THE CLOCK TO LEAD CULVER UNIT IN PARADE SATURDAY

The Clock, 28-year-old lead horse of Culver Military Academy's Black Horse Troop, has been taken out of retirement to lead the Culver unit in his fifth consecutive Inaugural parade. Ridden by cadet squadron commanders former than two decades, The Clock will head up a 90-horse unit carrying the massed American flags in the protocol section leading the parade.

Cavaliers Win 93-84 Over Northfield

Culver's Cavaliers made it two in a row Saturday night as a big fourth quarter rally overhauled a South Central advantage to turn defeat into victory. Trailing 51-43 going into the crucial last stanza, a 28-17 advantage reversed the outcome for the fourth win of the season for Len McIntire's Cavaliers. Culver has dropped 8 games. South Central on the other hand is even at 6-6 now but after winning their first four of the season, have slipped badly.

The first quarter was not too well played as the teams had a period of feeling each other out and some mistakes were made. However, it was tight and when the quarter had ended, the Cavaliers were leading by one, 14-13. The visitors from LaPorte County gained the lead by halftime as the score was close all the way. A 31-28 advantage was enjoyed by the Satellites.

South Central increase the lead in the third quarter and looked like they were taking charge of the situation. Holding a 51-43 margin they appeared reasonably

safe until a real charge by the Cavaliers reversed things in the last eight minutes for the 71-68 exciting come-from-behind win.

Culver again was paced by the fine efforts of Rans and King as they totaled 25 each. Rans had 11 baskets and King eight, getting the rest of their points on more good free throw shooting. A 10 point performance by Gordon was the other effort in double figures. South Central's attack featured four double figure totals with Busse hitting 21 for the top effort. Wakeman, Bowser and Shinn had 14, 13 and 12 respectively. Culver again was outscored from the field with the Satellites having 27 baskets but only 14 of 24 from the line. The Cavaliers had 24 baskets but 23 or 33 from the line.

B Team Loses Again

The Culver B team lost again, this time by a 42-34 margin.

Local Patrols Place At Scout Klondike Derby

Boy Scouts from the Menominee district, which is composed of Marshall County and the south portion of St. Joseph County, held their annual Klondike Derby Saturday at Myers Lake. This winter scouting expedition brings together the derby sleds that are made by the scouts.

The six foot dog sleds are manned by six to eight scouts who race the sleds to various stations. Scout skills such as first aid, ice rescue and compass reading are performed as part of the competition. Awards are given for performance as well as the best made sleds.

First and third place awards were presented to the two patrols of Troop 290 for the best made sleds out of 12 entries.

Accompanying the scouts were Scoutmaster Ken Reininga, assistant scoutmaster John Jewell and Kenneth Ruby.

A reminder: Boy scouts will be authorized to pick up magazines along with newspapers at future collection dates. So save those magazines and newspapers for the next month pick-up.

Life is the subject of the lesson, John 17:3, This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent. From the Christian Science Textbook, Science and Health with Key to the Scriptures, by Mary Baker Eddy, "This is life eternal," says Jesus, is not, shall be, and then he defines everlasting life as a present knowledge of his Father and of himself, the knowledge of Love, Truth, and Life. The great spiritual fact must be brought out that man is, not shall be, perfect and immortal.

THE 8TH ANNUAL TOURNAMENT of teams from St. Joseph and Marshall County will unfold tonight (Wednesday) at the LaVille High School with an action packed meet expected by most of the fans. Pairings were made on Saturday and once again this year "all" the teams with winning records are bunched in the lower bracket. There are three teams with winning percentages headed by the perfect 12-0 record of the John Glenn Falcons. Last year only Glenn and Argos had winning records and the luck of the draw matched them in the first game.

THE TWO BIG CHANGES IN the 1973 meet is that once again it is an eight team meet with no byes and it will be played on four consecutive nights instead of the former Saturday afternoon and night semi-finals and finals. A two game card Friday night will choose the two teams for the Saturday finals.

ACTION STARTS WEDNESDAY night at 7:00 with North Liberty and Bremen squaring off in the lid-lifter. The Shamrocks, a 1-10 team, certainly looked better than that Friday night as they almost upset Glenn. However, the simple fact they have won only one time and that over a winless Marian team cannot be overlooked. Bremen on the other hand only is a 4-9 team this year, winning the first three they played over Culver, Triton and LaVille before a single victory and nine defeats has cropped up. They play in a much tougher league as they do conference battle with such as Plymouth, Rochester, Warsaw, in the Northern Lakes Conference. Competition means a lot.

