Eighth Annual Lions Outboard Race Regatta Set for Sunday, August 20

Indiana Water Ski Championship Competition To Be Held On Same Date

Outboard race drivers representing the best in the nation will compete in the sixth annual Maxinkuckee Outboard Racing Regatta to be held here Sunday, August 20. Sponsored by the Culver Lions Club the race will be sanctioned by the American Power Boat Association.

Lions Club officials have announced that in addition to the Outboard Races, arrangements have been concluded with The Indiana Water Ski Association, to hold state water ski championships here at the same time. Nationally known water ski champions will compete for coveted points late Sunday morning, on the day of the races and arrangements have been made to present a thrilling water ski demonstration during a break in the outboard races during the afternoon.

In announcing plans for the twin attraction, Don Mikesell, general chairman of the 1950 Lions Club program, said that this year's feature should attract the largest crowd in the history of the event. Last year an estimated crowd of 5,000 saw the outboard races.

This will be the first year that the outboard races have been sanctioned by the American Power Boat Association. Points earned in the race will count towards the national standing of the drivers. "Because the race is being sanctioned by the APBA we expect the largest number of entries in every class in the history of the races," Mikesell said.

Proceeds from the annual affair will be utilized, according to Lions President Ray Manis, for the club's community betterment program. A portion of the funds will be directly used for boys and girls activities.

Mikesell has announced the following committee chairmen to handle arrangements: Hampton Boswell, referee; Fred Adams, finance; Dave Burns, safety; Harold Sering, judges; Glen Doll and James Marshall, ticket sales; James Little, concessions; Wilfred Craft, race course and buoys; J. P. Carter, pit manager; Ray Manis, roping off Town Park; and Leland Ross, publicity.

MEANEST THIEF SWIPES BIRTHDAY GIFT

The party who stole the brand new bicycle at the town park on Monday will probably have a good claim to the title of "The Meanest Thief of 1950." Howard Warner had recently presented the bicycle to his son, Tony, as a birthday gift.

Tony, proud as Punch of his new bike, had ridden it to the town park on Monday where he was taking part in the recreation program. When he returned for his bike he found it missing.

Howard Warner is offering \$5.00 reward for the recovery of the missing bike and \$10.00 for information leading to prosecution of the party who stole Tony's bicycle.

Fifth Annual Horse Show at Bass Lake Sunday

Culver Military Academy's famous Black Horse Troop jumping team will be one of the feature events at the fifth annual Horse Show and Roundup to be held on Sunday, July 16, at the Lightning Dude Ranch on Bass Lake, west of Culver.

The Black Horse Troop made such a hit with the audience at last summer's horse show that scores of persons asked that it be invited to return. The horse show will be one of the attractions opening the Starke County Centennial which will continue through Saturday, July 22.

Another feature of the horse show will be an exhibition by Jimmy Risk of Montpelier, Ind., the world's outstanding horseshoe pitching star. Jimmy has given demonstrations of his skill with horseshoes at the White House before President Harry S. Truman and Admiral Chester W. Nimitz. He has thrown ringers from a speeding horse, made perfect shots at the regulation distance of 40 feet with a blanket held to obscure his vision of the stake, and thrown a horseshoe around a cigarette without touching or damaging it. He also tosses horseshoes through paper hoops to land over the pegs. Jimmy has appeared on programs with Roy Rogers and Gene Autry.

Ced. L. White, owner and manager of Lightning Dude Ranch, announced that more than one hundred horses and riders from northern and central Indiana will take part in the Horse Show and Roundup. The event is scheduled to open at noon with a grand parade of all horses and riders from the ranch to Winona on Bass Lake and back to the ranch.

The parade will be led by the North Judson high school band under the direction of Don Minx. Leading the band will be the North Judson high school majorette and baton twirling team. The Starke County Queen candidates have also been invited to take part in the parade.

Indianapolis News Writer Says The Citizen Has a Summer Vacation Air

Editor's note: Filomena Gould, INDIANAPOLIS NEWS staff writer, has warmed a cockle or two of the hearts of the Citizen staff. In her column "Atop the Town" in last Wednesday's issue of THE INDIANAPOLIS NEWS, Miss Gould took occasion to write about THE CITIZEN. Titled "Culver Paper Has Summer Vacation Air" the article makes an analysis of the June 21st issue. We hope our readers will not think us bragging when we say we consider Miss Gould's article a bit complimentary. Her analysis picks up the highlights from "Kiver-to-kiver," and not once did she scold us for the journalistic errors which appeared in the edition. But, here let us give you what Miss Gould writes:

Whenever I get my hands on a copy of the Culver Citizen, I have the pleasant assurance that summer is really here. The headlines on the front page, for example, strike such a nice vacation-minded note that even here in our

The 1950 Moonlight Serenades to be Held On July 22 and 23

The often placid waters of Lake Maxinkuckee will take on a Venetian atmosphere a week from next Saturday and Sunday evenings, July 22 and 23, when the Culver Summer Naval School Band will serenade townfolks, the Academy, cottagers, and Lake guests and visitors in their annual two-night moonlight serenade.

