Culver United Fund Kicks Off Drive

The kick-off meeting for the 1970 United Fund drive in Culver and Union Township will be held on Wednesday, October 15, at the State Exchange Bank Lounge. Dr. Frank M. Setzler, 950 East Shore Drive, Culver, will serve as chairman of the date to raise \$7552. The fund drive will end on November 15.

Eleven organizations are to benefit from this year's United Fund: Marshall County Red Cross, Marshall County Muscular Union Township 4-H Club, The Salvation Army, Marshall County Mental Health, Marshall County Cancer Society, CROP Marshall County, The Boy Scouts of America, Culver Cub Scouts, Girl Scout Council, and Culver Girl Scouts.

Perry White Earns Merit Commendation

Perry E. White, son of Mr. and Mrs. Jesse White, Route 1, Culver, will receive a certificate of commendation for having scored in the top two percent of all students taking the National Merit Scholarship Qualifying test. He participated in the testing program along with others in his class last February.

The Scholarship Qualifying Test measures the student's knowledge of higher math and English.

While the commendation does not entitle Perry to a Merit Scholarship, it does improve his chances of receiving scholarship aid. The National Merit Scholarship Corp. makes high scores such as his available to other agencies granting scholarships on the basis of outstanding achievement.

Currently, Perry plays on the baseball, golf, basketball and track teams. He was elected to the Honor Society in his junior year and is currently president of the Student Council.

Letterman's Club, and the Audio Visual Club round out his busy extra curricular schedule.

Last summer, Perry represented C.C.H.S. at Hoosier Boys State Leadership Conference.

Next year Perry hopes to enroll at Purdue University to study Electrical Engineering.

CULVER TOWN BOARD NEWS

In action at Monday's Town Board meeting, it was voted to purchase a flow valve, costing approximately \$120, which would be installed where the sewage flow from Culver Military Academy hooks onto the town's sewage system. This valve is a device which will record the amount of time the sewage actually flows from the Academy through the town's system. From this device, the Clyde Williams Engineering Co., which is investigating the town's sewage problems, will be able to determine the actual amount of sewage flowing from the Academy.

The Board discussed the moving of the fire alarm from the sewage plant to a new location. Board member, George Becker, remarked that there would be some expense involved as a private concern which would have to be hired to move the apparatus. He further stated that a permanent location should be considered.

Sue Mattox was present to request purchase of a substance to settle the sludge they now have at the sewage plant. The also inquired about the purchase of a truck for the sewage department. The board informed her that they would locate a medium priced used truck that would be satisfactory and pass the inspection.

President, Donald Osborn, informed the public that S. Ohio street, past the pump station, has had new curbing. He further noted that the Easterday Construction Co. was in the process of redoing the street on S. Ohio up to old Road 17 and by the first of next week they hope to lay a new black top surface there. The repair of Obispo and all streets affected by the surface drainage excavating will be repaired. A manhole, which will be tiled out the G. Franz property, will be constructed on South Ohio Street in order to alleviate the surface water there.

The Board approved the UNICEF fund solicitation this which is annually sponsored by the Maxinkuckee Junior Woman's Club. They also designated Thursday, October 30 as trick and treat night. Friday, October 31 has been set as the date of the annual Halloween parade and party for the children of the community.

Fire Chief David Burns requested repair work for two of the departments vehicles so that they would meet inspection requirements. The Board gave their approval.

Verl McFeely announced that the street department would again pick up leaves for the convenience of residents. He stated that only one pick-up would be made for each street and he requests residents to place leaves at the curbs for easy removal.

Latham Lawson, president of the Park Board, was present and informed the Board that a complete financial report for the Town Park would be published as soon as the final transactions are made.

High school civics students were present for the meeting and a question and answer period concluded the session.

State Tax Board OK's Funds For School Office

An additional appropriation of \$27,810 requested by Culver Community Schools Corp. to purchase the former Culver Clinic for use as a school administration building has been approved by the state tax board.

Notice of the approval was received October 2 by the county auditor's office. An hour-long hearing on the request was held last month by a board representative.

The money for the appropriation will come from unencumbered funds in a \$245,000 appropriation made last year for equipment and supplies for the Culver Community High School.

Plans to purchase the building also resulted in the Marshall County Tax Adjustment Board cutting eight cents from the proposed 1970 tax levy of the school corporation last month.

The cut would not interfere with plans to purchase the former clinic but would make the school replenish the budget to make up for the purchase over a three year period.

The school corporation has appealed the cut to the state tax board which will hold hearing on the 1970 budget and tax levy of the corporation Wednesday morning.

The best safety device is a rear view mirror with a patrol car in it.