THE SECOND GAME WEDNESDAY pits a scrappy, but small Culver team against New Prairie, who does have some size. The Cavaliers of Culver just came off two week end wins over Northfield and South Central in which they scored a lot of points. This boosts their season record to 4-8

and their other two wins were over Triton and Argos, not the two softest teams in the area. New Prairie, a last second loser to the Glenn Falcons in last year's final game, has several returning boys including their top scorer in Maffy Bush and 6'6" center Steve Cooreman. They also had the Bi-County B team champs last year but the team just hasn't jelled like it was expected and currently a mediocre 5-7.

THE BOTTOM BRACKET HAS Argos and the host LaVille team starting things off Thursday. A 2-9 record of the host Lancers is a little deceiving as the list of victors over the Lancers include Plymouth, New Prairie, Concord, Jackson, Triton, CMA, Rochester, Fairfield and New Prairie, not the softest touches around. LaVille is rebuilding with a new coach in Steve Longfellow who comes to the Lancers from a good basketball family. Argos has a real strong three man punch, in fact four good starters, but lack the depth and size they need. At 9-4 they the third best record and one of only three winning records in the meet. In Greg Scheetz, they have probably the second best individual player in the tourney beyond a doubt and he gets help in the persons of Bruce Jennings and Devon Sherer.

THE LAST FIRST ROUND game should be a dandy between the new team in the meet, CMA, and the defending champions of Glenn. It is no secret everyone is aiming at Glenn and their superstar Bruce Dayhuff and the Eagles already came within four of the Falcons this year despite a fine 43 point performance by Dayhuff and some pathetic free throw shooting of their own. The 76-72 season opener proved that CMA is big, fast enough, but possibly too foul prone to do the job. In that first meeting Dayhuff hit 15 baskets and 13 from the line as the Falcons only had 26 baskets but 24 of 36 from the charity line. Meanwhile the Cadets hit 31 field

goals but only a weak 10 of 23 from the stripes.

LOOKING AT THE PLAYERS competing we see that there are 42 seniors, 38 juniors, only six sophomores and one freshman, that being Rick McIntire, of Culver. A look at the various teams shows LaVille has only one senior, Argos has three and North Liberty four. The rest of the schools have at least five with New Prairie nine, CMA eight and Glenn seven. No sophomores appear on these last three senior dominated teams and LaVille has two while Culver, Argos, Bremen and North Liberty only have one each. Three boys, Dean Zentz and Bill Westafer of Argos and Randy Sauer, of LaVille, are the shortest at 5'6" and Steve Cooreman of New Prairie and Jim Simmons top the height parade at 6'6". Of the 87 boys listed on the eight teams, 50 are listed at 6'0" or more with 37 under that height. CMA leads the way with 10 of 11 6'0" or over with New Prairie having eight. Bremen has only four of 11 at that height while Culver and LaVille each have five and the other teams six.

IT IS INTERESTING TO SEE that with the simultaneous B team tourney only one team of the schools, New Prairie, lists a full roster of 12 boys. Glenn and LaVille have the minimum, 10 each and the other five schools list 11. Also of interest, last year four of the six games were decided by three or less points with Culver being involved in the two that weren't, defeating North Liberty by 22, 77-55, and losing to Glenn by 21, 84-63. In the previous seven tournies, LaVille and Bremen have captured two titles each and North Liberty, Triton and Glenn one each. Close-contests have been the order of the day for the championship games as five of the championship battles have been two point decisions, one was by just six points and only Triton's 81-63 spanking of Bremen in 1970 by an 81-63 margin was decided early.

THIS ALL GOES TO SHOW A well-balanced history for this annual affair and even though not blessed with a lot of good records, this year's meet should be a rip-snorter also. From this corner we see it this way: Bremen's tougher competition to win out in the long run with a thriller over

a good North Liberty team; a real pier 6 brawl in the second contest, but think the altitude of New Prairie to hold off the very scrappy, clawing, digging, foul prone efforts of the much shorter Culver team as Ron King, Larry Rans and Jim Gordon need more help. On Thursday, we like the class and style of Greg Scheetz and know the built-in desire he inherited from his dad, to pace an Argos team over LaVille. The Dragons didn't peak too early this year. The final game Thursday we like the savvy of Dayhuff to get the Falcons back on a smoother track as they advance to again take all the marbles over New Prairie Saturday night. The path will not be easy, but Glenn has in Dayhuff something no other team in the tourney has.