Col. E. T. Payson, director of the Naval School Band and chairman of the music department of the Academy, announced plans for the eighth annual serenade this week. One of the highlights of the summer season here, it is expected that the 1950 presentation will attract a larger audience than those of previous years.

"Last year's colorful decorations of piers, lawns, and small boats were the best in the history of the serenade," Col. Payson said in outlining plans for this mid-century music event. "We sincerely hope that cottagers and everyone will join in the spirit of the occasion by decorating their piers and boats again this year."

Col. Payson went on to point out "Utilizing Japanese lanterns and colored lighting cottages and boats can effectively contribute to the serenade."

The crack band will again play from the deck of the three-masted square rigger, The O. W. Fowler. Saturday evening, July 22, will find the band playing excellent arrangements of all the old favorites off the Town Park, the West Shore and Long Point. On Sunday evening the band will appear along the shore of the Academy campus, the Maxinkuckee Inn, and along the East Shore.

Col. Payson stated that through the cooperation of the Lake Maxinkuckee Association he hoped to effect some means of controlling the noise of the power boats which have interfered somewhat in past years. This can be easily stopped if power boats will stop their motors when the band is playing.

asphalt jungle you can imagine the breezes of Lake Maxinkuckee.

Lead article states that the Maxinkuckee Yacht Club opened its 15th regatta season July 2, and that a meeting on racing rules and last-minute details preceded it when Commodore L. Roy Ford and the other officers met at the Walker Winslow cottage. The latter is commodore emeritus.

Cottages are opened and the summer residents are getting back into their annual routine. The 49th session of Culver Military Academy's summer school began June 27, and the Naval School will launch a fleet of 137 power, sail and miscellaneous craft. Horsemanship and woodcraft camps are drawing their interested recruits. The latter boasts an added feature in the

Popular Mystery Being Staged At Playhouse

Murder and mystery are in store for the audience when the curtain rises tonight on "Laura," the newest production of the Maxinkuckee Playhouse. The intriguing story of Laura Hunt and how she was murdered will play through Sunday on the Playhouse stage on East Shore Lane.

The cast of nine has outdone itself in preparing a play which will keep the audience on the edge of their seat. A completely modern apartment has been built for the stage, complete with gray paneling, sectional furniture, and large airy windows. To add to the production, special music has

Martin Tahse and Paul Rutledge, managers of the Playhouse, made a direct appeal to patrons this week to correct an erroneous impression which has been circulating. They said: "We here at the Playhouse understand that word has been going around that we have an 'angel' who writes checks for all of our expenses. This is not true. Our only income is from ticket sales, program advertisements, and sales at the snack bar."

"From the outset it has been our sole hope to bring to the people of the Maxinkuckee area, a high level of dramatic entertainment, entertainment which would reflect credit not only to ourselves but to the community at-large. We hope that no one will think us bragging when we say that we are a bit proud of efforts to date."

"The Maxinkuckee Playhouse is incorporated as a non-profit educational corporation. A few patrons have joined to help our group attain our goal. For their help we are extremely grateful. We do not have any 'angel' and we will welcome any contribution, no matter what the amount."

been recorded, and of course the haunting music from the film version of "Laura" will also be used. And, just as in the film, a portrait of Laura has been painted especially for this play.

With the exception of Dick Simons, who plays Mark McPherson, the entire cast is from the Playhouse. The players include Mary Frances Rank, Paul Laumann, Herb Johnson, Ardyth Lahrman, Burt Lane, Nancy Todd, and Jim Hoeffler. All the Players have been seen in other Playhouse productions with the exception of Jim Hoeffler.

Beginning this week, the Playhouse ticket price will change. All nights, Tuesday through Sunday, are now \$1.32, tax included. Tickets for "Laura" are still on sale at Oberlin's Electric Store in Culver and at Ames Drug Store in Argos. All seats are reserved, and curtain time is 8:30.

Expect Building To Be Completed Within Year; May Use Second Semester

Contracts for the construction of the long delayed Aubbeenaubbee Township Consolidated school building at Leiters Ford have been let and work on the badly needed structure has already been initiated it was learned this week.