Culver Gives 51 Pints For Bloodmobile

The Marshall County Bloodmobile collected 92 pints of blood Wednesday during the split visit to Culver and Tyner.

Culver area residents gave 51 pints of blood with approximately 23 pints given to replace blood used locally.

Mrs. Lloyd Hollifield, Culver blood chairman, expressed her appreciation to the Tri Kappa, Jaycees, Junior Womens Club, Home Demonstration Club, Culver City Club and the men who unloaded and reloaded the Bloodmobile truck.

Tyner area residents gave 41 pints of blood of which 11 pints were replacements.

Ray Jacobson, in charge of the Tyner Bloodmobile, expressed his appreciation to the Tyner United Methodist Church, the Tyner 100F Lodge and the Rebekah Lodge.

The next Bloodmobile visit will be at Plymouth November 7th.

COURTHOUSE TO BE CLOSED OCTOBER 13

The Marshall County Courthouse will be closed Monday, October 13th in observance of Columbus Day.

As I see it, says Robert Sylvester, there are three kinds of miniskirts: mini, micro and don't bend over.

Mishap Injures Two Culver Women

Flossie J. Napier, 34, 210 Winfield St., Culver, and a passenger in her car, Beatrice C. Napier, 18, of the same address, are in fair condition in Marshall County Parkview Hospital.

They were injured when the car in which they were riding went off State Road 10 three miles west of Argos and rolled over twice about 3:40 Monday.

Damage to the car was estimated at \$4.00.

Lions Club Will Sell Halloween Candy

The Lions Club will sell Halloween candy October 15 from 6:30 to 9:30 p.m. - door to door. The proceeds from this sale will be used to pay for the expense of the annual Halloween parade and party the club sponsors for the community children.

Donated Shelves Put To Use In Library

The donation last April of discarded shelves by McKinnis Pharmacy to the Culver Public Library, sparked the imagination of Jane Scruggs, librarian, and consequently the adult fiction section (ground floor) of the library now boasts two renovated double shelves. A third is in the process of reconstruction by Larry Norman, the carpenter who was engaged to do the work. The attractive shelves are mounted on casters to permit easy handling. Mrs. Scruggs and the staff painted the shelves an antique green which adds to their appearance.

A showcase was also donated which Mrs. Scruggs invites the various organizations of the community to use as a display case.

SPORTS CORNER

THE STAGE IS SET AND Saturday the curtain rises on the 1969 World Series, a culmination of playoffs to decide the 1969 World Champion. Six months ago anyone could have picked up any amount of money teams the Mets would be in the series, but today it is true as the greatest team effort in history has placed the New York Mets in the World Series against Baltimore. Each of these two teams won the league playoffs in three straight games to earn the right play in the fall classic.

THE NEW YORK METS ARE in their eighth year of operation and over the first seven have been as low as a baseball club can be consistently. They have never finished higher than ninth, never been closer to a pennant winner than 40 games and have been the target of baseball jokes and laughter ever since their start and now they have finally jumped from one extreme to the other and will be fighting it out for the series.

TODAY THE METS ARE A ball club that has something going for them that ability can't replace . . . that burning desire to win and a bunch of young guys that have been seeing that the job is getting done. If you take the Mets and put their line-up on paper against anyone else, you would take many teams first. Their pitching has been good and sound but somewhat erratic after a couple of their young starters who proved themselves last season. But they have been winning as a team and it has been almost every member of that team that has chipped in with the heroics out game or another.

BALTIMORE THIS YEAR has also been paced by a tremendous team effort. Any winner must have balance, but the Orioles return to form of several key players including a couple of pitchers, has made the difference. The American League champs a couple of pitchers, has made the difference. The American League champs easily outdistanced every team in baseball for total games won this season and then continued their blitz over Minnesota in the playoffs by taking the best of five series in three straight games.

THIS BEING THE FIRST year of playoff in baseball, has found opposition in some parts but for all practical purposes, the two teams the fans most wanted did win their way into the series. Outside of the local fans for the better Twins and Braves, sentiment and surprise had to make the Mets the National League favorite and the Orioles, with their tremendous record, certainly was the choice over the Twins. This puts teams of opposite flavor in the series, on an expected winner and the Mets, an expected loser six months ago.

PLAY WILL START THIS Saturday. The first two games will be played in Baltimore before the scene switches to the madhouse the Mets have made of Shea Stadium. Baltimore, on paper, looks to be the stronger, certainly the more explosive of the two teams unless you were to ask the recently drubbed Braves who gave the Mets 27 runs in the three game series.