Cavaliers Top South Central Saturday Night

The old one-two punch became a one-two-three punch with a lot of wallop Friday night as the trio of Ron King, Larry Rans and Jim Gordon combined for 77 big points to pace the way to a high scoring 93-84 victory in a Three Rivers Conference game. The victory was the third of the season in 11 starts for Culver and their second in four contests in league play. Northfield is now 4-7 on the year and 0-3 in conference action.

The wild and woolly action was close all the way with Culver able to maintain a lead most of the time. They held slight edges at every stop even though the visitors never were out of it. A big 30 point last period, even though Northfield was scoring 25, put the margin to a safe total in moving to the win.

The Cavaliers for a change, had a big plus on the free throw line. In the fast action, a total of 54 fouls were called and Culver won the game from the stripe with a fine 31 of 43 total while the losers were only tallying 14 of 28 free throws.

King finished with 29 points on eight baskets and 13 from the 15 foot line. Gordon and Rans each potted 24 with Gordon collecting 11 baskets and two free shots while Rans had eight from both the floor and the line. A 31 point performance by Jim Lange topped all scorers while he was getting 23 point help from Larry Schnapp.

B Team Is Beaten 42-36

The Culver reserves lost their game to Northfield by a 42-36 score.

Shock, Culver; three sisters, Mrs. Harold (Lucinda) Heim, Fort Wayne; Mrs. Harry (Freeda) Hovey, Defiance, Ohio; and Mrs. Charles (Eva) Robbins, Howe; and six grandchildren.

Services were conducted Tuesday at the Boney Funeral Home, Culver, with Rev. Maurice Kessler, pastor of the Emmanuel United Methodist Church, officiating. Burial was at the Burr Oak Cemetery.

Forrest W. Triplet
Forrest W. Triplet, 73, route 1, (South Pear Road), Culver, died at 4:45 p.m. Sunday, January 14, at Marshall County's Parkview hospital, Plymouth, following a nine month illness. A lifetime Hibbard area resident, he was born November 26, 1899, at Hibbard to Alton and Anna Stuck Triplet. He was married April 24, 1946, at Plymouth to Ida Marie Scheuerman, who survives. He was a farmer in the Hibbard area.

Also surviving are one son, Rodney G. Triplet, at home; four sisters, Mrs. Lester (Eva) Houghton, Culver; Mrs. Edward (Nellie) Bickel, Plymouth; Mrs. Robert (Anna May) High, Tucson; and Mrs. Kenneth (Sylvia) Bush, Claypool. Mr. Triplet was preceded in death by three sisters and two brothers.

Services were conducted Wednesday at Trinity Lutheran Church, Culver, with Rev. Roger Sommer, pastor, officiating. Burial was at New Oak Hill Cemetery, Plymouth.

FRANK SETZLES TO HEAD SOCIETY

Frank Setzler, of Culver, was unanimously elected to head the Marshall County's Historical Society as chairman. The board met on January 10. The society meets on the second Wednesday of January, July and October, also the fourth Wednesday of April each year.

Begin Work On Fire Damaged Post Office

The Abbeyhill Construction Company was awarded the contract to renovate the Culver Post Office, which was damaged by fire a year ago. Work on the project began this week.

Lock boxes have been moved to the new location at the west end of the lobby. Plans call for an enlarged work area with modern service windows at the east end of the lobby. The interior of the building will be completely cleaned and painted.

Surviving (Another) Long, Cold Winter

If a cold does manage to slip through your defenses, take a day off and cuddle under the covers with a pot of tea, an electric blanket, a good book. Bathe your sore throat with Aspergum—the chewing gum medication that puts aspirin where you hurt most, your throat. (Enjoy your day off! The family will survive.)

Housebound? Pass a dreary day by whipping up a gourmet dish from a recipe you've been wanting to try. A rib-sticking French stew... a soup that's a meal... or an unforgettable casserole. Your family will appreciate your efforts: There's nothing nicer than coming in from the cold to the smell of something good coming from the kitchen.

Still have the cold weather blues? Tack this reminder up on the bulletin board: If Winter Comes, Can Spring Be Far Behind?

NEW YORK (ED)—The best thing to do about winter? Leave it behind! But if you can't afford the luxury of three months in the Caribbean, then be prepared to cope. One of the biggest winter problems is keeping colds away from your family's door. To give your children the strength to fight infection, rely on a hearty breakfast. Wake them earlier so they can enjoy a hot, nourishing meal before they are off to school.