The Fred O. Carey Construction Company of South Whitley, awarded the general contract, moved equipment to the building site some ten days ago and it was expected that work would begin this week. Plumbing and heating work has already been initiated by the Sage Plumbing and heating Company of Leiters Ford who began work in the basement which was partially finished four years ago before court litigation stopped the work. Louis Kline of Rochester has the electrical contract.

Plans called for the building to be completed by July 1, 1951, and if building conditions permit it is entirely possible that a part of the building may be put in use at the beginning of the second semester of the 1950-51 school term.

Total cost of the building will be in excess of \$100,000. There will be 24 rooms in the building when completed. It will serve more than 225 students of the grade and high school.

When contractors began moving in their equipment it marked the opening of the final chapter in the school case which has attracted wide attention and has involved considerable court litigation. Bids for the construction were first let for the school building in 1946 following a fire which destroyed the old building.

Legal involvement came at the time that construction was in the elementary and planning stage when a small group of taxpayers filed an injunction in the Fulton county court charging the township trustee with fraud in letting construction on revised plans without seeking new bids.

The case was venued from Fulton county and was subsequently heard in the Miami and Howard county courts and finally went to the Indiana State Supreme Court where a decision issued last January held that the trustee had not violated any section of the constitution and "had acted in good faith and honest intent under the existing emergency."

The Supreme Court ruling paved the way for continuing and carrying out the building program now under way. During the past four years the school program has been badly hampered. At first housing facilities were widely scattered with the first six grades attending school in Kewanee. More recently school has been conducted in the Methodist Church at Leiters Ford and in DeLong. The Leiters basketball squad appropriately were called "The Travelers," playing all their home games at Burton.

Starke County Centennial To Open Next Sunday

Residents, former residents and visitors will join together next week at Knox to celebrate one hundred years of development and growth of Starke County. Officially the Centennial Program will open next Sunday morning, July 16, and a full calendar of activities will be carried out each day of the week through Saturday, July 22.

A large crowd of interested persons are expected to take part in the gala observance of the Centennial. In addition to the formal aspects of the program a carnival company will hold forth in Knox throughout the week.

Sunday, July 16, will be religious observance day in all churches throughout the county. In the afternoon county choruses and choirs will participate in an all-congregational sing at the Court House square in Knox, where a Centennial sermon will be given. On Sunday evening drum and bugle corps representing veteran units in Starke and other counties will compete in a contest at the school field.

Details of the program for Monday and Tuesday, July 17 and 18, reveal that the crowning of the Centennial queen will be a feature of the Monday program. Tuesday will be agriculture day. On Wednesday the corner stone of Starke County Memorial Hospital will be laid. Gov. Henry Schricker will speak.

Thursday will be youth and lake day. There will be sports events at the school field and at 7:00 p. m. in the evening there will be a jamboree of Boy Scouts, where Indian Chief Godfrey will speak. There will also be a fireman's water fight competition and an old folk's dance.

Friday, July 21, will be Governor's day and North Judson and San Pierre day. At 11:30 a. m.

there will be a picnic at the City Park where county high school bands will furnish the music. At 1:30 p. m. there will be a horse shoe pitching contest for men over 65 years of age at the City Park. At 3:00 p. m. there will be an address by Gov. Schricker, who is a native of Starke County. School field will be the scene for the colorful Starke County Centennial Pageant at 8:30 p. m.

The final day, July 22, is packed with interesting features. Officially known as Starke County and Homecoming Day there will be the final judging of merchant's windows and at 10:30 a. m. the judging of the "Brothers of the Brush," and at 11:30 judging of the "Sisters of the Swish." At 2:00 p. m. will be the Centennial Parade; at 5:00 p. m. the ox roast; at 8:00 p. m. the final firemen's water fight at the Court House; and at 8:30 p. m. the second showing of the Starke County Centennial Review. A special feature of Saturday's program will be the showing of the Sesqui-centennial exhibit.

REED AND HOLLOWELL WIN SECOND MYC SAILING RACE

Cadet Reed and Robert Hollowell Jr. were winners of the Class E and Class C Maxinkuckee Yacht Club sailing races last Sunday. The race was held under ideal sailing conditions and fast times were recorded.

Those who finished in the first three places in the Class E competition were as follows: Cadet Reed, C3, 1st; L. Roy Ford, Naughty Girl II, 2nd; and Griffith Brothers, Our Girl III, 3rd. In the Class C competition first place went to Robert Hollowell Jr. sailing Nola II; 2nd, E. R. Baxter, Marnie II, and 3rd, James H. Rud-dell, Gingi.