BY THIS TIME NEXT week, a lot more will be known about the chances of the laborious Mets and the powerhouse Orioles. Should the Mets be able to take all the marbles by winning the best of seven set, it will be the greatest page written into the history of sports to see a

team make such strides in just one season. And behind it all, is a Princeton man . . . Gil Hodges . . . of Princeton, Indiana. The job Hodges has done with the Mets this year has to rate him the manager of the year for all years. His leadership and direction of the club is one of unbelievable nature and reflects the talent and competitiveness Hodges had as a player and has instilled his team as a manager.

Cole Marionettes Present 'Tinderbox'

Tuesday morning, September 30, the grade school children of Culver Elementary School were treated to a puppet show in the auditorium of the new high school Hans Christian Anderson's famous fairytale, "The Tinderbox."

Eleven marionettes, all hand carved, were used to enact the tale of an old witch and a crusader of King Richard's court. The children were very responsive and delighted with this presentation. After the show was finished, Aileen Mitchell, the voice of the female puppets, came on stage and demonstrated how the marionettes worked. She showed the strings attached to the limbs of the puppets and the control board which manipulates these strings. She and one man did the entire eleven characters themselves.

Miss Mitchell then said the Cole Marionettes hoped to see all the children next year when they

EXTENSION HOMEMAKERS CLUB MEETS

The Culver Extension Homemakers Club met in the Burr Oak Annex for their October meeting with Mrs. Ellsworth Routsen, Mrs. Russell Heiser and Mrs. Wilfred Craft as hostesses.

Following the opening thought, given by Mr. Guy Davis, the members gave the pledges to The Christian and American Flags.

The history of the song for the month, "Let There Be Peace On Earth," was given by Mrs. Richard Behmer. The group then sang the song.

The devotions, given by Mrs. Routsen, were appropriate to the theme. Her closing thought was, "Let peace with others begin with me."

The birthday song was sung for Mrs. Fred Masten and Mrs. George Kerrigan. The anniversary song was sung for Mrs. Ferris Zechele and Mrs. Wilfred Craft.

The safety lesson was given by Mrs. Routsen on prevention of falls. There are so many places where falls happen, so many hazards that people are not aware of. Mrs. Routsen cited some of the causes as bad lighting, snow, ice, wet floors, uneven stair steps, shoes with slick soles, and holes in floor covering. Achievement day was announced for October 16 at 8 p.m. at the Church of the Brethren at Plymouth. The date for the Holiday House is November 6.

After the order of business a variety program was given. Mrs. A. E. Givens, Mrs. Evert Hoebel and Mrs. Paul Humbert read poems on the seasons. Mrs. D. Hatten read a short story on James Whitcomb Riley and Mrs. Fred Masten read a poem written by Riley. Mrs. Whitney Kline played a medley of college songs on the piano. The program was closed with a solo by Mrs. Richard Behmer.

A lesson on handicraft was given by Mrs. Harry Lefert and Mrs. Davis.

Mrs. Lloyd Hoelter and Mrs. John Holt were guests with 31 members present.

Refreshments were served from tables decorated with fall leaves. Mrs. Howard Oberlin drew the mystery package.

Sets Date For Wedding

Mr. and Mrs. Roy A. Bauman, Route 3, Plymouth, announce the engagement of their daughter, Mary Ann, to Paul H. Liette, son of Mrs. Eleanor Liette, 309 Lakeshore Dr. Culver, and the late Mr. Luke Liette.

The bride-elect is a graduate of West High School and Saint Francis College where she was affiliated with Kappa Phi Omega social sorority. She is presently teaching in the Mishawaka school system.

Mr. Liette is an accountant with Price Waterhouse of South Bend. He is a graduate of Culver High School and Indiana University, where he is affiliated with Delta Sigma Pi business fraternity.

The wedding will take place November 27.

IN JAPAN

L/Cpl. Rex A. Schrimsher, U.S.M.C., son of Mr. and Mrs. Sam Schrimsher, spent 20 days leave with his family after finishing five months at communication school in Pensacola, Fla. He is now stationed in Kami Saka Japan and would like to hear from his friends. His address is: L/Cpl. Rex A. Schrimsher, 2494796 Mar. Spc. Bn. Co. "E", Box M, F.P.O. Seattle, Washington 98768.

HOME ON LEAVE

Marine Corporal Phillip Scruggs, son of Mr. and Mrs. Madison Scruggs, is home on leave from Da Nang, Vietnam. After a 30 day leave he will return to Vietnam for his third tour of duty.

Commissaryman Third Class Thomas A. Sturdevant, USN, of 610 Peru Court, Culver, Ind. is serving aboard the USS Ranger off the Southern California coast.