Your work load doesn't slow down when the temperature drops. Treat yourself to a leisurely breakfast, and you'll feel better about doing the laundry, going to the cleaners and supermarket. You make sure the kids button up their overcoats—well you're not immune to sore throats and sniffles, either—so dress snugly before stepping out.

Retirement Seminar January 25

The Culver Community Churches will sponsor a Retirement Seminar on Thursday, January 25 at Grace United Church of Christ.

The Rev. and Mrs. Earl Sharp will provide the program telling of their recent trip to the Holy Land. They will use slides to illustrate their experiences.

Those wishing to attend are asked to call 842-2900 by January 22 for meal reservations. The cost of the noon meal will be 50c and is to be served by the women of Wesley United Methodist Church.

MUSIC BOOSTERS MEET

The Music Boosters organization of the Culver Community School met at the home of the president, Robert Cultice, Monday evening with six members and the music directors, Mr. Byfield and Mr. Moon, present.

Complimentary remarks were made regarding the musical program held before the Christmas holidays and the new choir robes which arrived the day before the program. Mr. Moon, in behalf of the choir members, expressed thanks to the organization in purchasing these robes for them.

Final plans were made regarding the concession stand for the Music Contest to be held at the school on Saturday, January 27. Names of all music patrons were divided among the officers who will be calling for food donations for this project. Mr. Byfield also asked the organization to be responsible for getting 16 adults to assist him with the contest responsibilities.

Plans for Tag Day and the Fish and Tenderloin Supper will be finalized at the next meeting.

MISS NELSON NAMED

TO DEAN'S LIST
Students named to the Dean's List for the fall quarter at Tri-State College, having achieved a B average or better, includes Karen Nelson, daughter of Mr. and Mrs. John R. Nelson, Leiters Ford. A graduate of Culver Community High School, she is majoring in secretarial science.

EARL MISHLER PROMOTED AT S. B. TRIBUNE

Earl Mishler, former Culver resident who has been a sports writer for The South Bend Tribune for the past four years, has been promoted to the position of copy editor by The Tribune.

Mishler, who replaces the retiring Ray Kemper on the copy desk, will continue to cover spots on spot assignments. His weekly column on high school basketball, "Mishler on Michiana," also will be continued through the remainder of the current season.

A 1961 graduate of Culver High School, Mishler also has worked at the Logansport Pharos-Tribune & Press, the Muncie Star and the Valparaiso Vidette-Messenger. He graduated from Valparaiso University in 1965.

Mishler, 29, is the son of Mr. and Mrs. Ben Mishler, of South Bend, also former Culver residents.

WESLEY WSCS ENJOYS

MUSICAL PROGRAM

The children of the Melody Choir, Disciple Singers and the Handbell Choir of the Wesley United Methodist Church presented a program of sacred music on January 11 at 7:30 p.m. for the members and friends of the Wesley United Methodist Women. Soloists with the choirs were Susan Snyder, drum; Wendy Couch, flute; Peggy Couch, autoharp; Cynthia Bonine, finger cymbals; Reed Joice, tamborine; and Lee Houghton, Kelly Lawson, Kathryn Bigley and Wendy Couch, voice. Mr. Lloyd Moseng directed the Handbell Choir and Mrs. Earl Sharp the vocal choirs with Mrs. J. Bryce Bigley as piano accompanist.

The following slate of officers for 1973 was submitted by the nominating committee, Mrs. Robert Osborn, chairman; Mrs. Clarence Bair and Mrs. Ray Houghton; President, Mrs. Ray Houghton; Vice-President, Mrs. Earl Graham; Secretary, Mrs. Robert Lindvall; Treasurer, Mrs. Richard Dehne; Co-ordinator for Christian Global Concerns, Mrs. Donald Davis; Chairman of Spiritual Growth, Mrs. George Speyer; Chairman of Local Church Responsibilities, Mrs. Ted Strang; Membership Chairmen, Mrs. Fred Lane and Mrs. Jack Spencer; Co-

Chairmen of Salad Bar, Mrs. Fred Adams and Mrs. Ralph Osborn; and Altar Flowers Chairmn, Mrs. Harry Speyer. After the election Mrs. Strang pinned the president's pin-of-office on Mrs. Houghton.

The group voted to help in the support of the Alvern Vom Steeg family, who are serving as United Methodist missionaries in Brazil.