Bride-Elect Honored At Shower

Miss Betty Triplet bride-elect, whose marriage to Don McKee will take place on July 22, was honored at a miscellaneous bridal shower on Monday evening in the bank lounge when Mrs. Donovan Overmyer, Betty Flora, Mrs. Eugene Thomas and Ethel McKee were hostesses to thirty five guests.

The gift table was centered with a lovely bouquet of sweet peas over which a shower of raindrops fell from sprinkling cans to which were attached crepe paper streamers and ice cubes. Streamers of aqua and yellow laid over a white cloth added to

the attractiveness of the table.

After the honored guest opened her many lovely gifts, refreshments were served.

Jarman

Casual as a stroll in the park, this smart model Jarman's new "sea sand" color is capturing the fashion headlines. And what it does for you is a feature story in itself. You get a softer, easier step because of the crepe rubber wedge sole—and the zipper on the side (no laces to tie) that lets you in and out in a hurry. You'll never want to take it off. Come in today for your pair.

Paul Patterson Named Principal At Monterey

Paul E. Patterson has been named principal of the Monterey schools to fill the vacancy created by the recent resignation of Robert Gossett. Mr. Gossett resigned to accept a position in the Greensburg, Indiana, schools.

Mr. Patterson has been recently affiliated with the Shelby county schools. His previous experience includes positions held in Miami and Spencer counties. A graduate of Central Normal College, the newly appointed principal holds a graduate degree from Butler University. He plans to move his family to Monterey in the near future.

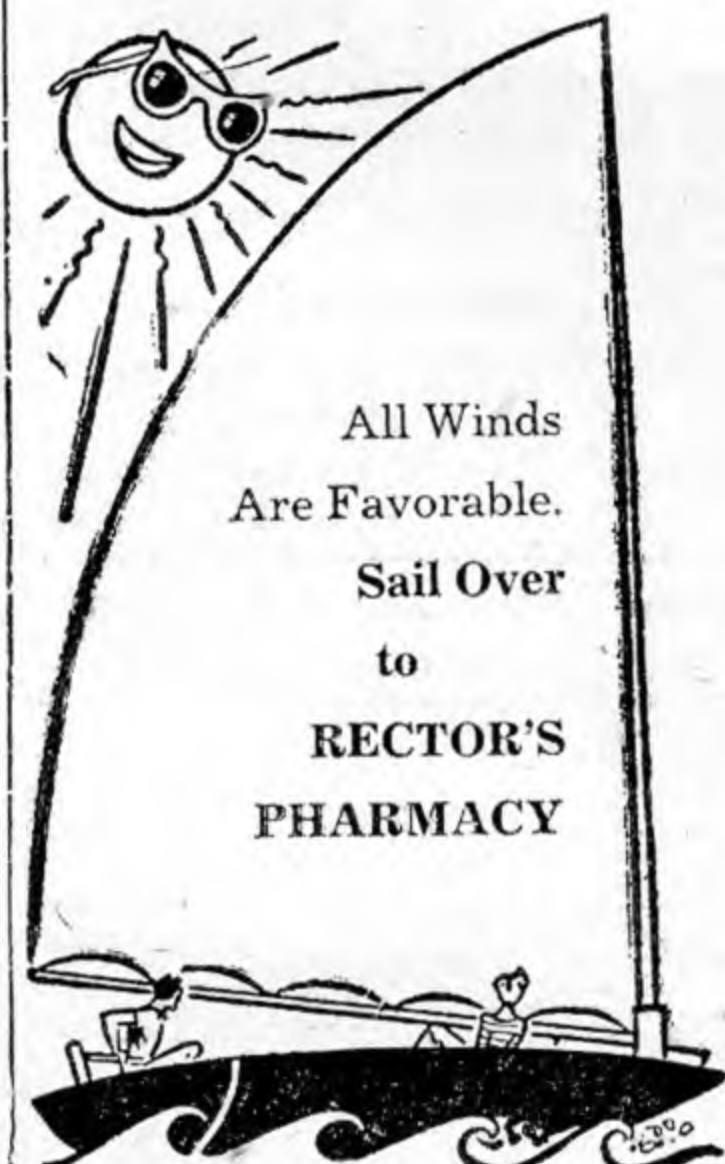

MRS. CAROTHERS BURNED IN PRESSURE COOKER EXPLOSION

The explosion of a pressure cooker inflicted severe burns on Mrs. W. L. Carrother of Burr Oak last Thursday morning. The accident occurred when she sought to remove the lid from the steaming high pressure cooker.