The ship recently participated in Operation Bell Express, a combined Navy-Marine exercise, preparing the units for conditions they will meet not only in Southeast Asia but throughout the Western Pacific area.

The participating Fleet had to evade Navy aircraft acting as enemy surveillance planes as one of the many maneuvers included in the exercise.

In one respect, Bell Express might be compared to a graduation exercise, since each unit was evaluated and graded on its performance.

Airman Apprentice Randal R. Singleton, USN, son of Mr. and Mrs. Laurel E. Singleton of 1 Culver, Ind., is serving aboard the aircraft carrier USS Kitty Hawk which recently returned to the United States after an eight-month deployment to Vietnam.

The ship recently changed homeports from San Diego, Calif., to Bremerton, Wash. There the ship will undergo nine months of repairs and maintenance overhaul.

Your declining years have arrived when you get winded on an escalator.

Announce The Engagement Of Local Couple

Mr. and Mrs. Russell Stankus, Route 1, Monterey, announce the engagement of their daughter, Agnes, to Paul Nicholas Hartz, son of Mr. and Mrs. Alvin Hartz, Route 2, Culver.

Miss Stankus is a 1969 graduate of Culver High School and is employed at Switches, Inc. Mr. Hartz is a 1966 graduate of Culver High School and is employed by Indiana Metal Products.

No date has been set for the wedding.

OES Observes Matrons And Patrons Night

Visiting matrons and patrons night was observed at a called meeting of the Emily Jane Culver chapter OES, last Tuesday evening, Sept. 30.

Mrs. James Grover, worthy matron and Sam Allen, worthy patron, presided in the East, which was draped with a red crepe cloth on which was placed an open bible. Mrs. Clem Lizon, district 20 deputy was presented a corsage and escorted East by Mrs. Harold Hatten. She was then honored with a song by the group.

Matrons and patrons were present from the Goshen, Leesburg, Elkhart, Mentong, Mishawaka, Osceola, Plymouth, So. Bend, Syracuse, Walkerton, and Warsaw Chapters. Mrs. Devon Hosler of Nappanee, grand representative to Pennsylvania, was introduced. Also present were

matrons and patrons from Goodland, Rensselaer and Walcott Chapters in district 17.

The theme for the evening was "School Days", and clever blackboard posters were used with bouquets of all flowers to decorate the chapter room. After the formal closing, all retired to Shaffer's Hall where they were entertained with a program by Mrs. C. W. Epley, remedial reading teacher in the Culver Elementary School. She used books, illustrations, and audience participation. Refreshments were served in the form of sack lunches prepared by Mrs. John Hoesel, Mrs. Sam Allen, Mrs. George Becker, Mrs. Fred Masten, Mrs. Wm. Gregory and Mrs. Wm. Kose.

LITERATURE GROUP NOTICE

There will be a meeting of the Culver City Club Literature Group on Thursday, Oct. 16 at 8 p.m. in the home of Mrs. Ora Reed. Co-hostesses are Mrs. Edgar Shaw and Mrs. Donald Straw.

Dirksen's Legacy

With the death of Senator Dirksen, the body politic lost one of the last great orators. No one remains to fill the void he left. Whether you liked him or not, the Illinois Republican was a true newsmaker and no reporter could ignore him, even if he wanted to.

Dirksen was a showman and many who knew him believed the senator would have been as much at home on the stage as he was in the halls of Congress. It has even been said that his trademark - the rumpled hair - was a put-on. One report tells of the senator's purposely mussing his hair prior to a news conference.

The senator was no clown, though. He may have played to the cameras and the microphones when he discussed his garden or his pet project of having the marigold named the national flower, but he was firmly dedicated to many worthy proposals that would affect our nation in a more substantial way.

One was on the question of reapportionment of voting dis-

tricts in the state legislatures, which had been upset by the Warren Court. The man from Illinois was dedicated to returning to the states the power to decide their own form of government. He believed that the founders of this nation intended no interference by the federal government into the internal affairs of the individual states and their chosen forms of representation.

Another important measure the late senator stressed was the constitutional amendment to reverse the 1962 Supreme Court ruling that outlawed prayers in public schools. Recent actions by school boards and civil governments show that this issue is still prominent in many quarters. We hope that the Senate will stop sitting on this legislation and bring it to the floor for open debate. We hope, too, that Mr. Dirksen's amendment is brought forth and passed. It would be a fitting legacy for the nation from one who served it long and well, and by the news of today, could be used in many American schools!

Walter Lowry and Miss Nora A. Smith were united in marriage in a Wednesday evening ceremony on Oct. 6.

John W. Souder of Culver and Mrs. Martha Hoham of Plymouth were married Thursday.