The devotional thoughts of the evening were a potpourri of memories, poems and prayer from the life of her mother, Nellie Church, given by Mrs. J. Bill Allen.

Mrs. Strang and Mrs. Houghton poured at the tea table decorated with epergne and candles as the ladies enjoyed sandwiches prepared by Mrs. Harry Speyer and her hostess committee.

Achievement ABC's Make 4-H'ers Better Citizens

SPECIAL - "When a young person joins 4-H, he takes a giant step toward becoming an achiever," says Kenneth H. Anderson, associate director of the National 4-H Service Committee, Chicago.

"In every project and activity a 4-H member undertakes, he is bound to earn a measure of success - to achieve. It may be learning a new skill, being of service to others, developing leadership abilities or achieving a much sought after goal," the Committee's spokesman explained.

Anderson also noted that the 1972 National 4-H Congress, scheduled in Chicago, Nov. 26-30, will bring together 1,600 of the nation's top 4-H achievers. All will have earned the right to represent their state through achievements in specially designated programs supervised by the Cooperative Extension Service.

Among the delegates to

the nation's largest national 4-H event will be 51 state winners in 4-H achievement. Selected by their respective state extension services, the young achievers will receive their expense-paid trips to Chicago from Ford Motor Company Fund.

During National 4-H Congress 12 members of the group will be named national winners of \$600 scholarships given by the Ford Fund and two will be designated presidential award winners.

In anticipation of the arrival of this year's crop of young 4-H achievers, Anderson recalled some of the specific accomplishments of the previous year's group.

Gail Frampton of Ramona, Calif., worked with seeing eye dogs for the blind. Karen Karr, Elmont, N.Y., spent a summer working and living with eight homeless girls at a children's home. And since has found time to do volunteer service in a day care center.

Before being named one of the 1971 4-H presidential award winners, Rachel Koontz of Fort Wayne, Ind., had twice been designated "best girl scientist" in her state.

Two young men, Robert H. Foree, Campbellsburg, Ky., and Neal Nygard, Minot, N.D., have taken active roles in their home farm operations. Each owns a sizable interest in his family's beef herd. And young Nygard, an accomplished speaker and a 1971 presidential award winner recently narrated the National 4-H Service Committee's new film - National 4-H Congress, a Challenge for Tomorrow.

Anderson also noted that some 8,500 boys and girls are expected to earn county medal awards in the national 4-H achievement program this year.

The county extension office can provide information on how youth start becoming achieve...

BIRDS FROM ABROAD

TWO OF OUR MOST POPULAR GAME BIRDS ARE NOT NATIVES OF NORTH AMERICA-- THEIR ANCESTORS WERE BROUGHT HERE BY SPORTSMEN WHO USED WILDLIFE MANAGEMENT TECHNIQUES TO ESTABLISH THEM IN VAST NUMBERS.

THE RINGNECKED PHEASANT WAS INTRODUCED IN 1882... FROM THE ORIENT, TODAY THE HARVEST OF THESE BIRDS IN SOUTH DAKOTA ALONE APPROACHES ONE MILLION A YEAR. INDIA'S CHUKAR PARTRIDGE THRIVES HERE, TOO, THANKS TO THE HUNTERS DOLLARS CONTRIBUTED FOR WILDLIFE EXPANSION.

HOW TO BAG YOUR SHARE OF THESE POPULAR GAME BIRDS? USE A WELL TRAINED DOG AND MATCH THE BIRDS' SPEED WITH A FAST-FIRING SHOTGUN LIKE THE REMINGTON MODEL 1100.

Coast-To-Coast Run Shows How To Get Top Gas Mileage With Low Emissions

An American Motors subcompact Gremlin X has completed a transcontinental test from Los Angeles to New York, averaging 26.47 miles per gallon at an average speed of 46.7 miles per hour. Gasoline coast-to-coast cost only \$43.75.

The 3,323-mile AMC "Clean Air-Economy Run" effectively demonstrated that a 1973 car with Federally-required emission control devices could achieve good fuel economy when the vehicle is maintained to the manufacturer's recommendations.

AMC engineer Les Viland, an expert on economy driving, was at the wheel of the car throughout its coast-to-coast run. The test was sanctioned by the National Association for Stock Car Automobile Racing (NASCAR).