Cathy Jo, three year-old daughter of Mrs. Carrothers, lying close by the canner was not injured. Although Mrs. Carrothers arms and the upper part of the body were affected, her face was not burned in the accident.

The world's first lightning rod was set up by Ben Franklin in September, 1752.

acquisition of the services of a Blackfoot Indian chief from Montana. He is Big Beaver, a sign language expert who will help with the program.

Summery effects grace another article which announced the annual Leiters Ford strawberry festival, where throngs were expected to pay homage to those American institutions known as strawberry shortcake, strawberry pie, strawberry ice cream, strawberry pop and just plain strawberries. There was even a prize offered for the jalopiest jalopy!

The Citizen social items are of a scope and magnitude to put the metropolitan dailies to shame. The goings and comings of practically everybody for miles around seem to be recorded and, as a dividend, social notes from 1920, 1930 and 1940 are also included.

We read that storms marred the opening of the fishing season but that avid fishermen were on the lake at midnight as the bass season opened. No records were broken at the date of this report. Not in fish, anyway! But Mrs. Ira J. Seese broke a record in radish-growing—or supposed she had. She came into the Citizen's office with a big red radish 7 inches in circumference!

The arts were represented in an account of the inauguration of a straw hat summer theater season, opening performance of which would be "Blithe Spirit" at the Maxinkuckee Playhouse. And we note a story about an all-

male chorus, sponsored by the Culver Lions Club, to be known as the Maxinkuckee Glee Club.

We close our envious little review with a glance at the paper's want ads. One item therein should prove downright sensational to the cottager set. It reads: "Wanted: housework. Prefer east-side residence." The advertiser, a Rochester girl, must have become the belle of the week!

Lake Shore News

Reception At Johnson's

In recognition of their long and devoted service to the respective orders, the local Masonic Lodge and the Eastern Star Chapter are sponsoring a House warming for Mr. and Mrs. Walter Johnson in their new home next Sunday afternoon, July 16th, from 2 to 5

p. m. The reception is in charge of the Ladies of the local Eastern Star. Mr. and Mrs. Johnson cordially invite all members of the two local orders (and spouses, of course) to drop in and see their new hme at that time.

Ted Weiger Injured In Fall Yesterday

Teddy Weiger, well known local carpenter, suffered a fractured pelvis and severe bruises in a 13 to 15 foot fall yesterday afternoon at the St. Mary's of the Lake Rectory being erected on College Avenue. It was thought that a scaffold broke with Mr. Weiger who was working on the roof of the new structure. He was rushed to the hospital at Plymouth where his condition was reported as good as could be expected.

Mr. and Mrs. Maurice Schumacher and children of Dayton, Ohio, visited for a few days last week with Mr. Schumacher's mother, Mrs. Bessie Schumacher, who is ill at the home of her daughter, Mrs. Lester Smith.

TIME Has Praise For Dudley J. LeBlanc

TIME Magazine in a recent issue told the fabulous story of Dudley J. LeBlanc, the Medicine King, and described the benefits of HADACOL. The following are excerpts from the TIME story:

"In easygoing Lafayette, La. (pop. 19,210) 425 factory workers bustled each working day last week turning out more than 100,000 bottles of a murky brown liquid that tastes something like bilge water, and smells worse. The patent medicine called Hadacol has been such a resounding success in 14 Southern states that its backers expect this year to sell \$20,000,000 worth (in 8-oz. bottles at \$1.25, or in the 24-oz. family 'jug' at \$3.50).

Very Sassy. The man responsible for the murky brown medicine is Louisiana's plump State Senator Dudley J. LeBlanc, 56, who had to rustle up a new business after he made the mistake of running for governor in 1932 against a Huey Long candidate. Recovering from a bout of rheumatism when his doctors gave him Vitamin B-complex, LeBlanc saw that there was money as well as health in vitamins. He boned up on the subject by reading at home, decided that vitamins would be better if mixed with minerals.

Neither an M.D. nor a pharmacist, LeBlanc is plainly a go-getting businessman. He pushed Hadacol with a down-to-earth selling policy that included Hadacol radio programs, *** a fervent appeal to folks' fondness for patent medicines. Testimonials have poured in, extolling the work of Hadacol ****. Samples:

From an 80-year-old Mississippian: "I was disable to get over a fence, disable to get up out of chair without help, but after I took eight bottles of Hadacol I can ... tie up my own shoes and feel like I can jump over a six-foot fence and getting very sassy."

From a 68-year-old "bachelor" in Georgia: "Hadacol has done so

much for me and I am looking so much better, think I will put a fence around my house to keep the ladies out."