Franklin Overmyer of Burr Oak and Miss Haldeman of Plymouth were married Saturday.

You can always spot a well-informed man. His views are the same as yours.

Marriage is like a violin. After the beautiful music is over, the strings are still attached.

CULVER COLUMN

It would seem that our School Board and the Superintendent have won the battle. The State Tax Board has approved the purchase of the former Culver Clinic.

Last week in Voice of the People there appeared a letter, signed Concerned Parent, that pretty well expressed the feelings of all parents and taxpayers. The writer possibly threw the Board a challenge when he surmised that their brains must be scrambled. I would suggest that the Board use the former X-Ray room to determine if this be true. We would happily await the outcome of this head searching project.

It was with great relief that I read that our firemen (with the help of the kindergarten class) managed to put out the fire in Tom Fishback's garbage truck. Known affectionally as the Polish Camper has become one of the landmarks of our fair town. Maybe Tom will listen to reason from now on and stop barbecuing his lunch in it.

Have you noticed the number of old cars and trucks without license plates that are parked on our streets? Perhaps our Tom Marshall could request that these vehicles be moved off the streets. I'm sure there's a law about this somewhere.

The Lion's Club will sell

Halloween candy Oct. 15 from 6:30 to 9:00 - door to door. The proceeds from this sale will be used for their annual Halloween Parade. Let's all welcome the hardworking members and purchase their candy. Just remember, they keep the kids busy on the night they just might be soaping your windows if they weren't occupied elsewhere.

Is there nothing that can be done about the horrible condition of E. Madison? If it is used constantly by people using the laundromat and leaving the Park n' Shop parking lot. The holes are designed to really test the shock absorbers. If this street isn't covered in the town budget, let's take up a collection - for a new budget!

WANTED: Information leading to the whereabouts of one pumpkin weighing 105 pounds. The culprits who lifted this sizeable squash must have had a king-size craving for pumpkin pie. If the Great Pumpkin Caper isn't solved soon, future growers of these grotesque goodies will become discouraged. Please turn this bulging beauty back on Halloween will never be the same!

Maybe it's my imagination but it certainly appears that the grade and junior high teachers are leading on the homework this year. One trembling parent reports spending three hours last Sunday helping his heir on just one subject. I feel that the least the teachers could do is assign material easy enough for parents. Remember, that the kids now have new math, new English and new science, but come equipped with the old parents.

It takes three different sizes of circles to make the picture of Chatter. You may make all three of the circles at the same time or draw them one at a time. When you have the three circles just the right size, it is a very easy matter to fill in the other lines. Then first thing you know you have a dandy picture of Chatter.

Cavalier Runners Bring Home Trophy

Culver's undefeated cross country team did it again last Friday when they won a decisive victory over the six other teams entered in the County Cross Country Meet.

All seven of Culver's runners finished in the top 15 spots. The Cavalier's Juan Ruiz came home first and Brian Crosley, a freshman, followed soon after for second placing.

Two of Plymouth's runners followed and fifth and sixth slots were captured by two more Culver sprinters, Walt Hanselman, another freshman, and Dave Campbell. Gary Strang of Culver finished ninth to round out the total Culver points at 23. Doug Mikesell and Dean Siple ended up 14th and 15th respectively.

Culver's 23 points was followed by Plymouth 49, LaVie 71, Bremen, 103, Triton 150, John Glenn 162, and Argos 170.

Individual Time

Juan Ruiz 11:02, Brian Criley 11:16, Walt Hanselman 11:29, Dave Campbell 11:33, Gary Strang 11:41, Doug Mikesell 11:56, and Dean Siple 11:56.

At the County meet team work also played off for Culver junior varsity runners. Outstanding performances were turned in by Tim Overmyer, John Bauer, and Larry Peters, who finished 5th, 12th and 16th respectively out of the 36 B-team runners at the meet.

Sixteen of the area's larger schools attended the Manchester invitational on Saturday, October 4, Warsaw's cross country team won the event, with the winning time posted at 9:26. First place for Culver was secured by Juan Ruiz, whose finishing time was under 9:40.

Culver Students View New Hope Singers

The students of Culver Community High School and all junior highs of the school system, were entertained on September 30 by the New Hope Singers, a group originating in Los Angeles and touring the country giving "pop music" concerts.

Introduced by Fred May, senior class president, the program in the school's auditorium featured a total of nine songs with a comedy routine by Bruce Gonn, who showed his remarkable skill on the trombone and harmonica.

The audience expressed a favorable reaction to the refreshing as well as different performance of these lively singer. The Culver show was just one of four performances put on Sept. 30 by the college students that comprise this group.