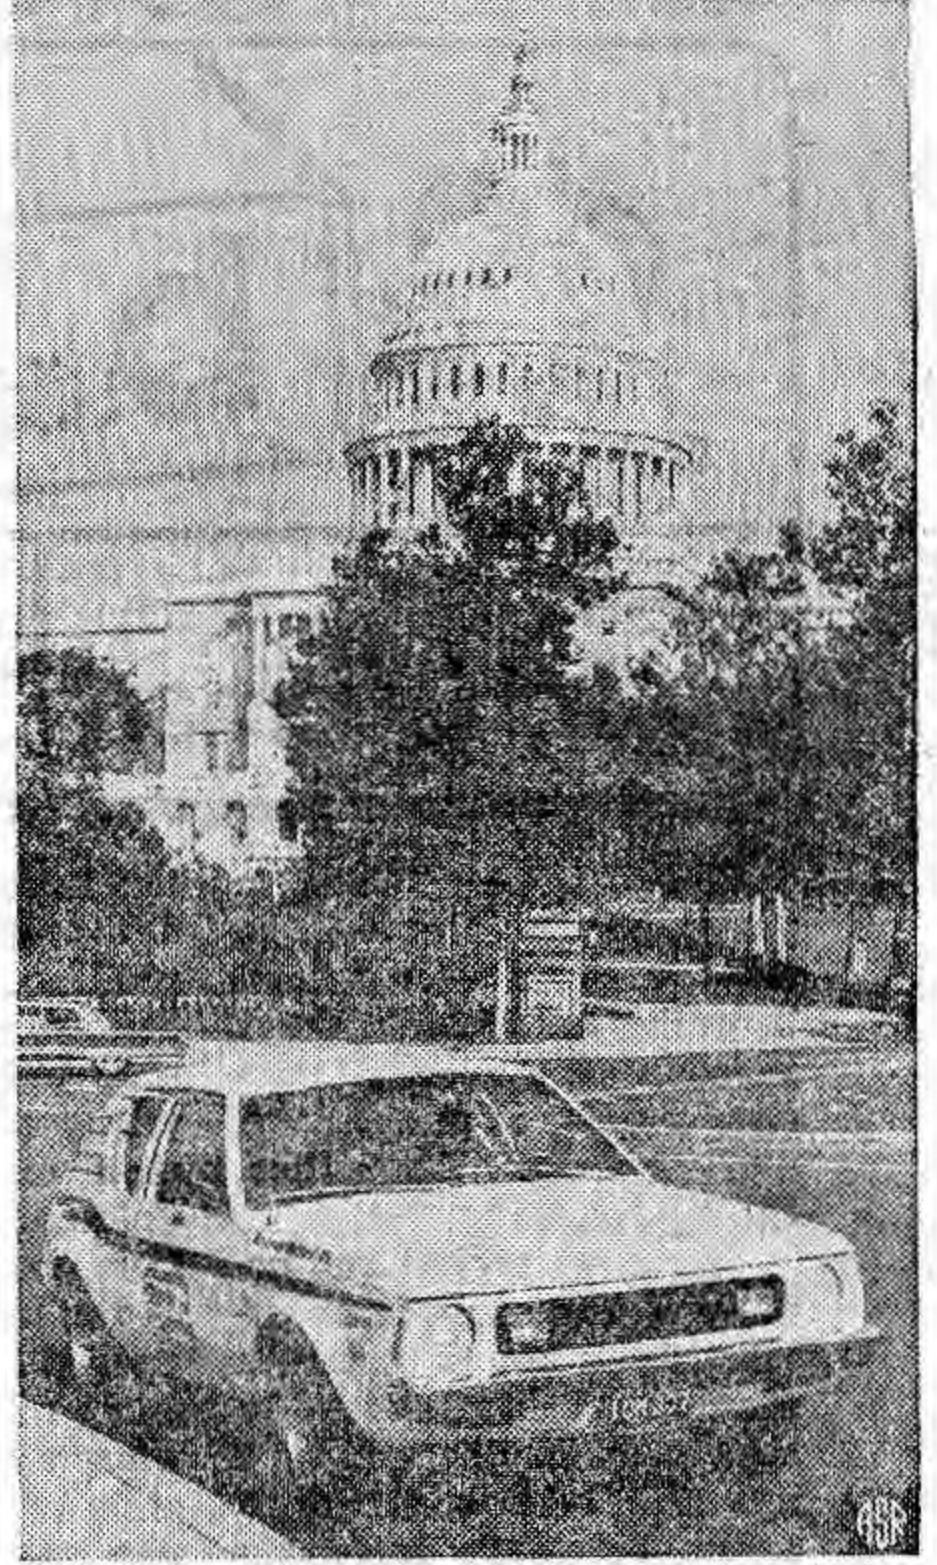

The stock Gremlin, tuned to factory specifications, was equipped with an automatic transmission and powered by a 232-cubic-inch six cylinder engine.