Pep & Strength. Last fall LeBlanc was selling only 150,000 bottles of Hadacol a month when the advertising began to take. Then there was a sudden shortage. After that the medicine enjoyed such a boom that last month around 2,000,000 bottles were sold.

Taking care not to arouse the Food & Drug Administration or the Federal Trade Commission, which have their own views about cure-all nostrums, LeBlanc merely describes Hadacol on the box as a "Dietary Supplement ... formulated as an Aid to Nature in rebuilding the Pep, Strength and Energy of Buoyant Health when the System is deficient in the Vitamins and Minerals found in this Tonic ...". In short: if it's what you need, it's what you need.***

EARLY MORNING WALK

The intrepid citizen who goes down by the lake for an early morning walk must be prepared to suffer gentle ridicule from relatives and friends whose sluggardly habits keep them snug in bed at 5 o'clock. Nevertheless there are ample rewards for such valor. In the early morning the air is clear and heady; even a light breeze from the lake prods the walker to a quickened pace, for it is still too cool to idle by the way.

First the sky is dull and gray, and the lake reflects its quiet melancholy. But as the sun begins to burn the East's horizon, there is a quick transformation. The sky reddens and the clouds are flooded suddenly with light. As the dawn of a new day spreads across the lake, painting it gently with the pastels of the advancing morning, the melancholy slips away, and with it go the friendly silences.

Now the birds begin their bubbling chorus. In the topmost branch of a tall elm, a cardinal catches the sun's first rays in fiery brilliance, and whistles brashly at the plodding world below. A northern yellow throat, black-masked and jaunty, darts from a graceful birch ahead. Across the path there cuts the swift shadow of a gull.

The pleasant solitude which marked the walk's beginning is soon to come to an abrupt end. From a nearby road or street the whirr of passing motor cars breaks the wilderness illusion with increasing frequency. A boy on his bike, pedaling from behind, sounds his siren imperiously, as if he owned the path and all the loveliness which hedged it. A city fisherman, white-collared for the business day ahead, stands on the shore and makes a short, awkward cast into the lake.

The sun has left the horizon now, and hangs yellow and warm against a clearing sky. It is time for the early morning venturer to turn back, and he does so with a pleasant awareness of hunger and an incredible zest for the day's work.

Down at the office 90 minutes later, however, he begins to ponder the folly of his ways. By 11 a. m. the day seems interminable. The next morning he sleeps till 7:30. He will take an early morning walk again soon, he tells himself, perhaps next year.

ADM. BAYS STRESSES STRONG NATION OF LOYAL CITIZENS IN SHRINKING WORLD, LESS EMPHASIS ON SECURITY

At the traditional July 4th assembly of the Culver Summer Schools, the speaker was Admiral John W. Bays, Director of the Naval School.

In his talk Admiral Bays stated that as good citizens with a proud heritage we must again "fix our position" in a world that has grown smaller and smaller within the past ten years. We must have more neighborly relations with the rest of the world, for our defensive outposts will of necessity be more remote; the United Nations will have to continue to rely on us as the police force of the world as that body is already doing in the Korean situation.

Although we are the most powerful nation in the world, we must accept that fact without arrogance; we must seek to maintain and strengthen those elements which constitute our national strength. Some of these elements are: vast natural resources, which must not be wasted; industrial might, which must solve the problem created by the great excess of our exports in the

world; the friendship and good will of our neighbors, our armed forces, which must be maintained by the cooperative effort of civilians and military in a world where bluff is no longer possible. Having honestly sought to avoid war, we must be able and willing to face it. Lastly, as always, all of these elements in our national strength depend on the integrity of the individual citizen. The pioneers sought freedom and opportunity; today everyone clamors for security. Does this emphasis on security mean that we are getting soft? To persons seeking opportunity, freedom is a pre-requisite; to persons wanting only security, freedom is not necessary. This desire for security must supplement but not weaken the great principles of opportunity and freedom.

The Admiral's closing remarks were addressed directly to the Corps. As students you should prepare yourselves for responsibility by learning government and world affairs. You should look behind political

partisanship and editorial prejudice to find truth; you should study domestic problems to understand our role in world affairs. Remember that history isn't something in books; you are living it now. Prepare yourself to do your part and to keep our country strong.

ICE CREAM SOCIAL AT MAXINKUCKEE CHURCH NEXT TUESDAY

The season is timely and the weather is just about right so the Maxinkuckee Church announced today that plans are all set for an Ice Cream Social to be held at the Church next Tuesday evening, July 18. Although Ice Cream should be sufficient attraction the church ladies have announced that special music will feature the entertainment. Everyone is invited.