W.S.C.S. TO MEET

The regular meeting of the W.S.C.S. of the Weleyn Methodist Church will meet on Thursday, October 9 at 8:00 p.m. in the Fellowship Hall.

The program for the evening will be the installation of officers and making tray favors for Pilgrim Manor.

NEWLY-ORGANIZED EXPLORER CLUB HOLDS MEETING

The newly organized Explorer Club of Troop 290 held their second meeting on Wednesday, Oct. 1. Officers were elected as follows: Bruce Snyder, president; Gary Strang, first vice president; Doug Snyder, second vice president; John Jewell, secretary; Jeff Zechel, treasurer. Gene Crosley is the adult leader.

Members spent the evening viewing slides a Canadian vacation which one of leaders had taken and shown by Warren Dickle.

The next meeting will be held at the home of John Jewell on October 15 at 8 p.m. Plans call for a trip through the post office and McGidills.

DEN 5 CHOOSES INDIAN NAME

Den 5 Cub Scouts began their weekly den meetings Thursday of last week. After refreshments, crafts and games, the boys each chose an Indian name and decided their Den 5 to be known as the "Thunderbirds". This title was chosen in honor of the "Oklahoma Thunderbird Division" of the Army, which was comprised of a large number of Indians and their symbol "Thunderbird" was so named.

On the following Tuesday the Cubs toured the Plymouth Armory where they were shown the weapons and equipment and rode in an Army truck. Cubs present were Carl Campbell, Mark Beam,

Sean Doty, Lee Houghton, Kevin Wagner, Terry and Tom Wakefield, and Vance Zehner.

MRS. SHIRLEY AMOND ATTENDS WORKSHOP

A workshop for teachers, therapists, and administrators of Special Education was held Saturday, October 4, at Logan Center in South Bend.

A variety of instructional materials were presented and speakers discussed the Mandatory Special Education Bill and the Joint Services and Supply Programs. Appearing on the panel to discuss "Joint Service School Programs" was Mrs. Shirley Amond, Director of the Marshall-Starke Joint Services Program in Special Education.

Attending from the area special education programs were Mrs. Grace Hull, Plymouth, Mrs. Mary Eckert, North Judson, Mrs. Judy Smith and Mrs. Pat Weeding, Plymouth, Mrs. Marilyn

Folkers, and Mrs. Helen Lewandowski, and Mrs. Nancy Hellman, Knox.

Deaf Man Perfects Tiny Hearing Aid

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica

of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to C. Eckert, 311 East Lexington Blvd., Eau Claire, Wis.

Annual Inspection Held At VFW -Ladies Meeting

"Patriotism, friendship, and cooperation", national VFW Ladies' Auxiliary theme, prevailed as members of Auxiliary 6919, Culver, met Monday evening at the Post Home for annual inspection by Third District President, Mrs. Violet Wampler of Mishawaka. Mrs. George Lemar, President, called the meeting to order and introduced Mrs. Wampler to members present.

General orders from the National President were read and special emphasis was called toward the Cancer and Membership programs. Fall Conference dates were announced for October 25 and 26 at Indianapolis.

Chairmen reports were many and varied with all chairmen reporting activities in their projects. Rehabilitation Chairman Mrs. Eleanor Liette reported sending get-well and sympathy cards to several members and a rose bowl to Mrs. Cloyd Farmer and newly arrived daughter.

Forty percent of quota for 1970 membership was reported by Chairman Mrs. Alan Cornett, Sr., and the members were asked to make a special effort to be 100 percent by December 1st.

Auxiliary members donations of over twelve hours of service when the Red Cross Blood Bank recently visited Culver, was reported by Community Service Chairman, Mrs. Ted Strang. A total of 51 pints of blood was received from Culver area residents.

Kitchen and serving help was enlisted by Cancer Chairman Mrs. Clyde Hickman for the Corned Beef and Cabbage Supper to be held at the Post Home on October 18th. Proceeds will be sent to the National Cancer Funds which aid in cancer research and make grants to can-

cer patients throughout the United States.

Legislative Chairman Mrs. Roger Wise received acknowledgments from Representative Brademas and Senator Bayh in answer to correspondence with them regarding veteran benefit appropriations included in the National Budget. Chairman Wise also reported correspondence with President Nixon regarding these benefits as Vietnam veterans return to civil life at a rate of 90,000 per month.

As Americanism Chairman, Mrs. Wise had requested each member to bring a bar of soap and she announced that the eighteen bars collected would be forwarded to Capt. Gail Walden, 29th Evacuation Hospital in Vietnam. Capt. Walden and several other nurses and soldiers work, on their days off, to bathe and care for Vietnamese children in nearby villages.