Frank (Buck) Holder, NASCAR observer, certified the mileage figure and the condition of the car. He rode with Viland throughout the run as the car traveled over all types of roads and worked through various traffic situations.

Olson Laboratories, which operates emissions testing facilities in Los Angeles, conducted a full-scale evaluation of the test car's emissions levels before the run began, and then rechecked the car in New York at the conclusion of the test.

Readings were well below 1973 exhaust emission requirements, showing hydrocarbon levels of 1.45 grams per mile vs. Federal standards of 3.4 grams, carbon monoxide emissions of 5.99 grams per mile vs. 39.0 grams, and oxides of nitrogen levels of 2.84 grams per mile vs. 3.0 grams.

Regular gasoline, supplied by Union Oil

Gremlin X passes the nation's capitol during coast-to-coast "Clean Air-Economy Run."

Company, was used for the entire trip. Identical fuel was used during the run instead of changing brands or types of gasoline blended for certain parts of the country, thus insuring more precise readings of the engine's emissions.

The route from Los Angeles, shown on map, included overnight stops at Phoenix, Arizona; Las Cruces, New Mexico; Abilene, Texas; Shreveport, Louisiana; Selma, Alabama; Augusta, Georgia; Raleigh, North Carolina; Washington, D.C. and Philadelphia, Pennsylvania.

Economy driver Viland says that sound driving techniques, coupled with strict observance of all traffic regulations, contributed to the high mileage level recorded during the run. He suggests that every driver concentrate on improving his driving skills in order to increase gasoline mileage with today's cars.

Gremlin's transcontinental route covered 3,323 miles in 15 states.

I am an American. Do not fold, spindle, or mutilate.

Being an American is comfortable.

After all, we do have more than any other country in the world.

But sometimes we get too comfortable. We take our leisure and our prosperity and our freedoms for granted. Sometimes we have to be reminded that it wasn't easy for us to get where we are. That the freedoms we enjoy weren't handed to us on a platter.

Of course, the great majority of Americans have great pride in their country.

Millions of them show their pride by buying U. S. Savings Bonds.

Through regular purchases where they work or bank, they've helped preserve our freedoms by investing in their country.

At the same time, they've been storing up quite a nest egg for themselves.

U.S. Savings Bonds pay a guaranteed return. And your investment is backed by the full faith and credit of the United States of America.

Also, the interest on Series E Savings Bonds isn't subject to state or local income taxes.

You can defer federal taxes on E Bond interest until you redeem the Bond.

If your Bonds are lost, or stolen, or destroyed, we simply replace them without cost.

They're safe.

They're easy.

They're automatic.

And they're also a reminder. A reminder that we all have to work hard to keep what we have.

Investing in your country will do just that.

Think about U.S. Savings Bonds.

It's a way to keep our country from getting folded, spindled or mutilated.

If they're lost, stolen, or destroyed, we replace 'em.

NOTICE OF RESOLUTION FOR ANNEXATION OF TERRITORY

Notice is hereby given that the Board of Trustees of the Eastern Pulaski Community School Corporation and the Board of Trustees of the Culver Community School Corporation have each adopted the following Resolution, to-wit:

"RESOLUTION TO BE ADOPTED BY EASTERN PULASKI COMMUNITY SCHOOL CORPORATION AND CULVER COMMUNITY SCHOOL CORPORATION FOR ANNEXATION

BE IT RESOLVED by the Board of Trustees of the Eastern Pulaski Community School Corporation and the Board of Trustees of the Culver Community School Corporation that certain territory be annexed by the latter corporation, in accordance with the following particulars:

1. The name of the acquiring school corporation after the effective date of the annexation will remain the Culver Community School Corporation.

2. The territory to be annexed by the Culver Community School Corporation from the Eastern Pulaski Community School Corporation shall be as follows:

All that portion of land in Franklin Township, Pulaski County, Indiana, which lies east of the Tippecanoe River, said portion of land being located along the east side of Sections 12 and 13, Township 31 North, Range 2 West.