Major Klous' Mother Succumbs To Prolonged Illness

Major and Mrs. D. Donald Klous, of the Academy's Army Detail, have returned from New York City and Boston, Mass. Maj. Klous' mother, Mrs. Mabelle MacDonald Wicks, passed away on June 25, 1950, in New York City, after a prolonged illness. Final services were held in Boston on June 28. Major Klous is an only child. Other relatives are four brothers of Boston, and one sister and one brother, of New York City.

PRODUCTION TEST

With 686 pounds of butterfat and 18,745 pounds of milk to her credit, Culver Ormsby Paul Clara, registered Holstein-Friesian cow owned by John A. Newman & Sons, Culver, has completed a 365-day production test in official Advanced Registry. She was milked 2 times daily, and was 8 years 1 month of age when she began her testing period. Testing was supervised by Purdue University.

PLANS ANNOUNCED FOR 4-H CAMP

Plans for a Marshall County 4-H Club Camp, to be held July 30th to August 2nd, at McClure Lake, Kosciusko County, have been made by the 4-H Club leaders and the County Extension Office.

The camp program will include forestry, nature study, health, archery, handicraft, photography, swimming boating, fishing and organized athletics.

The camp counselors will be 4-H Club leaders and representatives of the State Conservation and Health departments.

Transportation from Marshall County will be provided for the campers in school buses.

Applications for enrollment in the camp have been mailed to all 4-H Club members in the county

and enrollments are due in the County Extension Office by Saturday, July 22.

RURAL HEALTH COUNCILS TO MEET AT PURDUE

"What is being done about rural health in Indiana?" This question will be answered at the conference of county rural health councils to be held at Purdue University on Tuesday, Aug. 1, as part of the opening day's program of the third annual Summer Agricultural Conference.

Sponsored by the rural health committee of the Indiana State Medical Association and the Purdue Agricultural Extension Service, the health conference will open at 12:15 p. m. (CST), with a panel discussion on "What Doctors, Dentists, Nurses, and Veterinarians Are Doing About Rural Health." Malcolm Mason, Purdue rural health specialist, will preside at the afternoon session in Eliza Fowler Hall.

Late June or early July is the time to bud fruit trees.

LETTERS TO THE EDITOR

Sirs:

It would be greatly appreciated if you would put in the following announcement in your newspaper upon receipt of this letter:

"90th Infantry Division To Meet

Veterans of the Division from nineteen midwestern States will attend a reunion August 4th, 5th, and 6th, at Hotel Spaulding, Michigan City, Indiana. Contact Russell L. Dilts, 610 South Main St.,

South Bend 1, Ind., for information and immediate reservations."

Yours respectfully,

Russell L. Dilts
Sec.-Treas.

Dear Editor:

In your paper of this week, the article "Playhouse Opening Enlivens Vacation Spirit Here, Says Indianapolis Writer", you mentioned that there are 11 students, five girls and six boys. In the second to last paragraph you mentioned the list of players, yet only listed the names of two girls, the third girl, Margit Friedlander, was listed in the first paragraph.

I happen to know the entire cast and realized that you overlooked listing two of the girls, Nancy Todd and Viera Messham of Cincinnati, Ohio.

Both girls were in the first play and also are in the second one and definitely should not be omitted when listing the cast of resident players.

No doubt this was an oversight, but felt it should be brought to your attention.

Very sincerely,

An ardent booster of the
Maxinkuckee Playhouse and
a reader of your paper.

Thank you for correcting this omission.

Your Life Insurance

Consider the problem of this widow: Her husband owned \$4,000 of life insurance, which she had thought would be quite enough. She didn't realize that a death generally causes heavy expenses.

Within a few months after her husband's death she had to pay the following bills: Hospital and nurse, \$210; doctors' bills, including an operation, \$240; final expenses, including the funeral, \$900. The total was \$1,350. After paying these bills, she had only \$2,650 left.

The thoughtful husband who wants his wife to have his present insurance for her own use and support should take a policy for a "clearance fund"—\$1,000, \$1,500, \$2,000, or more. Then she won't have to pay his bills out of the money he intended for her and which she will need so much.

Large Crowd See Culver Softball Teams Win Tripleheader

A large crowd of fans enjoyed a full evening of softball last Friday evening at the local School Field where they saw three Culver teams win a triple header. The Culver girls squad turned in a neat 9-8 win over Knox; the local VFW nine defeated the Rochester VFW, 6-5; and the High school team blasted Lapaz, 14-5. It was the fourth straight win for the High School team who lead the county league.