Mrs. Wise also reported sending a letter of thanks to the Culver Citizen for adopting the use of the VFW Historical-Patriotic Calendar in their weekly issues.

Contributions of twenty-one dozen cookies for Indiana Day, Sept. 21 at the VFW National Home at Eaton Rapids, Michigan and of nearly 100 pounds of men's and women's clothing for the Indiana State Soldiers Home were noted by National Home Soldier's Home Chairman Wise and she extended a vote of appreciation to all auxiliary members who helped to make these projects a success.

The membership voted contributions to the Marshall County TB Association, VA General Hospital Fund, National Home Scholarship and Gift and Replacement Funds, Radio Free Europe, and Radio Free Asia.

Mr. Ray Houghton, representing VFW Post 6919, was escorted into the meeting and presented the Ladies Auxiliary with a floral tribute in appreciation of the auxiliary's help in the success of the Patriotic Dinner held September 27th. Everyone who participated in and supported the effort received the appreciation of the Post and their auxiliaries.

Third District President Wampler complimented the Auxiliary on their commitments to all the projects in which the or-

ganization carries on their vital work. She gave a special thanks to all committee chairmen on their reports of projects undertaken by the local auxiliary.

President Lemar closed the meeting according to ritual, to reopen October 20 at 8:00 p.m.

at the Post Home. The mystery prize was won by Mrs. Hickman and Mrs. Forrest Geiselman, Jr. was not present to receive the membership prize.

Carrying out an autumn theme, refreshments were served by Mrs. Frank Cihak, Mrs. Emil

Krull, Mrs. Irvin Tenner, and Mrs. Emil Ruhnnow, Jr., with the Post's floral centerpiece adorning the serving table.

Social committee for the next meeting will be Mrs. Carl Breck, Mrs. Carle Bob Napier, and Mrs. Collie Hoffmeister.

"Are Sin, Disease, and Death Real? is the subject of the Lesson-Sermon to be read this Sunday in all Christian Science churches. The public is welcome

to attend.

"And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them." This passage from Matthew is included in the sermon. One of the correlative passages from the denominational textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is as follows: "Sickness, sin, and death, being inharmonious, do not originate in God nor belong to His government. His law, rightly understood, destroys them."

BURR OAK CIRCLE

A potluck and fun night will be held Friday, Oct. 17 for members, friends and families of the Burr Oak Circle at the Burr Oak Annex at 6:30 p.m.

Members should bring their own table service and an item that is no longer wanted (wrapped in newspaper) for the White Elephant.

The Circle's next business meeting will be November 21, in the Annex at 8 p.m.

WIDE AWAKE CLASS

WILL MEET OCT. 16

The Wide Awake class of the Wesley United Methodist church will meet Thursday, October 16 at 7:30 p.m. in the Youth Room of the church. Hostesses will be Mrs. M. R. Robinson, Mrs. Anna Waite, Mrs. Liela Garber and Mrs. Otha Warner.

TYNER METHODIST CHURCH TO HAVE HOMECOMING

Homecoming for the Tyner United Methodist church will be held Sunday, October 12. A carry-in dinner will be held in the church basement at 12:15 p.m. The homecoming service will begin at 1:30 p.m. with Dr. McMahan presenting the afternoon address. A large attendance is urged also for the morning worship service at 9:30 a.m. with Rev. Norris King giving the sermon.

Indianapolis Symphony At CMA October 15

In preparation for the Indianapolis Symphony concert Wednesday, Oct. 15, Culver Military Academy has scheduled a lecture-demonstration by Thomas Briccetti, associate conductor. Briccetti will be meeting with CMA students and faculty and

the public is also invited to hear him Monday (Oct. 13) at 2:40 p.m. in Eugene C. Eppley Auditorium. There will be no charge for admission.

Briccetti will conduct a young people's concert Wednesday afternoon at CMA for 1550 Marshall county school students. This will be the first performance this year in the Program of Education in the Performing Arts (PEPA) series sponsored by the E.M. Morris Foundation of South Bend.

The young conductor will also direct the first half of the 7:30 p.m. Wednesday concert for Academy during the Symphony's 40th anniversary year. Tickets are still available.

Bricetti — pianist, composer and conductor — was named an associate conductor of the Indianapolis Symphony Orchestra last year. He attended the Eastman School of Music and Columbia U. Graduate School of Fine Arts.

He won the coveted Prix de Rome in 1958 (at the age of only 22) and went to Italy to play a schedule of recitals. When a motorcycle accident resulted in a broken right shoulder and a temporary halt in his concert career, he went to Oslo, Norway, where he had been commissioned to write a flute sonata.