3. Said annexation shall take place on March 1, 1973, or as soon

thereafter as all legal requirements for such annexation shall have been met.

4. Since all children now located in said area have previously been attending school in the Culver Community School Corporation, said pupils shall continue to be educated in the Culver Community School Corporation Schools, and no adjustments will be made for payment of tuition.

5. Both the acquiring and the losing school corporations will retain all of their current assets and all of their current liabilities without transfer. All taxes assessed against property in the territory to be annexed up to the date of annexation shall be retained by the losing corporation, and all taxes assessed against said property after the date of annexation shall be received by and retained by the acquiring school corporation."

Said Resolution was adopted by the Board of Trustees of the Eastern Pulaski Community School Corporation on the 11th day of December, 1972, and by the Board of Trustees of the Culver Community School Corporation on the 19th day of December, 1972.

Under the provisions of the Acts of 1963, Chapter 296, registered voters residing in the losing corporation or in the territory to be annexed, have a right to remonstrate against such annexation, which remonstrance shall be in accordance with the provisions of said law, until the date of such annexation.

JAMES COONEY TO RIDE IN INAUGURAL PARADE

James A. Cooney, of Culver, will ride with Culver Military Academy's famed Black Horse Troop when it leads the Inaugural Parade honoring Richard M. Nixon on January 20, in Washington, D.C. Culver will be making its seventh Inaugural Parade appearance in 60 years.

The son of Mr. and Mrs. D. P. Cooney, is one of 90 members of Culver's Black Horse Troop selected to make the three-day trip. Selections from the 148-member Troop were made on the basis of academic standing, citizenship and horsemanship.

Surrounded by a lance and sabre guard, the Black Horse Troop, the largest remaining mounted military organization in the United States, will carry 60 American flags, the only American flags that will appear in the parade.

A convoy of eight horse vans left Culver Wednesday for Washington for the Inaugural. The 90 troopers will fly to Washington by chartered jet Thursday and stay in Neighboring Alexandria, Va. Friday the Troopers will exercise their mounts at a raceway in Oxon Hill, Md., and tour the capital. In addition to their parade appearance Saturday, the troopers will take part in a number of social activities with Washington area girls' schools.

A cadet corporal and guidon bearer, Cooney has been a member of the Troop for three years. He is a member of the precision Lancer Platoon, the honor organization of the Troop, and the junior varsity jumping and wrestling teams. He has participated on his company's intramural crew team. He attended Culver's Summer Woodcraft Camp.

ENJOY JET CRUISE

Rev. and Mrs. Earl Sharp, who recently returned from a nine-day jet cruise of Cyprus, Turkey, Lebanon, Syria, and Israel, will show slides and tell of their experiences at the 10:00 a.m. worship service at Wesley United Methodist Church, Culver, this Sunday, January 21. After a flight to Cyprus, they were on a Mediterranean cruise ship, the SOUNION, and then toured these countries by bus. They will give special emphasis on their tour of Haifa, Nazareth, Bethlehem, Jerusalem and Damascus. They were tour hosts for Mrs. Harry Johnson, Leifers Ford; Colonel and Mrs. E. Kemp Moore, Culver; Mrs. Roy Broman, Mishawaka; and Mrs. Myrtle Schrader, Lakeville. Rev. Sharp is pastor of Wesley Church. Everyone welcome.

Main Street Gossip

Well now that the holidays are over everyone has had time to rest up and get back into the swing of things with many activities going on around the area. The big Bi-County Tourney set for January 17, 18, 19 and 20 is one of the activities that will keep quite a few of the residents hopping. The teams involved in this tourney include the host school LaVille, Glenn, North Liberty, New Prairie, Culver, Culver Military Academy, Argos and Bremen.

Many drivers don't realize how difficult it is to see their car under certain conditions. Just because you don't seem to need light to see where you are driving, doesn't guarantee others can see you.

So, use your headlights if there is the least doubt about the visibility of your car to other drivers.

The need is often greater than you think against the background of the moment your car may be difficult to see, even on relatively bright days. The problem is made worse at dawn, at dusk and on overcast days.

Remember, you can't judge how visible your car is to the other driver. Play it safe, light up, live and let live.

Indiana law requires that headlights be turned on from sunset to sunrise or at any other time when, because of insufficient light or unfavorable atmospheric conditions, persons and vehicles are not clearly visible at a distance of 500 feet ahead.

Also motorists are required to use lower headlight beams when approaching within 500 feet of, or following within 200 feet of another vehicle.