Although nicked for sixteen safeties Marjorie Baker, pitcher for the Culver Girls softball team, scattered the Knox blows sufficiently to give the local squad it's 9-8 decision. The local girls scored 3 runs in the first, one in the second, and another in the next frame for a 5-0 early lead.

Tonight the girls team meets Winamac in an important contest on the local diamond. The game gets under way at 8 p.m. Friday evening the team will meet North Judson there.

The team composed of 10 to 13 year old boys defeated West 20 to 0 on Friday and lost to Bremen on Monday by a score of 9 to 3. The next game will be a return engagement with Bremen on Friday.

Issues Call For 20,000 Inductees

The urgency of the foreign situation with the re-establishment of selective service inductions and the appeal to reserve members of the armed forces is being followed closely by the local public. Yesterday Washington stories indicated that 20,000 boys between the ages of 19 and 25 would be inducted through selective service.

According to a story in the Plymouth Pilot, the Marshall Co. Board has been swamped by requests for information and the first of this week the board office, located at the corner of Michigan and Laporte streets in Plymouth, advised that it was open on Thursdays and Fridays and persons wishing information could obtain it then.

Every youth who reaches eighteen must register with his local selective service board even though he cannot be drafted until he is nineteen.

Final Rites Conducted For Pauline Speyer

Final rites were conducted here last Saturday afternoon for Pauline Speyer, age 57, who passed away in her sleep at the home of her sister, Mrs. Margaret Reynolds in South Bend. Rev. Quentin Hand, pastor of the Methodist church, conducted the services held at the Easterday Funeral Home. Interment was in the Culver cemetery.

Miss Speyer had been in poor health for several months. The daughter of the late Henry M. and Mary L. Speyer, she was born in Culver on December 13, 1892. Blind from birth she was an accomplished student, having graduated from the Indiana School for the Blind at Indianapolis. She was a member of the Culver-Union Township Home Economics Club and the Methodist church. She had taken an active interest in various community activities.

After more than 20 years of corresponding for the Pilot-News, Miss Speyer retired recently because of poor health. As a news-gatherer, she overcame her physical defect by writing items (which she took by telephone) on a specially designed board and reading the emblems Braille fashion.

She is survived by three sisters, Mrs. Ruth Shaw, Escanaba, Mich.; Miss Helen Rhoads, Williston Park, L. I., N. Y.; and Mrs. Reynolds; and three brothers, George

of Culver; Harry of South Bend; and Jack of Williston Park; several nieces and nephews; and a host of friends.

FORMER RESIDENT DIES

Final rites were conducted on Friday at Nappanee, Ind., for Mrs. Henry Eastman, aged 60, formerly of Culver. Mrs. Eastman died on Wednesday at her summer home in Wisconsin.

The Eastmans, who formerly managed the New Culver Hotel, moved to Nappanee twenty years ago, where they have operated the Coppes Hotel. She is survived by her husband and two sons, Philip and Robert Quigley of Nappanee.

Dale Brown Badly Cut In Auto Accident

Dale Brown, 23, suffered severe head lacerations in a car accident which occurred late Sunday afternoon along the highway just beyond the East Shore Road near the Dick Loudon home. His con-

dition yesterday was considered good by Parkview hospital attendants, where he was taken following the auto crash.

It required approximately 35 stitches to close the wound. Cuts were across the forehead, the nose, and around the side of the head. His small son, Douglas, who will be three years old in September, riding with him, was uninjured.

It is thought the accident occurred when Mr. Brown, driver of the car, reached over to aid his son who was riding in the front seat with him. Damage to the car was estimated at \$350.00.

Farmers in the surrounding area are losing no time in "making hay while the sun shines." Heavy rains up through the middle of last week seriously interrupted the hay making schedule. But if the fair weather of the past few days holds out a bumper crop will soon be in the hay mows. One farmer reported that the crop this year will be one of the heaviest in years.

drive 'em,
let the ride decide!

We ask you to do this: Drive all three of the leading low-priced cars. Compare the riding comfort, the ease of handling. Test the performance of the engines, the operation of the brakes.

Do this and we, as a Plymouth dealer, will be satisfied with your decision. That's because we know you will find in the Plymouth so many features you can get in no other low-priced car — Safe-Guard Hydraulic Brakes, Safety-Rim Wheels, high compression engine, Ignition Key starting.

Remember — before you buy any car at any price — be sure you drive the new Plymouth. Then compare — feature for feature, dollar for dollar — and let the ride decide!
