place on January 1. It was, for instance, the birthday of Betsy Ross (1752), Paul Revere (1735), and Philip Freneau (1752).

The first practical fire engine was tested Jan. 1, 1852. President Abraham Lincoln issued the Emancipation Proclamation on the first day of the year 1863. The famous Tournament of Roses began Jan. 1, 1889.

The USSR was formed Jan. 1, 1923; U.S. parcel post service was inaugurated Jan. 1, 1913. On the first day of the year 1934, the Federal Deposit Insurance Corporation was inaugurated and the Bank Guaranty Act became effective.

The United Nations Declaration was signed Jan. 1, 1942; the U.S. Strategic Air Forces in Europe was formed Jan. 1, 1944 and Japan's Emperor Hirohito disavowed divinity, Jan. 1, 1946.

Rose Bowl Oldest Of Bowl Games

Quick now, how many football bowl games will be played during the holiday season? Rose, Sugar, Orange, Cotton . . . can you name all of the post-season contests?

Probably not. Chances are someone is starting a new bowl game and the word hasn't gotten around yet.

You should know, however, that the "daddy" of all the bowl games is the fabulous Rose Bowl game, which started as a supplement to the Tournament of Roses, way back in 1902. On January 1 of that year, barnstorming Michigan overwhelmed Stanford 49 to 0.

This lopsided conquest of the west representative may or may not have had anything to do with it, but the following year chariot races were substituted for football and it was not until 1916 that collegiate football returned to the Tournament of Roses via a contest in which Washington State defeated Brown University.

Since that time, the Rose Bowl has gained in prestige and annually attracts crowds in excess of 100,000.

English Have Long Remembered January First

Prior to September 14, 1752, English and her colonies regarded January 1 with indifference. New Year's Day was observed on March 25, and, of course, New Year's Eve was March 24.

But, the English have never been indifferent about observance of the New Year holiday, whether before or after adoption of the Gregorian calendar.

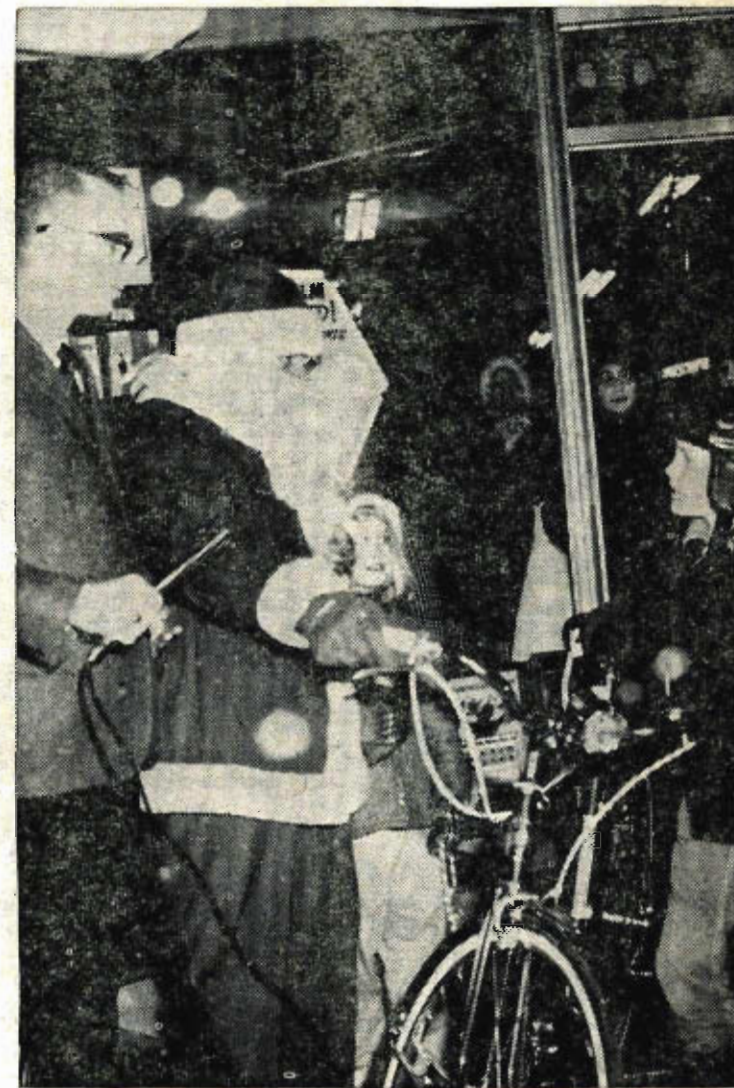

The Puritan government abolished Christmas and outlawed any observance of the holiday, so the people vented all their holiday spirit on the New Year.

Restoration of the Stuarts brought about a revival of Christmas customs and traditions, yet the return of this great holiday did not dim the people's enthusiasm for the New Year observance. Adoption of the Gregorian calendar in 1752 likewise only changed the time for celebrating from March 24-25 to December 31-January 1.

City slicker: "Is Ballpoint really the name of your pig?"

Farmer: "No, that's just his pen name."

Christmas Arrives At Mr. T's Store

Santa arrived in town Monday evening, December 23 to present the prizes to the winners of Mr. T's Bicycle contests.

The hard working young winners for the boys were: Cui Cultice, son of Mr. and Mrs. Donald Cultice who won first prize, a boy's bicycle; second prize which was a camera, went to Brent Lindvall, son of Mr. and Mrs. Robert Lindvall; and David Zehner, son of Mr. and Mrs. Oscar Zehner, won a watch.

Sharon Tousley, daughter of Mr. and Mrs. Dallas Tousley, won the girl's bicycle; second prize, a camera, was awarded to Susan Coby, daughter of Mr. and Mrs. Homer Coby and Amy Hughes, daughter of Mr. and Mrs. Milton Hughes, won third prize, a girl's watch.

Santa gave candy to all the boys and girls who were in the Culver Rexall Drug Store and even had time to listen to their last minute requests.