There he also finished his first symphony.

He returned to the US in 1959 and prepared to resume his career as a pianist, but a friend — without Briccetti's knowledge — sent the sonata and symphony to the Ford Foundation. As a recipient of a Composer's Fellowship in both 1960 and 1961 and was invited to be composer-in-residence of the Denver Symphony Orchestra.

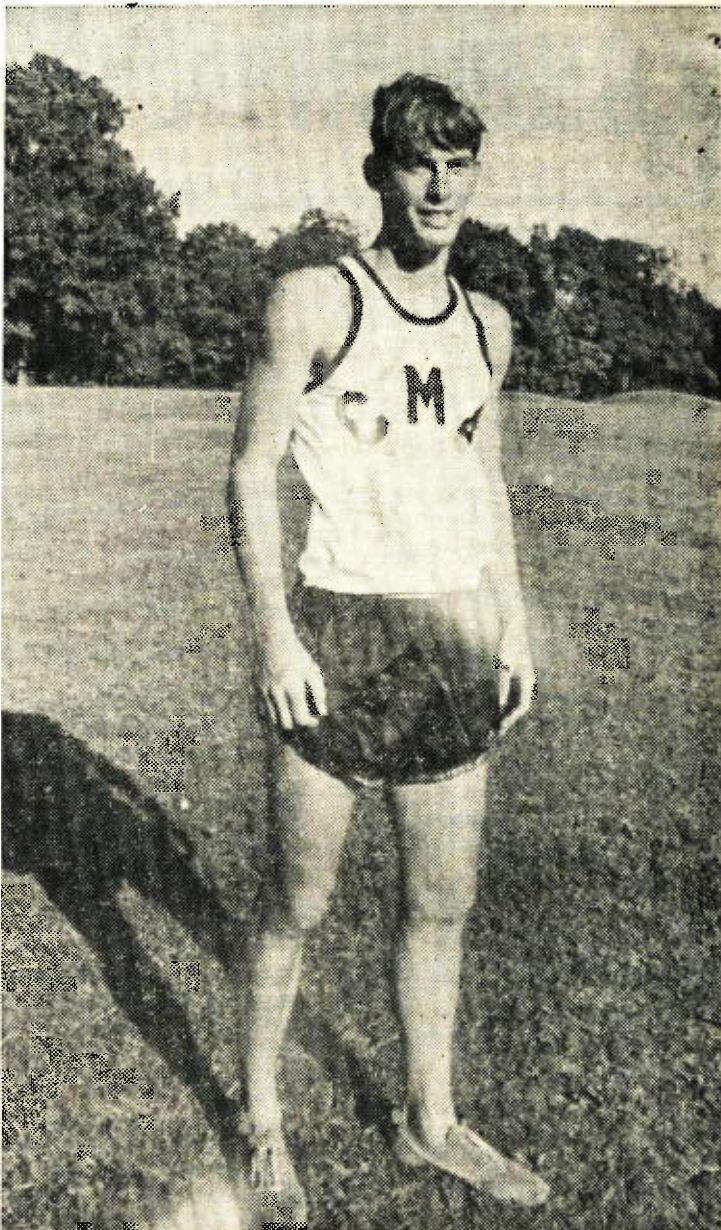

After a year he was sent to Florida where he helped found the St. Petersburg Symphony Orchestra and served as its conductor from 1963 until he joined the Indianapolis Symphony in 1968.

Briccetti also conducted the Pinellas County Youth Symphony and directed the Civic Opera Company in St. Petersburg. He was honored by the Florida Jaycees as one of the five outstanding young men of 1968.

He has written more than 35 works, 17 of which are published, and has conducted his own compositions in appearances with several orchestras. His wife, Eleanor Child, is a first violinist with the Indianapolis Symphony Orchestra.

During only one season in Indianapolis, Briccetti firmly established himself as the associate conductor. He also has won acclaim as conductor of young people's concerts in and around Indianapolis and as originator of the "new vibrations" program. He will play a tape of "New Vibrations 1969" during his Monday lecture-demonstration.

Drew Dobson Consistent Runner

Drew Dobson, son of Brig. Gen. and Mrs. John W. Dobson of CMA, has been a consistently good runner on Coach Dave Burke's cross country squad this year. He has been running fifth and sixth for Culver in his first year out for the sport. Drew also runs on the spring track team.

October 16 at 6:30 p.m. for carry in dinner. Everyone urged to bring a well basket and attend this n gracious occasion. The Monte Scouting Units will furnish program, all the new teach will be introduced and a very evening is planned. Bring y own table service. We r everyone's support to open new school year and a new gram for all the parents of Monterey Community. Every is welcome.
